The Offer is being made through the Book Building Process, in terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended ("SCRR") read with Regulation 31 of the SEBI ICDR Regulations and in compliance with Regulation 6(2) of the SEBI ICDR Regulations, wherein not less than 75 % of the Offer shall be allotted on a proportionate basis to Qualified Institutional Buyers ("QIBs", the "QIB Portion"), provided that our Bank may, in consultation with the Book Running Lead Managers, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations ("Anchor Investor Portion"), of which one-third shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription, or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the Net QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis only to Mutual Funds, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. However, if the aggregate demand from Mutual Funds is less than 5% of the Net QIB Portion, the balance Equity Shares available for allocation in the Mutual Fund Portion will be added to the remaining Net QIB Portion for proportionate allocation to QIBs. Further, not more than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not more than 10% of the Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. All potential Bidders (except Anchor Investors) are required to mandatorily utilise the Application Supported by Blocked Amount ("ASBA") process providing details of their respective ASBA accounts, and UPI ID in case of RIBs using the UPI Mechanism, if applicable, in which the corresponding Bid Amounts will be blocked by the SCSBs or by the Sponsor Bank under the UPI Mechanism, as the case may be, to the extent of respective Bid Amounts. Anchor Investors are not permitted to participate in the Offer through the ASBA process. For details, see "Offer Procedure" beginning on page 327.

RISKS IN RELATION TO THE FIRST OFFER

This being the first public issue of the Equity Shares of our Bank, there has been no formal market for the Equity Shares. The face value of each Equity Share is ₹ 10. The Floor Price and the Cap Price (determined by our Bank in consultation with the BRLMs), and Offer Price (determined by our Bank in consultation with the BRLMs), in accordance with the SEBI ICDR Regulations and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process, as stated under "Basis for the Offer Price" beginning on page 83, should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding an active or sustained trading in the Equity Shares or regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISKS

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in this Offer unless they can afford to take the risk of losing their investment. Investors are advised to read the Risk Factors carefully before taking an investment decision in this Offer. For taking an investment decision, investors must rely on their own examination of our Bank and the Offer, including the risks involved. The Equity Shares have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Draft Red Herring Prospectus. Specific attention of the investors is invited to "Risk Factors" beginning on page 20.

BANK AND SELLING SHAREHOLDERS' ABSOLUTE RESPONSIBILITY

Our Bank, having made all reasonable inquiries, accepts responsibility for and confirms that this Draft Red Herring Prospectus contains all information with regard to our Bank and the Offer, which is material in the context of the Offer, that the information contained in this Draft Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions, misleading in any material respect.

Further, the Selling Shareholders accept responsibility for only such statements confirmed or undertaken by the Selling Shareholders in this Draft Red Herring Prospectus to the extent such statements pertain to itself and/or the Offered Shares and confirms that such statements are true and correct in all material respects and are not misleading in any material respect.

OFFER DOCUMENT SUMMARY

The following is a general summary of the terms of the Offer, certain disclosures included in this Draft Red Herring Prospectus and is not exhaustive, nor does it purport to contain a summary of all the disclosures in this Draft Red Herring Prospectus or all details relevant to prospective investors. This summary should be read in conjunction with, and is qualified in its entirety by, the more detailed information appearing elsewhere in this Draft Red Herring Prospectus, including “Risk Factors”, “The Offer”, “Capital Structure”, “Objects of the Offer”, “Industry Overview”, “Our Business”, “Outstanding Litigation and Material Developments”, “Offer Procedure” and “Description of Equity Shares and Terms of Articles of Association” beginning on pages 20, 56, 70, 79, 88, 112, 293, 327 and 345, respectively.

Summary of our primary business and the industry in which we operate

We are one of the oldest and leading old private sector banks in India with a history of almost 100 years (Source: *CRISIL Report*). We offer a wide range of banking and financial services primarily to micro, small and medium enterprises, agricultural and retail customers. As of June 30, 2021, we have 509 branches, of which 106 branches are in rural, 247 in semi-urban, 80 in urban and 76 in metropolitan centres. As of June 30, 2021, our overall customer base was approximately 4.93 million of which 69.96% comprised customers who had been associated with us for over five years.

Summary of the industry in which we operate

The Indian banking sector is significantly under-penetrated which provides immense opportunities for banks and other financial institutions. The banking sector enjoyed healthy deposit growth of ~10% CAGR between Fiscals 2015 and 2020. Traditionally, public banks have accounted for the major proportion of the banking credit outstanding. However, low profitability, weak capital position, low operational efficiency, and increase in stressed loans in the past few years led to slowdown in their loan growth. As a result, public banks gradually lost market share to private banks, which were relatively well capitalised and had higher degree of operational efficiency.

Our Promoter

Our Bank is a professionally managed bank and does not have an identifiable promoter or promoter group in terms of SEBI ICDR Regulations and the Companies Act, 2013.

CERTAIN CONVENTIONS, PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA AND CURRENCY OF PRESENTATION

Certain Conventions

All references in this Draft Red Herring Prospectus to “**India**” are to the Republic of India. All references in this Draft Red Herring Prospectus to the “**U.S.**”, “**USA**” or “**United States**” are to the United States of America.

Unless indicated otherwise, all references to page numbers in this Draft Red Herring Prospectus are to the page numbers of this Draft Red Herring Prospectus.

Financial Data

Unless stated otherwise or the context otherwise requires, the financial data in this Draft Red Herring Prospectus is derived from the Restated Financial Statements. The Restated Financial Statements included in this DRHP are as at and for the years ended March 31, 2021, March 31, 2020 and March 31, 2019 and have been prepared in terms of the requirements of Section 26 of Part I of Chapter III of the Companies Act, 2013, the SEBI ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the ICAI, as amended from time to time. For further details, see “*Financial Statements*” beginning on page 204.

Our Bank’s Fiscal commences on April 1 of the immediately preceding calendar year and ends on March 31 of that particular calendar year. Accordingly, all references to a particular fiscal or financial year are to the 12-month period commencing on April 1 of the immediately preceding calendar year and ending on March 31 of that particular calendar year.

There are significant differences between the Ind AS, the IFRS, the U.S. GAAP and the Indian GAAP. The Restated Financial Statements included in this Draft Red Herring Prospectus have been compiled by the management of our Bank from the audited financial statements as at and for the years ended March 31, 2021, March 31, 2020 and March 31, 2019 prepared by our Bank in accordance with the applicable accounting standards specified under the Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 to the extent applicable and current practices prevailing in the banking industry in India. Our Bank has not attempted to explain those differences or quantify their impact on the financial data included in this Draft Red Herring Prospectus and it is urged that you consult your own advisors regarding such differences and their impact on our Bank’s financial data. For risks in this regard, see “*Risk Factors – Banking companies in India, are currently required to report financial statements as per Indian GAAP. However, we may be required to prepare our financial statements in accordance with Ind AS in the future. Differences exist between Ind AS and Indian GAAP, which may be material to investors’ assessment of our financial condition. The Ind AS financial information that we may be required to prepare in the future may not be comparable to the Indian GAAP financial information we currently prepare*” on page 39.

Accordingly, the degree to which the financial information included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting practices. Any reliance by persons not familiar with accounting standards in India, the Companies Act, 2013 and the SEBI ICDR Regulations, on the financial disclosures presented in this Draft Red Herring Prospectus should accordingly be limited. We have not attempted to quantify the differences between the financial data prepared under IFRS and U.S. GAAP, nor have we provided a reconciliation thereof. We urge you to consult your own advisors regarding such differences and their impact on our financial data.

Non-GAAP Financial Measures

Certain non-GAAP financial measures and certain other statistical information relating to our operations and financial performance have been included in this section and elsewhere in this Draft Red Herring Prospectus. We compute and disclose such non-GAAP financial measures and such other statistical information relating to our operations and financial performance as we consider such information to be useful measures of our business and financial performance, and because such measures are frequently used by securities analysts, investors and others to evaluate the operational performance of financial services businesses, many of which provide such non-GAAP financial measures and other statistical and operational information when reporting their financial results. Such non-GAAP measures are not measures of operating performance or liquidity defined by generally accepted accounting principles. These non-GAAP financial measures and other statistical and other information relating to our operations and financial performance may not be computed on the basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial measures

and statistical information of similar nomenclature that may be computed and presented by other banks in India or elsewhere. These non-GAAP financial measures have been reconciled to their nearest GAAP measure in “Our Business”, “Selected Statistical Information”, “Other Financial Information” and “Capitalisation Statement” beginning on pages 112, 179, 263 and 291, respectively.

Unless the context otherwise indicates, any percentage amounts, as set forth in “Our Business”, “Other Financial Information” and “Capitalisation Statement” beginning on pages 112, 263 and 291, respectively, and elsewhere in this Draft Red Herring Prospectus have been calculated on the basis of our Restated Financial Statements.

Certain figures contained in this Draft Red Herring Prospectus, including our financial statements, have been subject to rounding-off adjustments. All decimals have been rounded off to two decimal points. In this Draft Red Herring Prospectus, any discrepancies in any table between the sums of the amounts listed in the table and totals are due to rounding off. However, where any figures that may have been sourced from third-party industry sources are rounded off to other than two decimal points in their respective sources, such figures appear in this Draft Red Herring Prospectus as rounded-off to such number of decimal points as provided in such respective sources.

Industry and Market Data

Unless otherwise indicated, industry and market data used throughout this Draft Red Herring Prospectus has been obtained or derived from various industry publications and sources, including the report titled “Banking Industry in India” dated August 2021, issued by CRISIL which has been commissioned and paid by our Bank, and which is subject to the following disclaimer:

“CRISIL Research, a division of CRISIL Limited (CRISIL) has taken due care and caution in preparing this report (Report) based on the Information obtained by CRISIL from sources which it considers reliable (Data). However, CRISIL does not guarantee the accuracy, adequacy or completeness of the Data / Report and is not responsible for any errors or omissions or for the results obtained from the use of Data / Report. This Report is not a recommendation to invest / disinvest in any entity covered in the Report and no part of this Report should be construed as an expert advice or investment advice or any form of investment banking within the meaning of any law or regulation. CRISIL especially states that it has no liability whatsoever to the subscribers / users / transmitters/ distributors of this Report. Without limiting the generality of the foregoing, nothing in the Report is to be construed as CRISIL providing or intending to provide any services in jurisdictions where CRISIL does not have the necessary permission and/or registration to carry out its business activities in this regard. Tamilnad Mercantile Bank Limited will be responsible for ensuring compliances and consequences of non-compliances for use of the Report or part thereof outside India. CRISIL Research operates independently of, and does not have access to information obtained by CRISIL’s Ratings Limited / CRISIL Risk and Infrastructure Solutions Ltd (CRIS), which may, in their regular operations, obtain information of a confidential nature. The views expressed in this Report are that of CRISIL Research and not of CRISIL’s Ratings Limited / CRIS. No part of this Report may be published/reproduced in any form without CRISIL’s prior written approval.”

The extent to which the market and industry data used in this Draft Red Herring Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which the business of our Bank is conducted, and methodologies and assumptions may vary widely among different industry sources. Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable but their accuracy and completeness are not guaranteed and their reliability cannot be assured. The data used in these sources may have been reclassified by us for the purpose of presentation. Data from these sources may also not be comparable.

Accordingly, no investment decision should be made solely on the basis of such information. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those disclosed in “Risk Factors – We have commissioned and paid for the CRISIL Report which has been used for industry related data in this Draft Red Herring Prospectus” on page 42.

In accordance with SEBI ICDR Regulations, “Basis for the Offer Price” beginning on page 83 includes information relating to our peer group companies. Such information has been derived from publicly available sources. Accordingly, no investment decision should be made solely on the basis of such information.

Currency and Units of Presentation

All references to “**Rupees**” or “**₹**” or “**INR**” or “**Rs.**” are to Indian Rupees, the official currency of the Republic of India; and “**U.S. Dollar**” or “**USD**” or “**US\$**” or “**\$**” are to United States Dollar, the official currency of the United States of America.

In this Draft Red Herring Prospectus, our Bank has presented certain numerical information. All figures have been expressed in millions, except where specifically indicated. One million represents 10 lakhs or 1,000,000 and ten million represents 1 crore or 10,000,000. However, where any figures that may have been sourced from third party industry sources are expressed in denominations other than millions in their respective sources, such figures appear in this Draft Red Herring Prospectus expressed in such denominations as provided in such respective sources.

Exchange Rates

This Draft Red Herring Prospectus contains translations of U.S. Dollar into Indian Rupees. These convenience translations should not be construed as a representation that those U.S. Dollars could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth as of the dates indicated, information with respect to the exchange rate between the Indian Rupee and the U.S. Dollar:

<i>(in ₹)</i>			
Currency	Exchange Rate as on March 31, 2021	Exchange Rate as on March 31, 2020	Exchange Rate as on, March 31, 2019*

FORWARD LOOKING STATEMENTS

This Draft Red Herring Prospectus contains certain “forward-looking statements”. All statements regarding our expected financial condition and results of operations, business, plans and prospects are forward looking statements, which include statements with respect to our business strategy, our revenue and profitability, our goals and other matters discussed in this Draft Red Herring Prospectus regarding matters that are not historical facts. These forward looking statements include statements with respect to our business strategy, our expected revenue and profitability, our goals and other matters discussed in this Draft Red Herring Prospectus regarding matters that are not historical facts. These forward looking statements can generally be identified by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “likely to”, “objective”, “plan”, “propose”, “project”, “will continue”, “seek to”, “will pursue” or other words or phrases of similar import. Similarly, statements which describe our strategies, objectives, plans or goals are also forward-looking statements.

These forward-looking statements, whether made by us or any third parties in this Draft Red Herring Prospectus, are based on our current plans, estimates and expectations and actual results may differ materially from those suggested by such forward-looking statements. All forward looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. This could be due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes in the banking industry in which we operate in and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India that may have an impact on our business or investments, monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates and prices, the general performance of Indian and global financial markets, changes in the competitive landscape and incidence of any natural calamities and/or violence. Significant factors that could cause our actual results to differ materially from our expectations include, but are not limited to:

- Our inability to convene Annual General Meetings without obtaining prior approval of the High Court of Madras, which limits our ability to obtain approval of our shareholders in a timely manner or at all;
- Any adverse developments in proceedings involving 37.61% of our paid up equity share capital or 53.59 million Equity Shares which are subject to outstanding legal proceedings which are pending at various forums and, in connection with which, complaints against our Bank have been filed with various regulatory authorities, including the RBI, the Directorate of Enforcement and the ROC, some of whom have imposed and sought to impose penalties on us in the past, as well as any adverse developments arising from the writ petition filed by our former director before the High Court of Madras seeking to prevent our Bank from undertaking the Offer;
- Our inability to open new branches unless we are listed and the prior permission required from the RBI to open new branches;
- Any adverse effects on our business, operations, cash flows and financial condition from the COVID-19 pandemic including any continuing impacts of COVID-19;
- Our dependence on Retail, MSME and Agri-financing, customers and any adverse developments in these segments;
- Any increase in our portfolio of NPAs;
- Our ability to maintain or grow our CASA ratio in accordance with our strategy, which may result in higher cost of funds, and which may materially affect our financial condition and results of operations;
- Our ability to generate income from the fee based activities we undertake;
- Our regional concentration in southern India, especially Tamil Nadu; and
- Our exposure to sectors comprising both traditional general banking activities and micro banking activities.

For a further discussion of factors that could cause our actual results to differ, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages on pages 20, 112 and 265, respectively. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Forward-looking statements reflect our current views as of the date of this Draft Red Herring Prospectus and are not a guarantee of future performance. Although we believe that the assumptions on which such statements are based are reasonable, any such assumptions as well as the statements based on them could prove to be inaccurate.

We cannot assure investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance.

Neither our Bank, Selling Shareholders, nor the BRLMs, or any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the requirements of SEBI, our Bank will ensure that investors in India are informed of material developments until the receipt of final listing and trading approvals for the Equity Shares pursuant to the Offer. Our Selling Shareholders will ensure that investors in India are informed of material developments in relation to the statements relating to and undertakings confirmed or undertaken by our Selling Shareholders and the Offered Shares in the Red Herring Prospectus, from the date thereof, until the receipt of final listing and trading approvals from the Stock Exchanges.

SECTION II: RISK FACTORS

An investment in the Equity Shares involves a high degree of risk. Prospective investors should carefully consider all the information in this Draft Red Herring Prospectus, including the risks and uncertainties described below, before evaluating our business and making an investment in our Equity Shares pursuant to the Offer. This section should be read in conjunction with “Industry Overview”, “Our Business”, “Selected Statistical Information”, “Summary of Financial Information”, “Financial Statements”, and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” on pages 88, 112, 179, 58, 204 and 265, respectively, before making an investment decision in relation to the Equity Shares.

The risks and uncertainties described in this section are not the only risks that are relevant to us or the Equity Shares or industry and segment in which we operate. Additional risks and uncertainties not currently known to us or that we currently believe to be immaterial may also have an adverse effect on our business, financial condition, results of operations and cash flows. If any of the following risks or other risks that are not currently known or are now deemed immaterial actually occur, our business, financial condition, results of operations and cash flows could be adversely affected and the trading price of the Equity Shares could decline and you may lose all or part of your investment. The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors described below. However, there are certain risk factors where such implications are not quantifiable, and hence any quantification of the underlying risks has not been disclosed in such risk factors.

In making an investment decision, prospective investors must rely on their own examination of our business and the terms of the Offer, including the merits and risks involved. You should consult your tax, financial and legal advisors about the particular consequences to you of an investment in the Equity Shares.

This Draft Red Herring Prospectus also contains forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in such forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Draft Red Herring Prospectus. For details, see “Forward-Looking Statements” on page 18.

Unless otherwise indicated, industry and market data used in this section has been derived from the CRISIL Report prepared and released by CRISIL and commissioned and paid for by us for the purposes of understanding the industry in connection with the Offer. Unless otherwise indicated, all financial, operational, industry and other related information derived from the CRISIL Report and included herein with respect to any particular year refers to such information for the relevant Fiscal.

Our Fiscal commences on April 1 and ends on March 31 of the subsequent year, and references to a particular Fiscal are to the 12 months ended March 31 of that year. Unless otherwise indicated or the context otherwise requires, the financial information included herein is derived from the Restated Financial Statements, which are included in this Draft Red Herring Prospectus.

INTERNAL RISK FACTORS

- 1. We are unable to convene Annual General Meetings without obtaining prior approval of the High Court of Madras, which limits our ability to obtain approval of our shareholders in a timely manner or at all which may adversely affect our Bank’s reputation, business, results of operations and financial conditions.***

On account of litigation pending before different High Courts in relation to certain transfers of Equity Shares, Annual General Meetings of our Bank from 1997 onwards could not be conducted regularly, or were convened only under the supervision of the High Court of Madras, after obtaining prior approval of the High Court of Madras. We are yet to conduct Annual General Meetings for Fiscal 2020 and Fiscal 2021 and have filed an application before the High Court of Madras seeking its permission for the conduct of Annual General Meetings for such years.

As a result, our ability to obtain approval of our shareholders for any resolution is subject to obtaining the approval of the High Court of Madras to convene a meeting of the shareholders. We cannot assure you that we will be able to obtain such approval in a timely manner. Shareholder approval is prescribed for a

number of actions both generally under the Companies Act, 2013 and the rules issued thereunder, which is the primary Indian corporate law legislation, as well more specifically for companies in the financial sector under the Banking Regulation Act and the gamut of directions, circulars, regulations and rules issued by the RBI. For instance, under the Banking Regulation Act, shareholder approval is required for schemes of amalgamation and under the Companies Act, 2013, shareholder approval is required for making amendments in Memorandum and Articles of Association, appointment of directors on our Board and adoption of annual accounts. Accordingly, we are yet to obtain the approval of our shareholders for, *inter alia*, the regularisation of the appointments of our directors, K.V. Rama Moorthy, Ezhil Jothi S, Balakrishnan Prabaharan and Chiranjeevi Raj C. We are also yet to obtain the approval of our shareholders for amendments to our Articles of Association that have been approved by our Board and for adoption of our financial statements for Fiscal 2020 and Fiscal 2021. We may face delays in undertaking and completing such corporate actions and filings in a timely manner, which may also expose us to regulatory action and result in penal action being taken against us and the members of our Board.

For instance, we are contesting a show cause notice before the High Court of Madras, which was issued to us in 2019 by the Ministry of Corporate Affairs for failure to conduct our Annual General Meetings for the year 2017. Pursuant to such petition, an interim stay was granted to us which is still in force. During the pendency of our Bank's cases regarding convening of AGMs, of the said case, our Bank had convened Annual General Meetings for the year 2016, 2017, 2018 and 2019 as permitted by the High Court of Madras under the chairmanship of a retired justice on October 28, 2020. Our Bank had also filed an application for convening the pending Annual General Meetings for the year 2020 and 2021 before the Madras High court and the same is pending. We cannot assure you that our petition before the High Court seeking to quash this show cause notice will be successful or that the Ministry of Corporate Affairs will not choose to initiate other action against us in the future. Any adverse orders could result in our Bank being subjected to regulatory action including the imposition of penalties and we cannot assure you that our reputation, business, results of operations and financial conditions will not be adversely affected by this or other actions such as this.

For details, see "*Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank*" on page 293, as well as "*Outstanding Litigation and Material Developments – Litigation Involving our Bank – Actions by regulatory and statutory authorities*" on page 300.

2. ***37.61% of our paid up equity share capital or 53.59 million Equity Shares are subject to outstanding legal proceedings which are pending at various forums and, in connection with which, proceedings against our Bank have been initiated by various regulatory authorities, including the RBI, the Directorate of Enforcement, some of whom have imposed and sought to impose penalties on us in the past. We cannot assure you that these matters will be resolved in a timely manner or at all and any adverse developments in such proceedings could result in the imposition of injunctions or penalties or require us to incur significant costs to contest any of which could have a material impact on our reputation, business, financial condition and results of operation.***

We are involved in several ongoing legal proceedings following disputes among or in relation to our shareholders, primarily arising out of a transfer of 95,418 Equity Shares on May 13, 2007, subsequent transfers of Equity Shares on December 26, 2011 and June 11, 2012 and a bonus issuance on May 26, 2016 in the ratio of 1:500. Such legal proceedings include challenges to the validity of the transfers themselves, allegations of mismanagement on the part of our Bank in connection with such transfers, allegations that the transferees were not fit and proper persons, and that the transfers were effected in the absence of requisite approvals from the RBI or were done in contravention of approvals received. Persons involved in these matters have sought various reliefs including seeking release of the disputed Equity Shares from escrow, seeking directions to be issued to our Bank to pay dividend and/or issue bonus Equity Shares against such disputed Equity Shares, seeking injunctions to restrain voting rights against the Equity Shares under dispute and/or restricting calling of shareholder meetings, seeking investigations into the transfers by regulatory authorities, and seeking imposition of penalties against our Bank and the transferees. For details of these ongoing proceedings see "*Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank*" on page 293. Investigations into the transfers have been conducted by the RBI and the Directorate of Enforcement against our Bank and certain Directors and former directors for contravention of provisions of Regulation 4 of Foreign Exchange Management (Transfer or Issue of Security by Person Resident outside India) Regulations, 2000, and in this respect, the RBI imposed a

penalty of ₹ 60.00 million on our Bank on the ground of violations of Section 46(4)(i) of the Banking Regulation Act, 1949. Such penalty has been paid by our Bank on June 26, 2018. The Directorate of Enforcement imposed penalties of ₹ 113.32 million for registration of transfer of 46,862 Equity Shares of seven non-resident entities and ₹ 56.66 million for subsequent transfer of 27,289 shares. Further, monetary penalties have also been imposed on certain former directors, including the former Chairman, Managing Director and CEO. Our Bank has made a provision of ₹ 169.98 million for Fiscal 2021 in the Restated Financial Statements for the penalty imposed by the Directorate of Enforcement which has also been noted by our Joint Statutory Central Auditors as ‘emphasis of matter’ in the Restated Financial Information. For details, see “*Financial Statements*” on page 204.

Our Bank and members of our senior management including certain of our Directors also received a show cause notice dated November 9, 2017 for imposition of penalties of ₹ 5,314.22 million and ₹ 5,059.75 million in relation to contravention of Section 6(3)(b) of the FEMA read with Regulation 4 and Regulation 6A of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000. Following correspondence with the RBI, we responded to the show cause notice through our letter dated March 7, 2018. The RBI, in its Risk Assessment Report (“**RAR**”) dated March 31, 2018 for Fiscal 2018 and March 31, 2019 for Fiscal 2019 observed that while our Bank discussed the preparation of a reply, no other steps were taken to address the possibility of such penalty being imposed. Our Bank currently has not made a provision in respect of the November 9, 2017 show cause notice in the Restated Financial Statements.

For details of the various penalties imposed and sought to be imposed on our Bank, see “*Outstanding Litigation and Material Developments – Actions by regulatory and statutory authorities*” on page 300. We cannot assure you that we will not be subject to further penalties in the future, whether on account of regulatory authorities taking action against us or on account of regulatory authorities accepting our request for compounding. Specifically, we have by our letter dated October 12, 2020 sought compounding of offences arising out of a transfer of 46,862 Equity Shares on May 13, 2007, transfer as well as two sets of transfers which took place thereafter on December 26, 2011 and June 11, 2012, in an effort to resolve all of these matters. The RBI, by its letter dated January 27, 2021, declined our request for compounding of such offences, to which we have replied by a letter dated February 22, 2021 requesting the RBI to reconsider its decision. Further, we have also sent a letter dated July 26, 2021 requesting regularization of these Equity Shares to the Foreign Exchange Department, RBI. For details of these ongoing proceedings see “*Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank*” on page 293.

In addition, 1,900 of our Equity Shares (not accounting for bonus shares issued on such Equity Shares), of our paid-up Equity Share capital are also the subject matter of disputes, including amongst heirs to demised shareholders, together with disputes over partition of property as well as over joint ownership of Equity Shares in certain instances. We are also involved in matters where shareholders have claimed issuance of duplicate certificates, non-receipt of Equity Shares and/or dividends.

We also continue to receive notices and complaints from various persons and authorities regarding such disputes relating to our Bank’s shareholding, to which we are required to respond, on a regular basis. For instance, a complaint had been lodged against our Bank by Ms. P. Ambika with the Office of Registrar of Companies, Tamil Nadu on March 16, 2018, alleging that certain shares over which she claimed ownership were being illegally held in escrow. Subsequently, we filed a reply with the RoC on April 20, 2018, disputing such allegations. Similarly, a complaint dated April 25, 2018 had been lodged against our Bank by Thiru R. Nirmal Krishnan with the Central Bureau of Investigation, Bengaluru (“**CBI**”) and the RBI, alleging mismanagement of our bank with specific reference to the transfers of Equity Shares on May 13, 2007. Such complaints were forwarded to us by the CBI and RBI. We have replied to such complaints by way of our letters dated July 13, 2018.

We cannot assure you that these matters will be resolved in a timely manner or at all and until such resolution we may be required to divert the attention of management, allocate resources, create provisions for adverse outcomes in these matters and at times be forced to operate with temporary or interim injunctions in connection with our Equity Shares all of which could interfere with our ability to conduct our business and operations in an efficient and effective manner. For instance, as a result of such multiple proceedings involving our Equity Shares, we require prior approval of the High Court of Madras to

convene meetings of our shareholders. See “– *We are unable to convene Annual General Meetings without obtaining prior approval of the High Court of Madras, which limits our ability to obtain approval of our shareholders in a timely manner or at all which may adversely affect our Bank’s reputation, business, results of operations and financial conditions*” above on page 20.

Any adverse outcomes in such matters could result in changes to our shareholding, require us to incur additional costs, alter our records, or require us to pay compensation or issue additional Equity Shares. We may also be required undertake actions which we have not accounted or be required to incur unexpected costs and we cannot assure you that our estimate of such costs and our preparedness to incur such costs will be sufficient. Any of which could have an adverse impact on our reputation, business, financial condition and results of operation.

In addition, as on the date of this Draft Red Herring Prospectus, there are 41 members of our Bank, whose allotment of 15,132,000 Equity Shares (constituting 10.62% of the paid-up Equity Share capital of the Bank), by way of a bonus issue of Equity Shares dated May 26, 2016 approved by our Shareholders and Board respectively on January 29, 2016 and May 26, 2016, in the ratio of 1:500, continues to be held in abeyance due to reasons including, among others death of the members, outstanding legal proceedings, discrepancies in transfer deed and non-registration of instrument of transfers by our Bank. We have also been unable to distribute dividends to the holders of such disputed shares and such dividends have also been kept in abeyance. These legal proceedings are pending at different levels of adjudication before various courts, tribunals and statutory, regulatory and other judicial authorities in India. For details in relation to such legal proceedings, see “*Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank*” on page 293. As a result of these various proceedings, 2,544 shareholders holding 49,963,275 Equity Shares representing 35.06% of our paid up Equity Share capital, which comprise (a) Equity Shares deposited with the IEPF, pursuant to Section 125 of the Companies Act, 2013; (b) Equity Shares under outstanding legal proceedings; and (c) Equity Shares which were purchased during last the one year prior to filing of this DRHP, have not been invited to participate in the Offer for Sale.

In the event the claimants to such Equity Shares kept in abeyance on account of ongoing legal proceedings initiate further action against our Bank, whether as part of existing proceedings or as fresh proceedings, or otherwise by way of complaints before regulators, we cannot assure you that we will be able to resolve such proceedings in our favour or in a timely manner. In any such events, we may be forced to incur additional costs or if they are successful in obtaining adverse orders against us, we may be compelled to comply, any of which could have an adverse impact on our reputation, business, financial condition and results of operation. As a result, 55.41 million Equity Shares or 38.88% of our paid-up Equity Share capital (as on the date of this DRHP) will not be available for trading on Stock Exchanges even when our Equity Shares are listed on the Stock Exchanges which may adversely affect the liquidity of our stock.

3. *Our former director has filed a writ petition before the High Court of Madras seeking to prevent our Bank from undertaking the Offer.*

T. Rajakumar, our former director, alleging mismanagement in our Bank, and citing ongoing proceedings against our Bank by the Directorate of Enforcement and violations of banking regulations and the FEMA 1999, has filed a writ petition dated June 30, 2021 before the High Court of Madras, and sought directions to be issued to the SEBI to stop the initial public offer of our Bank until these proceedings are concluded. Rajakumar has also alleged inter alia that: (i) the persons who are allegedly in control of our Bank have not been disclosed as such in our Bank’s annual report; (ii) there was a spurt in our Bank’s business in Fiscal 2021; and (iii) there is no requirement for our Bank to undertake an initial public offering considering that it has sufficient capital adequacy. Our Bank has filed a counter affidavit dated August 6, 2021 before the High Court of Madras denying all allegations and seeking an injunction to restrain T. Rajakumar from interfering with the affairs of our Bank relating to the ongoing initial public offering and from writing to the authorities with false imputations. For details in relation to such legal proceedings, see “*Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank*” on page 293. In the event that Rajakumar’s petition is successful, our Bank will not be able to undertake the Offer.

4. *We will be unable to open new branches unless we are listed and are also required to obtain prior permission from the RBI to open new branches.*

At our Bank's annual general meeting held on January 29, 2016, our shareholders approved an increase in our Bank's authorised share capital to ₹ 5,000 million. However, our subscribed capital was not increased to at least one-half of our authorized capital and consequently, we failed to comply with Section 12(1)(i). Further, the maximum time period of two years allowed by the RBI for complying with such requirement had also expired on January 29, 2018. Pursuant to a letter dated June 11, 2019, RBI imposed certain restrictions on us on the ground of non-compliance with Section 12(1)(i) of the Banking Regulation Act, 1949. Subsequently, our Bank's authorised share capital was reduced to ₹ 2,800 million in the Annual General Meeting held on October 28, 2020.

The restrictions pursuant to the letter dated June 11, 2019 which were imposed on us include (a) withdrawal of the general permission to open new branches by our Bank branches, without prior approvals of RBI, (b) freezing of the remuneration of the MD & CEO of our Bank, (c) restriction on entering into any new lines of business which are listed under Section 6(1) of the Banking Regulation Act, 1949 and (d) restriction on declaration and distribution of dividends. Our Bank had by way of its letter dated March 15, 2021 requested the RBI to lift the restrictions imposed on us. Through letter dated March 25, 2021, while RBI acceded to our requests relating to (b), (c) and (d) above, subject to the condition that our Bank shall list its Equity Shares on Stock Exchange(s) by December 31, 2021. However, the restriction on opening new branches was not revoked and it was stated that RBI will review such restriction upon completion of listing of our Equity Shares on the Stock Exchanges.

There can be no assurance that this restriction will be lifted upon listing of Equity Shares on the Stock Exchanges or in the event that there is any delay in listing of Equity Shares on the Stock Exchange(s) beyond December 31, 2021, that RBI will give us approval to open new branches in the future, or that the RBI will not impose similar restrictions on us in the future, as a result of which our expansion strategy and business prospects could be adversely affected.

5. *The COVID-19 pandemic has had and may continue to have certain adverse effects on our business, operations, cash flows and financial condition and the continuing impacts of COVID-19 are unpredictable and cannot be predicted. The Joint Statutory Central Auditors have also noted the impact of COVID-19 pandemic as 'emphasis of matter' in the Restated Financial Statements.*

The global impact of the COVID-19 pandemic has been rapidly evolving and public health officials and governmental authorities have responded by taking measures, including in India where our operations are based, such as prohibiting people from assembling in large numbers, instituting quarantines, restricting travel, issuing "stay-at-home" orders and restricting the types of businesses that may continue to operate, among many others. On March 14, 2020, India declared COVID-19 as a "notified disaster" for the purposes of the Disaster Management Act, 2005 and imposed a nationwide lockdown beginning in March 2020. The initial lockdown lasted until the end of May 2020, and was extended periodically by varying degrees by state governments and local administrations. The lifting of the lockdown across various regions has been regulated with limited and progressive relaxations being granted for movement of goods and people, and calibrated re-opening of businesses and offices, in certain places. Recently, throughout March and April 2021, due to an increase in the number of daily COVID-19 cases, several state governments in India re-imposed lockdowns, curfews and other restrictions to curb the spread of the virus. As a result of the detection of new strains and subsequent waves of COVID-19 infections in several states in India as well as throughout various parts of the world, we may be subject to further reinstatements of lockdown protocols or other restrictions, which may adversely affect our business operations.

In an effort to contain the impact of the COVID-19 pandemic on the financial services sector and provide some relief to borrowers, the RBI released guidelines relating to the COVID-19 regulatory package on March 27, 2020, April 17, 2020 and May 23, 2020. This included a three-month moratorium on the payment of all principal amounts and interest falling due between March 1, 2020 and May 31, 2020. The RBI subsequently extended the moratorium on loan instalments by another three months, from June 1, 2020 to August 31, 2020. We offered moratorium on the payment of all instalments and/or interest, as applicable, falling due between March 1, 2020 and August 31, 2020 to all eligible borrowers. Moratoriums were availed by a total of 88,836 borrowers against loans amounting to ₹ 159,745.50 million in respect of which we made two separate provisions of ₹ 70.10 million for our quarters ending March 31, 2020 and June 30, 2020. In addition, in May 2020 our Bank offered an 'Emergency Line of Credit' under which it sanctioned 13,652 working capital term loans aggregating to ₹ 15,714 million up to June 30, 2021 and as

on June 30, 2021, an amount of ₹ 15,560 million is outstanding under this scheme. On April 7, 2021, the RBI issued further instructions to the banks to refund or adjust 'interest on interest' for all borrowers during the moratorium period, in effect cancelling any charge of compound interest during the moratorium period. Accordingly, we refunded the interest for 75,041 borrowers against outstanding interest of ₹ 122.40 million. As at March 31, 2021, a provision of ₹ 123.50 million was made to meet our obligation towards refunding interest to eligible borrowers as prescribed by the RBI, which was marginally higher than the amount of the provision arrived at as per the mechanism prepared by the IBA. Further, the Joint Statutory Central Auditors have noted uncertainties due to the outbreak of COVID-19 as 'emphasis of matter' in the Restated Financial Information.

The IBC was also amended effective June 5, 2020 to impose an embargo on initiation of corporate insolvency resolution proceedings for defaults arising on or after March 25, 2020 for a period of six months, which was initially extended until December 24, 2020 and thereafter until March 24, 2021. The Amendments to the IBC also restricted resolution professional from filing applications before the NCLT in relation to fraudulent or wrongful trading in respect of such defaults against which the initiation of corporate insolvency resolution process was suspended on account of the above embargo during such period. On August 6, 2020, the RBI permitted lenders to implement a resolution plan, with asset classification benefits, for eligible corporate and individual borrower segments impacted by COVID-19. Through a circular dated August 6, 2020, the RBI permitted the restructuring of loans for micro, small and medium enterprises ("MSMEs") while continuing to classify such assets as standard. On May 5, 2021 following the second wave, the RBI permitted lending institutions to offer a limited window to individual borrowers and small businesses to implement resolution plans in respect of their credit exposures while classifying such credit exposures as 'standard' upon implementation of the resolution plan. Restructuring under such framework may be invoked up to September 30, 2021 and implemented within 90 days thereafter. As of March 31, 2021, we had restructured advances to 158 borrowers for whom the outstanding amount was ₹ 2,311.39 million, of which 133 borrowers with outstanding amounts of ₹ 2,125.71 million were MSMEs. Our provisions for such restructuring as of March 31, 2021 was a total of ₹ 388.20 million, of which ₹ 366.72 million was in respect of MSMEs. On September 3, 2020, the Supreme Court of India ordered a standstill on NPA recognition due to a number of pleas filed before it regarding issues relating to the extension of the loan moratorium and interest charges. On March 23, 2021, in response to various writ petitions filed by corporate bodies, business associations and individuals, the Supreme Court of India issued a judgment rejecting pleas for, among other things, the extension of the moratorium and the ordering of a complete interest waiver. The Supreme Court of India also lifted the temporary freeze on NPA classification by banks and financial institutions.

