RISK FACTORS

The risk factors set forth below are limited to this Open Offer, the Underlying Transaction contemplated under the Share Purchase Agreement and the Company Agreement, and the Acquirers, and are not in relation to the present or future business operations of the Target Company or other related matters. These are neither exhaustive nor intended to constitute a complete analysis of all the risks involved in participation by Public Shareholders in the Open Offer, or in association with the Acquirers, but are merely indicative in nature. Public Shareholders are advised to consult their stockbrokers, legal advisors, investment consultants and/or tax advisors, for understanding and analysing all risks associated with participation in the Offer.

For capitalised terms used herein, please refer to the section on Key Definitions set out below.

A. RISK FACTORS RELATING TO THE UNDERLYING TRANSACTION

1. The obligation of the Acquirers to complete the Underlying Transaction is conditional upon fulfilment of each of the Conditions Precedent set out in the SPA (unless waived by the Acquirers), as set out in paragraph 5.1 of Part A (*Background to the Offer*) of **Section III (Details of the Offer)** of this DLOF. The Underlying Transaction will be undertaken subject to the terms and conditions contained in the SPA and the Company Agreement including receipt of the Required Statutory Approval or other conditions/ requirements as specified in paragraph 1 of **Part D (Statutory and Other Approvals)** of **Section VIII (Terms and Conditions of the Open Offer)** of this DLOF. Further, the Underlying Transaction is subject to completion risks as would be applicable to similar transactions.

B. RISK FACTORS RELATING TO THE OPEN OFFER:

1. The Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 3,85,43,837 (three crores eighty-five lakhs forty-three thousand eight hundred thirty seven) fully paid-up Equity Shares representing 26% (twenty-six percent) of the Expanded Share Capital, from the Public Shareholders. If the aggregate number of Equity Shares validly tendered by the Public Shareholders under this Open Offer is more than the Offer Shares (*as defined below*), then the Equity Shares validly tendered by the Public Shareholders will be accepted on a proportionate basis, subject to the acquisition of a maximum of 3,85,43,837 (three crores eighty five lakhs forty three thousand eight hundred thirty seven) Equity Shares, representing 26.00% (twenty-six percent) of the Expanded Share Capital. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Public Shareholders in accordance with the schedule of activities for the Open Offer. The minimum marketable lot for tendering shares in the Open Offer shall be 1 (one) only.
2. In terms of Regulation 23(1) of the SEBI (SAST) Regulations, the Acquirers shall have the right to withdraw the Open Offer under the following circumstances: (i) statutory or governmental approval(s) required for the Open Offer or for consummating the Underlying Transaction having been finally refused; (ii) Conditions Precedent as specified in the SPA (as set out in paragraphs 5.1 and 5.2 of Part A (*Background to the Offer*) of **Section III (Details of the Offer)** of this Draft Letter of Offer), which are not met and the SPA is terminated (in accordance with the terms specified therein); or (iii) such circumstances as in the opinion of SEBI merit withdrawal. In the event of such withdrawal of the Open Offer, the Acquirers (through the Manager to the Open Offer) shall, within 2 (two) Working Days of such withdrawal, make a public announcement in the same Newspapers in which the Detailed Public Statement was published, in accordance with Regulation 23(2) of the SEBI (SAST) Regulations and such public announcement will also be sent to SEBI, the Stock Exchanges and the Target Company at its registered office.
3. In case: (a) there is any delay in receipt of any Required Statutory Approval (i.e., the approval of the Competition Commission of India under the Competition Act, 2002, as amended, required for the consummation of the Underlying Transaction, the Open Offer and the Hi-Bond Transaction), or any other statutory approval that may be required by the Acquirers, or other conditions/ requirements as specified in paragraph 1 of **Part D (Statutory and Other Approvals)** of **Section VIII (Terms and Conditions of the Open Offer)** of this DLOF, (b) there is any order of a governmental authority or a litigation leading to a stay/injunction on the Open Offer or that restricts/ restrains the Acquirers from performing their obligations hereunder; or (c) SEBI instructs the Acquirers to suspend the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this DLOF. Consequently, the payment of consideration to the Public Shareholders whose Equity Shares have been accepted in this Open Offer as well as return of the Equity Shares not accepted by the Acquirers may be delayed. In case of delay due to non-receipt of statutory approval(s), in accordance with Regulations 18(11) and 18(11A) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the non-receipt of approvals was not on account of any wilful default or negligence on the part of the Acquirers, grant extension for the purpose of completion of this Open Offer subject to the Acquirers agreeing to pay interest to the Public Shareholders, as may be specified by SEBI, unless

payment of such interest is waived by SEBI. Where the required statutory approvals apply to some but not all of the Public Shareholders, the Acquirers will have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.