The COVID-19 pandemic has affected and may continue to affect our business, financial condition, results of operations and cash flows in a number of ways, including, among others, the following:

- it may lead to closure of our branches for unpredictable periods of time or require us to operate with limited personnel, all of which would restrict our ability to engage with existing and new customers to market our product and services offerings, carry out KYC and other customer due diligence processes, process loan applications and disbursements and collect loan repayments. Although, banks were declared essential services, some of our branches were temporarily closed during the initial wave of the COVID-19 pandemic, while others operated with reduced working hours and a limited workforce during this time as per instructions received from local authorities;
- it may lead to an overall deterioration in the economy with decreased business activity which could adversely affect our business as a whole, and in particular our revenue from fee based services;
- it may lead to a reduction in the value of collateral provided for our Bank's loans, leading to higher than anticipated losses on default;
- it may result in a decline in disbursements on account of our target customers' (amongst others, daily wage earners, self-employed individuals and street vendors) operations being disrupted;
- there could be potential increase in our NPA levels due to possible deterioration in the credit quality of our customers;

- there could be uncertainty regarding the conditions that must be satisfied before government authorities completely lift “stay-at-home” orders and further imposition of such orders;
- the potential negative impact on the health and safety of our personnel, particularly because a number of them were and could in future be afflicted by COVID-19, could result in a deterioration in our ability to ensure business continuity during this disruption; and
- we may face increased risks emanating from an increase in number of individuals working from home such as issues relating to productivity, connectivity and oversight challenges.

The extent to which the COVID-19 pandemic impacts our business and results will depend on future developments, which are highly uncertain and cannot be predicted, such as new information which may emerge concerning the severity of the coronavirus, the actions taken globally to contain the coronavirus or treat its impact and vaccine distribution and effectiveness rates, among others. Further, the effect on our business, operations and financial performance may be difficult to predict and may vary significantly from that estimated by our management from time to time, and any action to contain or mitigate such effect, whether government-mandated or opted by us may not have the anticipated impact or may fail to achieve its intended purpose altogether. Existing insurance coverage may not provide protection for all costs that may arise from all such possible events.

As India is a developing country with limited medical resources and certain places with dense populations, the effects of COVID-19 in India are of a greater magnitude, scope and duration than those experienced to date in other countries. To the extent that the COVID-19 pandemic adversely affects our business and operations, it may also have the effect of heightening many of the other risks described in this section. Any intensification of the COVID-19 pandemic or any future outbreak of another highly infectious or contagious disease may adversely affect our business, results of operations and financial condition.

6. *We are currently significantly dependent on Retail, MSME and Agri-financing, customers and any adverse developments in these segments could adversely affect our business, results of operations, financial condition and cash flows.*

We offer banking products and services to retail, MSME, agricultural and corporate customers. Our retail asset products include home loans, personal loans, auto loans, educational loans, business loans as well as security-backed loans of various types to our retail customers. Our MSME portfolio consists primarily of various loan products to our MSME customers such as manufacturing, traders and services sector. Our loans to the agricultural sector include loans to individual farmers, group of farmers, agriculture businesses and agriculture corporates. For corporate customers, we offer various loans to corporates, in textiles and other industries, with our assortment of banking products and services including working capital, term financial, trade financial, structured finance services, foreign exchange business funding in domestic and foreign currencies.

Our lending products are primarily focused on Retail, MSME and Agri-financing (“**RAM**”) customers. Our RAM portfolio has increased at a CAGR of 15.21% over the last three Fiscals from ₹ 206,951.77 million in Fiscal 2019 to ₹ 274,673.88 million in Fiscal 2021, and represents 88.41% of our net advances as on March 31, 2021.

Accordingly, a reduction in or failure to grow our RAM customer base could lead to losses and adversely affect our business and results of operations. Additionally, any decline in business, or in demand for our banking products could adversely affect our business, results of operations, financial condition and cash flows.

7. *An increase in our portfolio of NPAs may materially and adversely affect our business and results of operations.*

Our management of credit risk involves having appropriate credit policies, underwriting standards, approval processes, loan portfolio monitoring, collection and remedial management and an overall architecture for managing credit risk in our business. If the credit quality of our borrowers, the growth of our loan portfolio or our provisioning levels deteriorate due to various factors in either division, this could

have a material adverse effect on our overall business, results of operations, financial condition, cash flows and prospects. Although we have credit monitoring and risk mitigation policies and procedures in place for our business, these policies and procedures may not be accurate, properly designed, or appropriately implemented, and we could suffer material credit losses. For example, if the value of the collateral securing our credit portfolio is insufficient (including through a decline in its value after the obtaining of such collateral) or if we face practical or legal impediments in enforcing collateral, then we will be exposed to greater credit risk and an increased risk of non-recovery if related credit exposures fail to perform. In addition, even if our policies and procedures are accurate and appropriate, we may not be able to anticipate future economic or financial developments or downturns, which could lead to an increase in our NPAs.

For Fiscals 2019, 2020, and 2021, our net NPAs were ₹ 6,365.19 million, ₹ 4,974.66 million, and ₹ 6,138.26 million, which represented 2.40%, 1.80%, and 1.98% of our net advances respectively. Our gross NPAs represented 4.32%, 3.62%, and 3.44% of our total advances for Fiscals 2019, 2020 and 2021, respectively. Although our Bank is making efforts to improve collections and to foreclose on existing impaired loans in a timely manner, there cannot be any assurance that we will be successful in our efforts or that the overall quality of our Bank's loan portfolio will improve or will not deteriorate in the future. If our Bank is unsuccessful in controlling or reducing its impaired loans, or if there is a significant increase in impaired loans or deterioration in the quality of the assets that our Bank holds as security, our Bank's future financial performance could be materially and adversely affected.

Provisions for NPAs are created by a charge to our profit and loss account and are currently subject to minimum provision requirements set by the RBI and our internal provisioning policies. The determination of an appropriate level of loan losses and provisions involves a degree of subjectivity and requires that we make estimates of current credit risks and future trends, all of which may be subject to material changes. Any incorrect estimation of risks may result in our provisions not being adequate to cover any further increase in the amount of NPAs or any further deterioration in our NPA portfolio.

Stress in certain sectors of the economy could impact our customers and result in higher levels of NPAs and restructured assets in the future. Further, certain assets classified as restructured may subsequently be classified as delinquent or non-performing in case borrowers fail to restore their financial viability and honour their loan servicing obligations. There can be no assurance that the debt restructuring criteria approved by us will be adequate or successful and that borrowers will be able to meet their obligations under restructured advances. Any resulting increase in delinquency levels may adversely impact our business, financial condition, and results of operations.

We may face asset and liability mismatches and we cannot assure you that we will always be successful in maintaining a positive asset-liability gap. We may rely on funding options with a short-term maturity period for extending long-term loans, which may lead to negative asset-liability gap. Further, mismatches between our assets and liabilities are compounded in case of pre-payments of the financing facilities we grant to our customers. Further, asset-liability mismatches may also result in liquidity crunch or liquidity surplus situations and depending upon the interest rate movement, such situations may adversely affect our Net Interest Income. If we are unable to manage our assets and liabilities in a timely and cost-effective manner, it may lead to mismatch in our assets and liabilities, leading to a liquidity risk which may have a material adverse effect on our operations and profitability.

8. *We may not be able to maintain or grow our CASA ratio in accordance with our strategy, which may result in higher cost of funds, and which may materially affect our financial condition and results of operations.*

Our CASA ratio improved from 24.64% as on March 31, 2019 to 25.85% as on March 31, 2020 and to 28.52% as on March 31, 2021. We have followed a segmental approach to grow our CASA ratio by revamping our existing CASA products and introducing of new products like TASC (Trust, Association, Society, Club) accounts, CASA accounts of central and state government schemes with Public Financial Management System facility enabled. However, attracting customer deposits in the Indian market is competitive. Recently, apart from public and private sector banks, we have also started facing competition from small finance banks and payment banks. Banks are now free to fix differential interest rates on savings deposits for various value buckets. Though we have introduced differential pricing mechanism by

offering differential rate of interest to savings bank customers having balance more than ₹ 1.00 million at 3.25% p.a. and 3.00% for accounts maintaining balance of ₹ 1.00 million and below, there is no assurance that we can successfully sustain this mechanism, and that we will be successful in growing our CASA base. In future, we may also be forced to increase interest rates for our CASA products further to remain competitive and there is no guarantee that from such move we will be able to enhance our customer base enough to compensate for the increase in interest rates. If we fail to maintain or grow our CASA ratio, it will result in a higher cost of funds, and will impact our Bank's financial condition and results of operations may be materially and adversely affected.

9. *We undertake fee based activities and our financial performance may be adversely affected by an inability to generate income from such activities.*

One of the primary drivers of our revenue are the fees that we charge for our products and services, and the volume of such fees. The fees we charge our customers can depend upon a number of factors that are, in part, within our control, which can include our overall business strategy, our expenses related to a particular transaction type, the volume of transactions for a product or service (where the greater the number of expected transactions will typically result in us getting a smaller fee, and vice versa), or promotions that we may be running at any given time. Further, they are also dependent upon a number of external factors, which can include general macro-economic conditions, the supply or demand for a product and service, regulatory instructions (such as in the case of interchange fees), changes in general banking activity and competitive factors. Competitive factors in particular, have and may continue to have an adverse effect on our ability to charge higher fees to improve our margins.

In addition, as our fee charges are primarily on per transaction basis, the volume of transactions that we record is a primary driver of our revenue. The volume of transactions depend upon a number of factors that are, in part, within our control, which can include the number of and availability of customer touchpoints (i.e., ATMs, e-Lobbies, BCs, and POS, Mobile Banking, internet Banking in addition to our 509 branches as on June 30, 2021), the usability of our customer facing technology and the reliability and capacity of such technology to handle large volumes of transactions, our marketing efforts and customer care initiatives, and the extent to which our customer touchpoints represent our brand in a positive manner. Our Bank is continuously upgrading its technology platform to enhance user experience through alternate channel to facilitate to handle large volume of transactions and generate fee income through digital channels. For instance, our Bank has launched a mobile banking application "TMB MConnect" on June 23, 2016 and is in the process of launching our new mobile banking application "TMB MBank". Further, the volume of transactions also depends upon a number of external factors, which can include general macro-economic conditions, critical technology and power infrastructure, government initiatives regarding financial inclusion, digitization of transactions and payments in India, changes in general banking activity and competition.

If we are unable to manage and plan for the factors within and out of our control, we may not adequately set our fee structure to cover all or some of our costs or miss revenue generating opportunities, or even where adequately set, we may miss opportunities to increase volume, each of which may adversely affect our business, financial condition, results of operations and cash flows.

10. *We have regional concentration in southern India, especially Tamil Nadu. Any adverse change in the economic, political, or geographical conditions of Tamil Nadu and other states in which we operate can impact our results of operations.*

As of March 31, 2019, 2020 and 2021, our deposits and advances in the state of Tamil Nadu contributed to 71.62%, 75.93%, and 76.33% of our Total Business. As of March 31, 2021, we had 4.18 million customers in the State of Tamil Nadu comprising 85.07% of our overall customer base. While we have a presence in the states of Gujarat, Maharashtra, Karnataka and Andhra Pradesh, we have an especially strong regional concentration in southern India, and in particular, in Tamil Nadu.

Our concentration in the southern India, and specifically in Tamil Nadu, exposes us to many adverse economic or political circumstances in the region as compared to other public and private sector banks that have a more diversified national presence. Any change in regulatory framework, political unrest, disruption, disturbance, or sustained downturn in the economy of Tamil Nadu and other states in southern

India could adversely affect the ability of our borrowers to repay loans or the ability of our customers to deposit funds or avail of our services, and may impact our business, financial condition, and results of operations. Instances of floods or other natural calamities in India, particularly in Tamil Nadu, could have an adverse effect on our business, financial condition, and results of operations. Such events may result in a temporary decline in the number of our customers or in our employees' ability to perform their duties.

- 11. *Our business comprises both traditional general banking activities and micro banking activities that exposes our business overall to the risks faced by each sector, which may negatively impact our performance.***

We offer a wide range of traditional banking, financial products and services primarily to retail, agricultural, MSME and corporates covering general banking segments. We also offer micro banking activities, i.e. providing loans of small amounts to low income individuals/groups. For instance, we provide loans of up to ₹ 10,000 under PM Svanidhi scheme that are repayable in monthly instalments. Traditional banking and micro banking activities undertaken by us are exposed to different risks that may impact their operations and performance, including but not limited to regulatory requirements, geographic and industry concentration risks, varied customer demographics and borrower profiles, risks associated with secured and unsecured lending practices, and the ability to offer different types of financial products to attract customers. Our presence in each of the general banking and micro banking sectors uniquely exposes us overall to the risks present in each. Accordingly, such exposure to each may result in events that materially adversely impact our operations and financial performance.

- 12. *We have received and may in the future receive multiple anonymous whistle blower complaints, which may adversely affect our reputation which could consequently adversely impact our business, financial condition and results of operation.***

We have received and may in the future receive multiple anonymous whistle blower complaints, which may adversely affect our reputation which could consequently adversely impact our business, financial condition and results of operation. For instance, we received a complaint alleging that unauthorized loans had been sanctioned and disbursed by a former branch head of one of our branches. We have conducted a special audit and disciplinary action is in progress against branch manager. Further, during June 2021 an undated anonymous complaint was also received alleging that loans had been improperly sanctioned at one of our other branches, specifically that the processes to be followed for deposit of title deeds had not been undertaken. Our Bank has initiated enquiries in relation to this anonymous complaint and which is to be placed before an internal advisory committee for directions.

We have a policy for addressing whistle blower complaints received. The policy lays down the procedure for reporting any event/information in relation to any unethical practices, and the process to be followed for handling such reports is also detailed. Further, the policy also provides for protection of whistle blowers' identity. However, we face the risk of inadvertently dismissing allegations which may prove to be plausible, at a later date.

In some instances, the RBI has written to our Bank to look into certain matters, for instance, matters relating to interference by non-executive directors in the Bank's management and corruption involving the Bank's employees. Our Bank has responded to the RBI in such cases.

The final findings from the inquiries for these complaints, as well as from other anonymous letters and whistle blower complaints that we may receive may result in fines and/or corrective actions, and adversely impact our reputation, which could consequently adversely impact our business, financial condition and results of operation.

- 13. *We are required to lend a minimum percentage of our Adjusted Net Bank Credit ("ANBC") to certain priority sectors. Any adverse performance by such priority sectors or any change in the RBI's regulations relating to priority sector lending or our Bank's inability to meet the priority sector lending targets could attract punitive action from the regulator which may have an adverse impact.***

The Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2020 dated September 4, 2020 ("PSL Regulations") sets out the broad policy in relation to priority sector lending. The Priority Sector Lending Regulations apply to all commercial banks licensed to operate in India by the

RBI. In terms of the PSL Regulations, the sectors categorised as priority sectors are agriculture, micro, small and medium enterprises (“MSME”), export credit, education, housing, social infrastructure, renewable energy and other sectors. Further, the PSL Regulations stipulate that domestic commercial banks will have to allocate 40.00% of the adjusted net bank credit to PSL or credit equivalent of off-balance sheet exposures, whichever is higher. Further, for agriculture sector, micro enterprises and advance to weaker sections, the targets are 18.00%, 7.50% and 12.00% of the adjusted net bank credit or credit equivalent of off-balance sheet exposures, whichever is higher, respectively. It has also prescribed sub-targets for small and marginal farmers, micro-enterprises and weaker sections.

Our priority sector advances include advances for agricultural, MSME, educational, housing, renewable energy, and social infrastructure sectors. As on March 31, 2021, our lending to priority sectors constituted ₹ 225,403.2 million or 79.07% of our ANBC, which comprised ₹ 86,456.1 million or 30.33% of our ANBC from agriculture, ₹ 1,20,357.4 million or 42.22% of our ANBC from MSME, and the balance ₹ 78,251.36 million or 27.45% of our ANBC from educational, housing, renewable energy, and social infrastructure sectors. Our total priority sector credit amounted to ₹ 2,25,403.1 million as on March 31, 2021, of which our other priority sector credit amounted to ₹ 18,589.7 million. Our ANBC amounted to ₹ 2,85,064.85 million as on March 31, 2021.

Non-achievement of lending targets to priority sectors may, in addition to other consequences, also be considered as a factor by the RBI while deciding grant of regulatory clearances and approvals for various purposes. For a list of the material approvals and licenses required from the RBI under the Banking Regulation Act and the RBI Act, see “Government and Other Approvals” beginning on page 304. We cannot assure you that we will be able to meet the lending targets towards priority sectors. In case we are unable to meet such targets, we may have to deposit the shortfall with any one of the specified agencies, and failure to do so may result in refusal of the RBI to grant us regulatory clearances and approvals in the future. Further, any change in the RBI’s guidelines may require us to increase our lending to the priority sectors, and inability of borrowers from the priority sectors to repay loans may result in an increase in NPAs, which may materially and adversely affect our business, results of operations, and financial condition.

14. *Our business is vulnerable to interest rate related risks. Volatility in interest rates could adversely affect our net interest margin, the value of our fixed income portfolio, our security receipts, our income from treasury operations, the quality of our loan portfolio, and our financial performance.*

Our interest income amounted to 84.85 % of our total income in Fiscal 2021. Net interest income represents the excess of interest earned from interest-earning assets (such as performing loans and investments) over the interest paid on interest bearing customer deposits and borrowings. Our net interest margin for Fiscals 2019, 2020, and 2021 was 3.65%, 3.64%, and 3.77%, respectively.

Interest rates are sensitive to many factors beyond our control, including the RBI’s monetary policy and domestic and international economic and political conditions, as well as other factors. Volatility and changes in market interest rates could disproportionately affect the interest we earn on our assets as compared to the interest we pay on our liabilities. The difference could result in an increase in interest expense relative to interest income leading to a reduction in net interest income. Accordingly, volatility in interest rates could materially and adversely affect our business and financial performance. An increase in interest rates may also adversely affect the rate of growth of important sectors of the Indian economy, such as corporate, retail, and agricultural sectors, which may materially and adversely impact our business. Such increase in the interest rates may lead to inability of the borrowers to repay the loan amount. Any consequent increase in the delinquency rates will mean that the interest income from such advances will no longer accrue and this will further affect our net interest income.

Our sources of funding has primarily been capital, borrowings and deposits. The borrowings of our Bank are by way of short term borrowings such as repo from the RBI which we rely on for our day to day requirements. We also rely on deposits as a source of funds for our Bank. Our deposits may be retail or bulk deposits, though we favour retail deposits as it has a wide base and is well disbursed. The quality of deposit is high when the renewal percentage is high. Our Bank has a large retail deposit base with a renewal percentage in excess of 75.00% for deposits below ₹ 10 million. Accordingly, our cost of funds is sensitive to interest rate fluctuations, which exposes us to the risk of reduction in spreads. In addition,

attracting customer deposits in the Indian banking industry is competitive. The rates that we must pay to attract deposits are determined by numerous factors such as the prevailing interest rate structure, competitive landscape, Indian monetary policy, and inflation. If we fail to achieve or sustain continued growth of our deposit base, we may be forced to rely more heavily on more expensive sources of funding, such as the wholesale market, which could materially and adversely affect our profitability and business. In addition, interest-earning assets tend to re-price more quickly than interest-bearing liabilities. Increases in interest rates applicable to our liabilities, without concurrent or corresponding increases in interest rates applicable to our interest bearing assets, may result in a decline in our net interest income, which could materially and adversely affect our business and financial results.

Furthermore, in the event of rising interest rates, our borrowers may not be willing to pay correspondingly higher interest rates on their borrowings and may choose to repay/pre-pay their loans with us, particularly if they are able to switch to more competitively priced loans offered by other banks. Our inability to retain customers as a result of rising interest rates may adversely impact our earnings in future periods. Similarly, in the event of falling interest rates, we may face more challenges in retaining our customers if we are unable to offer competitive rates on deposits as compared to other banks in the market which could materially and adversely affect our business and financial results.

15. Our business, reputation and financial results could be impacted by adverse results in legal proceedings.

Legal proceedings involving our Bank and its directors, are pending at different levels of adjudication before various courts, tribunals and appellate tribunals. We cannot assure you that these proceedings will be decided in our/ respective directors' favour. Brief details of outstanding litigation that have been initiated by and against us and our directors are set forth below:

	No. of cases outstanding	Amount involved (₹ million)
Legal proceedings involving our Bank		
Legal proceedings involving Equity Shares of our Bank	25	Not determinable
Actions by regulatory and statutory authorities	13	254.09**
Criminal proceedings against our Bank	2	-
Criminal proceedings by our Bank	250	9,101.47
Direct and indirect tax proceedings	21	4,832.86
Material civil proceedings	4,554*	62,091.95*
Legal proceedings involving our Directors		
Actions by regulatory and statutory authorities	2	5.00
Criminal proceedings against our Directors	4	-
Criminal proceedings by our Directors	-	-
Direct and indirect tax proceedings	-	-
Material civil proceedings	-	-
Total	4,871	76,285.37

*In certain instances we have initiated proceedings under SARFAESI, IBC and before DRT/civil courts against a single defaulting borrower.

** Total amount involved to the tune of ₹ 10,373.97 million under show cause notice dated November 9, 2017 issued by the Directorate of Enforcement not included, since adjudication is not completed.

The amounts claimed in these proceedings have been disclosed to the extent ascertainable. We have set aside provisions for legal claims, other than recovery related cases, aggregating to ₹ 11.63 million when payments associated with claims become probable and the costs can be reasonably estimated. We may still incur legal costs for a matter even if we have not established provisions or if our provisions are insufficient to cover such costs. In addition, the actual cost of resolving a legal claim may be substantially higher than any amounts reserved for that matter. If any new developments arise, such as a change in Indian law or rulings against us by appellate courts or tribunals, we may need to make provisions in our financial statements that could increase our expenses and current liabilities. Any adverse decision in any of these proceedings may have an adverse effect on our business, reputation, results of operations, financial condition and cash flows.

For details, see “Outstanding Litigation and Material Developments” beginning on page 293.

16. We are required to maintain CRR and SLR and capital adequacy ratios and any increase in these

requirements could materially and adversely affect our business, financial condition, and results of operations.

As a result of the statutory reserve requirements stipulated by the RBI, we may be more exposed structurally to interest rate risk than banks in other countries. Under the Reserve Bank of India (Cash Reserve Ratio (CRR) and Statutory Liquidity Reserve Ratio (SLR)) Directions, 2021 dated July 20, 2021 and the notifications issued by the RBI, we are subject to a CRR requirement under which we are currently required to keep 4.00% of our net demand and time liabilities in current account with the RBI. We do not earn interest on cash reserves maintained with the RBI. The RBI may further increase the CRR requirement as a monetary policy measure and has done so on numerous occasions in the past. Increases in the CRR requirement could materially and adversely affect our business, net interest income, results of operations, and financial condition.

In addition, under the RBI's regulations, our liabilities are subject to a SLR requirement, according to which 18.00% of our net demand and time liabilities need to be invested in government securities, treasury bills and other securities approved by the RBI from time to time. When the interest rate rises, the value of these fixed coupon securities depreciates.

We cannot assure you that investment in such securities will provide returns better than other market instruments or whether we will be able to maintain the CRR and the SLR in future. Further, any increase in the CRR and the SLR requirements would reduce the amount of funds available for lending, which may materially and adversely affect our business, financial condition, and results of operations.

In case the CRR falls below the minimum prescribed regulatory requirements in future, we may be constrained in further expanding our business. The RBI or any other relevant authority may implement a package of reforms, including the terms which capital securities are required to have, in a manner that is different from what is currently envisaged, or may impose more onerous requirements. There can be no assurance that we will be able to comply with such requirements or that any breach of applicable laws and regulations will not adversely affect our reputation, business, financial condition, and result of operations.

The RBI has issued guidelines based on the Basel III reforms on capital regulation on May 2, 2012, to the extent applicable to banks operating in India. The Basel III capital regulation was implemented from April 1, 2013 in India in a phased manner and was scheduled to be fully implemented by April 1, 2021. However, the last tranche of such implementation was further deferred until October 1, 2021. Accordingly, minimum capital conservation ratios as applicable from March 31, 2018 (1.875%) continues to apply until the CCB attains the level of 2.50%. As of March 31, 2021, banks are required to maintain a common equity Tier-I adequacy ratio of 5.50%, minimum Tier-I capital ratio of 7.00%, minimum total capital ratio of 9.00%. In addition, banks are required to maintain a capital conservation buffer ("CCB") of 2.5%. As of March 31, 2021 we have maintained a CRAR of 18.94%, which includes the minimum requirement of 2.5% CCB as prescribed by the RBI. If we fail to meet capital adequacy requirements, as may be prescribed by RBI from time to time, RBI may take certain actions, including restricting our lending and investment activities, further balance sheet growth, and the payment of dividends by us. These actions could also materially and adversely affect our reputation, results of operations and financial condition.

17. *Our Bank is subject to stringent regulatory requirements and prudential norms and our inability to comply with such laws, regulations and norms may have an adverse effect on our business, results of operations, financial condition and cash flows.*

Banks in India, including our Bank, are subject to compliance with various circulars, guidelines and regulations prescribed by the RBI and the Banking Regulation Act. In particular, we are required to comply with prudential norms on income recognition, asset classification and provisioning pertaining to advances, prudential norms for classification, valuation and operation of investment portfolio by banks, regulations governing the opening of new branches, limits for shareholding, digital payment security controls directions and interest rate on deposits directions. For further details on the regulatory requirements, see "*Key Regulations and Policies*" on page 137.

The RBI may also impose additional conditions or impose penalties on us, and may terminate our banking license, if there is a material breach in compliance with applicable requirements.

In addition, we are also subject to periodic inspections by the RBI under the Banking Regulation Act and the RBI Act, pursuant to which the RBI issues observations, directions and monitorable action plans, on issues related to various operational risks and regulatory non-compliances. For details, see “*Risk Factors – We are subject to supervision and inspection by authorities such as the RBI. Any adverse observations from RBI or non-compliance with RBI inspection/ observations or other regulatory requirements could have an adverse effect on our business, financial condition, results of operation and cash flows*” on page 34.

We are also required to comply with the Companies Act, 2013 along with rules and regulations made thereunder. The Ministry of Corporate Affairs (“MCA”), may from time to time, call for information and issue directions, as required. For instance, our Bank received an email dated May 23, 2018 from the MCA calling for information under Section 206 of the Companies Act, 2013 regarding compliance of Corporate Social Responsibility (“CSR”) for the Fiscal 2015-16. We provided the required information and documents for examination of compliance by way of reply dated July 2, 2018. Subsequently, in its reply email dated February 15, 2019, MCA directed us to either utilize the unspent CSR amount by contributing to specified Central Government funds or provide a concrete plan for utilization of unspent CSR amount. In reply to this email on March 2, 2019, we provided details of correct calculation of CSR and informed the MCA that our Board had approved the transfer of unspent CSR amounts for the Fiscal 2015-16 to the TMB Foundation. Further, there have been certain instances in the past wherein certain filings, such as Form DIR-12 have not been filed within the due date with the MCA. Further, we had received show cause notices dated November 4, 2019 and November 28, 2019 from the MCA in reference to non-compliance with Sections 204 and 96(1) of the Companies Act, 2013 regarding submission of secretarial audit report and convening of Annual General Meeting (“AGM”), respectively. We replied to the show cause notice dated November 4, 2019 detailing the manner in which the secretarial audit report had been submitted through our letter dated November 14, 2019. Subsequently, in relation to the non-compliance with Section 96(1) we replied to the show cause notices through letters dated November 30, 2019 and December 7, 2019, detailing the reasons for such non-compliance, including, pendency of dispute relating to previous AGMs before the Madras High Court. An interim stay was granted by an order dated December 18, 2019 of the High Court which is still in force, pursuant to which our Bank has been conducting Annual General Meetings with the special permission, and under the supervision, of the High Court of Madras. Since then, we have duly conducted the necessary Annual General Meeting for 2017.

Separately, during Fiscal 2002, the SEBI had issued a warning to our Bank, which had acted in the capacity as a banker to an issue, for irregularities relating to the acceptance of applications in the public offering of Rajesh Exports Limited. The Bank has received no further correspondence from SEBI in relation to the warning letter.

In addition to the above, a private sector bank, as an entity operating in the banking sector in India, is required to comply with applicable banking and securities laws in India, including, amongst others, the master circulars and master directions issued by the RBI, from time to time, the SCRA and the Indian Contract Act, 1872. A private sector bank is also required to comply with the provisions of the Companies Act, FEMA, labour laws, and various state specific shops and establishment legislations, various tax related legislations and other applicable regulations, notifications, circulars and guidelines, and other applicable statutes and policies along with the rules formulated thereunder for its day-to-day operations. In case of any failure to comply with the applicable directives and reporting requirements or to meet the prescribed prudential norms, the RBI may charge penalties, penalize our management, restrict our banking activities or otherwise enforce increased scrutiny and control over our banking operations, including by way of withholding approvals, or issuing conditional approvals in respect of any proposed actions for which we may seek approval in the future, or even cancel our banking license.

18. *Our contingent liabilities exceed our net worth, which, if they materialize, may adversely affect our results of operations, financial condition and cash flows.*

As of March 31, 2021, our contingent liabilities, as provided for in our Restated Financial Statements, are as follows:

		<i>(in ₹ million)</i>
S. No.	Particulars	As at March 31, 2021
1.	Claims not acknowledged as debts	1,353.21
2.	Liability on account of outstanding forward exchange contracts	91,886.91

S. No.	Particulars	As at March 31, 2021
3.	Guarantee given on behalf of constituents in India	11,630.02
4.	Acceptances, endorsements and other obligations	8,099.07
5.	Estimated amount of contracts remaining to be executed on capital account not provided for and liable under DEAF	901.61
6.	Total:	113,870.82

Our contingent liabilities exceed our net worth, which, if they materialize, may adversely affect our results of operations, financial condition and cash flows.

For details on the contingent liabilities of our Bank as reported in the Restated Financial Statements, see “Financial Statements” beginning on page 204.

19. We are subject to supervision and inspection by authorities such as the RBI. Any adverse observations from RBI or non-compliance with RBI inspection/ observations or other regulatory requirements could have an adverse effect on our business, financial condition, results of operation and cash flows.

We are subject to regulation and supervision by the RBI. We are subject to certain legal and regulatory risks which are inherent and substantial in our business. As we operate under several regulators, we are subject to actions that may be taken by such regulators in the event of any non-compliance with any applicable policies, guidelines, circulars, notifications, and regulations issued by the relevant regulators. Accordingly, we are required to comply with the Banking Regulation Act, 1949, RBI guidelines and directions, Foreign Exchange Management Act, 1999 and other regulations in India.

The RBI as a part of its supervisory processes, conducts periodic inspections under the Banking Regulation Act, pursuant to which the RBI issues observations, directions and monitorable action plans, on issues related to, amongst other things, our operations, risk management systems, internal controls and regulatory compliance and monitoring systems. During the course of finalizing the inspection reports, the RBI inspection team shares its findings and recommendations with us and provides us an opportunity to provide clarifications, additional information and, where necessary, justification for a different position, if any, than that observed by the RBI. The RBI incorporates such findings in its final inspection report and, upon final determination by the RBI of the inspection results, we are required to take actions specified therein by the RBI to its satisfaction.

For instance, following the RBI’s on site and inspection for supervisory evaluation carried out between September 16, 2019 to October 18, 2019, RBI by its letters dated November 25, 2019 issued a risk assessment report and a letter dated January 13, 2020 highlighting, *inter alia*: (i) certain issues with our governance and oversight, including failure to hold AGMs, failure to hold election of directors, lack of transparency, opaque disclosures to regulators and involvement of senior management in irregularities; (ii) risks related to our business and operations, including increasing levels of stressed accounts, non-performing assets, high slippage ratio and lack of comprehensive analysis at the time of sanction, review and renewal of accounts; (iii) concerns relating to internal controls including in system driven NPA identification, repeated short reviews and sanctioning of overdrafts on the basis of old stock statements; (iv) concerns relating to compliance including on account of conflicts of interest within our Bank and delays in reporting of frauds; (v) operational risks including increase in external frauds, KYC deficiencies, pending risk categorization in accounts, delay and lack of coordination in board level committees as regards classification of non-cooperative / wilful defaulters; and (vi) information technology, cyber security and strategic planning. The RBI accordingly provided a risk mitigation plan containing action points for us to follow and the timelines to be adhered for compliance. Due to the on-going COVID-19, the RBI has not conducted its annual inspections for the year 2020. While the RBI inspection is yet to be undertaken for the year 2021, there is no assurance that such inspection will be conducted.

During a statutory inspection for supervisory evaluation conducted by RBI with reference to our financial position as on March 31, 2017, RBI has made certain observations pursuant to the RBI Master Directions on Classification and Reporting by commercial banks and select FIs and Sections 35, 46 and 47A of the Banking Regulation Act. We received a show cause notice dated April 22, 2019 regarding violations observed, including: (i) divergence in asset classification; (ii) delay was observed in reporting of frauds in several cases; (iii) issuance of multiple customer IDs to customers having same PAN number and deficiencies in Know Your Customer (“KYC”) compliance; and (iv) failure to conduct periodical review of risk categorization in a large number of accounts. Subsequently, while a lenient view was taken with

respect to other violations, the RBI imposed a penalty of ₹ 3.50 million by an order dated October 24, 2019 for delay in reporting of frauds.

Further, pursuant to review by the RBI of our Annual Report for Fiscal 2018, we received a letter from RBI dated November 13, 2018 directing our Bank to make full provision on the unabsorbed mark-to-market (“MTM”) losses for the quarters ended December 31, 2017 and March 31, 2018. Our Bank had, pursuant to the RBI Circulars dated April 2, 2018 and dated June 15, 2018 (“MTM Circulars”), availed relaxations in relation to staggering of provisioning on MTM losses. Subsequently, our Bank received an email from the RBI on July 27, 2021, to which we replied by a letter dated July 28, 2021 informing the RBI that there were no unabsorbed losses as on September 30, 2018 and December 31, 2018 after making full provision for MTM losses. Our Bank also received a show cause notice on May 10, 2021 from RBI for failure to comply with KYC norms which our Bank is in the process of addressing by updating its AML Software “AMLock”.

We are required to comply with certain regulatory guidelines issued by the RBI from time to time. Any non-compliance with regulatory guidelines and directions may result in substantial penalties and reputational impact, which may affect the price of our Equity Shares. For instance, on February 25, 2019, the RBI imposed a penalty of ₹ 10.00 million on our Bank for non-adherence to timeline specified for implementation and strengthening of SWIFT related operational controls. Further, RBI by an order dated June 19, 2018, had imposed a penalty of ₹ 60.00 million on our Bank, in relation to violation of RBI guidelines on issuance of bonus Equity Shares. Our Bank paid the above penalties on March 13, 2019 and June 26, 2018 respectively.

The RBI, under the Supervisory Program for Assessment of Risk and Capital (“SPARC”), prepared a Risk Assessment Report (“RAR 2016”) dated March 31, 2016 of our Bank for Fiscal 2016 observing that our Bank did not have a system of reporting and analyzing the difference in the realized value of the collateral vis-à-vis the last evaluation. In compliance with this observation, details in relation to auction sale of properties was submitted to the Board on May 14, 2020.

We may be subject to inspections from RBI in the future. Non-compliance with the observations of relevant regulators, institution of similar proceedings against our Bank and penalties being imposed by the RBI on our Bank could materially adversely affect our reputation, business, financial condition, results of operations and cash flows. Any significant deficiencies identified by the RBI that we are unable to rectify to the RBI’s satisfaction could lead to penalties imposed by the RBI against us and our management, as well as expose us to increased risks. While we have responded to such observations, directions and monitorable action plans in the past, we cannot assure you that RBI will not make similar or other observations in the future.

20. *An inability to obtain, renew or maintain our statutory and regulatory permits and approvals required to operate our business may adversely affect our business, financial condition, results of operation and cash flows.*

We are required to obtain various statutory and regulatory permits and approvals to operate our business which requires us to comply with certain terms and conditions to continue our operations. For instance, we require approvals from various regulatory authorities for various aspects of our operations (including foreign exchange license, demat services) licenses. Failure to obtain these permits and approvals may result in imposition of fines and penalties by the relevant regulator. Further it is possible that the RBI may place stringent restrictions on our operations. There can be no assurance that any approval or extension sought by us will be granted without onerous conditions being imposed on us, or at all if any such conditions are not complied with.

In addition, we are required to obtain certain approvals in the normal course of our business such as employee provident fund, employees’ state insurance corporation registration and tax registrations. See “Government and Other Approvals – Material approvals in relation to the business operations of our Bank” beginning on page 304. We may also need to apply for new licenses and approvals, which may expire from time to time. In the event that we are unable to obtain, renew or maintain other statutory permits and approvals or comply with regulatory requirements, it may result in the interruption of all or some of our operations, imposition of penalties and could materially and adversely affect our business, financial performance and reputation. Further, our approvals and licenses are subject to numerous conditions, some of which are onerous and may require us to incur substantial expenditure in order to

comply with such conditions. We may not, at all times, have all approvals required for our business. We can also not assure that the approvals, licenses, registrations or permits issued to us will not be suspended or revoked, or that applicable penalties will not be imposed on us in the event of non-compliance with any terms and conditions. We may also incur substantial costs related to litigation if we are subject to significant regulatory action, which may adversely affect our business, future financial performance and results of operations.

21. *We have issued notices and initiated various recovery proceedings against defaulting borrowers under the SARFAESI Act and failure by such borrowers to repay the outstanding borrowings pursuant to such notices and proceedings may adversely affect our business.*

As on the date of this Draft Red Herring Prospectus, 996 notices, have been issued by our Bank under the SARFAESI Act against defaulting borrowers, involving an aggregate amount, to the extent quantifiable, of ₹ 7,597.10 million. Our Bank has also initiated 3,527 recovery proceedings before Debt Recovery Tribunals and civil courts, involving an aggregate amount, to the extent quantifiable, of approximately ₹ 33,539.59 million.

There can be no assurance that the defaulting borrowers would repay the outstanding borrowings pursuant to the notices, or that we would succeed in these suits. As on March 31, 2021, we have made provisions to the tune of ₹ 4,709.52 million in relation to these defaulting loans. Any significant increase in write-offs and/or provisions would materially and adversely impact our Bank's financial performance.

Out of the above pending civil suits, certain insolvency proceedings have been initiated against certain borrowers of our Bank, under the Insolvency and Bankruptcy Code, 2016, as amended ("**IBC**") before various National Company Law Tribunal ("**NCLT**") benches. As on the date of this Draft Red Herring Prospectus, 26 insolvency proceedings have been initiated against defaulting borrowers, involving an aggregate amount, to the extent quantifiable, of ₹ 20,571 million. Our Bank has submitted its claims in respect of the corporate insolvency resolution processes initiated against our borrowers in our capacity as financial creditors. Any adverse order in relation to these insolvency proceedings may adversely impact our Bank's financial performance.

22. *We rely extensively on our information technology systems and any weakness, disruption or failure in such systems, or breach of data, could adversely affect our operations and reputation. Further, our success depends on our ability to innovate, upgrade and respond to new technological advances.*

We are highly dependent on our information technology systems and our ability to efficiently and reliably process a high volume of transactions across numerous locations and delivery channels. As organizations extend out to clouds and mobile devices, IT departments have to radically change how they operate, including how they procure products and services, how they manage technology and data assets, and IT's own role within the organization.

To ensure a robust and secure technology platform for our Bank, suitable internal policies and procedures have been adopted. Our Information Technology consists of several other policies such as the information security policy, IT network policy and IT procurement policy. The information security policy further lays down a set of standards and procedures in relation to data leakage, network security, incident response management. We also outsource some of our IT services like technology infrastructure management, maintenance and support, software development maintenance and testing, and business processes.

If these service providers are unable to fulfil their contractual obligations or if we encounter any failure in the timely implementation, performance or integration of such systems, we may experience interruptions in our operations, loss of customers, damaged reputation and weakening of our competitive position. See "*Our Business – Information Technology*" on page 133.

Our information technology systems are subject to potential internal and external weaknesses, disruptions and failures such as damage or incapacitation by human error, natural disasters, electrical or telecommunication outages, nation/ region-wide interruptions in the infrastructure, sabotage, computer viruses, hacking, cyber-attacks or similar events, or loss of support services from other third parties, or failures to timely upgrade our information technology systems.

On September 14, 2020, RBI released guidelines on automation of income recognition, asset classification

and provisioning processes in banks pursuant to which banks have been advised to put in place and upgrade their systems by June 30, 2021 to, inter alia, recognize and derecognize income in case of impaired assets, calculate provisioning requirement and classify assets as NPAs and NPIs in the system, in each case, without any manual intervention. Our Bank has duly complied with and implemented the RBI guidelines. Certain exceptions have been granted from system driven classification in cases which are expected to be minimum and temporary subject to certain conditions. In such cases, the banks are required to maintain system generated logs for all exceptions for a minimum period of three years. Any failure to comply with such guidelines, or any other information technology related guidelines, circulars or notifications issued by the RBI from time to time, may expose us to potential regulatory action and penalties, thereby adversely affecting our financial condition, reputation and cash flow.

23. *We are susceptible to operational risks, including fraud, petty theft, negligence and embezzlement by our employees or our customers, which could harm our results of operations and financial position.*

Our employees at our branches are responsible for handling, collection and depositing of cash, thereby exposing us to the risks of loss, fraud, misappropriation, theft, assault, negligence and unauthorized transactions by our such parties. While we seek to prevent or mitigate such risks through internal control measures including, among others: (i) formulating operational guidelines for staff members for handling cash at counters; (ii) provision of gun to security guards at our branches (iii) provision of 24x7 CCTV coverage at various locations inside and outside branch premises; (iv) training given to all the staff members in handling cash operations along with the other areas at frequent intervals; and (v) blanket insurance policy which covers the risk of cash movement, cash stored at branches and handled by cashiers; etc., we may be unable to adequately prevent or deter such activities in all cases. In the past, we have experienced acts of fraud (as defined under the applicable RBI guidelines), theft, forgery and misappropriation committed by or involving merchants, customers and employees. The Bank has initiated 242 criminal cases amounting to ₹ 8,626.57 million. Out of which, 30 FIRs have been registered aggregating to ₹ 3,756.85 million and we have written 212 letters to various police and regulatory authorities amounting to ₹ 4,869.72 million in relation to diversion of funds, improper end use of funds, embezzlement, falsification of records, fraud, etc. For details see “*Outstanding Litigation and Material Developments*” beginning on page 293.

Although, we have an Internal Advisory Committee, a dedicated team to identify and examine all complaints/staff accountability report/special audit report, there could be instances of fraud and misconduct by our employees which may go unnoticed for certain periods of time before corrective action is taken. In addition, we may be subject to regulatory or other proceedings in connection with any such unauthorized transaction, fraud or misappropriation, which could adversely affect our goodwill, business prospects, reputation and future financial performance. Even when we identify instances of fraud and other misconduct and pursue legal recourse or file claims with our insurance carriers, we cannot assure you that we will recover any amounts lost through such fraud or other misconduct. Further, there have been several instances relating to fraudulent card and ATM transactions, unauthorized UPI transactions and counterfeit notes, robberies and discovery of spurious jewelry at our Bank’s branches. In addition, our dependence upon automated and digital systems to record and process online and face-to-face transactions may further increase the risk that technical system flaws or employee tampering or manipulation of those systems will result in losses that are difficult to detect.

24. *Our industry is very competitive and our growth strategy depends on our ability to compete effectively.*

The banking and financing sector in India is highly competitive and we face competition in all our principal areas of business. We face strong competition from much larger government controlled public sector banks, Indian and foreign commercial banks, non-banking financial companies, payment banks, small finance banks and other financial services companies as well. Public sector banks, which generally have a much larger customer and deposit base, larger branch networks and Government support for capital augmentation, pose strong competition to us. Traditionally, public banks have accounted for the major proportion of the banking credit outstanding. However, low profitability, weak capital position, low operational efficiency, and increase in stressed loans in the past few years led to slowdown in their loan growth. As a result, public banks gradually lost market share to private banks, which were relatively well capitalised and had higher degree of operational efficiency. Public banks which accounted for 71% share in credit outstanding in Fiscal 2015, account for only 59% share in Fiscal 2021. (Source: CRISIL Report) Mergers among public sector banks, including those encouraged and facilitated by Government efforts, may result in enhanced competitive strengths in pricing and delivery channels for the merged entities.

Our ability to continue to meet customer demand for new loans will depend primarily on our ability to raise funds through deposits and refinancing on suitable interest rates and terms, and in a timely manner. Our ability to raise such funds on competitive terms in the future will depend on various factors including our credit ratings, macroeconomic factors, the regulatory environment and policy initiatives in India, developments in the international markets affecting the Indian economy, outbreak of an infectious disease, such as the COVID-19 pandemic, investors' and/or lenders' perception of demand for debt and equity securities of scheduled commercial banks, and our current and future results of operations, financial condition and cash flows.

The success of our banking operations depends on a number of factors, including the demand for our services and our ability to compete with other banks and financial institutions effectively. There are multiple players in the banking sector with varied organisational structures. Loans in the microfinance sector are provided by banks, small finance banks, non-banking finance company-microfinance institutions, other non-banking finance companies, and non-profit organisations. They also provide loans under the self-help group model. However, they also give microfinance loans directly or through business correspondents to meet their priority-sector lending targets. In addition, many of our potential customers in economically weaker segments do not have access to any form of organized institutional lending, and rely on loans from informal sources, especially moneylenders, landlords, local shopkeepers and traders, at higher interest rates.

If the number of scheduled commercial banks, public sector banks, private sector banks, payment banks, small finance banks, and foreign banks with branches in the country increases, we will face increased competition in the businesses, which could have a material adverse effect on our financial condition, results of operations and cash flows.

In addition, we have faced and may face in the future attrition and difficulties in hiring at senior management, specialized functions and other levels due to competition from existing banking entities, as well as new banks and banking entities entering the market. Due to such intense competition, we may be unable to execute our growth strategy successfully and offer competitive products and services, which would have a material adverse effect on our business, financial condition, results of operations and cash flows.

See “*Our Business – Competition*” on page 135.

25. *Our risk management measures may not be fully effective in mitigating our risks in all market environments or against all types of risks, which may adversely affect our business and financial performance.*

We have adopted various risk management policies, including operational risk management policy, credit risk management policy, credit risk mitigation techniques and collateral management policy and fraud risk management policy. The RBI guidelines have mandated Banks to implement the operational risk management requirements. Our Bank has also constituted a risk management committee and an Operational Risk Management Committee of Executives to effectively take decisions for handling and mitigating any risks we may face.

However, we may not be able to effectively mitigate all our risk exposures. While we have risk management policies, our policies and procedures to identify, assess, monitor and manage risks may not be fully effective. Some of our risk management systems are not automated and are subject to human error. Some of our methods of assessing and managing risks are based on the use of observed historical market behavior. As a result, these methods may not accurately predict future risk exposures which could be significantly greater than those indicated by the historical measures. Management of operations, legal and regulatory risks requires, among other things, policies and procedures to properly record and verify a large number of transactions and events, and these policies and procedures may not be fully effective. As we seek to expand the scope of our operations, we also face the risk that we may not be able to develop risk management policies and procedures that are properly designed for new business areas or to manage the risks associated with the growth of our existing businesses effectively. Implementation and monitoring may prove particularly challenging with respect to businesses that we plan on developing. An inability to develop and implement effective risk management policies may adversely affect our business, financial condition, results of operations and cash flows.

Further, some of our risk management strategies may not be effective in a difficult market environment, where other market participants may be attempting to use the same or similar strategies to deal with the difficult market conditions. In such circumstances, it may be difficult for us to reduce our risk positions due to the activity of such other market participants or government actions. Other risk management methods depend upon an evaluation of information regarding markets, customers and counterparties or other matters. This information may not in all cases be accurate, complete, up-to-date or properly evaluated.

We are exposed to operational risks arising from inadequacy or failure of internal processes or systems such as employee negligence, data theft, fraud and embezzlement by customers and/ or third parties, and our actions may not be sufficient to result in an effective internal control environment. Given our high volume of transactions and changing technology and digital and physical payments landscape, errors may be repeated or compounded before they are discovered and rectified. Our management information systems and internal control procedures that are designed to monitor our operations and overall compliance may not be able to identify non-compliance or suspicious transactions in a timely manner, or at all. Where internal control weaknesses are identified, our actions may not be sufficient to fully correct such internal control weaknesses. In addition, certain processes are carried out manually, which may increase the risk that human error, tampering, frauds or manipulation will result in losses that may be difficult to detect. As a result, we may suffer monetary losses, which may not be recoverable or covered by our insurance policies. Any failure or material weakness in our risk management architecture could adversely affect our business, results of operations, financial condition and cash flows.

- 26. *Our insurance coverage may be inadequate to cover claims. If we incur substantial uninsured loss or loss that exceeds our insurance coverage, it could have an adverse effect on our business, cash flows, results of operations and financial condition.***

While we are covered by a range of insurance including group life insurance, group personal accident, group health insurance and directors' and officers' liability insurance. Additionally, our deposits are insured by the Deposit Insurance and Credit Guarantee Corporation. We believe such coverage is consistent with industry practice in India and in accordance with the guidelines provided by RBI to cover risks associated with our business, we cannot assure you that the existing coverage will insure us completely against all risks and losses that may arise in the future. We may not have insurance to cover all of the risks associated with our business, as insurance coverage is either unavailable for certain risks or is prohibitively expensive. In addition, even if such losses are insured, we may be required to contribute a substantial deductible on any claim for recovery of such a loss, or the amount of the loss may exceed our coverage for the loss. In addition, our insurance policies are generally subject to annual renewal, and our ability to renew these policies on similar or otherwise acceptable terms, cannot be assured. If we incur a serious uninsured loss or a loss that significantly exceeds the limits of our insurance policies, it could have an adverse effect on our business, cash flows, results of operations and financial condition.

- 27. *Our operations could be adversely affected by strikes, work stoppages or increased wage demands by our employees, changes in labour laws, or any other change in the relationship we have with our employees.***

We are exposed to the risk of strikes and other industrial actions by our employees as well as trade unions that our employees are a part of. As on June 30, 2021, out of our 4,317 employees, 4,228 were members of the two trade unions that have been recognized by us, Tamilnad Mercantile Bank Employee's Association and Tamilnad Mercantile Bank Officers' Association. We have entered into memoranda of settlement with such association recording our agreement with such associations with respect to issues of scale of pay and terms and conditions of service which are valid until October 31, 2022. We cannot assure you that we will be able to renew such memoranda on favorable conditions after the expiry of their current term. We cannot assure you that we will not experience disruptions in work due to disputes or other problems with our work force in the future. Any labour unrest directed against us, including with respect to increased wage demands, could prevent or hinder our normal operating activities, and, if not resolved in a timely manner, could lead to disruptions in our operations. These actions are impossible for us to predict or control and could adversely affect our business, results of operations, financial condition and cash flows.

- 28. *Banking companies in India, are currently required to report financial statements as per Indian GAAP. However, we may be required to prepare our financial statements in accordance with Ind AS in the future. Differences exist between Ind AS and Indian GAAP, which may be material to investors'***

assessment of our financial condition. The Ind AS financial information that we may be required to prepare in the future may not be comparable to the Indian GAAP financial information we currently prepare.

The Ministry of Corporate Affairs, in its press release dated January 18, 2016, issued a roadmap for implementation of Ind AS for scheduled commercial banks, insurance companies and NBFCs, which are applicable to us. Such roadmap provided that these institutions were required to prepare Ind AS financial statements for accounting periods commencing April 1, 2018 (including comparative financial statements for the corresponding periods in the previous year). The RBI, by its circular dated February 11, 2016, required all scheduled commercial banks to comply with Ind AS for financial statements commencing April 1, 2018 and also required such entities to prepare and submit proforma Ind AS financial statements to the RBI since the six months ended September 30, 2016. However, the RBI, through its notification dated March 22, 2019, decided to defer the implementation of Ind AS until further notice for all scheduled commercial banks (except regional rural banks). Under applicable regulations, scheduled commercial banks, are not permitted to undertake early adoption of Ind AS. Accordingly, we continue to prepare and present our financial statements under Indian GAAP.

We have not determined with any degree of certainty the impact that such adoption will have on our financial reporting. Furthermore, the new accounting standards will change, among other things, our methodology for estimating allowances for probable loan losses and for classifying and valuing our investment portfolio and revenue recognition policy. For estimation of probable loan losses, the new accounting standards may require us to calculate the present value of the expected future cash flows realizable from our loans, including the possible liquidation of collateral (discounted at the loan's effective interest rate). This may result in us recognizing allowances for probable loan losses in the future which may be higher or lower than under current Indian GAAP.

Therefore, there can be no assurance that our financial condition, results of operations, cash flows or changes in shareholders' equity will not appear materially worse under Ind AS than under Indian GAAP. In our transition to Ind AS reporting, when applicable, we may encounter difficulties in the ongoing process of implementing and enhancing management information systems. Further, there is no significant body of established practice on which to draw in forming judgments regarding the new system's implementation and application. There can be no assurance that our adoption of Ind AS will not adversely affect our reported results of operations or financial condition and any failure to successfully adopt Ind AS could adversely affect our business and the trading price of the Equity Shares.

29. *We may face cyber threats attempting to exploit our network to disrupt products and support services to customers and/ or theft of sensitive internal data or customer information, which may cause damage to our reputation and adversely affect our business and financial performance.*

We interact with and offer our products and services to our customers through a range of digital channels including our website, mobile phones and ATMs.

Our information technology systems are subject to potential internal and external weaknesses, disruptions and failures such as damage or incapacitation by human error, natural disasters, electrical or telecommunication outages, nation/ region-wide interruptions in the infrastructure, sabotage, computer viruses, hacking, cyber-attacks or similar events, or loss of support services from other third parties, or failures to timely upgrade our information technology systems. For instance, our Bank had reported four incidents at the Cyber Security and Information Technology Examination Cell of RBI ("CSITE") Data Collector Portal during October 12, 2019 to October 18, 2019. Examination of the cyber incident reports revealed that our Bank had not complied with the RBI Directions on Charges levied by Banks for Sending SMS Alerts dated November 26, 2013 and Cyber Security Framework in Banks dated June 2, 2016 and a show cause notice dated December 16, 2020 was issued to our Bank. Since we had taken steps to rectify the issues and avoid future incidents, the RBI and under Sections 46 and 47A of the Banking Regulation Act levied an aggregate penalty of ₹ 10.00 million on our Bank.

We are exposed to many types of operational risk, including fraud or other misconduct by employees, customers, or outsiders involving our Bank, products and services, documentation, and operations. For instance, in the past, there have been instances where we have had to take disciplinary action against our employees for downloading confidential information without authorization.

Cyber security risks for technology-focused companies and banking organizations have significantly increased in recent years in part because of the proliferation of new technologies, increased digitization of our products and services and the use of the internet and telecommunications technologies to conduct financial transactions. For example, cyber security risks may increase in the future as we continue to increase our mobile-payment and other digital-based services and product offerings and expand our internal usage of digital/ web-based services/products and applications.

In addition, cyber security risks have significantly increased in recent years in part due to the increased sophistication and activities of organized crime affiliates, terrorist organizations, hostile foreign governments, disgruntled employees or vendors, activists and other external parties, including those involved in corporate espionage. Our Bank has its own Cyber Security Operation Centre (“CSOC”) which is tasked with protecting us from multiple cyber attacks. Even the most advanced internal control environment may be vulnerable to compromise. Targeted social engineering attacks and “spear phishing” attacks are becoming more sophisticated and are extremely difficult to prevent. Persistent attackers may succeed in penetrating defenses given enough resources, time, and motive. The techniques used by cyber criminals change frequently, may not be recognized until launched and may not be recognized until well after a breach has occurred. Additionally, the existence of cyber-attacks or security breaches at third party vendors with access to our data may not be disclosed to us in a timely manner.

Our customers could also be exposed to increased phishing attacks that could result in a financial loss to them, and in turn lead to claims for compensation from us or damage to our reputation. Moreover, in the absence of any data protection laws in India, such private information stored in our database may be vulnerable and susceptible to data breaches.

30. *The majority of our business premises are leased. Accordingly, we are exposed to risks typical to leasing of commercial real estate, including risk of being required to relocate certain of our premises from time to time.*

As on June 30, 2021, we had 509 branches and 1,131 ATMs, of which 465 branches and 1,111 ATMs were located on leased premises.

As on June 30, 2021, 31 of our branch leases had expired out of which 9 are in the process of being renewed and for 10 branch leases, the sanction for renewal of lease has been granted by the Bank to the relevant branch. Further, 51 of our ATM leases had expired, out of which 6 are in the process of being renewed. Termination of or failure to renew lease agreements may require us to shift the concerned branch offices or the ATMs to new premises. Further, in case of non-renewal of our leases or if such agreements are renewed on unfavorable terms and conditions, we may be forced to procure alternative space for our existing branches and incur additional costs for such relocation. We may also face the risk of being evicted in the event that our landlords allege a breach on our part of any terms under these lease agreements and there is no assurance that we will be able to identify suitable locations to re-locate our operations. This may cause a disruption in our operations or result in increased costs, or both, which may materially and adversely affect our business, financial condition, results of operations, and cash flows in respect of such premises. Some of the lease agreements entered into by us may be inadequately stamped or may not be registered. In such event, these agreements may be inadmissible as evidence before a court of law. Further, some of the immovable properties used by us and taken on lease from time to time may have one or more irregularities of title such as non-registration of lease deeds. We cannot assure you that we would be able to enforce our rights under such agreements or in respect of such immovable properties, and any inability to do so, could impair our operations and adversely affect our financial condition.

For further details, see “*Our Business – Properties*” on page 136.

31. *Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect.*

We are unable to trace copies of certain corporate records and filings made by our Bank in the past. In particular, we have been unable to trace: (i) resolutions for issue and allotments of Equity Shares from our incorporation on May 11, 1921 till June 23, 1989; (ii) filings with the RoC from incorporation of our Bank on May 11, 1921 till December 16, 1982 in relation to changes in our issued, subscribed and paid up share

capital; (iii) resolutions passed and filings with RoC in relation to change to the registered office of our Bank on February 10, 1936 and resolutions passed in relation the change in the registered office of our Bank on June 7, 1991; (iv) any records in relation to the commencement of business on November 11, 1921; (v) letter of intimation from RBI for inclusion of the name of our Bank in the Second Schedule of the RBI Act; and (vi) copies of the RBI approvals obtained for opening of certain branches of our Bank. The relevant documents are also not available at the office of the Registrar of Companies, Tamil Nadu, based on the search performed by a practicing company secretary. Consequently, disclosures in this DRHP in relation to changes in our issued, subscribed and paid up share capital at the time of incorporation and on December 16, 1982, December 29, 1982, May 20, 1989 and June 23, 1989 have been made in reliance of the Memorandum of Association, the relevant Form-2 filings made by our Bank with the RoC and our balance sheet as at December 31, 1982.

In addition, our Bank had received a show cause notice from the RBI for failure to properly complete KYC norms in opening accounts, which was also stated in the RBI's press release dated April 26, 2006. Pursuant to this, we paid a penalty of ₹ 0.5 million on May 3, 2006. In relation to this matter, we are unable to trace the (i) show cause notice received from RBI; (ii) written reply by our Bank to the RBI; and (iii) order imposing penalty by the RBI.

In respect of the approval for opening of our branches, we have written to the RBI to verify the code numbers of such branches and confirm that such branches are reflected in the RBI's records. In addition, information relating to actions taken by any regulatory authorities prior to Fiscal 2012 is not available with our Bank.

We cannot assure you that these form filings and corporate records will be available in the future or that we will not be subject to any penalty imposed by the competent regulatory authority in this respect or that we will not incur additional expenses arising from our inability to furnish correct particulars in respect of the RoC filings or other corporate records, or for misrepresentation of facts which may occur due to non-availability of documents.

32. *We have commissioned and paid for the CRISIL Report which has been used for industry related data in this Draft Red Herring Prospectus.*

We have commissioned, paid for and relied on the CRISIL Report titled "Banking Industry in India" dated August 2021, which has been paid for and used by us for the purpose of confirming our understanding of the industry in connection with the Offer, for industry related data that has been disclosed in this Draft Red Herring Prospectus.

The CRISIL Report uses certain methodologies for market sizing and forecasting. This report is subject to various limitations and based upon certain assumptions that are subjective in nature. Accordingly, investors should read the industry related disclosure in this Draft Red Herring Prospectus in this context. Such commissioned report has been paid for by our Bank for an agreed amount.

Industry reports and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Statements from third parties that involve estimates are subject to change, and actual amounts may differ materially from those included in this Draft Red Herring Prospectus. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. While industry experts take due care and caution while preparing their reports, they do not guarantee the accuracy, adequacy or completeness of the data. Accordingly, investors should not place undue reliance on, or base their investment decision solely on this information.

33. *We depend on the accuracy and completeness of information about customers and counterparties. Our financial condition and results of operations could be negatively affected by relying on financial statements of customers that do not comply with generally accepted accounting principles or on other information that is incorrect or materially misleading.*

In deciding whether to extend credit or enter into other transactions with customers and counterparties, we may rely on information furnished to us by or on behalf of such customers and counterparties, including financial statements and other financial information and opinions on title deeds and valuation of property. We may also rely on certain representations as to the accuracy and completeness of that information. With

respect to financial statements, we rely on reports of independent auditors of the borrowers. For instance, in deciding whether to extend credit, we may assume that a customer's audited financial statements conform to generally accepted accounting principles and present fairly, in all material respects, the financial condition, results of operations, and cash flows of that customer. Although we have taken steps to strengthen our internal processes, our results of operations, financial condition and cash flows could be negatively impacted by reliance on missing information or information provided by third-parties that is inaccurate or materially misleading. This may affect the quality of information available to us about the credit history of our borrowers, especially individuals and small businesses. As a consequence, our ability to effectively manage our credit risk may be adversely affected. Our financial condition and results of operations could be negatively affected by relying on financial statements of customers that do not comply with generally accepted accounting principles or on other information that is incorrect or materially misleading.

34. *We are dependent on our Key Managerial Personnel, and the loss of, or our inability to attract or retain, such persons could adversely affect our business, financial condition, results of operations and cash flows.*

Our performance and success depends largely on the efforts and abilities of our Key Managerial Personnel. We believe that the inputs and experience of our Key Managerial Personnel are valuable for the development of our business and operations and the strategic directions taken by our Bank. For details on our Key Managerial Personnel, see “*Our Management – Key Managerial Personnel*” on page 174. Our ability to sustain our growth depends upon our ability to attract and retain such personnel, developing managerial experience to address emerging business and operating challenges and ensuring a high standard of customer service. We cannot assure you that these individuals or any other member of our management team will not leave us or join a competitor or that we will be able to retain such personnel or find adequate replacements in a timely manner, or at all. We may require a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with our Bank. We may also be required to increase our levels of employee compensation more rapidly than in the past to remain competitive in attracting employees that our business requires. The loss of the services of such persons may have an adverse effect on our business, results of operations and financial condition. Additionally, the RBI reserves the right under the Banking Regulation Act to remove managerial persons from office and/ or supersede the Board in order to protect interests of depositors of our Bank.

Attracting and retaining talented professionals is a key element to our growth strategy. We may also face attrition of our existing workforce as a result of increased competition or other factors relating to our businesses. For instance, our attrition rate in Fiscals 2019, 2020 and 2021, was 1.66%, 1.23%, 1.32%, respectively, calculated for each period by dividing the number of resignations during such period by the average of number of employees as of the first day and last day of such period.

In addition, if the banking industry increasingly moves toward incentive-based pay schemes, attrition rates could increase and we could be forced to alter our remuneration scheme. The resultant pressures may result in diminished profitability, especially if rates of return do not experience a commensurate rise. An inability to attract and retain such talented professionals or the resignation or loss of such professionals may have an adverse impact on our business and future financial performance.

In addition, we may experience difficulties in managing our expanding workforce. If we cannot hire additional qualified personnel or retain them, our ability to expand our business will be impaired and our revenue could decline. We will need to recruit new employees, who will have to be trained and integrated into our operations. We will also have to train existing employees to adhere properly to internal controls and risk management procedures. Failure to train and motivate our employees properly may result in an increase in employee attrition rates, require additional hiring, erode the quality of customer service, divert management resources, increase our exposure to high-risk credit and impose significant costs on us.

35. *We have entered into certain related party transactions, and in future we shall continue to enter into related party transactions in the ordinary course of our business on an arm's length basis.*

We have entered into and may in the ordinary course of our business continue to enter into certain transactions with related parties, including with our MD & CEO. For details of the related party transactions during the last three Fiscals, see “*Financial Statements – Annexure 21 – Note 6.5 Related Party Disclosures*” beginning on page 254. Certain related party transactions also require the approval of

our shareholders, where the interested related parties are required to abstain from voting on such resolutions. While we have entered into related party transactions on an arm's length basis and have obtained the relevant corporate authorizations as required from time to time, we cannot assure you that any related party transactions in future, individually or in aggregate, will not be perceived negatively or will always have a positive effect on our results of operations and financial condition.

36. *Any non-compliance with mandatory AML, KYC and CFT laws and regulations could expose us to liability and harm our business and reputation.*

In accordance with the requirements applicable to banks in India, we are mandated to comply with applicable anti-money laundering ("AML"), know your client ("KYC") and combating financing of terrorism ("CFT") regulations. These laws and regulations require us, among other things, to adopt and enforce AML, KYC and CFT policies and procedures. We are also required to undertake constant review and assessment of existing control processes and programs to meet the increased regulatory expectation. We face significant challenges with system upgradation to meet the requirements of such regulatory developments. Our reputation and business could suffer if any such parties use or attempt to use us for money-laundering or illegal or improper purposes and such attempts are not detected or reported to the appropriate authorities in compliance with applicable regulatory requirements. Although we believe that we have adequate internal policies, processes and controls in place to prevent and detect AML and CFT activity and ensure KYC compliance, there may be significant inconsistencies in the manner in which specific operational and KYC, AML, CFT policies are actually interpreted and implemented at an operational level in each of our branches. If we fail to comply with such laws and regulations, we may be subject to regulatory actions, including imposition of fines and other penalties by the relevant government agencies to whom we report.

Our Bank received a show cause notice on May 10, 2021 from RBI for failure to comply with KYC norms. Our Bank had accordingly submitted due reply on May 24, 2021 detailing necessary clarifications. Further, our Bank has by a letter dated June 22, 2021, provided information in relation to our Bank's AMLock system, transaction specific alerts system and has assured the RBI that we are in the process of updating our AML Software AMLock, through which all necessary risk parameters would be added.

37. *If we are unable to manage our large network or implement our growth strategies, our operations may suffer and our performance may be adversely affected.*

Since our incorporation, our growth strategy has been anchored in Tamil Nadu. As of March 31, 2019, 2020 and 2021, our deposits and advances in the state of Tamil Nadu contributed to 71.62%, 75.93%, and 76.33% of our Total Business. As of March 31, 2021, we had 4.18 million customers, 85.07% of our overall customer base, contributing to our deposits and advances portfolios in the State of Tamil Nadu. Apart from our home state, Tamil Nadu, we will focus on diversifying our reach in our already existing network including in the states Gujarat, Maharashtra, Karnataka and Andhra Pradesh. As of March 31, 2021, our businesses, including the deposits and advances portfolios, in the state of Tamil Nadu, Maharashtra, Andhra Pradesh, Karnataka and Gujarat contributed 76.33%, 5.47%, 3.60%, 3.15% and 2.89% to our Total Business.

Any such growth in our branches or services that we pursue may not be profitable immediately or at all, or may take more time than is planned to break even, and failure to do so within a reasonable period may adversely affect our profitability. Historical growth and the speed of such growth is not indicative of any future growth or speed of such growth.

We will need to enhance, improve and monitor our financial, accounting, information technology, administrative and operational infrastructure and internal capabilities in order to manage the future growth of our business. We cannot assure you that we will succeed in doing so, as it is subject to many factors beyond our control. Factors such as competition, customer requirements, regulatory regimes, culture and business practices in these new markets may differ from those in our existing markets.

We may face risks associated with our large number of banking outlets and extensive network. Further, as we plan to expand our geographic footprint in India, our business may be exposed to additional challenges, including obtaining additional governmental or regulatory approvals, identifying and collaborating with local businesses and other third parties with whom we may have no existing relationship, successfully marketing our products and services in markets in which we have no or low familiarity, preserving our

asset quality as our geographical presence increases and our customer profile changes, attracting customers in a market in which we do not have significant experience or visibility, maintaining standardized systems and procedures across the network, adapting our marketing strategy and operations to new markets in India in which different languages are spoken, higher technology costs, developing and improving our products and delivery channels, upgrading, expanding and securing our technology platform in physical locations, operational risks including integration of internal controls and procedures, compliance with KYC, AML Foreign Account Tax Compliance Act and other regulatory norms, ensuring customer satisfaction, recruiting, training and retaining skilled personnel for the branches, failure to manage service providers in relation to any outsourced services. To address these challenges, we may have to make significant investments that may not yield desired results or incur costs that we may not be able to recover. If we are unable to implement our planned growth strategies, our business, results of operations, financial condition and cash flows will be adversely affected.

38. *Prospective Investors will not, without prior RBI approval, be able to acquire Equity Shares if such acquisition would result in an individual or group holding 5.00% or more of our share capital or voting rights; you may not be able to exercise voting rights in excess of 26.00% of the total voting rights of our Bank.*

The Banking Regulation Act, and RBI (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015, requires that a person must obtain prior approval of the RBI, before acquiring or agreeing to acquire shares or voting rights of a bank, either directly or indirectly, beneficial or otherwise, by himself or acting in concert with other persons, wherein such acquisition (taken together with shares or voting rights held by him or his relative or associate enterprise or persons acting in concert with him) results in the aggregate shareholding of such persons to be 5.00% or more of the paid-up share capital of a bank or entitles him to exercise 5.00% or more of the voting rights in a bank. An approval may be granted by the RBI if it is satisfied that the applicant meets the fit and proper criteria laid down by the RBI. The RBI may require the proposed acquirer to seek further RBI approval for subsequent acquisitions in accordance with the provisions of applicable law. Further, the RBI may restrict any person holding more than 5.00% of our total voting rights from exercising voting rights in excess of 5.00%, if such person is deemed to be not fit and proper by the RBI. We have, in the past, been subject to regulatory action on account of a failure to comply with such requirement.

For instance, the current combined shareholding of Shri Kannan Adityan Group and Shri Balasubramanian Adityan Group in our Bank is 0.1132%. Certain bonus shares are yet to be issued to these shareholders, since their shareholding is disputed. Our Bank has filed a petition before the High Court of Madras seeking a clarification in this regard. Upon the allotment of the disputed bonus shares, such groups may be categorized as a “major shareholder” of our Bank. The RBI, by way of its letter dated April 8, 2020 has advised us that since the individual and combined shareholding of the groups in our Bank is currently less than 5.00% of the paid-up share capital, it does not cross the threshold for them to be treated as “major shareholder”. For details in relation to risks involving Equity Shares which are under dispute pursuant to outstanding legal proceedings, see “– 37.61% of our paid up equity share capital or 53.59 million Equity Shares are subject to outstanding legal proceedings which are pending at various forums and, in connection with which, proceedings against our Bank have been initiated by various regulatory authorities, including the RBI, the Directorate of Enforcement, some of whom have imposed and sought to impose penalties on us in the past. We cannot assure you that these matters will be resolved in a timely manner or at all and any adverse developments in such proceedings could result in the imposition of injunctions or penalties or require us to incur significant costs to contest any of which could have a material impact on our reputation, business, financial condition and results of operation” on page 21.

Further, as per the Banking Regulation Act, no shareholder in a bank can exercise voting rights on poll in excess of 26.00% of the total voting rights of all the shareholders of our Bank. For details, see “Key Regulations and Policies” on page 137.

39. *Certain portion of our investments are in the form of debt instruments that are unsecured.*

As part of our business operations we have taken exposure in the form of debt instruments that are unsecured. As the risk profile of unsecured exposures are usually higher than secured exposures, these are subject to a higher degree of diligence and stricter credit filters as compared to other exposures. Unsecured exposures are governed by product-specific criteria on selection of counterparties, exposure ceilings and commensurate with the risk associated with these products.

As the risk profile of each of these products vary, we calculate and monitor our exposure to each such product. As of March 31, 2021, our unsecured exposures represent 0.76% of our total loans (gross advances) and investments. We will continue to take such exposures in the future in the ordinary course of our business. Failure to recover our investments, in whole or in part, may result in our business, prospects, financial condition and results of operations being adversely affected impacted.

- 40. *The RBI may remove any employee, managerial personnel or may supersede our Bank's Board of Directors in certain circumstances, which may materially affect our Bank's business, results of operations, and financial conditions.***

The Banking Regulation Act confers powers on the RBI to remove from office any chairman, chief executive officer, director or other officers or employees of a bank in certain circumstances, such as, the RBI being satisfied that such act is in public interest or required to prevent the affairs of our Bank from being conducted in a manner detrimental to the interests of the depositors. Further, the RBI, in consultation with the central government, also has the powers to supersede the board of directors of a bank and appoint an administrator to manage our Bank for a period of up to 12 months in certain circumstances. Should any of the steps indicated herein be taken by RBI for any reason in the future, our reputation, business, results of operations, financial conditions and cash flows would be materially and adversely affected.