4. All Public Shareholders, including non-residents holders of Equity Shares, must obtain all requisite approvals required, if any, to tender Equity Shares (including without limitation, the approval from the RBI) and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirers reserve the right to reject such Equity Shares tendered in this Offer. Further, if the holders of the Equity Shares who are not persons resident in India (including non-resident Indians, foreign institutional investors and foreign portfolio investors) had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender Equity Shares, along with the other documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirers reserve the right to reject such Equity Shares. Public Shareholders classified as overseas corporate bodies (“OCB”), if any, may tender the Equity Shares held by them in the Open Offer pursuant to receipt of approval from the RBI under the Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder. Such OCBs shall approach the RBI independently to seek approval to tender the Equity Shares held by them in the Open Offer.
5. Equity Shares, once tendered in the Open Offer, cannot be withdrawn by the Public Shareholders, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration are delayed. A lien shall be marked against the Equity Shares tendered in the Offer by the Public Shareholders until the completion of the formalities of this Offer and the Public Shareholders who have tendered their Equity Shares will not be able to trade in such Equity Shares during such period, even if the acceptance of the Equity Shares in this Offer and/ or payment of consideration are delayed. During such period, there may be fluctuations in the market price of the Equity Shares of the Target Company that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Open Offer. Neither the Acquirers nor the Manager to the Open Offer make any assurance with respect to the market price of the Equity Shares and disclaim any responsibility with respect to any decision by any Public Shareholder on whether or not to participate in the Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.
6. Recipients of the Draft Letter of Offer, who are resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Open Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirers or the Manager to the Open Offer to any new or additional registration requirements.
7. No action has been or will be taken to permit this Offer, in any jurisdiction other than India, where action would be required for that purpose. The LOF shall be sent to all Public Shareholders whose names appear on the register of members of the Target Company, at their stated address, as of the Identified Date, subject to Regulation 18(2) of the SEBI (SAST) Regulations, provided that where local laws or regulations of any jurisdiction outside India may expose the Acquirers, the Manager to the Open Offer or the Target Company to material risk of civil, regulatory or criminal liabilities in the event the LOF in its final form were to be sent without material amendments or modifications into such jurisdiction, and the Public Shareholders resident in such jurisdiction hold Equity Shares entitling them to less than 5.00% (five percent) of the voting rights of the Target Company, the Acquirers may refrain from sending the LOF into such jurisdiction: provided further that, subject to applicable law, every person holding Equity Shares, regardless of whether he, she or it held Equity Shares on the Identified Date or has not received the LOF, shall be entitled to tender such Equity Shares in acceptance of the Offer.
8. Public Shareholders are advised to consult their respective stockbroker, legal, financial, investment or other advisors and consultants of their choosing, if any, for assessing further risks with respect to their participation in this Open Offer, and related transfer of Equity Shares of the Target Company to the Acquirers. The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Open Offer, or in respect of any other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirers and the Manager to the Open Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in the DLOF.
9. The Acquirers and the Manager to the Open Offer accept no responsibility for statements made otherwise than in the PA, DPS, DLOF, or in the advertisements or any corrigenda or any materials issued by or at the instance of the

Acquirers or the Manager to the Open Offer in relation to the Open Offer. Notwithstanding the above, the Acquirers and the Manager to the Open Offer do not accept responsibility for the statements made and information with respect to the Target Company and the Seller (which has been compiled from information published or publicly available sources or provided by the Target Company or the Seller), as set out in the PA, DPS, DLOF, LOF, or in the advertisements or any corrigenda or any materials issued by or at the instance of the Acquirers or the Manager to the Open Offer. The accuracy of such details of the Target Company and/or the Seller have not been independently verified by the Acquirers or the Manager to the Open Offer. Anyone placing reliance on any other sources of information (not released by the Acquirers) would be doing so at their own risk.

10. The information contained in this Draft Letter of Offer is as of the date of this Draft Letter of Offer unless expressly stated otherwise. The Acquirers and the Manager to the Open Offer are under no obligation to update the information contained herein at any time after the date of this Draft Letter of Offer.
11. This Offer is subject to completion risks as would be applicable to similar transactions.