- 41. *We depend on our brand recognition, and failure to maintain and enhance awareness of our brand would adversely affect our ability to retain and expand our base of customers.***

Reputational risk is inherent in our business. The reputation of the financial services industry in general has been closely monitored as a result of the financial crisis and other matters affecting the financial services industry globally and within India. We believe that any damage to the "TMB" brand or to our reputation could substantially impair our ability to maintain or grow our business, or could have an adverse effect on our overall business, financial condition, results of operations and cash flows. If we fail to maintain this brand recognition with our existing and target customers due to any issues with our services and product offerings, a deterioration in distribution or service quality, or otherwise, or if any premium in value attributed to our business or to the brands under which our services are provided declines, market perception and acceptance of our brands by customers may also decline. We also distribute our products and services and facilitate transactions via strategic commercial relationships with external organizations, where in each case we have limited or no control over such third party external organizations. Any negative publicity/ press affecting any of these external organizations can result from actual or alleged conduct in any number of activities and might also affect our reputation and brand value. Although we take steps to minimize reputational risks when dealing with third party organization, in such circumstances, we may not be able to compete for customers effectively, or third party organizations may not want to align themselves with us, and accordingly our business, financial condition and growth prospects may be adversely affected.

During Fiscal 2019, we altered the tagline in our logo to "BE A STEP AHEAD IN LIFE" from "BE A STEP AHEAD OF LIFE" and our application for the revised logo is currently pending with the Trade Marks Registry of India. There can be no assurance that we will be able to successfully renew the registration in a timely manner or at all. As a result, we may not be able to prevent infringement of our trademarks and a passing off action may not provide sufficient protection until such time that this registration is granted. We may also be harmed by the actions of or negative press relating to entities which have similar names. Any unauthorized or inappropriate use of our brand, trademarks and other related intellectual property rights by others in their corporate names or product brands or otherwise could harm our brand image, competitive advantages and business, and dilute or harm our reputation and brand recognition.

- 42. *Our Directors are interested in our Bank in addition to the remuneration and reimbursement of expenses.***

Our Directors are interested in our Bank, in addition to regular sitting fees or benefits and reimbursement of expenses, as applicable, and to the extent of Equity Shares held by them and their relatives, directly or indirectly in our Bank, in us as well as to the extent of any dividends or other distributions on such shareholding. We cannot assure you that our Directors will exercise their rights as shareholders to the benefit and best interest of our Bank. Our Directors may take or block actions with respect to our business which may conflict with the best interests of our Bank or that of minority shareholders. For further information on the interest of our Directors, other than reimbursement of expenses incurred or normal

remuneration or benefits, see “*Our Management*” on page 160 and “*Capital Structure*” on page 70.

43. *We have had negative cash flows in the past and may continue to have negative cash flows in the future.*

We have in the past three Fiscals had, and may in the future, have negative cash flows. The following table sets forth a summary of our cash flows for the periods indicated:

(₹ in million)

Particulars	Fiscal 2021	Fiscal 2020	Fiscal 2019
Net cash used in operating activities	(6,703.63)	5,673.51	14,978.26
Net cash used in investing activities	(371.11)	(201.79)	(336.12)
Net cash generated from financing activities	(3,240.00)	2,690.22	(5,473.61)

Negative cash flows over extended periods, or significant negative cash flows in the short term, may materially impact our ability to operate our business and implement our growth plans. As a result, our business, financial condition, results of operations, cash flows and prospects may be materially and adversely affected. For further details, see “*Financial Statements*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 204 and 265, respectively.

44. *We will not receive any proceeds from the Offer for Sale.*

The Offer consists of a Fresh Issue and an Offer for Sale. The object of the Fresh Issue is to meet the capital adequacy requirements of our Bank. We will not receive any proceeds from the Offer for Sale. See “*Objects of the Offer*” on page 79.

EXTERNAL RISK FACTORS

Risks Related to India

45. *Political, economic or other factors that are beyond our control may have an adverse effect on our business, results of operations, financial condition and cash flows.*

The Indian economy and capital markets are influenced by economic, political and market conditions in India and globally. We currently operate only in India and, as a result, are dependent on prevailing economic conditions in India. Our results of operations are significantly affected by factors influencing the Indian economy. Factors that may adversely affect the Indian economy, and hence our results of operations, may include:

- the macroeconomic climate, including, any increase in Indian interest rates or inflation;
- any scarcity of credit or other financing in India, resulting in an adverse effect on economic conditions in India and scarcity of financing for our expansions;
- prevailing income conditions among Indian consumers and Indian corporates;
- volatility in, and actual or perceived trends in trading activity on, India’s principal stock exchanges;
- changes in India’s tax, trade, fiscal or monetary policies;
- political instability, terrorism or military conflict in India or in countries in the region or globally, including in India’s various neighbouring countries;
- occurrence of natural or man-made disasters (such as tsunami, typhoons, flooding, earthquakes and fires) which may cause us to suspend some or all of our operations;
- civil unrest, acts of violence, terrorist attacks, regional conflicts or situations or war;

- epidemic, pandemic or any other public health issue in India or in countries in the region or globally, including in India's various neighbouring countries, such as the highly pathogenic H7N9, H5N1 and H1N1 strains of influenza in birds and swine and more recently, the COVID-19 pandemic;
- prevailing regional or global economic conditions,
- any downgrading of India's credit rating by a domestic or international rating agency;
- international business practices that may conflict with other customs or legal requirements to which we are subject, including anti-bribery and anti-corruption laws;
- protectionist and other adverse public policies, increased regulations or capital investment requirements;
- logistical and communications challenges;
- financial instability in financial markets;
- difficulty in developing any necessary partnerships with local businesses on commercially acceptable terms or on a timely basis;
- being subject to the jurisdiction of foreign courts, including uncertainty of judicial processes and difficulty enforcing contractual agreements or judgments in foreign legal systems or incurring additional costs to do so; and
- other significant regulatory or economic developments affecting India

Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could adversely affect our business, results of operations and financial condition and the price of the Equity Shares.

46. *Changing laws, rules and regulations and legal uncertainties, including adverse application of corporate and tax laws, may adversely affect our business, prospects and results of operations.*

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy.

For instance, the Taxation Laws (Amendment) Act, 2019, a tax legislation issued by India's Ministry of Finance effective as of September 20, 2019, prescribes certain changes to the income tax rate applicable to companies in India. According to this legislation, companies can henceforth voluntarily opt in favour of a concessional tax regime (subject to no other special benefits/exemptions being claimed), which reduces the rate of income tax payable to 22% subject to compliance with conditions prescribed, from the erstwhile 25% or 30% depending upon the total turnover or gross receipt in the relevant period. Any such future amendments may affect our other benefits such as exemption for income earned by way of dividend from investments in other domestic companies and units of mutual funds, exemption for interest received in respect of tax free bonds, and long-term capital gains on equity shares if withdrawn by the statute in the future, and the same may no longer be available to us. Any adverse order passed by the appellate authorities/ tribunals/ courts would have an effect on our profitability.

The Finance Act, 2020 ("**Finance Act**"), amongst others things, provided a number of amendments to the direct and indirect tax regime, including, without limitation, a simplified alternate direct tax regime and that dividend distribution tax ("**DDT**"), will not be payable in respect of dividends declared, distributed or paid by a domestic company after March 31, 2020, and accordingly, such dividends would not be exempt in the hands of the shareholders, both resident as well as non-resident and likely be subject to tax deduction at source. We may or may not grant the benefit of a tax treaty (where applicable) to a non-resident shareholder for the purposes of deducting tax at source from such dividend. Investors should consult their own tax advisors about the consequences of investing or trading in the Equity Shares.

Further, the Government of India has announced the union budget for Fiscal 2021, pursuant to which the Finance Bill, 2021 (“**Finance Bill**”), has introduced various amendments. The Finance Bill has received assent from the President of India on March 28, 2021, and has been enacted as the Finance Act, 2021. With the assent of the Finance Act 2021, there is a possibility that we may become subject to *inter alia* additional compliances and increased associated costs. For instance, with effect from July 1, 2021, higher tax deducted at source may become applicable in the event of a failure of certain compliances such as linking Aadhar with permanent account numbers. We have not fully determined the impact of these recent and proposed laws and regulations on our business.

Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy in the jurisdictions in which we operate, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future. Further, if we are affected, directly or indirectly, by the application or interpretation of any provision of such laws and regulations or any related proceedings, or are required to bear any costs in order to comply with such provisions or to defend such proceedings, our business and financial performance may be adversely affected.

47. *Any downgrading of India’s debt rating by an international rating agency could have a negative impact on our business and financial performance.*

India’s sovereign debt rating could be downgraded due to various factors, including changes in tax or fiscal policy or a decline in India’s foreign exchange reserves, which are outside our Bank’s control. Any adverse revisions to India’s credit ratings by international rating agencies may adversely affect our ratings, terms on which we are able to raise additional finances or refinance any existing indebtedness. This could have an adverse effect on our business growth and financial performance, ability to obtain financing and the price of the Equity Shares. A decline in India’s foreign exchange reserves may affect liquidity and interest rates in the Indian economy, which could adversely impact us.

48. *If inflation were to rise in India, we might not be able to increase the prices of our products at a proportional rate in order to pass costs on to our merchants, partners and customers and our profits might decline.*

Inflation rates could be volatile and we may face high inflation in the future as India had witnessed in the past. Increased inflation can contribute to an increase in interest rates and increased costs to our business, including increased costs of salaries, and other expenses relevant to our business. Further, high inflation leading to higher interest rates may also lead to a slowdown in the economy and adversely impact credit growth. Consequently, we may also be affected and fall short of business growth and profitability.

High fluctuations in inflation rates may make it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our operating expenses, which we may not be able to pass on to our customers, whether entirely or in part, and the same may adversely affect our business and financial condition. In particular, we might not be able to reduce our costs or pass the increase in costs on to our customers. In such case, our business, results of operations, cash flows and financial condition may be adversely affected.

While the India Government through the RBI has previously initiated economic measures to combat high inflation rates, it is unclear whether these measures will remain in effect, and there can be no assurance that Indian inflation levels will not rise in the future.

49. *We may be affected by competition law in India and any adverse application or interpretation of the Competition Act could in turn adversely affect our business.*

The Competition Act prohibits any anti competition agreement or arrangement, understanding or action in concert between enterprises, whether formal or informal, which causes or is likely to cause an appreciable adverse effect on competition in India.

The Competition Act also prohibits abuse of a dominant position by any enterprise. The combination regulation (merger control) provisions under the Competition Act require acquisitions of shares, voting rights, assets or control or mergers or amalgamations that cross the prescribed asset and turnover based

thresholds to be mandatorily notified to, and pre-approved by, the Competition Commission of India, or CCI. Any breach of the provisions of Competition Act, may attract substantial monetary penalties.

The Competition Act aims to, among other things, prohibit all agreements and transactions, which may have an appreciable adverse effect in India. Consequently, all agreements entered into by us could be within the purview of the Competition Act. Further, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside of India if such agreement, conduct or combination has an appreciable adverse effect in India.

50. *Financial instability in other countries may cause increased volatility in Indian financial markets which could harm our business, our future financial performance, and the prices of the Equity Shares.*

The Indian market and the Indian economy are influenced by economic and market conditions in other countries, particularly emerging market countries in Asia. Although economic conditions are different in each country, investors' reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. A loss of investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets, and indirectly, in the Indian economy in general. Any worldwide financial instability could also have a negative impact on the Indian economy. Financial disruptions may occur again and could harm our business, our future financial performance, and the prices of the Equity Shares.

51. *We are subject to regulatory, economic, social, and political uncertainties and other factors beyond our control. Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could materially and adversely affect our business, results of operations, financial condition, cash flows, and the price of the Equity Shares.*

We are incorporated in India and we conduct our corporate affairs and our business in India. Our Equity Shares are to be listed on the BSE and the NSE. Consequently, our business, operations, financial performance, and the market price of our Equity Shares will be affected by interest rates, government policies, taxation, social and ethnic instability, and other political and economic developments affecting India.

Factors that may adversely affect the Indian economy, and hence our results of operations may include:

- any exchange rate fluctuations, imposition of currency controls, and restrictions on the right to convert or repatriate currency or export assets;
- any scarcity of credit or other financing in India, resulting in an adverse effect on economic conditions in India, and scarcity of financing for our expansions;
- prevailing income conditions among Indian customers and Indian corporations; epidemic or any other public health issue in India or in countries in the region or globally, including in India's various neighbouring countries;
- macroeconomic factors and central bank regulations, including in relation to interest rate movements which may in turn adversely impact our access to capital and increase our borrowing costs;
- political instability, including terrorism or military conflict in India or in countries in the region or globally, including in India's various neighbouring countries; civil unrest, acts of violence, regional conflicts or situations or war may adversely affect the financial markets;
- international business practices that may conflict with other customs or legal requirements to which we are subject, including anti-bribery and anti-corruption laws;
- logistical and communication challenges;
- downgrading of India's sovereign debt rating by rating agencies;

- changes in government policies, including taxation policies, social and civil unrest and other political, social and economic developments in or affecting India;
- occurrence of natural calamities and force majeure events;
- difficulty in developing any necessary partnerships with local businesses on commercially acceptable terms and/or on a timely basis; and
- being subject to the jurisdiction of foreign courts, including uncertainty of judicial processes and difficulty in enforcing contractual agreements or judgments in foreign legal systems or incurring additional costs to do so.

52. *Financial difficulty and other problems in certain financial and other non-banking financial institutions in India could materially adversely affect our business and the price of our Equity Shares.*

We are exposed to the risks of the Indian financial system. The financial difficulties faced by certain Indian financial and non-banking financial institutions could materially adversely affect our business because the commercial soundness of many financial institutions may be closely related as a result of credit, trading, clearing or other relationships. Such “systemic risk” may materially adversely affect financial intermediaries, such as clearing agencies, banks, NBFCs, securities firms and exchanges with which we routinely interact on a daily basis. Any such difficulties or instability of the Indian financial system in general could create an adverse market perception about Indian financial institutions and banks and materially adversely affect our business. Our transactions with these financial institutions and other non-banking financial institutions expose us to various risks in the event of default by a counterparty, which can be exacerbated during periods of market illiquidity.

Risks Related to the Offer

53. *Our Equity Shares have never been publicly traded, and may experience price and volume fluctuations following the completion of the Offer. We cannot be certain that an active trading market for the Equity Shares will develop or be sustained after this Offering, and, following the Offering, the price of the Equity Shares may fluctuate significantly, which could cause you to suffer substantial losses.*

Prior to the Offer, there has been no public market for our Equity Shares, and an active trading market may not develop or be sustained after the Offer. We cannot guarantee that an active trading market will develop or be sustained after the offering. Nor can we predict the prices at which the Equity Shares may trade after the offering.

The Offer Price of our Equity Shares may not be indicative of the market price for the Equity Shares after the Offer. If you purchase the Equity Shares in our initial public offering, you may not be able to resell them at or above the Offer Price. We cannot assure you that the initial public offering price of the Equity Shares, or the market price following the Offer, will equal or exceed prices in privately negotiated transactions of our shares that may have occurred from time to time prior to our initial public offering. The market price of the Equity Shares may decline or fluctuate significantly due to a number of factors, some of which may be beyond our control, including:

- developments with respect to the spread or worsening of the COVID-19 pandemic;
- the impact of COVID-19 on our business operations and our ability to be able to provide products to or service customers, and the consequential impact on our results of operations;
- actual or anticipated fluctuations in our results of operations;
- announcements about our earnings that are not in line with analyst expectations;
- the public’s reaction to our press releases, other public announcements and filings with the regulator;
- changes in senior management or key personnel;
- macroeconomic conditions in India;

- fluctuations of exchange rates;
- the operating and stock price performance of comparable companies;
- changes in our shareholder base;
- changes in our dividend policy;
- issuances, exchanges or sales, or expected issuances, exchanges or sales;
- changes in accounting standards, policies, guidance, interpretations or principles;
- changes in the regulatory and legal environment in which we operate; and
- market conditions in the banking industry and the domestic and worldwide economies as a whole, including in relation to the COVID-19 crisis.

Any of these factors may result in large and sudden changes in the volume and trading price of the Equity Shares. Following periods of volatility in the market price of a company's securities, shareholders may institute securities class action litigation against that company. If we were involved in a class action suit, it could divert the attention of management, and, if adversely determined, have an adverse effect on our business, results of operations and financial condition.

54. *Investors can be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares or dividend paid thereon.*

Under current Indian tax laws and regulations, unless specifically exempted, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India. A securities transaction tax ("STT") is levied on and collected by an Indian stock exchange on which equity shares are sold. Any gain realized on the sale of equity shares held for more than 12 months, which are sold using any other platform other than on a recognized stock exchange and on which no STT has been paid, are subject to long-term capital gains tax in India. Until March 31, 2018, any gain realized on the sale of equity shares, listed on a stock exchange and held for more than 12 months was not subject to capital gains tax in India if STT was paid on the transaction. However, with the enactment of the Finance Act, 2018 the exemption previously granted in respect of payment of long-term capital gains tax has been withdrawn and such taxes are now payable by the investors with effect from April 1, 2018. The Finance Act, 2018 provides that existing investors are eligible for relief on such capital gains accrued until January 31, 2018 and any long-term capital gains made after January 31, 2018 shall be subject to taxation.

Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less will be subject to short-term capital gains tax in India. In cases where the seller is a non-resident, capital gains arising from the sale of the equity shares will be partially or wholly exempt from taxation in India in cases where the exemption from taxation in India is provided under a treaty between India and the country of which the seller is resident.

Historically, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on a gain upon the sale of the equity shares.

The Finance Act, 2019 amended the Indian Stamp Act, 1899 with effect from July 1, 2020 clarified that, in the absence of a specific provision under an agreement, the liability to pay stamp duty in case of sale of securities through stock exchanges will be on the buyer, while in other cases of transfer for consideration through a depository, the onus will be on the transferor. The stamp duty for transfer of securities other than debentures on a delivery basis is specified at 0.015% and on a non-delivery basis is specified at 0.003% of the consideration amount.

Further, we cannot predict whether any tax laws or other regulations impacting it will be enacted, or predict the nature and impact of any such laws or regulations or whether, if at all, any laws or regulations would have an adverse effect on our business, financial condition, results of operations and cash flows.

55. *Any future issuance of Equity Shares, or convertible securities or other equity linked securities by us may dilute your shareholding and may adversely affect the trading price of the Equity Shares.*

Any future issuance of the Equity Shares or securities linked to the Equity Shares by us, may dilute your shareholding. Any such future issuance of the Equity Shares or future sales of the Equity Shares by any of our significant shareholders may also adversely affect the trading price of the Equity Shares and impact our ability to raise funds through an offering of our securities. Any perception by investors that such issuances or sales might occur could also affect the trading price of the Equity Shares. Additionally, the disposal, pledge or encumbrance of the Equity Shares by any of our significant shareholders, or the perception that such transactions may occur, may affect the trading price of the Equity Shares. There can be no assurance that we will not issue further Equity Shares or that our existing Shareholders will not dispose of further Equity Shares after the completion of the Offer (subject to compliance with the lock-in provisions under the SEBI ICDR Regulations) or pledge or encumber their Equity Shares. Any future issuances could also dilute the value of shareholder's investment in the Equity Shares and adversely affect the trading price of our Equity Shares. Such securities may also be issued at prices below the Offer Price. We may also issue convertible debt securities to finance our future growth or fund our business activities. In addition, any perception by investors that such issuances or sales might occur may also affect the market price of our Equity Shares.

56. *Our ability to pay dividends in the future will depend on our earnings, financial condition, working capital requirements, capital expenditures and any restrictive covenants of our financing arrangements.*

Our ability to pay dividends in the future will depend on our earnings, financial condition, cash flow, working capital requirements, capital expenditure and restrictive covenants of our financing arrangements, if any. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board and will depend on factors that our Board deems relevant, including among others, our future earnings, financial condition, cash requirements, business prospects and any other financing arrangements. In addition, the declaration and payment of dividends is subject to relevant RBI regulations (including RBI circular dated May 4, 2005, as amended). RBI may also restrict the payment of dividends through circulars. For instance, with a view that banks conserve capital in an environment of heightened uncertainty caused by COVID-19, RBI through its circulars dated April 17, 2020 and December 4, 2020 prohibited banks from paying dividends for Fiscal 2020. More recently, RBI through its circular dated April 22, 2021, has allowed payment of dividend of not more than 50% of the dividend payout ratio determined under the RBI's circular dated May 4, 2005. Similar restrictions may be imposed in the future and we cannot assure you that we will be able to pay dividends in the future.

Further, RBI by way of its letter dated June 11, 2019 in relation to non-compliance of Section 12(1) of the Banking Regulation Act, had imposed certain restrictions, *inter alia*, (a) on declaration and distribution of interim or final dividend by our Bank until further orders from the RBI; and (b) on opening of new branches without prior approval of RBI. For details, see “– *We will be unable to open new branches unless we are listed and are also required to obtain prior permission from the RBI to open new branches*” on page 23.

57. *Investors will not be able to sell immediately on an Indian stock exchange any of the Equity Shares they purchase in the Offer.*

The Equity Shares will be listed on the Stock Exchanges. Pursuant to applicable Indian laws, certain actions must be completed before the Equity Shares can be listed and trading in the Equity Shares may commence. Investors' book entry, or 'demat' accounts with depository participants in India, are expected to be credited within one working day of the date on which the Basis of Allotment is approved by the Stock Exchanges. The Allotment of Equity Shares in this Offer and the credit of such Equity Shares to the applicant's demat account with depository participant and trading in the Equity Shares upon receipt of final listing and trading approvals from the Stock Exchanges is expected to take six Working Days of the Bid Closing Date. There could be a failure or delay in listing of the Equity Shares on the Stock Exchanges. Any failure or delay in obtaining the approval or otherwise commence trading in the Equity Shares would restrict investors' ability to dispose of their Equity Shares. There can be no assurance that the Equity Shares will be credited to investors' demat accounts, or that trading in the Equity Shares will commence, within the time periods specified in this risk factor. We could also be required to pay interest at the applicable rates if allotment is not made, refund orders are not dispatched or demat credits are not made to investors within the prescribed time periods.

58. *We are a professionally managed bank and do not have any identifiable promoter in terms of the SEBI ICDR Regulations and the Companies Act, 2013.*

Our Bank is a professionally managed bank and does not have any identifiable promoter in terms of the SEBI ICDR Regulations and the Companies Act 2013. Accordingly, in terms of Regulation 14(1) of the SEBI ICDR Regulations, there is no requirement of minimum promoter's contribution in the Offer and as a result, none of the Equity Shares will be locked in for a period of eighteen months pursuant to the Offer.

59. *Our funding requirements and the proposed deployment of Net Proceeds have not been appraised, and our management will have broad discretion over the use of the Net Proceeds.*

We intend to utilize the Net Proceeds to augment our Tier-I capital base to meet our future capital requirements, which are expected to arise out of growth in our assets, primarily our loans/advances and investment portfolio, and to ensure regulatory requirements on capital adequacy prescribed by the RBI from time to time. For further details, see "*Objects of the Offer*" on page 79. As stipulated in Regulation 41 of the SEBI ICDR Regulations, we are not required to appoint a monitoring agency for the use of the Net Proceeds, and we do not intend to do so. Our proposed deployment of the Net Proceeds has not been appraised and it is based on management estimates. Under the SEBI ICDR Regulations, we are not required to appoint a monitoring agency for the Offer and deployment of the Fresh Offer proceeds will be entirely at our discretion. Our management will therefore have broad discretion to use the Net Proceeds. Various risks and uncertainties, including those set forth in this section, may limit or delay our efforts to use of the Net Proceeds to achieve profitable growth in our business. Accordingly, the use of the Net Proceeds may not result in the growth of our business or increased profitability.

60. *QIBs and Non-Institutional Investors are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid.*

Pursuant to the SEBI ICDR Regulations, QIBs and Non-Institutional Investors are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid. Retail Individual Investors can revise their Bids during the Bid/Offer Period and withdraw their Bids until Bid/Offer Closing Date. While we are required to complete Allotment pursuant to the Offer within six Working Days from the Bid/Offer Closing Date, events affecting the Bidders' decision to invest in the Equity Shares, including adverse changes in international or national monetary policy, financial, political or economic conditions, our business, results of operation or financial condition may arise between the date of submission of the Bid and Allotment. We may complete the Allotment of the Equity Shares even if such events occur, and such events limit the Bidders' ability to sell the Equity Shares Allotted pursuant to the Offer or cause the trading price of the Equity Shares to decline on listing.

61. *Under Indian law, foreign investors are subject to investment restrictions that limit our ability to attract foreign investors, which may adversely affect the trading price of the Equity Shares.*

Under foreign exchange regulations which are currently in force in India, transfer of shares between non-residents and residents are freely permitted (subject to certain restrictions), if they comply with the valuation and reporting requirements specified under applicable law. If a transfer of shares is not in compliance with such requirements and does not fall under any of the exceptions, then prior approval of the relevant regulatory authority is required. Additionally, shareholders who seek to convert Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India require a no-objection or a tax clearance certificate from the Indian income tax authorities. Further, this conversion is subject to the shares having been held on a repatriation basis and, either the security having been sold in compliance with the pricing guidelines or, the relevant regulatory approval having been obtained for the sale of shares and corresponding remittance of the sale proceeds. Further, acquisition of shares in a bank are subject to applicable law and additional requirements prescribed by the RBI. For details, see "*Prospective Investors will not, without prior RBI approval, be able to acquire Equity Shares if such acquisition would result in an individual or group holding 5.00% or more of our share capital or voting rights; you may not be able to exercise voting rights in excess of 26.00% of the total voting rights of our Bank*" on page 44. We cannot assure you that any required approval from the RBI or any other governmental agency can be obtained with or without any particular terms or conditions. For further details, see "*Restrictions on Foreign Ownership of Indian Securities*" on page 344. Our ability to raise any foreign capital under the FDI route is therefore constrained by Indian law, which may adversely affect our business, financial condition, cash flows, results of operations and prospects.

As an Indian bank, we are subject to exchange controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and could constrain our ability to obtain financings on competitive terms and refinance existing indebtedness. In addition, we cannot assure you that any required regulatory approvals for borrowing in foreign currencies will be granted to us without onerous conditions, or at all. Limitations on foreign debt may have an adverse effect on our business growth, financial condition and results of operations.

⁽³⁾ Subject to valid bids being received at or above the Offer Price, under-subscription, if any, in any category, except the QIB Category, would be met with spill-over from any other category or combination of categories, as applicable, at the discretion of our Bank in consultation with the BRLMs and the Designated Stock Exchange, subject to applicable laws. In the event of under-subscription in the Offer, Equity Shares offered pursuant to the Fresh Issue shall be allocated prior to Equity Shares offered pursuant to the Offer for Sale.

⁽⁴⁾ Our Bank may, in consultation with the BRLMs, allocate up to 60% of the QIB Category to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations. The QIB Category will accordingly be reduced for the Equity Shares allocated to Anchor Investors. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price, which price shall be determined by our Bank in consultation with the BRLMs. In the event of under subscription or non-Allotment in the Anchor Investor Portion, the balance Equity Shares in the Anchor Investor Portion shall be added back to the QIB Category. 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIB

Bidders, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. However, if the aggregate demand from Mutual Funds is less than [•]. Equity Shares, the balance Equity Shares available for allotment in the Mutual Fund Portion will be added to the QIB Category and allocated proportionately to the QIB Bidders (other than Anchor Investors) in proportion to their Bids. For further details, see “Offer Procedure” beginning on page 327.

Allocation to all categories, except the Anchor Investor Portion and the Retail Portion, shall be made on a proportionate basis subject to valid Bids received at or above the Offer Price, as applicable. The allocation to each Retail Individual Bidder shall not be less than the minimum Bid Lot, subject to availability of Equity Shares in the Retail Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis. Allocation to Anchor Investors shall be on a discretionary basis in accordance with the SEBI ICDR Regulations. For further details, see “*Offer Structure*” on page 323. For details of the terms of the Offer, see “*Terms of the Offer*” beginning on page 317.

Book Building Process

Book building, in the context of the Offer, refers to the process of collection of Bids from investors on the basis of the Red Herring Prospectus and the Bid cum Application Forms within the Price Band. The Price Band will be decided by our Bank, in consultation with the BRLMs, and advertised in [•] editions of [•], a widely circulated English national daily newspaper and [•] editions of [•], a widely circulated Hindi national daily newspaper and [•] editions of [•], a widely circulated Tamil daily newspaper (Tamil being the regional language of Thoothukudi, Tamil Nadu where our Registered and Corporate Office is located), at least two Working Days prior to the Bid/Offer Opening Date and shall be made available to the Stock Exchanges for the purposes of uploading on their respective websites. Pursuant to the Book Building Process, the Offer Price shall be determined by our Bank in consultation with the BRLMs after the Bid/Offer Closing Date.

All Bidders (other than Anchor Investors) can participate in this Offer only through the ASBA process. Anchor Investors are not permitted to participate in the Offer through the ASBA process. In addition to this, the Retail Individual Bidders may participate through the ASBA process by either (a) providing the details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by the SCSBs; or (b) through the UPI Mechanism.

In terms of the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are not permitted to withdraw their Bid(s) or lower the size of their Bid(s) (in terms of quantity of Equity Shares or the Bid Amount) at any stage. Retail Individual Bidders can revise their Bid(s) during the Bid/Offer Period and withdraw their Bid(s) until the Bid/Offer Closing Date. Anchor Investors are not allowed to revise or withdraw their Bids after the Anchor Investor Bid/Offer Period. Except for Allocation to Retail Individual Bidders and the Anchor Investors, Allocation in the Offer will be on a proportionate basis. For further details on book building procedure and method and process of Bidding, see “*Offer Structure*” and “*Offer Procedure*” on pages 323 and 327, respectively.

Each Bidder by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

The Book Building Process is in accordance with guidelines, rules and regulations prescribed by SEBI and is subject to change from time to time. Investors are advised to make their own judgment about an investment through this process prior to submitting a Bid.

Investors should note the Offer is also subject to obtaining final listing and trading approvals of the Stock Exchanges, which our Bank shall apply for after Allotment.

Underwriting Agreement

After the determination of the Offer Price and allocation of Equity Shares but prior to the filing of the Prospectus with the RoC, our Bank and our Selling Shareholders will enter into an underwriting agreement with the Underwriters for the Equity Shares proposed to be offered through the Offer. The extent of underwriting

obligations and the Bids to be underwritten by each BRLM shall be as per the Underwriting Agreement. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters will be several and will be subject to certain conditions to closing, as specified therein.

The Underwriting Agreement is dated [•]. The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

This portion has been intentionally left blank and will be filled in before filing of the Prospectus with the RoC.

Name, address, telephone and e-mail of the Underwriters	Indicative Number of Equity Shares to be Underwritten	Amount Underwritten (₹ in million)
[•]	[•]	[•]
[•]	[•]	[•]
[•]	[•]	[•]

The abovementioned amounts are provided for indicative purposes only and will be finalised after the pricing and actual allocation and subject to the provisions of Regulation 40(2) of the SEBI ICDR Regulations.

In the opinion of our Board of Directors, the resources of the Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The Underwriters are registered with the SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchange(s). Our Board, at its meeting held on [•], has approved the Underwriting Agreement mentioned above on behalf of our Bank.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitments set forth in the table above.

Notwithstanding the above table, the Underwriters shall be severally responsible for ensuring payment with respect to Equity Shares allocated to investors procured by them in accordance with the Underwriting Agreement. The Underwriting Agreement has not been executed as on the date of this Draft Red Herring Prospectus and will be executed after determination of the Offer Price and allocation of Equity Shares, but prior to the filing of the Prospectus with the RoC.

The Selling Shareholders have confirmed and authorized their participation in the Offer for Sale. For details on the authorization by the Selling Shareholders in relation to the Offered Shares, see "The Offer" on page 56.

Equity Shares held in Abeyance

As on the date of this Draft Red Herring Prospectus, there are 41 members of our Bank, whose allotment of 15,132,000 Equity Shares, by way of a bonus issue approved by our Shareholders on January 29, 2016 and our Board on May 26, 2016 in the ratio of 1:500, continues to be held in abeyance due to reasons including, among others death of the members, outstanding legal proceedings, discrepancies in transfer deed and non-registration of instrument of transfers by our Bank. For details, see "Risk Factors – 37.61% of our paid up equity share capital or 53.59 million Equity Shares are subject to outstanding legal proceedings which are pending at various forums and, in connection with which, proceedings against our Bank have been initiated by various regulatory authorities, including the RBI, the Directorate of Enforcement, some of whom have imposed and sought to impose penalties on us in the past. We cannot assure you that these matters will be resolved in a timely manner or at all and any adverse developments in such proceedings could result in the imposition of injunctions or penalties or require us to incur significant costs to contest any of which could have a material impact on our reputation, business, financial condition and results of operation" on page 21 and "Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank" on page 293.

Further, 95,418 Equity Shares of our Bank were transferred to 216 members of our Bank on May 13, 2007. Out of these 95,418 Equity Shares, 46,862 Equity Shares were transferred to seven non-resident entities. The Deputy Governor of the RBI, by way of an order dated March 31, 2011, classified 18 transferees (to whom transfers had been effected on May 13, 2007) as a 'group' holding more than 5.00% of the total paid-up share capital of our Bank, in terms of the Guidelines for Acknowledgment of Transfer/Allotment of Shares in Private Sector Banks dated February 3, 2004 issued by the RBI. The Guidelines lay down the criteria for 'fit and proper' status for the acquirers of equity shares of banks (now governed by Section 12B of the Banking Regulation Act, 1949) and the Reserve Bank of India (Prior Approval for Acquisition of Shares or Voting Rights in Private Sector Banks Directions, 2015 dated November 19, 2015.) As per the aforesaid order, our Bank was to bring down the shareholding of the group of 18 members below 5.00% of the total paid-up capital of our Bank. Subsequently, our Bank effected share transfers of 27,289 Equity Shares (out of the 46,862 Equity Shares) on December 26, 2011 and June 11, 2012 to two other persons resident outside of India. The Directorate of Enforcement, through

its order dated August 14, 2020, has imposed a penalty on our Bank for effecting transfers: (i) on May 13, 2007 to seven non-resident entities in violation of the permission granted by the RBI; and (ii) on December 26, 2011 and June 11, 2012, without the prior permission of the RBI. For details, see “*Risk Factors – 37.61% of our paid up equity share capital or 53.59 million Equity Shares are subject to outstanding legal proceedings which are pending at various forums and, in connection with which, proceedings against our Bank have been initiated by various regulatory authorities, including the RBI, the Directorate of Enforcement, some of whom have imposed and sought to impose penalties on us in the past. We cannot assure you that these matters will be resolved in a timely manner or at all and any adverse developments in such proceedings could result in the imposition of injunctions or penalties or require us to incur significant costs to contest any of which could have a material impact on our reputation, business, financial condition and results of operation*” on page 21 and “*Outstanding Litigation and Material Developments – Litigation involving Equity Shares of our Bank*” on page 293.

Notes to Capital Structure

1. Share Capital History of our Bank

(a) History of Equity Share capital of our Bank

We have been unable to trace the complete set of corporate resolutions from incorporation of our Bank on May 11, 1921 until June 23, 1989, filings with the RoC in relation to the incorporation of our Bank, filings with the RoC till the year 1982, more specifically relation to changes in our issued, subscribed and paid up share capital. Further, existing records in relation to certain allotments made on May 20, 1989 are incomplete. The relevant documents are also not available at the office of the Registrar of Companies, Tamil Nadu, at Chennai, as certified by SPNP & Associates, Company Secretaries pursuant to their certificate dated August 18, 2021 (the “**RoC Search Report**”), based on the search performed by them. For further details, see “*History and Certain Other Corporate Matters*” on page 155 and “*Risk Factors – Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect*” on page 41. Consequently, disclosures in relation to changes in our issued, subscribed and paid up share capital at the time of incorporation and on December 16, 1982, December 29, 1982, May 20, 1989 and June 23, 1989 have been made in reliance on the Memorandum of Association, the relevant form-2 filings made by our Bank with the RoC and our balance sheet as at December 31, 1982.

December 16, 1982	45,819	Rights Issue ⁽³⁾	10	10	Cash
December 29, 1982	49	Preferential Allotment ⁽⁴⁾	10	10	Cash
May 20, 1989	94,580	Rights Issue ⁽⁵⁾	10	10	Cash
June 23, 1989	233	Rights Issue ⁽⁶⁾	10	10	Cash
May 26, 2016	142,227,000	Bonus issue in the ratio of 1:500, being 500 Equity Shares for every one Equity Share held as on May 25, 2016 ⁽⁷⁾	10	N.A.	N.A.

(1) 2,500 Equity Shares were allotted to M.V. Shummugavel, 1,001 Equity Shares each were allotted to A.R.A.S. Arumugasamy Nadar, K.A.M.A. Kaliappa Nadar, A.M.M. Sinnamani Nadar, P.K.S.A. Arumuga Nadar and A.R.A. Shenbaga Nadar, 1,000 Equity Shares

each were allotted to M.V.E. Ratnasamy Nadar, M.V.E. Kasisamy Nadar, W.P.A. Marimuthoo Nadar and T.V. Balagurusamy Nadar pursuant to subscription to the Memorandum of Association.

- (2) Our Bank has been unable to trace any corporate records in relation to these allotments. For further details, see “Risk Factors – Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect” on page 41.
- (3) Rights issue of 45,819 Equity Shares to existing shareholders of our Bank. See **Annexure A** (Table 6) for the complete list of allottees and the number of Equity Shares allotted. Our Bank has been unable to trace any corporate resolutions in relation to this allotment. For further details, see “Risk Factors – Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect” on page 41.
- (4) 19 Equity Shares each were allotted to R. Sivan and R. Ramakrishnan and 11 Equity Shares each were allotted to G. Vettivel. Our Bank has been unable to trace any corporate resolutions in relation to this allotment. For further details, see “Risk Factors – Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect” on page 41.
- (5) Rights issue of 94,580 Equity Shares to existing shareholders of our Bank. Our Bank has been unable to trace any further corporate records in relation to this allotment. For further details, see “Risk Factors – Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect” on page 41.
- (6) 100 Equity Shares were allotted to N. Murugesan and N. Nagarajan and 133 Equity Shares were allotted to Baby Dayal Gnanamuthu & others. Our Bank has been unable to trace any corporate resolutions in relation to this allotment. For further details, see “Risk Factors – Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect” on page 41.
- (7) Bonus issue of 142,227,000 Equity Shares pursuant to capitalisation of ₹ 1,422,270,000 out of the reserves and surplus of our Bank. The original return of allotment dated May 31, 2016 for the bonus issue filed with the RoC failed to separately classify Equity Shares issued to Gokul Patnaik and Vector Program Private Limited, which ought to have been held in abeyance in terms of Section 126(b) of the Companies Act, 2013 as disputed shares. Our Bank has subsequently filed a revised return of allotment dated September 19, 2016 with the RoC classifying the abovementioned Equity shares as disputed shares. For further details, see “Risk Factors – 37.61% of our paid up equity share capital or 53.59 million Equity Shares are subject to outstanding legal proceedings which are pending at various forums and, in connection with which, proceedings against our Bank have been initiated by various regulatory authorities, including the RBI, the Directorate of Enforcement, some of whom have imposed and sought to impose penalties on us in the past. We cannot assure you that these matters will be resolved in a timely manner or at all and any adverse developments in such proceedings could result in the imposition of injunctions or penalties or require us to incur significant costs to contest any of which could have a material impact on our reputation, business, financial condition and results of operation” on page 21.

(b) History of preference share capital of our Bank

Our Bank has not issued any preference shares since its incorporation.

(c) Equity Shares issued for consideration other than cash or by way of bonus issue

(d) Equity Shares issued out of revaluation reserves

Our Bank has not issued any Equity Shares out of revaluation reserves since its incorporation.

(e) Allotment of Equity Shares pursuant to scheme of arrangement

Our Bank has not allotted any Equity Shares pursuant to a scheme of arrangement approved under Section 391 to 394 of the Companies Act, 1956 or Sections 230 to 234 of the Companies Act, 2013.

(f) ***Issue of Equity Shares under employee stock option schemes***

Our Bank does not have any employee stock option scheme/employee stock purchase scheme as on date of this Draft Red Herring Prospectus.

(g) ***Issue of Equity Shares at a price lower than the Offer Price in the last one year***

Our Bank has not issued any Equity Shares in the last one year immediately preceding the date of this Draft Red Herring Prospectus at a price, which may be lower than the Offer Price.

2. **History of build-up of our Promoter's shareholding and lock-in of Promoter's shareholding in our Bank**

Our Bank is a professionally managed bank and does not have an identifiable promoter in terms of the SEBI ICDR Regulations and the Companies Act, 2013. Accordingly, in terms of the proviso to Regulation 14(1) of the SEBI ICDR Regulations, there is no requirement of minimum promoter's contribution in this Offer and accordingly, none of the Equity Shares shall be locked-in as part of promoter's contribution pursuant to the Offer.

(a) ***Details of Equity Shares locked-in for six months***

In terms of Regulation 17 of the SEBI ICDR Regulations, the entire pre-Offer equity share capital will be locked-in for a period of six months from the date of Allotment, other than Equity Shares that are successfully transferred as part of the Offer for Sale. Any unsubscribed portion of the Offer for Sale by the Selling Shareholder(s), will be locked-in for a period of six months from the date of Allotment. Further, Equity Shares held by Category-I and Category-II AIFs or VCFs, subject to the conditions specified in Regulation 17 of the SEBI ICDR Regulations, shall be exempt from the above lock-in.

Lock-in of Equity Shares Allotted to Anchor Investors

Any Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked in for a period of 30 days from the date of Allotment.

(b) ***Other Requirements in respect of Lock-in***

In terms of Regulation 22 of the SEBI ICDR Regulations, Equity Shares held by our Shareholders prior to the Offer and locked-in for a period of six months may be transferred to any other person holding Equity Shares which are locked-in along with the Equity Shares proposed to be transferred, subject to the continuation of the applicable lock-in and the transferee being ineligible to transfer such Equity Shares until expiry of the lock-in period, and compliance with the provisions of the SEBI Takeover Regulations.

9. There have been no financing arrangements whereby our Directors or any of their relatives have financed the purchase by any other person of securities of our Bank (other than in the normal course of the business of the relevant financing entity) during the six months immediately preceding the date of filing of this Draft Red Herring Prospectus.

10. Our Bank, our Directors and the BRLMs have not entered into any buy-back or other arrangements for the purchase of Equity Shares.

11. No person connected with the Offer, including, but not limited to, BRLMs, the Syndicate Members, our Bank, or our Directors, shall offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any Bidder for making a Bid, except for fees or commission for services rendered in relation to the Offer.
12. The Equity Shares are fully paid-up and there are no partly paid-up Equity Shares. The Equity Shares to be issued or transferred pursuant to the Offer shall be fully paid-up at the time of Allotment.
13. Our Bank has no outstanding warrants, options to be issued or rights to convert debentures, loans or other convertible instruments into Equity Shares. There are no outstanding convertible securities or any other right which would entitle any person with any option to receive Equity Shares of our Bank.
14. Except for the allotment of Equity Shares pursuant to the Fresh Issue, there will be no further issuance of Equity Shares whether by way of an issue of bonus shares, preferential allotment, rights issue or in any other manner during the period commencing from the date of filing of the Draft Red Herring Prospectus with SEBI until the Equity Shares have been listed on the Stock Exchanges or all application monies have been refunded, as the case may be.
15. Except for the allotment of Equity Shares pursuant to the Fresh Issue, our Bank presently does not intend or propose to alter the capital structure for a period of six months from the Bid/Offer Opening Date, by way of split or consolidation of the denomination of Equity Shares, or further issue of Equity Shares (including issue of securities convertible into or exchangeable for, directly or indirectly into Equity Shares), whether on a preferential basis or by issue of bonus or rights or further public issue of Equity Shares.
16. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law. Our Bank will comply with such disclosure and accounting norms as may be specified by SEBI from time to time.
17. The BRLMs and any person related to the BRLMs or Syndicate Members cannot apply in the Offer under the Anchor Investor Portion, except for Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associates of the BRLMs or a FPI (other than individuals, corporate bodies and family offices) sponsored by entities which are associates of the BRLMs.

OBJECTS OF THE OFFER

The Offer is comprised of the Fresh Issue and the Offer for Sale.

Offer for Sale

The Selling Shareholders shall be entitled to the proceeds from the sale of their respective Offered Shares in the Offer for Sale, net of their share of the Offer related expenses. Our Bank will not receive any proceeds from the Offer for Sale.

Objects of the Offer

Our Bank proposes to utilize the Net Proceeds from the Fresh Issue towards augmenting its Tier-I capital base to meet its future capital requirements. Further, the Gross Proceeds from the Fresh Issue will also be used towards meeting the expenses in relation to the Offer.

Additionally, our Bank expects to receive the benefits of listing the Equity Shares on the Stock Exchanges.

Fresh Issue

The details of the Net Proceeds from the Fresh Issue are summarized in the following table:

Particulars	Estimated amount (₹ in million)
Gross proceeds of the Fresh Issue	[•]
(Less) Fresh Issue expenses ⁽¹⁾	[•]
Net Proceeds	[•]

⁽¹⁾ To be finalised upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC.

Requirement of Funds and Utilization of Net Proceeds

The Net Proceeds are proposed to be utilised towards augmentation of our Bank's Tier-I capital base to meet our Bank's future capital requirements which are expected to arise out of growth in our Bank's assets, primarily our Bank's loans/advances and investment portfolio and to ensure compliance with regulatory requirements on capital adequacy prescribed by the RBI from time to time.

As of March 31, 2021, we were required to maintain a minimum CRAR of 10.875, based on the total capital to risk-weighted assets. Further, as of March 31, 2021, our Tier-I capital adequacy ratio is 17.93% and our Tier-I capital is ₹ 44,864.27 million. The amount to be funded from Net Proceeds and proposed to be deployed in Fiscal 2023 towards augmentation of our Bank's Tier-I capital base is ₹ [•] million.

Post receipt of such Net Proceeds, our Tier-I capital adequacy ratio will be [•]% and our Tier-I capital will be ₹ [•] million, which we intend to deploy towards augmentation of our Bank's Tier-I capital base to meet our Bank's future capital requirements. Considering our Tier-I position, our Bank has no plans to augment the Tier-II capital in the near future. In the event that our Bank decides to augment its Tier-II capital in the future, it shall be in compliance with the applicable RBI directions and guidelines.

Offer Expenses

The total expenses of the Offer are estimated to be approximately ₹ [•] million.

The Offer related expenses primarily include fees payable to the BRLMs and legal counsels, fees payable to advisors including the Joint Statutory Central Auditors, fees and expenses of the SEBI, the Stock Exchanges, the RoC and any other governmental authority, brokerage and selling commission, underwriting commission, commission payable to Registered Brokers, RTAs, CDPs, SCSBs' fees, Sponsor Bank's fees, Registrar's fees, printing and stationery expenses, advertising and marketing expenses and all other incidental and miscellaneous expenses for listing the Equity Shares on the Stock Exchanges.

Our Bank shall bear all costs, charges, fees and expenses that are associated with and incurred in connection with the Offer, provided that such costs specifically relating to the Offered Shares by the Selling Shareholders (other than costs which directly accrue to our Bank) in the Offer shall be borne by the Selling Shareholders. Our Bank shall advance the cost and expenses of the Offer and will be reimbursed by the Selling Shareholders (*from their respective portion of Offer proceeds*) for their respective proportion of such costs and expenses, except for

such costs and expenses in relation to the Offer directly attributable to the Selling Shareholders which are paid for directly by the Selling Shareholders.

The estimated Offer related expenses are as under:

All such commissions and processing fees set out above shall be paid as per the timelines in terms of the Syndicate Agreement and Escrow and Sponsor Bank Agreement.

Means of finance

The fund requirements set out for the aforesaid objects of the Offer are proposed to be met entirely from the Net Proceeds. Accordingly, our Bank confirms that there is no requirement to make firm arrangements of finance through verifiable means towards at least 75% of the stated means of finance, excluding the amount to be raised from the Fresh Issue and existing identifiable accruals as required under the SEBI ICDR Regulations.

Interim use of Net Proceeds

The Net Proceeds shall be retained in the Public Offer Account until receipt of the listing and trading approvals from the Stock Exchanges by our Bank. Post receipt of the listing and trading approvals from the Stock Exchanges, the Net Proceeds will be applied by our Bank towards meeting its capital requirements in accordance with the objects stated herein.

Pending utilization for the purposes described above, we undertake to temporarily invest the funds from the Net Proceeds only with scheduled commercial banks included in the second schedule of the RBI Act.

In accordance with Section 27 of the Companies Act, 2013, our Bank confirms that it shall not use the Net Proceeds for buying, trading or otherwise dealing in the equity shares of any other listed company or for any investment in equity markets.

Bridge Financing Facilities

Our Bank has not raised any bridge loans from any bank or financial institution, as on the date of this Draft Red Herring Prospectus, which are proposed to be repaid from the Net Proceeds.

Appraising Entity

None of the objects of the Offer for which the Net Proceeds will be utilised have been appraised by any bank/ financial institution.

Monitoring of Utilization of Funds

In terms of the proviso to Regulation 41(1) of the SEBI ICDR Regulations, our Bank is not required to appoint a monitoring agency for this Offer. To the extent applicable, our Bank will disclose the utilization of the Net Proceeds under a separate head in our balance sheet along with the relevant details, for all such amounts that have not been utilised.

Our Bank will indicate investments, if any, of unutilised Net Proceeds in the balance sheet of our Bank for the relevant Fiscals subsequent to receipt of listing and trading approvals from the Stock Exchanges.

Pursuant to Regulations 18(3) and 32(3) of the Listing Regulations, the uses and applications of the Net Proceeds shall be placed before the Audit Committee at the end of the relevant quarter(s). The Audit Committee shall make recommendations to the Board for further action, if appropriate.

In the event the funds are utilized for purposes other than those stated in the Red Herring Prospectus and Prospectus, our Bank shall, on an annual basis, prepare a statement of funds and place it before the Audit Committee and make other disclosures as may be required until such time as the Net Proceeds remain unutilized. The statement shall be certified by the Joint Statutory Central Auditors of our Bank.

Further, in accordance with Regulation 32(1) of the Listing Regulations, our Bank shall furnish to the Stock Exchanges on a quarterly basis, a statement indicating (i) deviations, if any, in the actual utilization of the Net Proceeds of the Fresh Issue from the objects of the Fresh Issue as stated above; and (ii) details of category wise variations in the actual utilization of the proceeds of the Fresh Issue from the objects of the Fresh Issue as stated above.

Variation in Objects

In accordance with Sections 13(8) and 27 of the Companies Act, 2013 and applicable rules, our Bank shall not vary the objects of the Offer without our Bank being authorised to do so by our Shareholders by way of a special resolution through postal ballot. In addition, the notice issued to our Shareholders in relation to the passing of such special resolution (“**Postal Ballot Notice**”) shall specify the prescribed details as required under the Companies Act, 2013 and applicable rules.

The Postal Ballot Notice shall simultaneously be published in the newspapers, one in English and one in Tamil, being the vernacular language of Thoothukudi, Tamil Nadu where the Registered and Corporate Office is situated in accordance with the Companies Act, 2013 and applicable rules. Since our Bank does not have any identifiable promoters, no exit opportunity is required to be provided to such Shareholders who do not agree to the proposal to vary the objects in accordance with Regulation 59 of the SEBI ICDR Regulations.

Other Confirmations

No part of the Net Proceeds will be paid by us as consideration to our Directors and Key Managerial Personnel.

Our Bank has not entered into and is not planning to enter into any arrangement/ agreements with the Selling Shareholders, Directors and Key Managerial Personnel in relation to the utilisation of the Net Proceeds. Further, there is no existing or anticipated interest of such individuals in the objects of the Fresh Issue as set out above.

BASIS FOR THE OFFER PRICE

The Price Band and Offer Price will be determined by our Bank, in consultation with the BRLMs, on the basis of assessment of market demand for the Equity Shares offered through the Book Building Process and on the basis of quantitative and qualitative factors as described below. The face value of the Equity Shares is ₹ 10 each and the Offer Price is [\bullet] times the Floor Price and [\bullet] the Cap Price.

Investors should refer to “*Risk Factors*”, “*Our Business*”, “*Financial Statements*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 20, 112, 204 and 265, respectively, to have an informed view before making an investment decision.

Qualitative Factors

Some of the qualitative factors which form the basis for the Offer Price are:

- Strong legacy, loyal customer base and focus on improving servicing framework;
- Strong presence in Tamil Nadu with focus to increase presence in other strategic regions;
- Advances with focus on MSME, agricultural and retail segments;
- Consistently growing deposit base with focus on low-cost retail CASA;
- Professionally managed Bank with experienced senior management team and board of directors;
- Strong asset quality, underwriting practices and risk management policies and procedures; and
- Consistent financial performance.

For further details, see “*Risk Factors*” and “*Our Business*” on pages 20 and 112, respectively.

Quantitative Factors

Statement of Special Tax Benefits

SPECIAL TAX BENEFITS TO THE BANK

A. UNDER THE INCOME TAX LAWS

1. Under Section 36(1)(viiia) of the Income Tax Act, 1961 (“the Act”) a deduction is allowable in respect of any provision made for bad and doubtful debts, by an amount not exceeding 8.5% of total income (computed before making any deduction under this Clause and Chapter VIA) and an amount not exceeding 10% of the aggregate average advances made by rural branches of the Bank computed in the prescribed manner.
2. In terms of Section 36(1)(viii) of the Act, the bank is allowed deduction in respect of any special reserve created and maintained by the Bank for an amount not exceeding 20% of the profits (before making any deduction under this clause) derived from the business of long term finance for industrial or agricultural development or development of infrastructure facility in India or development of housing in India. Further, if the aggregate amount carried to the Special Reserve account from time to time exceeds twice the paid-up capital and general reserves, no deduction shall be allowed on the excess amount under the Section. The amount withdrawn from such a Special Reserve Account would be chargeable to income tax in the year of withdrawal, in accordance with the provisions for Section 41(4A) of the Act.
3. Interest income on certain categories of bad and doubtful debts, as specified in Rule 6EA of the Income tax Rules, 1962, is chargeable to tax only in the year of receipt or credit to the Profit & Loss Account of the Bank whichever is earlier, in accordance with the provisions of Section 43D of the Act.

B. UNDER THE INDIRECT TAX LAWS

No special tax benefits available to the Bank

C. SPECIAL TAX BENEFITS TO SHAREHOLDERS OF THE BANK

There are no special direct and indirect tax benefits available to the shareholders of the Bank.

Notes:

1. The above Statement sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the purchase, ownership and disposal of shares.
2. The above Statement covers only relevant direct and indirect special tax benefits and does not cover other benefits available under direct and indirect tax laws and any other law.
3. The above Statement of possible special tax benefits is as per the current direct and indirect tax laws relevant for the financial year 2021-22. Several of these benefits are dependent on the Bank fulfilling the conditions prescribed under the relevant tax laws.
4. This Statement is intended only to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of tax consequences, each investor is advised to consult his / her own tax advisor with respect to specific tax consequences of his/her investment in the shares of the Bank.
5. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes.

Overview of the Indian economy

Review and outlook of gross domestic product (GDP)

According to the provisional estimates released by the National Statistical Office, India's GDP contracted 7.3% (in real terms) in the previous Fiscal, after having grown 4.0% in Fiscal 2020. At ₹ 135.1 trillion in Fiscal 2021, Indian GDP in absolute terms went below even the Fiscal 2019 level of ₹ 140.0 trillion.

While there was growth in agriculture (3.6%) and utilities (1.9%), trade, hotels, transport, communication, and services related to the broadcasting sector declined the most (-18.2%), followed by construction (-8.6%), mining (-8.5%) and manufacturing (-7.2%). Government final consumption expenditure (GFCE) grew 2.9% in Fiscal 2021, limiting the overall decline in GDP growth. Fresh investments or gross fixed capital formation (GFCF), on the other hand, declined by a massive 10.8%, followed by a 9.1% decline in private final consumption expenditure.

Sequentially, economic growth further improved in the fourth quarter (1.6% on-year real GDP growth), after returning to positive trajectory in the third (0.5%), helped largely by the 28.3% on-year rise in GFCE. On the supply side, however, the slowdown persisted in some sectors in the fourth quarter as well. While overall gross value added (GVA) grew 3.7%, mining GVA declined 5.7% and trade, hotels, transport, communication and services related to broadcasting fell by 2.3%.

The second Covid-19 wave has thrown cold water over the Indian economy that was beginning to warm up after the most severe contraction since Independence. The rash of afflictions that followed forced lockdown in states, hurting consumer and business confidence yet again. Mercifully, the second wave has abated now. However, the risks of another wave and tardy vaccinations mean states would be chary of fully unlocking.

Consequently, CRISIL estimates GDP growth for India at 9.5% for the current Fiscal. We base this on the evident hit to the two engines of growth – private consumption and investment – by the second wave. The forecast assumes restrictions will continue and mobility will remain affected in some form or other, at least till August.

The pace of recovery will also be a function of the pace of vaccination in the coming months. Countries with over 40% of their population vaccinated are seeing a faster and more broad-based economic recovery. The government plans to vaccinate India's entire adult population (68% of total population) by this December.

Risks

- **A third wave this Fiscal:** This could bring further disruption to mobility and economic recovery
- **Slower pace of vaccination:** Insufficient pick-up in the pace of vaccinations may heighten risks of a third wave
- **Elevated inflation:** Significant cost-push pressures owing to surging international commodity prices and supply disruptions have raised cost of production for manufacturing firms. Pass-through to consumer prices could pose as a headwind to recovery in demand
- **Premature tightening of global monetary policies:** Resurgence of inflation globally could lead major central banks to unwind their extraordinary easy monetary policies sooner than expected. This could hit sentiment, possibly leading to capital outflows from the Indian economy and some tightening in domestic financial conditions

Macroeconomic outlook

Macro variable	FY20	FY21E	FY22P	Rationale for outlook
Real GDP (% , y-o-y)	4.0	-7.3	9.5	The second wave and the resultant localised lockdowns have impeded the path to economic recovery. That said, the expected pick-up in economic activity post vaccination and support from global growth would act as positives
Consumer price index-linked (CPI) inflation (% , y-o-y)	4.8	6.2	5.3	Upside risks on inflation are growing from surging international commodity prices. While producers are bearing the greater burden of rising input costs for now, these could be passed to retail prices once demand recovers. Food inflation could also face pressure from disruptions to the rural economy due to the pandemic's spread, and rising global prices
10-year government security (G-sec) yield (% , March-end)	6.2	6.2	6.5	The Reserve Bank India's (RBI) unconventional policy measures have been instrumental in keeping government security (G-sec) yields at decadal lows at a time when the bond market is facing an unprecedented rise in government borrowing. Supply pressures could have a bearing on yields once the RBI starts normalising liquidity. Adverse global developments such as premature withdrawal of monetary easing by the United States (US) Federal Reserve could further add pressure
Current account balance/ GDP (%)	-0.9	1.3	-1.2	The trajectory of Covid-19 infections, pace of the vaccination drive and duration of state lockdowns will have an important bearing on domestic demand and, consequently, import growth. Increased prices of commodities, especially crude oil – India's largest import item – will drive imports. External demand will support exports, backed by strong economic recovery among India's major trading partners in the US, Europe and Asia
₹/\$. (March average)	74.4	72.8	75	With the second wave adversely impacting India's economic recovery amid inflationary pressures, the rupee may weaken against the dollar. The current account balance turning into deficit (from a surplus in the previous Fiscal), will exert further downside pressure on the rupee. Some support may be seen due to the RBI's interventions to mitigate volatility. Record high forex reserves, and foreign investor inflows owing to interest rate differential between India and global economies, will also prop up the rupee

India's GDP rebound sharper than other countries in Fiscal 2022

India was one of the fastest-growing economies in the world pre-Covid-19. Over the past few years prior to the onset of the pandemic, India's macroeconomic situation had gradually improved. The twin deficits (current account and fiscal) were narrowing and the growth-inflation mix improving, and durably so. The government adopted an inflation-targeting framework to provide an institutional mechanism for inflation control, while modernising central banking. While economic growth in 2020 has been dented due to Covid-19, we expect the economy to rebound and India to regain its tag of one of the fastest-growing economies globally in the medium term.

Banking

The RBI, which is the country's central and banking authority, regulates and supervises the banking sector. Over the years, the banking sector has undergone a number of reforms aimed at promoting a diversified, efficient, and competitive financial market, besides giving operational freedom to banks:

- 1) Merging of public sector banks
- 2) Introduction of the Prompt Corrective Action (PCA) framework
- 3) Refining supervisory practices
- 4) Tightening of risk weights/provisioning norms (for sectors witnessing high credit growth)
- 5) Introducing best international practices and norms such as Basel III
- 6) Guidelines to deal with overall asset-liability mismatches
- 7) Greater market discipline brought about by higher than stipulated capitalisation level
- 8) Interest rate deregulation and scaling down of statutory pre-emptions
- 9) Timely support measures to the financial sector

These measures have cumulatively strengthened the banking system, engendered confidence in depositors, and aided overall financial stability.

Under-penetration of the Indian banking sector provides opportunities

The Indian banking sector is significantly under-penetrated which provides immense opportunities for banks and other financial institutions. The current bank credit-to-GDP ratio stands at 58% as of Q4 2020.

Financial inclusion has been one of the key priorities of the government as well as banks over the past decade. Pradhan Mantri Jan Dhan Yojana (PMJDY), launched in August 2014, is aimed at ensuring affordable access to financial services – banking/savings and deposit accounts, remittances, credit, insurance, and pension. PMJDY focuses on household coverage as compared with the earlier schemes that focused on coverage of villages. It aims to extend banking facilities to all within a reasonable distance in each sub-service area (consisting of 1,000-1,500 households) across India. As on March 31, 2021, 422 million PMJDY accounts had been opened; of these 65% were in rural and semi-urban areas.

Deposit growth to be lower this Fiscal as economy picks up owing to higher consumption

The banking sector enjoyed healthy deposit growth of ~10% compound annual growth rate (CAGR) between Fiscals 2015 and 2020. With the outbreak of the pandemic in Fiscal 2021, conserving money became a priority and households reduced their private consumption. The same is reflected in the 23% deposit growth in Fiscal 2021 (% y-o-y), despite low deposit interest rates. On average, deposit rates declined ~100 basis points (bps) since April 2020. Households have become wary of investing in shares and debentures because of uncertainty in equities. Deposit growth is expected to slow to 6-8% in Fiscal 2022 due to households moving away from bank deposits and increasing consumption. Also, expenses due to the second wave are likely to result in deposit growth slowdown in Fiscal 2022.

Credit growth to revive sharply in Fiscal 2022 despite Covid-19 second wave

Bank credit outstanding (including international credit) grew at 7% CAGR from Fiscals 2015-20. After healthy 10.8% growth in Fiscal 2019, credit growth slowed to 5.9% in Fiscal 2020 due to a slowdown in economic growth. With Covid-19, this deteriorated further in Fiscal 2021; bank credit grew only 5.4% to reach ₹ 107,749 billion.

Bank credit outstanding (including international credit – ₹ billion) and % y-o-y change

Source: RBI, CRISIL Research

Much of this growth was realised in second half of Fiscal 2021, as the pandemic forced both borrowers and lenders to tread cautiously in the first half. A faster-than-expected uptick in economic activity since relaxation of lockdowns, and pent-up and festive season demand, helped after September 2020. In addition, the government and central bank has taken several initiatives to provide relief to borrowers during such challenging times. Major

initiatives include ₹ 3 trillion Emergency Credit Line Guarantee Scheme (ECLGS), provision of moratorium and allowing restructuring to corporates, micro, small and medium enterprises (MSMEs) as well as individual borrowers.

Earlier, credit growth in Fiscal 2022 was expected to be much higher due to faster economic revival. However, the second wave led to realignment in growth expectations for Fiscal 2022. Overall, bank credit outstanding is expected to grow 8-10% in Fiscal 2022. Much of this growth would be mainly driven by retail and agri loans.

Private bank credit growth continues to outpace public bank growth in the medium term

Traditionally, public banks have accounted for the major proportion of the banking credit outstanding. However, low profitability, weak capital position, low operational efficiency, and increase in stressed loans in the past few years led to slowdown in their loan growth. As a result, public banks gradually lost market share to private banks, which were relatively well capitalised and had higher degree of operational efficiency. Public banks which accounted for 71% share in credit outstanding in Fiscal 2015, account for only 59% share in Fiscal 2021. While credit growth picked up significantly in Fiscal 2019 for public banks, private banks also witnessed minor improvement in growth. Partial economic slowdown resulted in lower credit growth in Fiscal 2020 for both public and private banks. In Fiscal 2021, public banks growth slowed to 3%, while private banks were able to grow 9% due to better capital buffers. Therefore, the latter were able to gain further market share. As merged banks focus on integration and banks placed under corrective action come out of the PCA framework, credit growth of public banks is expected to lag that of private banks in the medium term. Public banks are expected to grow by 6-8% in Fiscal 2022, whereas private banks are expected to grow 9-11%.

Bank group-wise share in credit outstanding

Source: RBI, Company Reports, CRISIL Research

Merging banks: In Fiscal 2019, public banks picked up growth because of improving asset quality and capital infusion by government, which in turn improved the capital position of number of banks and also helped most PCA banks come out of the framework. Also, there was increase in operational efficiency due to economies of scale after the SBI group merger (April 2017).

After the merger of Bank of Baroda-Dena Bank-Vijaya Bank (April 2019), the Ministry of Finance announced the next round of public bank mergers by consolidating 10 banks into four banks (merging banks) w.e.f April 1, 2020. These are Punjab National Bank with Oriental Bank of Commerce and United Bank, Union Bank of India with Corporation Bank and Andhra Bank, Canara Bank with Syndicate Bank, and Indian Bank with Allahabad Bank. This exercise of consolidating public banks is likely to offer improved operating efficiency with economies of scale and speedier resolution of assets in the long run. Unlike the SBI group merger, where the banks were from the same group, these merging banks form a part of a heterogeneous group and may take 12-18 months to return to business as usual, thus delaying immediate credit growth. As Covid-19 further delayed credit growth, merging banks are expected to grow at a higher rate from second half of Fiscal 2022.

Gross non-performing asset (GNPA) of banks to increase by 50-100 bps in fiscal 2022

The pandemic resulted in one of the worst economic declines in decades. Airlines, hospitality, travel, gems and jewellery, auto dealers, and real estate were hit hardest, given the discretionary nature of these sectors. Both collections and disbursements were impacted significantly in the first half of Fiscal 2021.

GNPA of all banks (%)

Source: RBI, Company Reports, CRISIL Research

The RBI announced a host of measures to enhance liquidity, ease financial market conditions, address cash flow concerns, and improve market sentiment following a near-halt in economic activity. Measures such as moratorium provided relief to the borrowers till August 2020 and restructuring helped the customers who were financially impacted due to pandemic in rest of the Fiscal 2021. These relief measures helped shield the asset quality deterioration.

About 0.9% of the total credit outstanding was restructured as of March 2021, which is significantly lower than previous estimates. In case of public banks, majority of the restructuring has come from the corporate sector. In case of large and mid-size private sector banks, the proportion of retail assets in total restructuring (invoked + implemented) is relatively higher.

CRISIL Research expects the entire stress (other than new developments on the restructured portfolio) would be recognised till Fiscal 2022-end; Fiscal 2023 would witness typical slippages and recoveries. We also expect the restructuring would be undertaken for two years and the behaviour of the restructured portfolio would be clear post Fiscal 2023.

GNPA of both public and private banks to increase in fiscal 2022

Public bank GNPA started declining since 2019 due to resolution of stressed assets. In Fiscal 2021, the GNPA of these banks reduced by almost 100 bps to 9.5% due to support from asset classification standstill, moratorium and restructuring. Analyzing a sample of public banks, corporate stressed accounts are likely to form approximately 2/3rd of the restructuring. In Fiscal 2022, public banks are expected to witness GNPA increase of ~100 bps due to stress on account of the second wave in Q1 of this Fiscal. Segments such as MSME, micro-finance institutions (MFIs) and personal loans are expected to see higher stress. As public banks act as primary industry financiers, impact of resolutions from NCLT-referred (National Company Law Tribunal) cases in Fiscal 2022, along with the resolution framework 2.0 announced by the RBI would limit the further increase in GNPA levels.

GNPA of Public and Private banks (%)

Source: RBI, Company Reports, CRISIL Research

Private banks are well capitalised and can utilise their capital for increasing provisions and absorbing losses amid difficult times. However, private banks are expected to marginally face the brunt of increasing stress on MSMEs and retail unsecured portfolio. Private banks also witnessed GNPA decline of ~125 bps in Fiscal 2021. In Fiscal 2022, the GNPA of these banks is expected to increase ~100 bps mainly in their retail portfolio.

Product-wise

Agri-loans to increase at healthy pace in Fiscal 2022

Loans outstanding to agriculture and allied activities (collectively agri-loans) in India grew at 9% CARG over Fiscals 2015 to 2020, supported by good monsoons and increase in banking penetration. In Fiscal 2018, though, farm loan waiver by many states led to a deceleration in growth to 4% on-year. But, in Fiscal 2019, the pace picked up again to 8% over a low base amid banks' priority sector lending targets and a normal monsoon. A normal monsoon in Fiscal 2021 offset the impact of the Covid-19 pandemic as well. However, the pandemic affected allied activities, such as horticulture and cash crops, because of lower exports. Nevertheless, as of March 2021, agri-loans rose a sharper by 12% on-year, with loans outstanding of banks at ₹ 12,999 billion.

In Fiscal 2022, agri-loans are expected to increase 10-11% on-year provided the monsoon is normal and on expectations of higher food grain and horticulture production, and support from the agri-fund. In addition, the finance minister in Union Budget 2021-22 presented a plan to revive the farm and agriculture sectors, encouraging states to take up model agricultural laws, and also announced comprehensive measures for 100 water-stressed districts.

Credit outstanding and % on-year change

GNPA % of agri-financing

P: Projected

Source: RBI, CRISIL Research

Concerns about asset quality, though, remains a key monitorable amid credit growth. After Fiscal 2017, GNPA of agri-loans rose sharply to 10.1% in Fiscal 2020. Covid-19 had limited impact on the sector, with GNPA range-bound at 9.8% in Fiscal 2021. In Fiscal 2022 as well, we expect the GNPA to remain range-bound as the second wave of Covid-19 infections has had limited impact on agri and allied activities, and the economy is expected to recover sharply in the Fiscal.

Industry segment significantly affected in Fiscal 2021 because of Covid-19

Credit to industry grew at a low 2% CAGR between Fiscals 2015 and 2020 owing to asset quality concerns. However, it rose sharply in Fiscal 2019, led by lending to the infrastructure segment.

In Fiscal 2021, though, credit growth weakened as most underlying sectors, such as metals and metal products, chemicals, engineering, and construction, were significantly affected amid challenges heaped by the pandemic, with credit outstanding in several sectors declining 6-8% on-year. Limited fiscal headroom for public spending as a result of strained fiscal position of the Centre and the state governments owing to increased spending on health and social needs, along with weak economic activity and muted demand, impacted the space. In the Fiscal 2022, we expect credit to rise 6-8% on-year, with growth driven by infrastructure, construction and chemicals segments.

However, recent reforms could accelerate credit growth in the medium term. The government's Production-Linked Incentive Scheme, which is a concerted push to drive manufacturing with greater focus on large employment-generating and export-oriented sectors, is a positive for industry. Simultaneous focus on easing physical and infrastructure bottlenecks would reap benefits.

Credit outstanding of industry loans at banks and % on-year change GNPA % of industry segment

Source: RBI, Company Reports, CRISIL Research

Meanwhile, GNPA declined in Fiscal 2021, owing to resolution of stressed assets via NCLT and restructuring. Because of restructuring 2.0, industry GNPA is expected to be range bound at 11-12% in Fiscal 2022.

Services segment to rebound in Fiscal 2022 with increase in discretionary spending

Credit outstanding in the services segment grew 13% CAGR from Fiscals 2015 to 2020, led by lending to non-bank financial institutions (NBFCs). In Fiscal 2021, though, credit outstanding declined amid slowdown in lending to NBFCs and decline across trade, tourism and other services. In fact, other services, such as transport operators, tourism, hotels, restaurants, professional services, etc, were among the sectors worst affected by the pandemic, which collectively led to a decline of 7% on-year in bank credit outstanding in Fiscal 2021; as of March 2021, credit outstanding in the services segment was ₹ 26,306 billion. A further decline was cushioned by the government's ECLGS of ₹ 3 trillion, which drove MSME credit growth.

In Fiscal 2022, growth is expected to be marginally higher, owing to improved discretionary spending by households. ECLGS (extended till September 2021), which has included more sectors under its coverage, is, however, expected to continue to drive growth in the MSME segment. Overall, the services segment is expected to grow 4-6% on-year in Fiscal 2022, led by increased lending to MSMEs and NBFCs.

In the medium term, with NBFCs' access to capital market funding being low, dependence on banking funds is likely to increase further. Credit to NBFCs, though, will be much lower than the 21% CAGR printed during Fiscals 2015 and 2020. This is because NBFCs are expected to be cautious in fresh disbursements, in terms of incremental lending, owing to existing asset quality concerns and are expected to clock lower credit growth rate than banks, therefore reducing their borrowing from banks. In addition, banks are expected to be risk-averse towards certain non-banks, as there are stress points in segments such as developer real estate book, wholesale loans and loan against property.

Credit outstanding of services loans at banks and % on-year change

P: Projected

Covid-19 disruption, lockdowns and sluggish economic activity significantly affected services sectors, such as transport operators, tourism, hospitality, commercial real estate, and trade. As the government has provided one-time restructuring schemes to MSMEs, asset quality deterioration, though, was restricted in Fiscal 2021. Nevertheless, in Fiscal 2022, GNPA is expected to rise sharply as stress continues in MSME and trade segments, leading to slippages.