C. RISK FACTORS RELATING TO THE ACQUIRERS:

2. None of the Acquirers, the Manager to the Open Offer, and/or the Registrar to the Offer accept any responsibility for any loss of documents during transit (including but not limited to Form of Acceptance, copies of delivery instruction slips, etc.) and the Public Shareholders are advised to adequately safeguard their interest in this regard.
3. The Acquirers make no assurance with respect to their investment/divestment decisions relating to their proposed shareholding in the Target Company.
4. Each of the Acquirers and Manager to the Open Offer do not provide any assurance with respect to the market price of the Equity Shares of the Target Company before, during or upon the completion of this Open Offer and expressly disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any shareholder on whether to participate or not to participate in the Open Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.
5. As per Regulation 38 of the SEBI (LODR) Regulations read with Rules 19(2) and 19A of the SCRR (*as defined below*), the Target Company is required to maintain at least 25.00% (twenty five percent) public shareholding as determined in accordance with SCRR, on a continuous basis for listing. If, as a result of the acquisition of Equity Shares pursuant to the Underlying Transaction and the Open Offer, the public shareholding in the Target Company falls below the minimum level required as per Rule 19A of the SCRR, the Acquirers shall ensure that the Target Company satisfies the minimum public shareholding set out in Rule 19A of the SCRR in compliance with applicable laws, within the prescribed timelines.

1. GENERAL

- 1.1. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31.
- 1.2. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, in a manner as provided under the IT Act, as amended from time to time.
- 1.3. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India (including income deemed to be received in India).
- 1.4. In the case of shares of a company, the source of income from shares will depend on the “situs” of such shares. As per judicial precedents, generally the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred. Since the Target Company is incorporated in India, the Equity Shares are “situated” in India and any gains arising to a non-resident on transfer of such shares is taxable in India under the IT Act.

- 1.5. Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement (“**DTAA**”) between India and the respective country of which the said shareholder is a tax resident subject to satisfying the relevant conditions including but not limited to: (a) conditions present in the said DTAA (if any) read with the relevant provisions of the Multilateral Convention to Implement Tax Treaty related Measures to Prevent Base Erosion and Profit Shifting (“**Multilateral Instrument/ MLI**”) as ratified by India with the respective country of which the said shareholder is tax resident; (b) non-applicability of General Anti-Avoidance Rule (“**GAAR**”) and (c) providing and maintaining necessary information and documents as prescribed under the IT Act. The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Open Offer, and corresponding withholding tax obligation based on the period of holding, residential status, classification of the shareholder, nature of the income earned, mode of acquisition, etc.
- 1.6. The shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.
- 1.7. In addition to income tax, as the tendering of Equity Shares is being undertaken on the Stock Exchanges, such transaction will be chargeable to Securities Transaction Tax (“**STT**”). STT is payable in India on the value of securities on every purchase or sale of securities that are listed on any Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the Stock Exchange is 0.1% of the value of security transacted.
- 1.8. All references to Equity Shares herein is to listed Equity Shares unless stated otherwise.

1.9. **Classification of Shareholders**

Shareholders can be classified under the following categories:

- (a) Resident Shareholders being:
 - (i) individuals, Hindu undivided family (“**HUF**”), association of persons (“**AOP**”) and body of individuals (“**BOI**”), and
 - (ii) others:

 - (iii) others:

Therefore, the Acquirers are not required to withhold tax under Section 194Q on consideration payable to resident shareholders.
- D. The resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The resident shareholders undertake to fully indemnify the Acquirers if any tax demand is raised on the Acquirers on account of income arising to the resident shareholders pursuant to this Open Offer. The resident shareholders also undertake to provide the Acquirers on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

(ii) Non-resident shareholders – FIIs

Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

(iii) Non-resident shareholders (other than FIIs):

- A. Each non-resident shareholder will confirm its status by selecting the appropriate box in the Form of Acceptance-cum-Acknowledgement.
- B. Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force (including applicable surcharge and cess). This tax shall be deducted at appropriate rates as per the IT Act read with the provisions of the relevant DTAA, if applicable
- C. However, the Acquirers will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirers to deduct taxes since the remittance / payment will be routed through the stock exchange, and there will be no direct payment by the Acquirers to the non-resident shareholders.
- D. Since the tendering of shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes and the Acquirers believe that the responsibility of withholding / discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians / authorized dealers / non-resident shareholders – with no recourse to the Acquirers. It is therefore recommended that the non-resident shareholders consult their custodians / authorized dealers / tax advisors appropriately. In the event the Acquirers are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirers should be fully indemnified.
- E. The non-resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirers, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

(b) Remittance / Payment of Interest

- (i) In case of interest, if any, paid by the Acquirers to Public Shareholders (all such shareholders being resident shareholders) for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirers depending on the settlement mechanism for such interest payments. In the event, to withhold tax, the same shall be basis the documents submitted along with the Form of Acceptance or such additional documents as may be called for by the Acquirers. It is recommended that the Public Shareholders consult their custodians / authorized dealers / tax advisors appropriately with respect to the taxability of such interest amount (including on the categorization of the interest, whether as capital gains or as other income). In the event the Acquirers is held liable for the tax liability of the Public Shareholder, the same shall be to the account of the Public Shareholder and to that extent the Acquirers should be fully indemnified.
- (ii) The Public Shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The Public Shareholders also undertake to provide to the Acquirers, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.