Retail loans to rise sharply in Fiscal 2022 owing to growth in housing and vehicle loans

The retail loan portfolio of banks, which grew at 17% CAGR during Fiscals 2015 to 2020, rose a lower 10% on-year to ₹ 28,137 billion in Fiscal 2021. A large part of the slower rise was because of low growth in the first half of Fiscal 2021, given muted private consumption. It bounced back in the second half. Much of this growth was led by the housing finance segment, which revived significantly amid low interest rates and state government support in the form of stamp duty cuts. With a pick-up in economic activity, and given the pent up demand, vehicle and other personal loans also improved sharply. In the fiscal, housing and vehicle loans rose 9% and 10%, respectively.

In Fiscal 2022, while the second wave impacted disbursements in the first quarter, revival in demand is expected to be faster than in the previous Fiscal. Hence, overall credit growth in the Fiscal is expected to be 12-14% on-year.

Within retail loans, Housing loans contributed to approximately 52% share in Fiscal 2021 compared to 54% in Fiscal 2015. During the same period, vehicle loans also lost share from 11% to 9% due to the faster growth in other loans like personal, gold, consumer durables etc.

That said, the GNPA of retail loans was at 1.8% in Fiscal 2020. Because of the Covid-19 fallout and deterioration in asset quality in the segment by 30 bps, with GNPA reaching 2.1% as of March 2021. Further spike in GNPA was shielded by the restructuring of loans, as 0.7% of retail outstanding loans were restructured in the Fiscal. In Fiscal 2022, GNPA of this segment is expected to increase further to 2.7-3.2% as the second wave impacts unsecured retail loans owing to loss in personal incomes and jobs.

Housing loans to grow at healthy pace in Fiscal 2022 supported by low interest rates and improving economy

Home loans outstanding of banks was ₹ 14,591 billion as of March 2021, almost double the figure five years ago. While the segment recorded a healthy 16% CAGR over Fiscals 2015 to 2020, growth slowed to 9% in Fiscal 2021, owing to economic slowdown caused by Covid-19.

The pandemic, and subsequent nationwide and local lockdowns, took a toll on the economy in the early part of Fiscal 2021. Large scale migration of labour returning to their home towns / villages during the nationwide lockdown period, and subsequent uncertainty with regard to project execution, affected buyer sentiment for under construction projects. Incomes of low- and middle-income groups were also impacted. However, there was a faster-than-envisaged revival in the third and fourth quarters, with:

- The RBI, along with the Centre and the state governments, providing support to improve demand
- Real estate developers offering discounts and/or freebies
- Large states such as Maharashtra and Karnataka cutting stamp duty on real estate
- Large lenders slashing housing loan interest rates to historical lows owing to low repo rates, with a few large
- players even offering home loans starting from 6.75%

But, following the second wave, most states have re-imposed partial or full lockdowns. Hence, disbursements in the first quarter of Fiscal 2022 are estimated to have reached only 40-60% of the disbursements in the fourth quarter of Fiscal 2021. Industry sources, though, expect disbursements to increase sharply in the remaining part of the Fiscal, and that the impact of the second wave on housing credit growth will be limited.

On the supply side, lenders have been increasing focus towards the retail housing segment, which showed resilience in Fiscal 2021 despite the decline in GDP to historical lows. On the demand front, while the benefit of lower stamp duty ended in March 2021 (in Maharashtra), lower interest rates are expected to prevail for a few more months, aiding higher disbursements. Fundamentally, too, incomes have not been affected significantly. In

addition, the practice of employees working from home has accelerated their decision to own a house or purchase a larger unit.

These triggers are expected to provide a tailwind over the medium term as well. Overall credit of housing loans at banks in India is expected to grow 11-13% on-year in Fiscal 2022, and 12-14% in Fiscal 2023.

Housing finance segment has grown at healthy pace in the past decade due to multiple long term factors which are expected to drive the long term growth in the future as well:

- Urbanisation:** Urbanisation is a key growth driver for India since it leads to faster infrastructure development, job creation, development of modern consumer services, and the city's ability to mobilise savings. The share of the urban population in total population has been consistently rising over years, and is estimated to have reached 35% by 2020 from 31% in 2011, spurring more demand. Urbanisation has a twin impact on housing demand – it increases the number of nuclear families, leading to the formation of more urban households, and reduces the area requirement per household.
- Nuclearisation:** Nuclearisation refers to the formation of multiple single families out of one large joint family; each of these families live in separate houses, while the ancestral house may be retained or partitioned to buy new houses. Nuclearisation in urban areas is primarily driven by changing lifestyle, rising individualism, changing social/cultural attitudes and increased mobility of labour in search of better employment opportunities. CRISIL Research expects these trends to continue in future.
- Increasing finance penetration:** Deepening penetration of finance is also expected to support growth of the industry. Rising demand for housing in tier 2 and 3 cities, and a subsequent surge in construction have increased the focus of financiers on these geographies. Consequently, finance penetration in urban areas is estimated to have increased to 44-45% in 2019 from 39% in 2012. Boosted by low-cost housing and rising competition in big-ticket loans, we estimate finance penetration in urban areas to have marginally increased to 45% in Fiscal 2020. Rural areas are also likely to witness considerable improvement in finance coverage thanks to the government's efforts to provide housing for all. However, operational challenges such as timely collection of payments, smaller ticket size and higher delinquencies than the urban markets will continue to oppose rural expansion.
- Government support:** Though above factors drive the overall housing finance market, affordable housing segment is specifically driven by Government schemes and support. Over the last decade, Government has announced several initiatives for affordable housing segment. Along with PMJDY, housing specific schemes like Pradhan Mantri Awas Yojana (PMAY), Credit Linked Subsidy Scheme (CLSS), Atal Mission for Rejuvenation and Urban Transformation (AMRUT) have aided in the housing finance growth, especially in the affordable segment.

Vehicle loans segment to rise 12-14% in Fiscal 2022

Vehicle loans outstanding of banks was ₹ 2,417 billion as of March 2021, with the segment posting a healthy 12% CAGR over Fiscals 2015 to 2020. Revival in the auto finance sector in the second half of the Fiscal 2021 exceeded earlier expectations. Among various product segments, tractor has been the best, consistently reporting year on year growth over the last few months. Also, two-wheelers and passenger vehicles have seen improvement in traction. Tractors have benefited from a healthy crop harvest; whereas two-wheelers and small cars have gained due pent up demand and increasing preference for personal mobility after the lockdown was lifted. On the commercial vehicle front, while MHCV and buses sales remain tepid, LHCV sales have been improving. Even with Covid-19, growth was reported at 10% in Fiscal 2021.

Traction in demand for passenger vehicles, two-wheelers and tractors is expected to continue supporting growth in Fiscal 2022. We believe revival in underlying asset demand on account of economic recovery will support disbursement in segments, such as commercial vehicles and three-wheelers.

MSMEs to grow by 8-10% with support from ECLGS scheme

As per revised definition, a firm with investments under ₹ 50 crore and turnover under ₹ 250 crore is called MSME. A faster-than-expected revival in economic activity spurred by the festive season and pent-up demand lifted MSMEs as well, starting the third quarter of Fiscal 2021. In addition, growth in credit to MSMEs improved substantially, driven by ECLGS. The scheme announced by the government in May 2020 has been extended until September 2021. Through ECLGS, the government is incentivising credit growth to MSMEs and other vulnerable sectors by offering loan guarantees. As MSMEs form 35-40% of the services segment, MSME credit growth supported services credit growth in Fiscal 2021.

In June 2021, the government further enhanced ECLGS by ₹ 1.5 trillion to ₹ 4.5 trillion. Support from ECLGS and economic revival is expected to push up credit to MSMEs 8-10% on-year in Fiscal 2022.

Credit outstanding of MSME loans at banks, and % on-year change

P: Projected

MSMEs have been key contributors to growth in the Indian economy. With around 63.4 million it is the second largest employment generator in the economy after agriculture, employing over 120 million people. Globally too, MSMEs are engines of growth, driving employment as well as revenue generation. As per Central Statistics Office (CSO), Gross Value Added (GVA) by MSME accounts for 33.5% of India's total GVA and 30.27% of India's GDP as of Fiscal 2019. However, credit to MSMEs contribute to only 14% of total banking credit outstanding, indicating a wide mismatch and an opportunity for lenders.

In the last decade, government has prioritized MSMEs by launching key schemes and systems like Credit Linked Capital Subsidy Schemes, National Manufacturing Competitiveness Program, Credit Guarantee schemes, TReDS. With increasing MSMEs, Small Finance Banks and recently Fintech Lenders have been pivotal to their credit needs and are likely to aid further growth over the long term.

Make in India: 'Make in India' was initiated in 2014 with the objective of facilitating investment, improving manufacturing infrastructure, and enhancing skill development. While there is no provision for providing financial assistance to companies manufacturing products under the initiative, supportive policy actions can create the right ecosystem for incremental investment over the long term. Under the initiative, the government has identified 27 key sectors including textile and apparels, electronics system design and manufacturing, leather & footwear, gems and jewellery, and tourism and hospitality services. Many of these sectors are largely driven by MSMEs directly or through job works/contract manufacturing.

Global Trade: The changing axis of international trade and opportunities in exports has partially supported growth in local manufacturing, with the impact seen in pockets of MSME-led sectors. For instance, the US-China trade tension has partially supported exports from India to the US in the past few quarters. Over the medium term, any step towards FTAs with major export destinations such as EU or US can create huge business potential for local manufacturing thus benefiting MSME clusters involved in apparel manufacturing.

E-commerce: The Indian e-commerce sector has had a phenomenal run in the last few years. The sector has grown on the back of rising internet penetration, improved visibility and brand penetration, increasing awareness of online shopping, and lucrative deals offered by well-established players and start-ups. With regulatory vigilance and announced policy changes in the sector, participation of wider seller base is expected on online marketplaces. By going digital on these platforms, MSME companies can build their credentials and penetrate deeper into Tier II cities and beyond. In fact, more than 6 lakh sellers (most of which are entrepreneurs and MSMEs companies) are already offering their products through various ecommerce websites. With greater visibility, MSME companies can improve geographical reach and accessibility and also enable funding availability with better diversified sales mix.

Gold loans to grow by 20-25% in Fiscal 2022

Amidst the Covid-19-induced economic uncertainty, gold loans – debt raised using gold as a collateral – came to the rescue of needy individuals and even small businesses. The primary reasons for increasing gold loans are:

1) an increase in gold prices by ~30% during Fiscal 2021; 2) a higher loan-to-value (LTV) of up to 90% allowed for banks; 3) liquidity crunch due to the pandemic; and 4) lenders' reluctance to give unsecured loans due to risk aversion.

Banks have aggressively expanded their gold loan portfolio with the Reserve Bank India announcement on increasing LTVs up to 90%. Lower interest rates and longer tenure loans have also helped banks gain share from NBFCs whose book also grew at a healthy but slower pace compared with banks.

At an overall level, bank gold loan AUM has grown at a CAGR of 15% between Fiscal 2016 and Fiscal 2021. With the outbreak of COVID-19 in Fiscal 2021, the book has shown extraordinary growth of 35-40% in Fiscal 2021. As the COVID-19 wave has re-emerged, the need for finance has continued in Fiscal 2022 as well. We expect the bank book to continue to grow but moderate to 20-25% in Fiscal 2022.

The gold loan portfolio is a comparatively safe asset class. However, the portfolio of banks that lent at a higher LTV has to be monitored regularly owing to fluctuation in gold loan prices since February 2021. Among banks, the asset quality risk will vary depending on the LTV offered and the frequency of interest collection, which will determine the cushion available with lenders.

Key recent developments in the banking sector

Announcements	Impact
ECLGS	In May 2020, the finance ministry launched ECLGS to support the economy. The scheme provided ₹ 3 trillion of unsecured loans to MSMEs and businesses to reduce the distress caused by the Covid-19-induced economic slowdown. With only 50% disbursed under ECLGS as of October 2020, the RBI broadened the coverage of ₹ 3 trillion (further increased to ₹ 4.5 trillion) to provide 100% guaranteed collateral-free lending to 26 worst hit sectors identified by the Kamath Committee. In order to provide further support, the central bank brought these 26 sectors within the ambit of on-tap Targeted Long-Term Repo Operations. Further, the validity of ECLGS, i.e. ECLGS 1.0, ECLGS 2.0, ECLGS 3.0, and ECLGS 4.0, has been extended to September 30, 2021.
Repo rate cut	The Monetary Policy Committee (MPC) of the RBI reduced the policy repo rate (key policy rate at which the central bank lends to commercial banks) by 75 bps from 5.15% in October 2019 to 4.4% in March 2020. In May 2020, the MPC, in order to further ease financial conditions and facilitate the flow of funds at affordable rates, reduced the policy repo rate by a further 40 bps to 4.0%. This is the lowest compared with 4.75% in 2009 during the global financial crisis. The MPC also decided to maintain an accommodative stance “as long

Announcements	Impact
	as necessary to revive growth and mitigate the impact of Covid-19 on the economy, while ensuring that inflation remains within the target.”
Moratorium	The central bank aimed to give borrowers a breather by allowing moratorium on existing loans in February 2020 during March 1–May 31 2020. The moratorium provides for deferment of principal and interest, and not waiver of loans, for three months. To address cash flow concerns following a near-halt in economic activity in May 2020, the MPC extended the moratorium from June 1 to August 31. While these measures supported all borrowers, self-employed retail and MSME borrowers benefitted significantly. This not only eased financial stress caused by the pandemic, but also built confidence in such extraordinary times.
Moratorium for working capital loans	In order to address difficulties faced by borrowers in repaying the accumulated interest for the deferment period on working capital facilities at one go, the MPC has allowed lending institutions to convert the accumulated interest on working capital facilities over the deferment period (up to August 31, 2020) into a funded interest term loan, which will be repayable not later than March 31, 2021. Further, in case of working capital facilities in the form of cash credit/overdraft, the MPC has permitted lending institutions to recalculate the ‘drawing power’ by reducing margins till the extended period, i.e. August 31, 2020. This has eased working capital financing and led to higher drawing power.
Resolution Framework 1.0 (One-Time Restructuring; OTR 1.0)	To provide relief to borrowers facing difficulties due to Covid-19, the RBI enabled lenders to implement a restructuring plan to eligible corporate exposures and personal loans, subject to conditions, in August 2020. Further boundary conditions, in the form of financial parameters and sector-specific parameters, were prescribed on the basis of recommendation of an expert committee constituted for the purpose. A restructuring framework for MSMEs that were standard as on January 1, 2020 is already in place. With Covid-19 disrupting normal functioning and cash flows of MSMEs, the RBI extended the restructuring benefit to MSME accounts standard as on March 1, 2020. Restructuring 1.0 scheme saw only 0.9% of credit outstanding restructured by banks.
Resolution Framework 2.0 (OTR 2.0)	With stress building up in certain segments, such as MSME, auto and personal loans, on account of the second wave, the RBI announced Resolution Framework 2.0 (OTR 2.0) to provide relief to customers. However, looking at the lower utilisation of the OTR 1.0 scheme, traction of OTR 2.0 would remain a key monitorable.

Economy of Tamil Nadu

Tamil Nadu - a leading industrialized state in India

Tamil Nadu is the fourth largest state of India. Located on the southeast coast of the country, it is bordered by Andhra Pradesh in the north, Karnataka and Kerala in the west, Indian Ocean in the south and Bay of Bengal in the east. Tamil Nadu bagged the top position in the composite ranking for Good Governance Index (GGI) in 2019, followed by Maharashtra and Karnataka.

Historically an agricultural state, Tamil Nadu has advanced over the years to become the hub of industrialisation. It has a diversified manufacturing sector and leads in several industries such as automobiles and auto components, engineering, pharmaceuticals, garments, textiles, leather products, chemicals and plastics. The state is well known for cotton ginning, spinning and weaving. Tamil Nadu is also one of the fastest growing states, with continued focus on MSME and textile industry.

Gross state value added (GSVA) at current prices in Tamil Nadu clocked a CAGR of 10% between Fiscals 2015 and 2021 as against country-wide 7% growth. The tertiary sector is the biggest contributor (~49%) to Tamil Nadu's gross domestic product (GDP), followed by the secondary sector (29%). The share of the primary sector (agriculture and allied activities, and mining and quarrying) has slipped to ~12% over decades. Tamil Nadu's per capita gross state domestic product (GSDP) in Fiscal 2021 (at current prices) was ₹ 2,54,856, up 5% on-year.

Some of the major initiatives taken by the state government to promote Tamil Nadu as an investment destination are as follows:

Industry

- The state introduced the Industrial Policy 2021 to achieve an annual growth rate of 15% in the manufacturing sector, attract investments worth ₹ 10 trillion (\$ 137.8 billion) and create employment opportunities for 20 lakh people by 2025
- In February 2021, Flipkart signed a memorandum of understanding (MoU) with the Tamil Nadu MSME Trade and Investment Promotion Bureau to bring local artisans, weavers, craftsmen, and small and mid-sized enterprises into the e-commerce marketplace
- In December 2020, Tamil Nadu announced that France will sign a MoU with Tamil Nadu's Industrial Guidance and Export Promotion Bureau and the Indo-French Chamber of Commerce and Industry to facilitate mutual investments and to promote ease of doing business
- In 2019, the chief minister launched the Tamil Nadu New Integrated Textile Policy, 2019

Infrastructure

- The government has proposed the Tamil Nadu Urban Flagship Investment Programme to support the state in developing urban and environmental infrastructure. The programme will cost of ₹ 81.56 billion (\$1.11 billion) and will be financed with assistance from the Asian Development Bank. Further, 179 projects at a cost of ₹ 8.6 trillion (\$ 117.58 billion) relating to Tamil Nadu have been included in the National Infrastructure Pipeline. These projects will be implemented over the next five years (2020-2025).
- Comprehensive Road Infrastructure Development Programme (CRIDP) is a flagship scheme to upgrade road infrastructure in the state. Under the Union Budget 2020-21, ₹ 55.00 billion (\$780.25 million) has been allocated to this scheme.

Employment

- Tamil Nadu organised its second Global Investor Meet on January 23 and 24, 2019. The state surpassed the targeted investment and attracted ₹ 3.4 trillion (\$48.65 billion) investment in 12 sectors including automobile, textiles, renewable energy, etc. As many as 146 MoUs were signed with the aim to generate 10.5 lakh job opportunities in the state.
- In July 2020, the Tamil Nadu government signed MoUs worth \$1.48 billion; this is expected to create 13,507 jobs in fields such as solar cells, data centres and industrial parks

Social

- The Asian Development Bank-assisted Tourism Development Project is currently under implementation and a sum of ₹ 908.5 million (\$12.89 million) has been provided in the Budget Estimates of 2020-21
- Tamil Nadu ranked first in terms of foreign tourist arrivals and second in terms of domestic tourist arrivals in 2019(P). In 2018, foreign tourist arrivals reached 6.07 million, while domestic tourist arrivals were 385.90 million.

Tamil Nadu ranks second after Maharashtra in GSDP

Tamil Nadu's GSDP contribution to national GDP was reported to be ~9% in Fiscal 2020, steady on-year. The state has consistently ranked second after Maharashtra in GSDP, supported by steady performance of all three sectors — primary, secondary and services. The primary sector grew 18% in Fiscal 2020, and services 12% (which included real estate). The secondary sector grew by 13.5%; its two key components - manufacturing and

construction – grew 14.2% and 10.6%, respectively Though Maharashtra ranks first, its growth rate has been lower than that of Tamil Nadu. GSDP of Tamil Nadu has grown at a CAGR of 12% between 2015-16 to 2019-20 higher than National GDP which has grown at a CAGR of 10% between the same period. Between the same period, Gujarat has reported highest growth of 13% and Maharashtra has displayed growth rate of 9%.

With growing GSDP, per capita income also shows a steady rise (at current prices)

The state's per capita income has been increasing since Fiscal 2012. Despite a fall in overall GSDP in Fiscal 2021, Tamil Nadu's GSDP and per capita income increased. In fact, GSDP increased at a higher rate than Maharashtra and Gujarat. Slower population growth rate coupled with increasing GSDP has contributed significantly to the state's higher per capita income compared with all-India figures.

Banking in Tamil Nadu

Increased savings has a direct impact on the lending capabilities and hence overall GDP growth

Increased deposits with bank act a low cost source of funds for the lending activities of the bank. This allows the bank to charge a comparatively lower rate of Interest and hence passing on the cost benefit to the borrower. This

borrowing allows businesses to borrow for growth and expansion thereby boosting the economic growth and GDP.

There appears to be a positive correlation between GDP, Advances and deposits for TN state. Tamil Nadu and Gujarat's deposits have both increased at 12% in Fiscal 2021, whereas Maharashtra has growth was 100 bps lower at 11%. In terms of advances growth in Fiscal 2021, Tamil Nadu has displayed highest growth i.e. 6%, followed by Gujarat at 5% and Maharashtra at 2%.

Lower bank credit to GDP ratio indicates potential for further lending in the state

Tamil Nadu is under penetrated which presents an opportunity for further growth in GDP funded by bank loans. Its bank credit to GDP stands at 53% as compared to 89% in case Maharashtra and 37% for Gujarat during Fiscal 2020.

Public sector banks dominate the state's lending portfolio

Tamil Nadu's bank credit has been increasing at a faster pace as compared to the All India Credit. The state's bank credit increased 6% in Fiscal 2021 as against 10% in Fiscal 2020. Public sector banks accounted for 58% of total funding; down from 68% in Fiscal 2016. On the other hand, private banks have been gaining share.

Of the overall credit, retail (housing, vehicle and other personal loans) accounted for ~25%, followed by industry (24%), agriculture (21%) and services (18%) in Fiscal 2021. Sector-wise, credit to agriculture has grown at a robust rate thanks to various government initiatives and schemes. Notably, growth has been higher than the all-India growth in agricultural credit. Retail has also been growing at a steady rate.

Mirroring the trend of advances, public sector holds majority share in deposits as well, though reducing every year

Deposits with banks in Tamil Nadu has increased by ~12% in Fiscal 2021 over Fiscal 2020. Public sector banks hold the majority share (~57%) at present, though private banks have been gaining share over the past few years because of the attractive rate of interest offered by them.

Overview

We are one of the oldest and leading old private sector banks in India with a history of almost 100 years (*Source: CRISIL Report*). We offer a wide range of banking and financial services primarily to micro, small and medium enterprises (“MSME”), agricultural and retail customers (“RAM”). As of June 30, 2021, we have 509 branches, of which 106 branches are in rural, 247 in semi-urban, 80 in urban and 76 in metropolitan centres. Our overall customer base is approximately 4.93 million as of June 30, 2021 and 3.45 million or 69.96% of our customers have been associated with us for a period of more than five years and have contributed to ₹ 275,619 million or 67.02% to our deposits and ₹ 179,638.99 million or 57.56% to our advances portfolios as of June 2021. As per the CRISIL Report, we had the second highest Net Profit for Fiscal 2021 amongst our Peers, and our Return on Assets was also higher at 1.3% compared to a median 0.7% for our Peers for Fiscal 2021.

We were incorporated as ‘Nadar Bank Limited’ in 1921 and our name was changed to ‘Tamilnad Mercantile Bank Limited’ in the year 1962. We received our license to carry on banking business from the Reserve Bank of India (the “RBI”) in 1962. Since our incorporation, having head quartered at Thoothukudi, Tamil Nadu, India, we have built a strong presence in the state of Tamil Nadu, with 369 branches and 941 automated teller machines (“ATMs”) and 238 cash recycler machines (“CRMs”) as of June 30, 2021. Tamil Nadu, the fourth largest state of India, is one of the fastest growing states, with continued focus on MSME and textile industry. Tamil Nadu’s gross state value added (“GSVA”) at current prices grew at a compounded annual growth rate (“CAGR”) of 10% between Fiscal 2015 and 2021 against the country wide growth of 7% (*Source: CRISIL Report*). As per the CRISIL Report, Tamil Nadu ranked second in terms of state-wise contribution to GDP and has also grown at a faster rate as compared to the national GDP growth rate. Tamil Nadu is under penetrated which presents an opportunity for further growth in GDP funded by bank loans (*Source: CRISIL Report*). Its bank credit to GDP stood at 53% as compared to 89% in case Maharashtra and 37% for Gujarat during Fiscal 2020 (*Source: CRISIL Report*). Bank’s deposits have grown at a healthy pace of 8.0% CAGR (compared to median of its peers: 6.4%), while its advances grew at 8.3% CAGR (compared to median of its peers: 4.4%) as per the CRISIL Report. As of March 31, 2021, our deposits and advances portfolio in the state of Tamil Nadu has contributed 76.33% to our Total Business. We also focus on diversifying our growth in other high growth regions of India which will help increase our network and client base. Other than Tamil Nadu, we are present in 15 other states and 4 union territories of India. Apart from Tamil Nadu, we have sizable presence in the states of Maharashtra, Gujarat, Karnataka, and Andhra Pradesh with presence across 90 branches and 123 ATMs and 15 CRMs as of June 30, 2021. We have also been consistently growing our customer base from approximately 4.42 million as of March 31, 2019, approximately 4.66 million as of March 31, 2020 to approximately 4.91 million as of March 31, 2021 at the CAGR of 5.38% from Fiscal 2019 to 2021. Our focus on quality of service and

nurturing long term relationship with our customers has enabled us to develop a well-recognized and trusted brand in south India, particularly in Tamil Nadu, India.

We have built a strong portfolio of advances and deposits across our customer base.

Advances: Our advances portfolio primarily consists of lending to (a) Retail customers; (b) agricultural customers and (c) MSMEs (“**RAM**”).

MSMEs: We primarily offer various loan products to our MSME customers operating in manufacturing, trading and services sector. During the Fiscals 2019, 2020 and 2021, MSMEs contributed 37.32%, 37.92%, and 39.08% respectively to our total advances with a CAGR of 10.56% from March 31, 2019 to March 31, 2021.

Agricultural customers: We primarily offer loan products to individual farmers, group of farmers and agricultural corporates. During the Fiscals 2019, 2020 and 2021, agricultural customers contributed 22.49%, 24.77%, and 27.41% respectively to our total advances with a CAGR of 19.27% from March 31, 2019 to March 31, 2021.

Retail customers: We primarily offer home loans, personal loans, auto loans, educational loans as well as security backed loans of various types to our retail customers. During the Fiscals 2019, 2020 and 2021, retail customers contributed 16.78%, 19.27%, and 20.60% respectively to our total advances with a CAGR of 19.68% from March 31, 2019 to March 31, 2021.

Corporate customers: We offer various kinds of loans to corporates, in textiles and other industries, with our assortment of banking products and services including working capital, term financial, trade financial, structured finance services, foreign exchange business funding in domestic and foreign currencies. During the Fiscals 2019, 2020 and 2021, corporate customers contributed 23.40%, 18.04%, and 12.92% respectively to our total advances with a CAGR of (19.74%) from March 31, 2019 to March 31, 2021. This is in line with our strategy to move focus away from corporate customers in favour of RAM.

From Fiscal 2019 to Fiscal 2021, our overall advances portfolio has increased at a CAGR of 8.05%.

- *RAM portfolio:* our lending products are primarily focussed on MSME, retail and agri-financing. Our RAM portfolio has increased at a CAGR of 15.21% from ₹ 206,951.77 million in Fiscal 2019 to ₹ 274,673.88 million in Fiscal 2021.
- *Secured and un-secured lending:* with focus on keeping risk relatively lower, in addition to our strong underwriting processes, we have consistently maintained and further increased our secured lending from 98.28% of our overall advances in Fiscal 2019 to 99.31% of our overall advances in Fiscal 2021. Our un-secured lending portfolio’s contribution has steadily declined from 1.72% or ₹ 4,644.97 million of overall advances as on March 31, 2019 to 1.18% or ₹ 3,327.70 million as on March 31, 2020 to 0.69% or ₹ 2,172.40 million as on March 31, 2021.
- *Average ticket size of advances:* with an aim to manage risk of concentration, we have increased our focus on lower ticket size loans. Our average ticket size of loans in our overall advances portfolio has grown in the following manner:

(In ₹ million)

Key Strengths

Strong legacy, loyal customer base and focus on improving servicing framework

With almost 100 years of history, we have established ourselves as a well-recognized scheduled commercial bank having a strong network of branches, ATMs and CRMs across several states of South India including Tamil Nadu being our home state, along with Maharashtra, Gujarat, Karnataka, and Andhra Pradesh, which has enabled us to maintain a strong customer base. As of March 31, 2019, 2020 and 2021, we had 4.42 million, 4.65 million and 4.91 million customers respectively with a CAGR of 5.38% from March 31, 2019 to March 31, 2021. Further, large portions of our existing customers have been associated with us for more than five years specifically in the states of Tamil Nadu, Andhra Pradesh, Maharashtra, Karnataka and Gujarat contributing 70.94%, 66.09%, 58.43%, 52.44% and 41.19% of our total customer base in each of these states respectively as of March 31, 2021, and 60.35%, 2.41%, 1.58%, 1.05% and 0.75% of our overall customer base as of March 31, 2021, across the 16 states and 4 union territories where we are present. We have consistently worked towards developing long-term relationships with our customers based on our knowledge of local needs and our experience in the sector, amongst other things. Our largest branch is located in Mandvi, Mumbai, contributing ₹ 16,683.90 million or 2.30% to our Total Business as of March 31, 2021. One of our oldest branches is in Sivakasi, Tamil Nadu, which was started in 1942 and contributes ₹ 12,806.30 million or 1.77% to our Total Business as of March 31, 2021.

With a focus on increasing our existing customer base, we have introduced various alternate banking channels such as ATMs, CRMs, internet banking, mobile banking, E-Lobbies, point of sales (“PoS”), banking and debit and credit cards. We introduced internet banking to our customers in 2008 through ‘TMB-Econnect’ and utility payment facility which enabled our customers to pay bills for cable operators/DTH operators, electricity services, mobile phone utility services, other utilities and tax services. We have approximately 0.23 million customers using our internet banking facilities and approximately 0.68 million customers using our mobile banking facilities, as of June 30, 2021. Our E-Lobbies are mini-branches which have been introduced with an aim to reduce human interface and cater to basic banking facilities of our customers. The E-Lobbies include facilities such as cheque deposits, cash withdrawal, passbook printing that are available 24*7 to customers to access at their convenience. As of June 30, 2021, we have 47 E-Lobbies, 1,131 ATMs and 262 CRMs and 3,975 PoS terminals across India. During Fiscal 2019, 2020, and 2021, our alternate banking channels have contributed ₹ 757.89 million, ₹ 847.12 million, and ₹ 842.42 million respectively to our total income with a CAGR of 5.43% from March 31, 2019 to March 31, 2021.

We have also received several awards in recognition of our operations and our loyal customer base over the years. In 2019, our Bank was recognized as the “Best Bank in Private Sector” and received the “BFSI Award for Digital Financial Inclusion” on May 29, 2019 in the Governance Now 4th India Banking Reforms Conclave 2019. Our Bank was awarded the “Social Banking Excellence Award 2018” for being recognized as the overall best social bank and also as the winner in agricultural banking in the small banks category by ASSOCHAM India. Our Bank was felicitated by the Life Insurance Corporation of India on completion of “₹ 51.56 Crore First Premium” in the financial year 2016-17. For details, see “History and Certain Corporate Matters – Key awards, accreditations and recognition” on page 157.

Strong presence in Tamil Nadu with focus to increase presence in other strategic regions

Since our incorporation, we have built a strong and trusted network of customers in the State of Tamil Nadu. As of March 31, 2019, 2020 and 2021, our deposits and advances in the state of Tamil Nadu contributed to 71.62%, 75.93%, and 76.33% of our Total Business. As of March 31, 2021, we had 4.18 million customers, 85.07% of our overall customer base, contributing to our deposits and advances portfolios in the State of Tamil Nadu. The gross state domestic product (“GSDP”) has been highest in the state of Maharashtra followed by the state of Tamil Nadu and Gujarat. GSDP of Tamil Nadu has grown at a CAGR of 12% between 2015-16 to 2019-20 higher than National gross domestic product (“GDP”) which has grown at a CAGR of 10% between the same period. During the same period, Gujarat has reported highest growth of 13% and Maharashtra has displayed growth rate of 9% (Source: CRISIL Report). Tamil Nadu is also one of the fastest growing states, with continued focus on MSME and textile industry with GSVA at current prices growing at a CAGR of 10% between Fiscal 2015 and 2021 against the country wide growth of 7%. Tamil Nadu is under penetrated which presents an opportunity for further growth in GDP funded by bank loans (Source: CRISIL Report). Its bank credit to GDP stands at 53% as compared to 89% in case Maharashtra and 37% for Gujarat during Fiscal 2020 (Source: CRISIL Report).

Recently, the state government of Tamil Nadu has also introduced various initiatives such as the Industrial Policy 2021 to achieve an annual growth rate of 15% in the manufacturing sector and the Tamil Nadu New Integrated Textile Policy, 2019, amongst others (Source: CRISIL Report). Tamil Nadu and Gujarat’s bank deposits have increased at 12% in Fiscal 2021, whereas Maharashtra’s growth was at 11%. In terms of advances growth in Fiscal 2021, Tamil Nadu has had the highest growth of 6%, followed by Gujarat at 5% and Maharashtra at 2% (Source: CRISIL Report).

Apart from our home state, Tamil Nadu, we focus on diversifying our reach in our already existing network including in the states of Gujarat, Maharashtra, Karnataka and Andhra Pradesh. As of March 31, 2021, our businesses, including the deposits and advances portfolios, in the state of Tamil Nadu, Maharashtra, Andhra Pradesh, Karnataka and Gujarat contributed 76.33%, 5.47%, 3.60%, 3.15% and 2.89% to our Total Business. Our focus to increase our markets share in these states more specifically in our home state where we are located across 369 branches, 941 ATMs, 238 CRMs, 39 E-Lobbies, 3,406 PoS as of June 30, 2021, has therefore, benefited us and will help us further enhance our customer base and increase our business operations.

Advances with focus on MSME, agricultural and retail segments

We have traditionally focused on small ticket size loan products to MSME customers, agricultural and retail customers for our growth. Our advances portfolio consists of a wide basket of retail finance and small ticket size MSME finance products. Our focus is on understanding the needs and expectation of our customers, particularly in the RAM space and adopting strategies to target these customer segments for our growth. We have dedicated marketing managers and agri-officers across our regional offices who specifically focus on growing the network of our existing MSME and agricultural customers. We leverage our presence in semi-urban and rural regions where we are located to attract more customers in the RAM segment. We have dedicated branches at Thoothukudi and Chennai in Tamil Nadu, and at Surat, Gujarat to cater to the requirements of MSME customers in these regions. Further, these dedicated branches act as facilitators for our MSME customers with a focus on improving our loan processing timelines and faster disbursals to benefit our MSME customers.

We have structured loan products available to meet the financial requirements of our MSME customers, which aids in growing our MSME customer base across all places where we are currently present. These products include “TMB-Traders & Services”, “TMB – MSME Credit”, “TMB Vehicle Finance (for commercial purposes)”, “TMB-Rice Mill”, “TMB-Dhall Mill”, “TMB-Pharma and Health Care”, “TMB-Micro

Entrepreneurs under Pradhan Mantri MUDRA Yojna (“**PMMY**”), “TMB Vyapari” and TMB Rental-100” (for business purposes).

Our RAM business has consistently increased over the last three Fiscals from ₹ 206,951.77 million in Fiscal 2019 to ₹ 274,673.88 million in Fiscal 2021 at a CAGR of 15.21%. Our advances to the RAM segment represent 88.41% of our net advances as at March 31, 2021. Advances to MSME segment represented 39.08%, of our total advances, as at March 31, 2021 of which 49.44% was towards traders and 38.59% was towards manufacturers. Further, our advances for MSMEs in semi-urban regions of places where we are located has grown from ₹ 38,797.25 million as of March 31, 2019 to ₹ 43,546.72 million as of March 31, 2020 to ₹ 50,156.45 million as of March 31, 2021 growing at 15.18% of our overall advances and from ₹ 10,492.19 million as of March 31, 2019 to ₹ 11,633.58 million as of March 31, 2020 to ₹ 13,603.76 million as of March 31, 2021 growing at 16.94% of our overall advances in rural areas of places where we are located.

We believe in the development of a socially inclusive model, focusing on bringing in customers in the underserved sectors into the banking mainstream. Therefore, our focus has been to further enhance our RAM mix to help us gain more market share in Tamil Nadu and other regions where we continue to exist.

Consistently growing deposit base with focus on low-cost retail CASA

We have adopted a customer-first approach, with an emphasis on customer relationships. Apart from the individual segment, we have focused on account sourcing on value based CASA products, have started following segmental approach on CASA growth by introducing segment wise CASA products such as Trust, Association, Society, Colleges, Charities (“**TASC**”) and CASA accounts of central and state government schemes under our “TMB Savings for Government Segments” account. During the last three Fiscals, our overall deposits base has increased from ₹ 351,362.47 million in Fiscal 2019 to ₹ 368,250.27 million in Fiscal 2020 to ₹ 409,704.16 million in Fiscal 2021, owing to an increase in both term deposits and CASA deposits. Our CASA deposits as a share of total deposits has increased from ₹ 86,577.10 million in Fiscal 2019 or 24.64 % to ₹ 95,180.50 million or 25.85 % in Fiscal 2020 to ₹ 116,852.65 million in Fiscal 2021 or 28.52% with a CAGR of 16.18% from Fiscal 2019 to Fiscal 2021. Our CASA portfolio is diversified and has low concentration with 5.07% of deposits from our top 20 deposit holders and 6.49% deposits from our top 50 depositors as of March 31, 2021. We have also witnessed stability in the renewal rates of term deposits as detailed below despite low interest rates.

Term Deposit Category	Fiscal 2019	Fiscal 2020	Fiscal 2021
Up to ₹ 15 lacs	77.62%	79.86%	78.31%
Above ₹ 15 lacs below ₹ 100 lacs	71.78%	78.26%	79.09%
Above ₹ 100 lacs	34.73%	32.96%	41.40%

Our cost of deposits, calculated on average of fortnightly deposit balance, has been reduced from 6.27% in Fiscal 2019 and 6.27% in Fiscal 2020 to 5.49% in Fiscal 2021. As on March 31, 2021, our median fixed deposit interest rate was 5.25%. However, as at March 31, 2019, 2020 and 2021, our CASA and retail term deposits contributed ₹ 310,303.07 million or 88.31%, ₹ 338,542.67 million or 91.93% and ₹ 381,076.07 million or 93.01% of our total deposits. Further, we are one of the top five amongst our Peers in terms of the deposit growth rate having a growth rate of 8.00% as on March 31, 2021 (*Source: CRISIL Report*).

We continuously strive to increase reliance for transactions on digital channels which are more cost effective than physical channels. Our digital banking channels enable a smooth transition from physical to digital usage and enhance customer experience, designed to grow our business and improve our margins.

Professionally managed Bank with experienced senior management team and board of directors.

Our Board of Directors comprises 10 directors and two nominee directors appointed by the RBI. The 10 directors include our Managing Director and Chief Executive Officer and nine Non-Executive directors, including one woman director and five independent directors. They bring substantial experience and independent directors with diverse experience including sectors such as banking, law, business administration, other streams of finance such as accounting and auditing. Certain directors are also qualified in various stream of technology. For details, see “*Our Management*” on page 160.

Our senior management team’s capabilities, reputation, extensive network of industry relationships, and wide-ranging experience in the finance and banking industry is critical to our strategy to grow, modernise, and

develop further. Our senior management team consists of our Managing Director and Chief Executive Officer, Vice President and various General Managers. Our Managing Director and Chief Executive Officer has been working with us since September 4, 2017 and our Vice President has been a part of our Bank since December 11, 2018. He was previously appointed as an Independent Director of our Bank with effect from February 29, 2016. Our General Manager heading the Human Resources Department has been working in our Bank for the last 34 years in various positions and subsequently, as the General Manager of the Human Resources Department from May 25, 2018. Our General Manager of Recovery has been a part of our Bank for the last 37 years in various positions and as the General Manager of Recovery from May 25, 2018. Further, our General Manager of Credit has been working in our Bank since March 20, 2019, and he had previously worked as Chief General Manager in State Bank of India.

Our Bank has adopted a pay structure for regular employees after entering into memoranda of settlement with the TM Bank Employees' Association and TM Bank Officers' Association detailing the scale of pay, other allowances and perquisites accorded to regular employees. Further, for contract employees a consolidated amount is paid as permitted in the contract policy. We also have a robust, comprehensive training program for employees which help us improve and maintain the quality of customer service and retention of customers. Our human resource policy implementation and compliance is a key responsibility of all our executives, with overseeing responsibility lying with our General Managers, Regional Managers, Branch and Departmental Heads. We typically recruit our senior management personnel with specialisation in areas such as investment, forex, risk management, treasury, agriculture, information technology, security, company secretaryship and law. We provide training programmes in a timely manner on areas such as, business skills, finance and resource management, human resource development, knowledge management, marketing, and information technology, which aims to enhance the technical, functional and soft skills of our employees. Our experienced and high quality team of members throughout our organisation is instrumental in achieving customer trust and satisfaction.

Strong asset quality, underwriting practices and risk management policies and procedures.

Our strong customer understanding, focus on secured granular loan products and strong under-writing and risk management framework has helped us to maintain and further improve asset quality and driving our growth with consistent profitability. This is particularly important to us given our RAM portfolio focusing particularly on our MSME customers. We focus on selective lending and limit our exposure to certain industries and sectors as a part of our strategy to monitor concentration risk. We have a Risk Management Committee to monitor our corporate customers on a monthly basis. Our GNPA have reduced from 4.32% in Fiscal 2019 to 3.44% in Fiscal 2021. Our Bank has reported a relatively lower GNPA as compared to most our Peers as of Fiscal 2021 (*Source: CRISIL Report*). Our NNPA have reduced from 2.40% in Fiscal 2019 to 1.98% in Fiscal 2021. In Fiscal 2021, our GNPA as a percentage of overall advances in RAM portfolio is 2.82% and in corporate portfolio is 7.60 % respectively. We have a low customer concentration in terms of average ticket size. The average ticket size has remained in the range of 0.31 million to 0.34 million during the last three Fiscals. We have maintained our PCR at 79.53% as of March 31, 2021. We made total provisioning of ₹ 4,300.28 million and total write-offs including technical/prudential write offs of ₹ 19,133.94 million together amounting for ₹ 23,434.22 million as on March 31, 2021. Additionally, during the COVID-19 pandemic as of March 31, 2021, we made total provisioning of ₹ 500 million.

Further, with an aim to maintain and improve our asset quality, we follow specific processes prior to loan approval and during the tenure of the loans depending on the ticket size of the loans. Our term loans are reviewed annually and higher value loans are reviewed periodically depending on the size of the loan products. This enables to us escalate any defaults at our regional offices in a timely manner. We also have a dedicated credit audit monitoring department which monitors our advances and helps avoid any downgrading in asset classification. We also have recovery champions at specific branches, regional offices and our head office to enable us to maintain our asset quality. We also have early warning signals (“EWS”) software to identify weaknesses in advances which is escalated to relevant officers and branches of our Bank. Our lending products are sanctioned basis standard operating procedures. Our advances with exposure of ₹ 250.00 million or more are monitored on a daily basis. These prudent risk management controls, policies, and procedures that we currently have and continuously evaluate to improve, are critical for the long-term sustainable development of our business. We regularly assess and update these policies and procedures to align with statutory changes as well industry standards. We have implemented risk management procedures for our credit exposures, including credit scoring, risk based pricing models, risk monitoring and control mechanisms. As of March 31, 2021, we have 58.00% of our outstanding loan value with less than 12 month tenures including working capital facilities renewable annually, 18.00% of our outstanding loan value with a tenure of 12-60 months and 24.00% with a

tenure of more than 60 months. As of March 31, 2021, our average loan outstanding per branch is ₹ 619.67 million.

Consistent financial performance

Our diversified portfolio, increasing market penetration across rural and semi-urban regions and focus on asset quality has enabled us to ensure consistent financial performance over the years. We also focus on increasing our digital footprint which in turn has improved our operational processes that has reduced our costs and resulted in improving the profitability of our Bank. Our total income increased at a CAGR of 8.11% from ₹ 36,387.98 million in Fiscal 2019 to ₹ 42,534.02 million in Fiscal 2021. Our NIM has consistently grown over the years with an increase of 3.65 % to 3.77% from Fiscal 2019 to Fiscal 2021 at a CAGR of 1.63%. Our cost to income percentage has reduced from 46.23% in Fiscal 2019 to 44.90% in 2021 at a CAGR of (1.45)%. As per the CRISIL Report we had the second highest Net Profit for Fiscal 2021 amongst our Peers, and our Return on Assets was also higher at 1.3% compared to a median 0.7% for our Peers for Fiscal 2021. In terms of a Return on Equity, our Bank had a ratio of 14.1% in Fiscal 2021, as compared to our Peers who reported a median of 8.5% (Source: CRISIL Report).

PAT of our Bank increased at a CAGR of 52.75% from ₹ 2,585.8 million in Fiscal 2019 to ₹ 6,033.3 million in Fiscal 2021. ROE of our Bank increased at a CAGR of 38.41% from 7.36% in Fiscal 2019 to 14.10% in Fiscal 2021. ROA of our Bank increased at a CAGR of 40.38% from 0.68% in Fiscal 2019 to 1.34% in Fiscal 2021. Total deposits of our Bank increased at a CAGR of 8% from ₹ 351,362.47 million in Fiscal 2019 to ₹ 409,704.16 million in Fiscal 2021. The ratio of CASA deposits to total deposits increased from 24.64% in Fiscal 2019 to 28.52% in Fiscal 2021 at a CAGR of 12.48%. Total advances of our Bank increased at a CAGR of 8.05% from ₹ 270,186.6 million in Fiscal 2019 to ₹ 315,410 million in Fiscal 2021.

Key Strategies

Continue to strengthen our product portfolios across deposits and advances

Our growth in the past few years has been driven by strong understanding of the needs and expectations of our RAM customers. Our RAM Portfolio has increased from ₹ 206,951.77 million in Fiscal 2019 to ₹ 274,673.88 million in Fiscal 2021 at a CAGR of 15.21%. We have higher growth potentials in geographies where we exist such as in the State of Tamil Nadu and Gujarat which have lower bank credit to GDP ratios that are indicative of opportunities for banks (Source: CRISIL Report) and with our presence in the rural and semi-urban markets, we are well positioned to continue attracting higher proportion of RAM customers. Our long terms growth strategy is aligned to the RBI guidelines of Priority Sector Lending (“PSL”) which encourages inclusive lending policies, targeted at retail customers from weaker sections, agriculture and MSME customers who are covered under priority sector. Therefore, our focus is on boosting the RAM loan book through SME loan, house loans, car loan, personal loan, Loan Against Property (“LAP”) and pensioner’s loans, jewel loan, agricultural loan and good quality mid-corporate segment loans on selective basis.

We will continuously focus on exploring and introducing new and customized fee-based products in connection with our centenary anniversary and strategies like TMB win-back campaign in addition to our existing products such as ‘TMB Home Loan’, ‘TMB Affordable Home Loan’, ‘TMB Mahalir’, and ‘TMB Tractor’. We will also focus on improving experience of already available products as well as more tie ups with strategically identified third parties and leveraging our deep market expertise and relationships to leverage cross-selling opportunity, to grow deposits, improve advances sector wise and grow our fee-based income.

We also aim to expand the branch-wise targets by opening new Retail Assets Central Processing Centres (“RACPCs”) with dedicated home loan sales teams posted at these locations to drive further home loan portfolio growth. As of June 30, 2021, our Bank has one RACPC located at Chennai, Tamil Nadu, to which 36 branches of our Bank are linked. The housing loan portfolio of these 36 branches grew from 1,343 accounts with an outstanding amount of ₹ 2,457.85 million as on March 31, 2019 to 1,618 accounts with an outstanding amount of ₹ 3,467.79 million as on June 20, 2021.

We are also focussed on diversifying our product portfolio so as to gain more customers and increase our market share. We will continue to expand our relationship banking facilities to increase our network. We intend to focus more on fee based products such as issuing debit cards, credit cards, general insurance, life insurance, online bill payment services, depository services, government schemes, e-stamping and bill payments to our existing as well as new customers. We have introduced individual targets to increase income arising through cards, locker

system, PoS machine and any third party products. We are also promoting investments in sovereign gold bonds floated by the RBI. We are also aiming to mobilise opening new accounts under the Atal Pension Yojana and National Pension Schemes. We aim to identify potential clients in the import/export industry to augment our bill collection and forex transaction turnover. We also focus on maximizing our revenue through our treasury operations to increase our profit on exchange, profit on sale of investments and income on investments.

Our income from fee based products has increased from ₹ 1,487.07 million in Fiscal 2019 to ₹ 1,700.00 million in Fiscal 2021 at a CAGR of 6.92%. With an endeavour to boost our revenue from fee based products, we continue to tie up with various financial and other institutions such as United India Insurance, Life Insurance Corporation, UTI Mutual Fund, Reliance Mutual Fund, Religare Securities Limited, and Stock Holding Corporation of India Limited. We also plan to focus on and develop this revenue stream further by scaling up our promotion of the insurance and mutual fund products in our Bank’s digital platforms apart from dedicated business campaigns. We have also entered into an agreement with HDFC Bank Limited and IDBI Bank Limited in relation to acceptance of instruments, like cheques and demand drafts at locations where our Bank does not have its branches.

Since the past two years, we have specifically focused on increasing our retail term deposit base by introducing specific programs like “TMB–My Bank” which is an employee performance based incentive program. Our branches have focussed on increasing the retail deposits by catering to the needs of our existing customers and introducing products beneficial to each customer type. We also aim to increase our CASA accounts by sourcing new accounts on value based CASA accounts and augment CASA deposits by revamping our existing CASA products to cater segment growth. These initiatives are designed to enhance our existing market share and gain more customer base in various sectors in addition to the RAM portfolio, in regions where we already exist.

Transformation through technology to improve efficiency and customer experience

We believe that the increased availability of internet access and connectivity across India requires a comprehensive technology-driven strategy to proactively develop new methods of reaching our customers and running our businesses. Our technology-driven strategy is focused on acquiring new customers by enhancing customer experience through our digital interfaces. Our technology focus is also intended to enhance our loan approval capabilities, reduce overall turnaround time, and facilitate maintaining and developing long-term customer relationships by allowing our customers to interact with us and access their accounts from the comfort of their personal space.

We invest in technology as a means of improving our customers’ experience, offering them a range of products tailored to their financial needs and making it easier for them to interact with us. While we have introduced internet and mobile banking to our customers around 10 years ago, we continue to launch better interfaces and platforms for ease of our customers to access and use our varied product portfolio and services. We have approximately 0.23 million customers using our internet banking facilities who made 9.45 million transactions, and approximately 0.68 million customers using our mobile banking facilities who made 20.16 million transactions, as of March 31, 2021. We constantly aim to upgrade our systems to match our customer demands and satisfy the needs of our diverse customer base.

The following table provides certain information in relation to the digital and branch transactions for the past three years:

Year	Digital			Branch		
	Number of transactions	Value (in ₹ million)	Percentage of Total Transactions (%)	Number of transactions	Value (in ₹ million)	Percentage of Total Transactions (%)
Fiscal 2019	45,170,394	61,324	56.7%	34,521,358	408,625	43.3%
Fiscal 2020	69,956,676	80,164	66.8%	34,789,651	428,929	33.2%
Fiscal 2021	98,485,069	102,004	76.4%	30,502,933	421,355	23.6%
CAGR	47.7%	29.0%		(6.0%)	1.5%	

Our aim is to foster continued investment and innovation towards improved network security technology and architecture by adopting the “phygital” approach to sustainable and scalable growth. Our focus is on the simplicity of our products and services and our interface is designed for ease of use for all customers, including our customers in rural and semi-urban regions, supported by strengthened and automated backend processes.

We currently provide a range of options for customers to access their accounts, which include through internet banking as well as mobile banking. We launched a mobile application as well. We offer a convenient and secure application, TMB DigiLobby, for our customers to view all their account balances & transactions on their mobile device for each customer id. Customers may also create a personal ledger using the application and transactions, which can be linked to the personal ledger to view the transactions breakup separately. We also have a comprehensive integrated online fee payment system, TMB Fee Pay, for educational institutions, which enables educational institutions to collect their fees from students through multiple modes. We are exploring investment in technology platforms which provide early warning signals for stressed assets, and in customer relationship management systems, peripheral systems which would integrate our systems with that of our various business partners for origination and other operational functions, and alternate channels such as corporate internet banking, Point of Sale (“POS”) facility, and payment system interfaces. We continue to focus on creating efficient Management Information Systems (“MIS”) and data analytics practices to monitor our portfolio and get actionable insights to help drive efficient decision making. We also continue to invest in our cyber security network and privacy protection systems, in order to supplement our growth and increase the robustness of our data security framework. Our operational initiatives also provide us with insights into our customers, enabling us to cater to their needs in a customised manner.

Continue to improve asset quality

Our aim is to continuously monitor and improve asset quality by focusing on secured advances, high loan to value ratio, diversification across loan book tenures, low concentration across branches and more stringent audit procedures for sanction of the loans specifically focusing on higher value loans. Our risk assessment, mitigation and management measures towards reducing NPAs and managing our stressed assets portfolio is particularly important to us, given our focus on our RAM portfolio.

Apart from continuously monitoring our loans during their tenure, we also conduct various audit processes such as stock audits on working capital facilities, with exposure of ₹ 30.00 million or above in both fund and non-fund based accounts. Further, we conduct credit audits on our loan accounts with exposure of ₹ 30.00 million or above. Our pre-disbursement approval procedure is also quite detailed with specific audits and procedures to be conducted in exposure of ₹ 30.00 million or above. We aim to introduce more follow ups for compliances of our existing and new loans and introduce peer review of our approved loans to ensure that our asset quality continues to maintain and improve further.

We also intend to reduce our NPAs by continuing to offer various schemes of settlement to address the issues specifically faced by small ticket borrowers. Further, we propose to boost NPA recovery through one-time settlements, and monitoring of small value NPA accounts. We will continue our focus on establishing and maintaining comprehensive strategies to achieve NPA targets by operating a dedicated credit recovery department and a region- wise cluster based oversight mechanism.

We maintain provisions to account for any NPA and write offs including technical/prudential write-offs. At the same time, we aim to ensure that there is strict adherence to underwriting processes and standard operating procedures which are issued for each product offerings.

Recent Developments – Impact of COVID-19

The World Health Organization declared the 2019 novel coronavirus (“COVID-19”) outbreak a Public Health Emergency of International Concern on January 30, 2020, and a pandemic on March 11, 2020. Further, on March 14, 2020, India declared COVID-19 as a “notified disaster” and imposed a nationwide lockdown announced on March 24, 2020. Lockdowns remain in force in many cities, with progressive relaxations being granted for movement of goods and people and cautious re-opening of businesses and offices, with a possibility that lockdowns may be re-introduced or extended in the future. However, banking services were determined to be operating in an essential industry, which allowed us to continue our operations at majority of our banking outlets during the nationwide lockdown with limited workforce and other safety measures. The COVID-19 pandemic has caused substantial disruption to the global economy and created significant volatility and disruption in financial markets.

In order to address the financial implications of the COVID-19 pandemic, central banks around the world, including India, have taken monetary, fiscal and administrative measures. The RBI has issued guidelines on March 27, 2020, April 17, 2020 and May 23, 2020 in an effort to contain the impact of the COVID-19 pandemic on the financial services sector. Under these guidelines, all term loans are eligible for moratoriums on

instalments and working capital facilities on interest due during a period of six months, *i.e.*, from March 1, 2020 until August 31, 2020 by the RBI, contingent on the lending institutions satisfying themselves that the same was necessitated on account of the economic fallout from COVID-19. Such moratorium period shall be excluded by the lending institutions for calculating the number of days past-due for the purpose of asset classification under the income recognition and asset classification norms prescribed by the RBI, in respect of all accounts classified as standard as on February 29, 2020. In line with these guidelines, we have provided a moratorium to eligible borrowers, even if overdue, as on February 29, 2020, on the payment of all principal amounts and/ or interest, as applicable, falling due between March 1, 2020 to August 31, 2020, resulting in a decline in our collections during such period. As per the RBI's directions, interest accrues during the moratorium period on the outstanding portion of term loans. Litigation challenging the accrual of interest during the moratorium period on principal repayments and interest payments was brought before the Supreme Court. The Supreme Court by its interim order dated September 3, 2020, also directed banks that accounts that were not declared as NPAs as of August 31, 2020 shall not be declared as NPAs until further orders, pending disposal of the case by the Supreme Court. On March 23, 2021, the Supreme Court directed that the interim order granted on September 3, 2020 to not declare the accounts of borrowers as NPAs stands vacated. As per the RBI's notification dated April 7, 2021, for the period commencing September 1, 2020, asset classification for all such accounts shall be as per the applicable RBI asset classification norms.

The Indian economy, which was just beginning to warm up, was impacted by the second COVID-19 wave. The second wave and the resultant localised lockdowns have impeded the path to economic recovery. Situations like forced lockdown in states led to hurtful sentiments among consumers and a decline in business confidence. While the second wave has abated, the risks of another wave and vaccination drives would lead to the states being wary of fully unlocking. Consequently, it is estimated that the GDP growth for India is at 9.5% for the Fiscal 2021. Two engines of growth – private consumption and investment have been evidently hit by the second wave. It is expected that the lockdown restrictions will continue and mobility will remain affected till August. Further, with the second wave adversely impacting India's economic recovery amid inflationary pressures, the rupee may weaken against the dollar (*Source: CRISIL Report*).

For further information on the moratorium benefit that has been extended in accordance with the COVID-19 Regulatory Package issued by the RBI, see "*Financial Statements – Annexure 21 – Note J(xii)*" on page 250. The Supreme Court vacated its earlier order on NPA accounts on March 23, 2021. The RBI subsequently released a circular on April 7, 2021 that provided instructions to all lending institutions on asset classification for borrower accounts. Accordingly, our Bank shall refund/adjust 'interest on interest' to all borrowers including those who had availed working capital facilities during the moratorium period, irrespective of the moratorium being fully or partially availed or not availed. For further details, see "*Financial Statements – Annexure 21 – Note J(xii)*" on page 250.

Strategic commercial relationships – expanding customer reach and increasing brand recognition

We have established commercial relationships with a variety of entities for product portfolio expansion and greater customer awareness. We have entered into a service agreement with independent agencies for E-Surveillance services, personalized cheque book printing and envelopes, and a mobile ATM vehicle agreement.

Further, to improve the visibility of our Bank, we have entered into a service level agreement with an agency that has expertise in creating content and providing social media marketing services.

See “– Marketing” on page 133 below for more information.

Risk Management Policy

Operational Risk has been identified as one of the major risks faced by Banks in the wake of increasing complexities of operations. Managing risk effectively is fundamental to the way we manage our business. The RBI guidelines have mandated banks to implement the operational risk management requirements. We have adopted various risk management policies, including operational risk management policy, credit risk management policy, credit risk mitigation techniques and collateral management policy, foreign exchange risk management policy, market risk policy, fraud risk management policy and model risk policy.

Our operational risk management policy has been adopted to reduce the operational losses by adopting various mitigation techniques and enhancing stakeholder value by improving our Bank's competitive strategies. The objective will be achieved by effectively identifying, assessing, monitoring and mitigating these risks.

Our credit risk management policy provides for the effective management of credit risk, necessary for long term success of our Bank. It encompasses identification, measurement, monitoring and mitigating of credit risk exposure.

Our credit risk mitigation techniques and collateral management policy serves as the guideline for management of collaterals accepted/proposed to be accepted by our Bank, against an existing/proposed exposure, so that Bank's interests, rights and capital are protected. It also serves as a guide for addressing and mitigating the various risks including Credit Risk and Residual risks arising out of collaterals accepted by our Bank.

Our foreign exchange management risk policy pertains to the risks that our Bank may be exposed to in the conduct of foreign exchange business, such as, (i) operational risk; (ii) exchange rate risk; (iii) credit risk; (iv) country risk; (v) interest rate risk; and (vi) liquidity risk.

Our fraud risk management risk policy aims to protect/mitigate the loss/damage that may be caused to our Bank by an act of fraud. It seeks to strengthen the existing systems and procedures and also create awareness amongst the staff/office members of our Bank.

Additionally, our Bank also has the following policies for better management of our Bank: (i) asset liability management policy; (ii) disclosure policy; (iii) stress testing policy; and (iv) funds transfer pricing policy.

Our Bank has a strong internal control system, by which all employees are made aware of best practices and shall recognize the need to communicate to the appropriate level of management any instances of non-compliance with policy violation or any illegal actions. Our Bank has also constituted a risk management committee to effectively take decisions for handling and mitigating any risks we may face.

NPA Recovery Strategy

We follow the RBI guidelines and our Board-approved recovery policy for one time settlements and out of court settlement of debts. Our recovery policy deals with treatment of impaired assets in various businesses. We rely on the provisions of the IBC and the SARFAESI Act for NPA recovery. Additionally, we conduct training programmes on recovery for NPAs and recognise 'Recovery Champions' in our regional offices and branches who upgrade soft NPA accounts within a period of one month from the date of NPA recognition. Due to the COVID-19 pandemic, we have conducted a conclave of Recovery Champions through virtual mode for Thoothukudi & Tirunelveli Region on December 23, 2020 and for Madurai, Tiruchirapalli and Coimbatore Region on December 24, 2020. We have given thrust for recovering soft NPA accounts and focussed on role of Recovery Champions for field level recovery & up-gradation of soft NPA accounts. In order to avoid fresh slippages into NPAs, we actively monitor our loans through early warning signal mechanisms. As of June 30, 2021, we had 71 branches with 'Nil' NPAs and 187 branches with single digit NPAs which accounts for 50.68% of our total branches.

Credit Rating

We have put in place an internal credit rating mechanism for our corporate and MSME segment which uses various models depending on the type of borrower, such as, NBFCs, etc. In addition to internal ratings, we also refer to external ratings from approved credit rating agencies in case of certain loan accounts. Since 2008, our Bank has introduced eight rating models based on the credit limits that were developed to cover our Advances portfolio. Subsequently, rating models for new ventures engaged in trading/services and manufacturing were introduced and a rating model for asset class "Banks" was introduced.

A scoring model named CRESS has been implemented by us since June 2014 with four models catering to Home Loan, Car Loan, Personal Loan and Small Business Loan. Based on the purpose of the loan, particular branches are required select the appropriate models and indicate scoring under CRESS at the entry level.

In case of loans with credit limits above ₹ 10.00 million, we have implemented a RAM rating model since July 2014 with seven models (SME Service, SME Traders, SME Manufacturing, Large Corporate, NBFC, Infrastructures - Road and Infrastructure - Power).

The internal credit rating of the commercial borrowers are done by using CRRM rating for the loans and advances with credit limits up to ₹ 10.00 million except advances against financial collaterals and other exempted categories of advances. The CRRM rating model categorizes the borrowing accounts having credit limits up to ₹ 10.00 million under nine rating grades and risk grades.

Marketing

We market our products through a variety of channels, including social media, involving floor support executives at branches to assist and generate new business from walk-in customers. To enhance the visibility of our brand, we advertise by using pamphlets and displaying banners in prominent locations in the vicinity of branches. We have entered into a service level agreement with an agency that has expertise in creating content and providing social media marketing services. Our social media campaign #ForwardTogether was managed by this agency on several social media channels for the promotion of our various products.

Information Technology

To ensure a robust and secure technology platform for our Bank, suitable internal policies such as the information security policy, information network policy and information procurement policy have been put in place. The information security policy further lays down a set of standards and procedures in relation to data leakage, network security, incident response management.

Additionally, under the information technology policy, the configuration management, data protection and retention, electronic data retention and archival policies are being enforced. These policies will configure all IT Systems of our Bank for high security, reliability and stability; protect identified data in all phases of its life cycle and cover businesses critical applications where customer account and transactional data is handled as part of our routine operations including Core Banking, Internet Banking, Mobile Banking, ATM, RTGS/NEFT and e-Mail systems. All the remote access devices attached to our Bank's systems shall be appropriately configured/patched in a timely manner and strictly controlled. In addition to the Information Technology Policy, we have implemented certain policies which are reviewed every year, including, the information security policy, cyber security policy, IT network policy, policy on issuance of debit card, policy on merchant acquisition, credit card policy and E-Waste Policy.

Additionally, we are also in the process of implementing a Service Level Agreement (SLA) Management Policy under our information technology policy covering the outsourced business critical IT services of our Bank. The SLAs shall specify performance requirements, establish accountability of service providers by which vendor performance shall be monitored, recorded and reviewed against the defined performance requirements to ensure continuous availability of such services.

Cyber Security

We have adopted a cyber-security policy that aims to mitigate the risks from cyber threats. We shall follow an up-to-date inventory of customer data and information as well as maintain an inventory of authorized software. We shall protect customer access credentials against leakages and attacks and ensure all information related to customer identification is kept secure. A risk based transaction monitoring process shall be implemented as part of fraud risk management across all delivery channels. Security incidents having noticeable impact on customer service shall be reported to applicable authorities. We shall take proactive measures to ensure that our systems are adequately protected against external threats such as increasing security awareness amongst our users, employees and management by educating them about the cyber security risks and protection measures at their level.

We have a Cyber Security Operations Centre (“CSOC”) to constantly monitor the IT environment. CSOC helps us to protect critical information infrastructure and comply with the governance, legal and regulatory

requirements. All alerts generated from CSOC operation of our Bank are to be shared with the respective IT teams and the IT teams act swiftly to avert untoward incidents.

Insurance

We maintain insurance policies customary for our industry to cover certain risks, including deposit insurance, group life insurance, group health insurance, group personal accident insurance and directors' and officers' liability insurance.

We consider our current insurance coverage to be adequate and in accordance with industry custom, including the terms of and the coverage provided by such insurance. Our insurance might not necessarily cover all losses incurred by us and we cannot provide any assurance that we will not incur losses or suffer claims beyond the limits of, or outside the relevant coverage of, our insurance policies. For further details, see "*Risk Factors – Our insurance coverage may be inadequate to cover claims. If we incur substantial uninsured loss or loss that exceeds our insurance coverage, it could have an adverse effect on our business, cash flows, results of operations and financial condition*" on page 39.

Corporate Social Responsibility

We have adopted a Corporate Social Responsibility ("**CSR Policy**") in compliance with the requirements of the Companies Act, 2013 and the Companies (Corporate Social Responsibility) Rules, 2014 notified by the Central Government and as amended from time to time. The CSR policy of our Bank aims to identify and support all projects/programs undertaken as part of our Bank's corporate social responsibilities within the framework of Schedule VII of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014.

We have a Board approved CSR policy to undertake activities to contribute to the overall progress of the society, people and the environment while aligning the same with the general policy prescription of the government of India in the matter of growth and development.

The overall CSR budget for each year is fixed by our Board of Directors, to not be lower than 2% of the average annual net profit of the preceding three years. In Fiscals 2020 and 2021, our Corporate Social Responsibility expenditure was ₹ 79.80 million and ₹ 86.30 million, respectively, which were primarily applied towards CSR projects undertaken by our Bank by providing RO plants to schools, by donating for construction of toilets, setting up bore-wells in schools, healthcare and sanitation facilities and donating to the Chief Minister Relief Fund and PM Cares Fund.

** MD & CEO, Vice President and Internal Ombudsman

We focus on enabling a motivated workforce and creating an ambience of organizational culture to help personnel become competent professionals. We have human resource policies in place with the same objectives. The implementation and compliance of our Banks's policy is a key responsibility of all its executives. General Managers, Regional Managers, Branch and Departmental Heads are responsible for overseeing its compliance and implementation.

Our objective is to maintain a harmonious relationship with our staff at all levels and in pursuance thereof, we have entered into a memoranda of settlement with two recognised associations for workmen and officers namely Tamilnad Mercantile Bank Employee's Association and Tamilnad Mercantile Bank Officers' Association.

We recognize the need for a qualified and skilled staff and recruit personnel with appropriate academic qualifications through a fair and transparent manner. With the emerging banking scenario, we may recruit personnel with specialisation in areas like Investment, Forex, Treasury, Agriculture, Information Technology, Security, Company Secretaryship, and Law and place them at appropriate places to enhance the knowledge base of the organisation.

We provide training programmes, on a comprehensive matrix of areas such as, Business Skills, Finance and Resource Management, HRD, Knowledge Management, Marketing and Information Technology, to enhance the analytical, functional and soft skills of our employees.

Competition

The banking industry in India is highly competitive and we face strong competition in all our principal lines of business. Our primary competitors are public sector banks and private sector banks. Many of our competitors have, over time, built extensive branch networks, providing them with the advantage of a low cost deposit base, and enabling them to lend at competitive rates. In addition, the extensive geographic reach of many of these institutions enables product delivery in remote parts of the country. Further, the Indian banking sector has undergone significant reforms over the last few years; there has been a significant increase in competition from the emergence of financial technologies companies and payment banks due to technological advancement and tech-savvy human resources. We seek to compete with these banks through value added services, faster customer service response, quality of service, a growing inter – connected branch network and delivery capabilities based on enhanced technology. Peers in the industry have been identified as all listed old private sector banks with Total Business size of at least ₹ 200 billion. (Source: CRISIL Report) Other private sector banks also compete in the corporate banking market on the basis of pricing, efficiency, service delivery and technology. Our competition primarily entails issues of variety, pricing and quality of products and services, convenience of banking facilities, reach of distribution network and brand recognition, as well as information technology capabilities.

Intellectual Property

In Fiscal 2019, the tagline in our Bank's logo has been changed to "Be a step ahead in life" from "Be a step ahead of life".

An application has been made for the logo by our Bank, which is currently pending for registration in our name under Class 36 as per the Trade Marks Act, 1999.

For further details, refer to section "*Government and Other Approvals*" on page 304.

Properties

Our Banks's registered office and corporate office is located at 57, V.E. Road, Thoothukudi - 628002 and is owned by us.

Our policy on leasing premises pertains to the undertaking of activities such as selection of leased premises, security, acquisition of premises on lease/rental basis for branch/office use and for launching ATMs, surrendering of premises, renewal of lease deed with enhancement in rent.

As of June 30, 2021 we have branches in 16 states and 4 Union Territories of which 465 of our branches and 10 offices are all leased from third parties. Our upcoming branches and projects will also be typically located on leased properties.

KEY REGULATIONS AND POLICIES

The following is a brief overview of certain specific Indian laws and regulations, which are relevant to our Bank's business. The information detailed below has been obtained from various legislations, including rules, regulations, guidelines and circulars promulgated and issued by regulatory bodies that are available in the public domain. The overview set out below is not exhaustive and is only intended to provide general information, and is neither designed, nor intended, to be a substitute for professional legal advice. For details of the government approvals obtained by our Bank in compliance with these regulations, see "Government and Other Approvals" beginning on page 304. The statements below are based on the current provisions of Indian law, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

The primary legislation governing banking companies in India is the Banking Regulation Act. The provisions of the Banking Regulation Act are, in addition to and not, save as expressly provided under the Banking Regulation Act, in derogation of the Companies Act, 2013 and any other law currently in force. Other laws governing banking companies include the Reserve Bank of India Act, 1934, the Negotiable Instruments Act, 1881, the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 and the Bankers' Books Evidence Act, 1891. Additionally, the RBI, from time to time, issues guidelines, circulars, directions, and policies relating to our businesses. Our Bank is regulated by various regulators, including but not limited to, SEBI and the RBI.

Some of the key rules and regulations governing our Bank's functioning are enumerated below:

The RBI Act

The RBI Act provides a framework for supervision of banking firms in India. The RBI Act was passed to constitute the Reserve Bank of India to, *inter alia*, regulate the issue of bank notes and keeping of reserves with a view to securing monetary stability in India and generally to operate the currency and credit system of the country. RBI may, subject to certain conditions, direct the inclusion or exclusion of any bank from the second schedule of the RBI Act. Banks are added to the second schedule of the RBI Act by way of a notification in the Gazette of India, in accordance with Section 42(1A) of the RBI Act. Scheduled banks are required to maintain cash reserves with the RBI which is required to be a percentage of the banks total demand and time liabilities. In this regard, RBI may stipulate an average daily balance requirement to be complied with by such banks and may direct that such banks regard a transaction or class of transactions as a liability for the purposes of computation of the cash reserve to be maintained. Further, RBI may direct any banking company to submit returns for the collection of credit information and may also furnish such information to a banking company upon an application by such company. RBI has the power to impose penalties against any person for, *inter-alia*, failure to produce any book, account or other document or furnish any statement, information or particulars which such person is duty-bound to produce or furnish under the RBI Act, or any order, regulation or direction thereunder.

Banking Regulation Act

Banks in India are required to obtain a license from the RBI to carry on the banking business in India. Such licenses are granted to banks subject to RBI ensuring that the company will be in a position to pay its present and future depositors, public interest will be served and the company has adequate capital structure and earning prospects.

The RBI has the power to cancel the license if a bank fails to meet the conditions or if the bank ceases to carry on banking operations in India. Additionally, the RBI has issued various reporting and record-keeping requirements for such commercial banks. The appointment, re-appointment or termination of the auditors of the banks is subject to the approval of the RBI. The RBI can direct a special audit in public interest, or in the interest of the banking company, or in the interest of its depositors. It also sets out the provisions in relation to the loan granting activities of a banking company.

The Banking Regulation Act specifies the business activities in which a bank may engage. Banks are prohibited from engaging in business activities other than the specified activities. As per the Banking Regulation Act read with the gazette notification DBR.PSBD. No. 1084/16.13.100/2016-17 dated July 21, 2016, there is a limit of 26% on voting rights in respect of private sector banks. Pursuant to amendments to the Banking Regulation Act in January 2013, private sector banks are permitted, subject to the guidelines framed by the RBI, to issue perpetual, redeemable or irredeemable preference shares in addition to ordinary equity shares.

Section 19(2) of the Banking Regulation Act restricts a banking company from holding shares in any company, whether as pledgee, mortgagee or absolute owner, of an amount exceeding 30% of the paid-up share capital of that company or 30% of its own paid-up share capital and reserves, whichever is less, except as provided in subsection (1) of Section 19 of the Banking Regulation Act.

Further, the RBI requires the banks to create a reserve fund to which it must transfer not less than 20% of the net profit before appropriations. In terms of Section 17(2) of the Banking Regulation Act, if there is an appropriation from this account or the share premium account, the bank is required to report the same to the RBI within 21 days, explaining the circumstances relating to such appropriation. However, in terms of the RBI dated September 20, 2006, banks are advised in their own interest to take prior approval from the RBI before any appropriation is made from the statutory reserve or any other reserves.

Certain amendments also permit the RBI to the Banking Regulation Act in 2013 to establish a 'Depositor Education and Awareness Fund', which will take over any credit balances in any account in India with a banking company which has not been operated upon for a period of 10 years or any deposit or any amount remaining unclaimed for more than 10 years.

The amendments also confer power on the RBI (in consultation with the central government) to supersede the board of directors of a banking company for a period not exceeding a total period of 12 months, in public interest or for preventing the affairs of the bank from being conducted in a manner detrimental to the interest of the depositors or any banking company or for securing the proper management of any banking company.

The appointment, re-appointment, or termination of the appointment of a chairman, managing director or whole-time director, manager, chief executive officer of a bank shall have effect only if it is made with the prior approval of the RBI. Further, no amendment in relation to the maximum number of permissible directors, remuneration of the chairman, managing director, whole-time director or any other director, manager, chief executive officer shall have effect unless approved by the RBI. RBI is also empowered to remove a chairman, director, chief executive officer or other officer or employee from office on the grounds of public interest, interest of depositors or securing the proper management. Moreover, RBI may order meetings of the board of directors to discuss any matter in relation to the bank, appoint observers to such meetings, make such changes to the management as it may deem necessary, and may also order the convening of a general meeting of the bank's shareholders to elect new directors.

Banking companies are restricted from granting loans or advances on the security of its own shares, enter into any commitment for granting any loan or advance to or on behalf of:

- (i) any of its directors;
- (ii) any firm in which any of its directors is interested as partner, manager, employee or guarantor;
- (iii) any company which is not a subsidiary of the banking company, a company registered under Section 25 of the Companies Act, 1956 or Section 8 of the Companies Act, 2013, a government company, a subsidiary or a holding company of which any of the directors of the banking company is a director, managing agent, manager, employee or guarantor or in which the director holds substantial interest; or
- (iv) any individual in respect of whom any of its directors is a partner or a guarantor.

The RBI may impose penalties on banks, directors and its employees in case of infringement of regulations under the Banking Regulation Act. The penalty may be a fixed amount or may be related to the amount involved in the contravention. The penalty may also include imprisonment of the concerned director or employee. Banks are also required to disclose the penalty in their annual report.

RBI is empowered under the Banking Regulation Act to call for certain information from a bank as well as to inspect a bank. RBI monitors prudential parameters at periodic basis.

Regulations governing the opening of new branches

Further, Section 23 of the Banking Regulation Act requires banks to obtain prior permission of the RBI to open new branches. The RBI issues instructions and guidelines to banks on branch authorization from time to time, including guidelines allowing banking companies to open new branches, closure, shifting of branches/ extension counters/ ATMs etc. The RBI notified the Rationalisation of Branch Authorisation Policy- Revision of Guidelines for 'Opening of new place of business and transfer of existing places of business' ("**Revised**

Guidelines”) on May 18, 2017, which allowed domestic scheduled commercial banks (other than regional rural banks), unless otherwise specifically restricted by RBI, to open branches in tier 1 to tier 6 centres without prior permission from RBI, subject to the conditions laid down by RBI.

The RBI has introduced the concept of ‘banking outlets’ which, among other things, includes satellite offices, part-shifted branches, extension counters, ultra-small branches and specialised branches, subject to their satisfying the conditions set out in the Revised Guidelines. A ‘banking outlet’ is defined as a fixed point service delivery unit, manned by either bank’s staff or its business correspondent where services of acceptance of deposits, encashment of cheques / cash withdrawal or lending of money are provided for a minimum of four hours per day for at least five days a week. Banks may also shift, merge or close all branches except rural branches and sole semi-urban branches. Rural branches and sole semiurban branches can also be closed subject to certain conditions. The board of directors of such banks have been given the overall responsibility to ensure that all the guidelines are complied with.

The RBI has further stipulated that the banks are required to open at least 25% of the total number of branches opened during a fiscal in unbanked rural (tier 5 and tier 6) centres. Further, RBI has permitted installation of on-site and off-site ATMs at centres identified by banks, without specific permission from the RBI. Banks are also required to periodically report details of the banking outlets opened/closed/shifted to RBI.

Capital adequacy requirements

RBI has issued guidelines based on the Basel III reforms on capital regulation on May 2, 2012, to the extent applicable to banks operating in India. The Basel III capital regulation has been implemented from April 1, 2013 in India in a phased manner and was scheduled to be fully implemented by April 1, 2021. However, the last tranche of such implementation has been further deferred until October 1, 2021, as specified below. Banks have to comply with the regulatory limits and minima as prescribed under Basel III capital regulations on an ongoing basis. The table below summarizes the capital requirements under Basel III guidelines for banks in India:

Sr. No.	Regulatory Capital	As % of Risk Weighted Assets
1.	Minimum Common Equity Tier-I Ratio	5.50%
2.	CCB (comprised of Common Equity)	2.50%
3.	Minimum Common Equity Tier-I Ratio plus Capital Conservation Buffer (i)+(ii)	8.00%
4.	Additional Tier-I Capital	1.50%
5.	Minimum Tier-I Capital Ratio (i) +(iv)	7.00%
6.	Tier-II Capital	2.00%
7.	Minimum Total Capital Ratio (MTC) (v)+(vi)	9.00%
8.	Minimum Total Capital Ratio plus Capital Conservation Buffer (vii)+(ii)	11.50%

To ensure smooth transition to Basel III, appropriate transitional arrangements have been provided for meeting the minimum Basel III capital ratios, full regulatory adjustments to the components of capital etc. Consequently, in accordance with the master circular on “Basel III Capital Regulations” dated July 1, 2015, capital ratios and deductions from common equity were to be fully phased-in and implemented as on March 31, 2019. In view of the gradual phase-in of regulatory adjustments to the common equity component of Tier-I capital under Basel III, certain specific prescriptions of Basel II capital adequacy framework (e.g. rules relating to deductions from regulatory capital, risk weighting of investments in other financial entities etc.) continued to apply to the remainder of regulatory adjustments not treated in terms of Basel III rules, till March 31, 2017.

However, the RBI through its notification dated January 10, 2019, has deferred the implementation of the last tranche of 0.625% of CCB from March 31, 2019 to March 31, 2020. Accordingly, minimum capital conservation ratios as applicable from March 31, 2018 (1.875%) was to be applicable from March 31, 2019 till the CCB attains the level of 2.50% on March 31, 2020.

In view of the continuing stress on account of COVID-19 and in order to aid in the recovery process, RBI has furthered deferred the implementation of the last tranche of 0.625 per cent of the CCB by way of the following notifications:

- (i) from March 31, 2020 to September 30, 2020, through its notification dated March 27, 2020;
- (ii) from September 30, 2020 to April 1, 2021, through its notification dated September 29, 2020; and

- (iii) from April 1, 2021 to October 1, 2021, by way of circular dated February 5, 2021 (bearing number RBI/2020-21/93 DOR.CAP.BC.No.34/21.06.201/2020-21). Accordingly, the minimum capital conservation ratios in para 15.2.2 of Part D ‘Capital Conservation Buffer Framework’ of Master Circular dated July 1, 2015 on ‘Basel III Capital Regulations’, shall continue to apply till the CCB attains the level of 2.5 per cent on October 1, 2021. Further, the pre-specified trigger for loss absorption through conversion/write-down of Additional Tier 1 instruments (PNCPS and PDI) shall remain at 5.5% of RWAs and will rise to 6.125% of RWAs from October 1, 2021.

A bank shall comply with the capital adequacy ratio requirements at two levels:

- the consolidated (group) level - capital adequacy ratio requirements, which measure the capital adequacy of a bank based on its capital strength and risk profile after consolidating the assets and liabilities of its subsidiaries / joint ventures / associates etc. except those engaged in insurance and any non-financial activities; and
- the standalone level - capital adequacy ratio requirements, which measure the capital adequacy of a bank based on its standalone capital strength and risk profile.

The overseas operations of a bank through its branches will be covered in both the above scenarios.

The RBI has thereafter issued revisions to the Master Circular - Basel III Capital Regulations dated July 1, 2015 through its notifications, namely:

- (i) Master Circular – Basel III Capital Regulations – Clarification dated January 14, 2016 (bearing number RBI/2015-16/285 DBR.No.BP.BC.71/21.06.201/2015-16) in relation to payment of coupons under criteria for inclusion of perpetual debt instruments in Additional Tier-1 capital;
- (ii) Master Circular – Basel III Capital Regulations – Revision dated March 1, 2016 (bearing number RBI/2015-16/331 DBR.No.BP.BC.83/21.06.201/2015-16) in relation to treatment of revaluation reserves, treatment of foreign currency translation reserves, treatment of deferred tax assets, etc.;
- (iii) Basel III Capital Regulations - Additional Tier-1 Capital dated February 2, 2017 (bearing number RBI/2016-17/222 DBR.BP.BC.No.50/21.06.201/2016-17) in relation to coupon discretion under the criteria for inclusion of perpetual debt instruments in Additional Tier-1 capital;
- (iv) Basel III Capital Regulations – Implementation of Leverage Ratio dated June 28, 2019 (bearing number RBI/2018-19/225 DBR.BP.BC.No.49/21.06.201/2018-19) in relation to minimum leverage ratio requirements; and (v) Basel III Capital Regulations – Treatment of Debt Mutual Funds/ETFs dated August 6, 2020 (bearing number RBI/2020-21/18 DOR.No.BP.BC/5/21.04.201/2020-21) in relation to capital charge for market risk for banks investing in debt mutual funds or exchange traded funds.

Liquidity Coverage Ratio

The RBI, pursuant to its circular dated June 9, 2014, introduced the ‘Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR), Liquidity Risk Monitoring Tools and LCR Disclosure Standards.’ With effect from January 1, 2015, the RBI introduced a requirement for commercial banks in India to maintain certain levels of LCR. The LCR measures a bank’s ability to manage and survive for 30 days under a significant stress scenario that combines idiosyncratic as well as market-wide shock situations that would result in accelerated withdrawal of deposits from retail as well as wholesale depositors, partial loss of secured funding, increase in collateral requirements and unscheduled drawdown of unused credit lines. The specified percentage of net cash outflows in the next 30 days, computed with these assumptions of a stressed scenario, are required to be supported by HQLAs. The RBI, by its circular dated April 17, 2020, on the ‘Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR)’, has stated that while banks are required to maintain LCR of 100% with effect from January 1, 2019, in order to accommodate the burden on the banks’ cash flows on account of the COVID-19 pandemic, banks are permitted to maintain LCR as follows:

- (i) 80% from the date of circular (being, April 17, 2020) to September 30, 2020;
- (ii) 90% from October 1, 2020 to March 31, 2021; and
- (iii) 100% with effect from April 1, 2021.

Net Stable Funding Ratio

Further, the Basel Committee on Banking Supervision issued the final rules on NSFR on October 31, 2014 and RBI issued the guidelines on NSFR on May 17, 2018 with the objective to ensure that banks maintain a stable funding profile in relation to the composition of their assets and off- balance sheet activities. The RBI has deferred the implementation of the NSFR guidelines pursuant to its circulars dated November 29, 2018, March 27, 2020, September 29, 2020 and February 5, 2021. Currently, the NSFR guidelines shall come into effect from October 1, 2021.

Legal reserve requirements

The Reserve Bank of India (Cash Reserve Ratio (CRR) and Statutory Liquidity Reserve Ratio (SLR)) Directions, 2021 dated July 20, 2021 were promulgated to consolidate the directions and guidelines issued by the RBI for maintenance of cash reserve ratios and statutory liquidity ratios by schedules commercial banks.

a. *Cash Reserve Ratio*

In accordance with Section 42 of the RBI Act, all banks are required to maintain CRR on a daily basis which is a specified percentage of total of NDTL adjusted for the exemptions, by way of a balance in a current account with the RBI. The CRR has to be maintained on an average basis for a fortnightly period and the minimum daily maintenance of the CRR should not be less than 90% of the required CRR on all days during the reporting fortnight beginning April 16, 2016. The RBI may impose penal interest at the rate of 3% above the bank rate on the amount by which the reserve falls short of the CRR required to be maintained on a particular day and if the shortfall continues further the penal interest charged shall be increased to a rate of 5% above the bank rate in respect of each subsequent day during which the default continues.

Due to the increased burden on cash flow of banks in light of the COVID-19 pandemic, the RBI on June 26, 2020 reduced the minimum daily maintenance of the CRR to 80 % until September 25, 2020. The CRR was reduced to 3%, with effect from March 28, 2020 for a one year period ending on March 26, 2021.

In light of the COVID 19 pandemic, the RBI has through its circular issued on May 22, 2020 to all scheduled and non-scheduled banks, revised the bank rate downwards by 40 basis points from 4.65% to 4.25% with effect from May 22, 2020. Further, RBI through its circular dated February 5, 2021, has decided to gradually restore the CRR in two phases in a non-disruptive manner. Accordingly, banks are required to maintain the CRR at 3.50 per cent of their NDTL effective from the reporting fortnight beginning March 27, 2021 and 4.00 per cent of their DTL effective from fortnight beginning May 22, 2021.

b. *Statutory Liquidity Ratio*

Each bank is required to maintain a SLR, a specified percentage of total DTL by way of liquid assets such as cash, gold or approved unencumbered securities. The percentage of this liquidity ratio is fixed by the RBI from time to time, pursuant to Section 24 of the Banking Regulation Act. At present, the RBI requires banks to maintain SLR of 18.00%. The maximum permissible SLR is 40% of a bank's DTL.

On September 1, 2020, the RBI increased the limits under the held-to-maturity category from 19.5% to 22% of NDTL in respect of SLR-eligible securities acquired on or after September 1, 2020 and on or before March 31, 2021. This dispensation was made available up to March 31, 2022. In order to provide certainty to market participants in the context of the borrowing programme of the centre and states for Fiscal 2022, it has now been decided to extend the dispensation of the enhanced HTM limit of 22% up to March 31, 2023 to include securities acquired between April 1, 2021 and March 31, 2022. The HTM limit will be restored from 22% to 19.5% in a phased manner starting from the quarter ending June 30, 2023. It is expected that banks will be able to plan their investments in SLR securities in an optimal manner with a clear glide path for the restoration of HTM limits.

c. *Marginal Standing Facility*

Further, on December 21, 2011, RBI had permitted banks to avail funds from RBI on an overnight basis, under the Marginal Standing Facility, against their excess SLR holdings. Additionally, they can

also avail themselves of funds, on an overnight basis below the stipulated SLR, up to 3% of their respective NDTL outstanding at the end of the second preceding fortnight.

Regulations relating to lending

The RBI issues directions covering the lending activities of banks. Some of the major guidelines of the RBI, which are now in effect, are as follows:

- (i) RBI has prescribed norms for banks' lending to non-bank financial companies and the financing of public sector disinvestment.
- (ii) RBI introduced the "base rate" in place of the BPLR with effect from July 1, 2010. The base rate shall include all those elements of the lending rates that are common across all the categories of borrowers.
- (iii) Section 21A of the Banking Regulation Act provides that the rate of interest charged by a bank shall not be reopened by any court on the ground that the rate of interest charged by a bank is excessive. The Banking Regulation Act provides for protection to banks for interest rates charged by them.
- (iv) The RBI issued a circular dated September 4, 2019, making it mandatory for banks to link all new floating rate personal or retail loans and floating rate loans to Micro and Small Enterprises to an external benchmark effective October 1, 2019. The banks are free to choose one of the several benchmarks indicated in the circular. The banks are also free to choose their Spread over the benchmark rate, subject to the condition that the credit risk premium may undergo change only when borrower's credit assessment undergoes a substantial change, as agreed upon in the loan contract. The RBI, through its notification dated February 26, 2020, extended the requirement for banks to link all new floating rate personal or retail loans and floating rate loans to Medium Enterprises effective April 1, 2020.
- (v) The RBI issued a notification dated June 24, 2020 stipulated that any bank or NBFC engaging digital lending platforms as their agents to source borrowers and/or recover dues shall disclose names of such agents on their website, direct the digital agents engaged by the bank or NBFC to disclose the name of bank or NBFC to the customer and ensure effective oversight and monitoring over digital agents. Adequate efforts shall be made towards creation of awareness about the grievance redressal mechanism.

Priority sector lending

The Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2020 dated September 4, 2020 ("**PSL Regulations**") sets out the broad policy in relation to priority sector lending. The Priority Sector Lending Regulations shall apply to every commercial bank licensed to operate in India by the RBI. In terms of the PSL Regulations, the sectors categorised as priority sectors are agriculture, micro, small and medium enterprises ("**MSME**"), export credit, education, housing, social infrastructure, renewable energy and other sectors. Further, the PSL Regulations stipulate that domestic commercial banks will have to allocate 40% of the adjusted net bank credit to PSL or credit equivalent of off-balance sheet exposures, whichever is higher. Further, for agriculture sector, micro enterprises and advance to weaker sections, the targets are 18%, 7.5% and 12% of the adjusted net bank credit or credit equivalent of off-balance sheet exposures, whichever is higher, respectively. It also prescribed sub-targets for small and marginal farmers, micro-enterprises and weaker sections.

Marginal Cost of Funds based Lending Rate

All floating rate rupee loans sanctioned and renewed between July 1, 2010 and March 31, 2016 shall be priced with reference to the base rate, which will be the internal benchmark for such purposes.

Pursuant to the Reserve Bank of India (Interest Rate on Advances) Directions, 2016 dated March 3, 2016, all rupee loans sanctioned and credit limits renewed with effect from April 1, 2016 are to be priced with reference to the MCLR which is the internal benchmark for such purposes. MCLR comprise:

- (i) marginal cost of funds;
- (ii) negative carry on account of CRR;

- (iii) operating costs; and
- (iv) tenor premium.

In terms of the directions, the board of directors of the banks is required to adopt a policy delineating the components of Spread charged to a customer. Actual lending rates are to be determined by adding the components of Spread to the MCLR. Further, no lending below the MCLR of a particular maturity for all loans linked to that benchmark is permitted. The aforementioned notification provides exemption to certain loans from being linked to MCLR as the benchmark for determining interest rate. Further, the aforementioned notification also provides for review of MCLR, reset of interest rates, treatment of interest rates linked to base rate charged to existing borrowers and mandates all the banks to move to the MCLR based pricing from April 1, 2016.

Exposure norms

As a prudential measure aimed at better risk management and avoidance of concentration of credit risk, the RBI has prescribed credit exposure limits for banks and long-term lending institutions in respect of their lending to individual borrowers and to all borrowers belonging to a single group. The RBI, through its Master Circular on Exposure Norms dated July 1, 2015, has prescribed exposure ceiling for a single borrower as 15% of capital funds and group exposure limit as 40% of capital funds comprising of Tier-I and Tier-II capital. Relaxations are permitted in exceptional circumstances and lending to infrastructure sector or lending to oil companies who have been issued oil bonds by Government of India. The total exposure (both lending and investment, including off-balance sheet exposures) to a single NBFC and NBFC-AFC (Asset Financing Companies) should not exceed 10%, and 15% respectively, of the bank's capital funds as per its last audited balance sheet. The limit may be increased by another 5% provided that the excess exposure is on account of funds on-lent to the infrastructure sector.

The aggregate exposure of a bank to the capital markets in all forms (both fund based and non-fund based) should not exceed 40% of its net worth, on both standalone and consolidated basis as on March 31 of the previous year. Within this overall ceiling, the bank's direct investment in shares, convertible bonds/debentures, units of equity oriented mutual funds and all exposures to Venture Capital Funds (both registered and unregistered) should not exceed 20% of its net worth on both standalone and consolidated basis.

On December 1, 2016, the RBI released guidelines on 'Large Exposures Framework' to align the exposure norms for Indian banks with the Basel Committee on Banking Supervision standards. From April 1, 2019, exposure limits to single and group borrowers will be 20% and 25% of our Tier-1 Capital funds as against the current norm of 15% and 40% of the Total Capital funds Limits. In light of the COVID-19 pandemic, the RBI on May 23, 2020 allowed a one time increase to banks' exposure to a group of connected counterparties from 25% to 30% of the eligible capital base of the bank, until June 30, 2021.

On June 3, 2019, the RBI amended the extant December 1, 2016 guidelines on 'Large Exposures Framework' to align the exposure norms for Indian banks' with the Basel Committee. As per the framework, the sum of all exposure values of a bank to a counterparty or a group of connected counterparties is defined as a 'Large Exposure' (LE), if it is equal to or above 10 percent of the bank's eligible capital base (i.e., Tier-1 capital) and the bank is required to report their LE to the RBI and Department of Banking Supervision, Central Office. Exposure limits to single and group NBFC's will be 15% and 25% of our Tier-1 Capital funds respectively. However, by way of a circular dated September 12, 2019 the RBI mandated that banks' exposure to a single NBFC (excluding gold loan companies) will be restricted to 20 percent of that banks' eligible capital base. Banks' finance to NBFCs predominantly engaged in lending against gold will continue to be governed by limits prescribed in circular dated May 18, 2012.

Non-performing assets

The RBI annually issues consolidated instructions and guidelines relating to income recognition, asset classification and provisioning standards in the Master Circular – "Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances" which is issued annually, the latest one dated July 1, 2015 ("**Prudential Norms**"). These guidelines are revised from time to time. Similarly, the RBI annually issues consolidated instructions and guidelines relating to the valuation of investments in Master Circular – "Prudential Norms for Classification, Valuation and Operation of Investment Portfolio by Banks" which is issued annually, the latest one dated July 1, 2015 ("**Prudential Norms for Investment Portfolio**"). These guidelines are also revised from time to time.

The assets of a bank are classified as: (i) standard assets; or (ii) NPAs. A standard asset is a financial asset that

continues to generate income for a bank. Under the prudential norms, an NPA is one that ceases to generate income for a bank. A loan or an advance becomes an NPA if:

- (i) the interest and / or instalment of principal remains overdue for a period of more than 90 days in respect to a term loan;
- (ii) the account remains out-of-order for a period of more than 90 days in respect of an overdraft or cash credit;
- (iii) the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted;
- (iv) the instalment of principal or interest thereon remains overdue for two crop seasons for short duration crops;
- (v) the instalment of principal or interest thereon remains overdue for one crop season for long duration crops;
- (vi) the amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitization transaction undertaken in terms of guidelines on securitization issued by the RBI on February 1, 2006; or;
- (vii) in respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.

An account is treated as “out-of-order” if the outstanding balance remains continuously in excess of the sanctioned limit or drawing power for 90 days. In cases where the outstanding balance in the principal operating account is less than the sanctioned limit or drawing power, but there are no credits continuously for 90 days as on the date of the balance sheet or the credits are not adequate to cover the interest debited during the same period, such accounts are to be treated as “out-of-order”. Any amount due to the bank under any credit facility is ‘overdue’ if it is not paid on the due date fixed by the bank. In order to mitigate the stress caused by the COVID-19 pandemic, the RBI through its notification dated March 27, 2020 permitted financial institutions to grant a moratorium of three months on payment of all term loan and working capital facilities sanctioned in the form of cash credit/overdraft instalments falling due between March 1, 2020 and May 31, 2020. Therefore, any defaults arising in such period shall be exempt for the purpose of asset classification. However, the interest on such term loans would continue to accrue during such deferred period. Further, any non-payment during aforementioned deferred period shall not qualify for reporting to credit bureaus, and correspondingly, the credit history of borrowers shall not be affected during such time.

a. Prudential Norms

The RBI, pursuant to the Prudential Norms, classifies NPAs into (i) sub-standard assets; (ii) doubtful assets; and (iii) loss assets. The circular also specifies provisioning requirements specific to the classification of the assets. Banks are required to categorize accounts into certain sub-categories of an asset before it is they are classified as an NPAs. Banks are required to identify and designate loans into the following categories: SMA-0, SMA-1 or SMA-2 depending on the period for which amounts due have remained unpaid. Banks are required to report credit information, including classification of an account as SMA to CRILC on all borrowers having aggregate exposure of ₹ 50 million and above. Additionally, banks are required to put in place a policy approved by its board of directors for making provisions for standard assets at rates higher than the regulatory minimum, based on evaluation of risk and stress in various sectors.

On July 13, 2005, the RBI issued guidelines on sales and purchases of NPAs between banks, financial institutions and NBFCs. These guidelines require that the board of directors of a bank must establish a policy for purchase and sale of NPAs. An asset must have been classified as non-performing for at least two years by the seller bank to be eligible for sale. On October 4, 2007, the RBI issued guidelines regarding valuation of NPAs being put up for sale.

b. Prudential Norms on Investment Portfolio

The Prudential Norms for Investment Portfolio requires banks to frame an internal investment policy

guidelines and obtain the approval from its board of directors. The investment policy may be suitably framed/ amended to include primary dealer activities. The overall framework of the investment policy should limit the primary dealer business to dealing, underwriting and market-making in Government securities. The investment policy guidelines should strictly observe the detailed instructions from the RBI regarding Separate Trading of Registered Interest and Principal Securities (STRIPS), ready forward deals in government securities, transaction through subsidiary general ledger account, use of bank receipts, retailing of government securities, internal control systems, dealing through brokers and audit, review and reporting. The entire investment portfolio of the bank is required to be classified in three categories – (i) held to maturity; (ii) available for sale; and (iii) held for trading.

Prudential framework for resolution of stressed assets

The RBI has, pursuant to its circular dated June 7, 2019 established a new regulatory framework for resolution of stressed assets (“**Revised Framework**”). Pursuant to the Revised Framework, existing guidelines and schemes for debt resolution such as revitalising distressed assets, CDR, flexible structuring of existing long term project loans, SDR, change in ownership outside SDR, and S4A have been withdrawn. In addition, the guidelines /framework for joint lenders’ forum has also been discontinued. According to the Revised Framework, the lenders must identify incipient stress in loan accounts immediately on default by classifying stressed assets as special mention account.

Under the Revised Framework, the RBI had promulgated a revised framework for resolution of stressed assets, where banks are required to put in place a board approved policy for resolution of stressed assets. Upon the occurrence of a default, banks are required to within a period of 30 days from the date of such default (“**Review Period**”), review the account of the borrower and determine a strategy for implementing a resolution plan or choose to initiate legal proceedings or recovery. If a resolution plan route is chosen by the lenders during the Review Period, the lenders are required to enter into an inter-creditor agreement to provide rules for finalisation and implementation of the resolution plan and also provide in such inter-creditor agreement that decisions by lenders representing 75% of outstanding facilities and 60% by number shall bind all lenders to the inter-creditor agreement. The resolution plan is to be implemented within 180 days from the end of the Review Period. Depending on the aggregate exposure (including fund based and non-fund based) of the borrower towards the lender, the Review Period is required to commence by a specified date, as set out below:

- i. INR 20,000 million and above– June 7, 2019;
- ii. INR 15,000 million and above but less than INR 20,000 million – January 1, 2020; and
- iii. Less than INR 15,000 million – To be announced

The Revised Framework further clarifies that in the event a viable resolution plan in respect of the borrower is not implemented within the aforementioned timelines, all lenders (whether party to the inter-creditor agreement or not) are required to make additional provisions as set out below:

Timeline for implementation of viable resolution plan	Additional provisions to be made as a percentage of total outstanding, if resolution plan not implemented within the timeline
180 days from the end of Review Period	20%
365 days from the commencement of Review Period	15% (i.e. total additional provisioning of 35%)

As part of the regulatory measures aimed at alleviating the lingering impact of Covid-19 pandemic, the RBI through its circulars dated April 17, 2020 and May 23, 2020 each titled “COVID19 Regulatory Package - Review of Resolution Timelines Under the Prudential Framework on Resolution of Stressed Assets” extended the resolution timeline under the Revised Framework as follows:

- (i) within the Review Period as on March 1, 2020, the period from March 1, 2020 to August 31, 2020 shall be excluded from the calculation of the 30-day timeline for the Review Period. In respect of all such accounts, the residual Review Period shall resume from September 1, 2020, upon expiry of which the lenders shall have the usual 180 days for resolution; and
- (ii) in respect of accounts where the Review Period was over, but the 180-day resolution period had not expired as on March 1, 2020, the timeline for resolution shall get extended by 180 days from the date on which the 180-day period was originally set to expire. Consequently, the requirement of making

additional provisions as specified above shall be triggered as and when the extended resolution timeline expires.

Further, the RBI directed that the lending institutions shall make relevant disclosures in respect of accounts where the resolution period was extended in the 'Notes to Accounts' while preparing their financial statements for the half year ending September 30, 2020 as well as the Fiscals 2020 and 2021. In addition to the Revised Framework, the RBI through its circular dated August 6, 2020 established a framework to enable lenders to implement resolution plans for eligible corporate exposures whose assets are under stress due to the COVID-19 Pandemic ("**COVID-19 Resolution Framework**"), without change in ownership and personal loans, while classifying the exposures as standard. Each lending institution shall put in place a board approved policy detailing the manner in which such evaluation may be done and the objective criteria that may be applied while considering the resolution plan in each case. Only accounts classified as standard, but not in default for more than 30 days as on March 1, 2020 shall be eligible for such resolution. The eligible borrowers' accounts should continue to be classified as standard till the date of invocation of resolution under the COVID-19 Resolution Framework. Resolution plans where the aggregate exposure of the lending institutions is in excess of ₹ 1 billion shall require an independent credit evaluation by a credit rating agency.

Further, in order to mitigate the financial impact of the COVID-19 pandemic, the RBI has formulated a framework for restructuring of loans availed by small businesses adversely affected by the COVID-19 pandemic. For further details, see "*Regulatory measures on account of the COVID-19 pandemic*" on page 152.

Central Repository of Large Common Exposures

The RBI has through its circular dated September 11, 2013 read with circular dated May 22, 2014, set up the Central Repository of Large Common Exposures ("**CRILC**") to collect, store and disseminate data on all borrowers' credit exposures including 'special mention accounts' (SMA 0, 1 & 2) having aggregate fund-based and non-fund based exposure of ₹ 50 million and above. All banks are required to report to RBI, on a quarterly basis, exposures of individuals and entities having exposure (both fund and non-fund based) of more than ₹ 50.00 million and also details of customers with outstanding current account balance (debit or credit) of ₹ 10.00 million and above. In addition, RBI guidelines require banks to report, among others, the SMA 2 (Principal or interest payment overdue between 61-90 days) status of the borrower to the CRILC. Any non-submission of or wrong reporting in these returns attracts penalties as specified in the Banking Regulation Act.

Further, in terms of RBI circular dated June 7, 2019, all banks are required to report to CRILC, on a monthly basis, exposures of individuals and entities having exposure (both fund and non-fund based) of more than ₹50 million. Banks are also required to report to CRILC, on a weekly basis for all borrower entities in default, having aggregate exposure of more than ₹50 million. In addition, banks are required to report to CRILC the classification of an account to 'special mention account' in respect of borrower entities having aggregate exposure of more than ₹50 million. Any non-submission of or incorrect reporting in these returns attracts penalties as specified in the Banking Regulation Act.

RBI Compensation Guidelines

The Financial Stability Board Principles for Sound Compensation Practices, 2009, as amended ("**FSB Principles**") aim to ensure effective governance of compensation, alignment of compensation with prudent risk taking and effective supervisory oversight and stakeholder engagement in compensation. The FSB Principles have been endorsed by the G-20 countries and the Basel Committee on Banking Supervision ("**BCBS**") which has published remuneration related reports and disclosure requirements. Pursuant to the stipulations in the reports and disclosure requirements published by BCBS, RBI issued the RBI Compensation Guidelines, which are based on the FSB Principles and are applicable to all private sector banks and foreign banks operating in India. In line with the FSB Principles, banks are required to take steps to implement certain guidelines by putting in place necessary policies/systems. These guidelines include, *inter alia*, formulation of a compensation policy, constitution of nomination and remuneration committee, alignment of compensation of whole-time directors / chief executive officers and material risk takers with prudent risk taking, etc. All applications for approval of appointment/re-appointment or approval of remuneration/revision in remuneration of whole-time directors/chief executive officers shall be submitted to the RBI with the details as prescribed in the guidelines. These guidelines shall be applicable for pay cycles beginning from/after April 1, 2020.

Guidelines on Compensation of Non-executive Directors of Private Sector Banks dated June 1, 2015 issued by the RBI

The board of directors of a private sector bank, in consultation with its remuneration committee of the bank, is required to formulate and adopt a comprehensive compensation policy for non-executive directors (other than part-time non-executive chairman), subject to the requirements prescribed under the Companies Act, 2013. The Board may, at its discretion, provide for in the policy, payment of compensation in the form of profit related commission to the non-executive directors, subject to bank making profits. Such compensation, however, shall not exceed ₹2.00 million per annum for each non-executive director. In addition to the directors' compensation, the bank may pay sitting fees to the non-executive directors and reimburse their expenses for participation in the board and other meetings. Further, all private sector banks are required to obtain prior approval of RBI for granting remuneration to the part-time non-executive chairman under Section 10B(1A)(i) and 35B of the Banking Regulation Act.

Restrictions on ownership, acquisition of shares and mergers of private banks

The Banking Regulation Act, requires any person to seek prior approval of the RBI, to acquire or agree to acquire, directly or indirectly, shares or voting rights of a bank, by himself or with persons acting in concert, wherein such acquisition (taken together with shares or voting rights held by him or his relative or associate enterprise or persons acting in concert with him) results in aggregate shareholding of such person to be 5% or more of the paid-up capital of a bank or entitles him to exercise 5% or more of the voting rights in a bank. Further, the RBI may, by passing an order, restrict any person or persons acting in concert with him, holding more than 5% of the total voting rights of all the shareholders of the banking company from exercising voting rights on poll in excess of the said 5%, if such person is deemed to be not fit and proper to hold shares or voting rights, by the RBI. Under the RBI (Prior Approval for Acquisition of Shares or Voting Rights in Private Sector Banks) Directions, 2015, as amended, an existing shareholder who has already obtained prior approval of RBI for having a "major shareholding" (as defined under the directions) in a private sector bank, need not obtain approval for an additional fresh acquisition resulting up to 10% aggregate shareholding in such bank. However, if the additional acquisition results in an aggregate shareholding that is in excess of 10%, the prior approval of RBI must be obtained. Further, persons with 'major shareholding' shall also periodically report to the concerned bank on continuing to be fit and proper.

a. Master Directions – Ownership in Private Sector Banks, Directions, 2016 dated May 12, 2016

The RBI issued master directions for ownership in private sector banks on May 12, 2016. The directions are applicable to all private sector banks licensed by RBI to operate in India. Under these directions, shareholders are now categorized as natural persons (individuals) and legal persons (entities/institutions) for the purposes of ownership limits in the longer run. Non-financial and financial institutions, and among financial institutions, diversified and non-diversified financial institutions shall have separate limits for shareholding.

The limits for shareholding are as follows:

- (i) in the case of individuals and non-financial entities (other than promoters/promoter group), the limit shall be 10% of the paid-up capital. However, in case of promoters being individuals and non-financial entities in existing banks, the shareholding shall be 15%;
- (ii) for entities in the financial sector, other than regulated or diversified or listed, the limit shall be at 15%;
- (iii) in case of 'regulated, well diversified, listed entities from the financial sector' and shareholding by supranational institutions or public sector undertaking or Government undertaking, a limit of 40% is prescribed; and
- (iv) higher stake/strategic investment by promoters/non-promoters through capital infusion by domestic or foreign entities/institution shall be permitted on a case to case basis under circumstances such as relinquishment by existing promoters, rehabilitation/ restructuring of problem/ weak banks/ entrenchment of existing promoter or in the interest of the bank or in the interest of consolidation in the banking sector.

A period of 12 years from the date of commencement of business of the bank shall be available for the promoter and promoter group in cases where dilution to a lower level of shareholding is required for compliance with the specified limits. b. *Master Direction – Issue and Pricing of shares by Private Sector Banks, Directions, 2016 dated April 21, 2016*

The RBI issued master directions for issue and pricing of shares by private sector banks on April 21, 2016. The directions are applicable to all private sector banks licensed by RBI to operate in India. Under the directions, "private sector banks" have been defined as banks licensed to operate in India under the Banking Regulation Act other than urban co-operative banks, foreign banks and banks licensed under specific statutes. Under these directions, a private sector bank, both listed and unlisted, has general permission for issue of shares by way of public issues (initial public offer, further public offer), private placement (preferential issue, qualified institutional placement), rights issue and bonus issue, subject to compliance with applicable laws such as FEMA and extant foreign investment policy of the GoI for private sector banks, provisions of the Companies Act, 2013, the relevant SEBI guidelines and the Reserve Bank of India (Prior Approval for Acquisition of Shares or Voting Rights in Private Sector Banks) Directions, 2015 dated November 19, 2015 and reporting of complete details of the issue to RBI such as date of issue, details of the type of issue, issue size, details of pricing, number and names of allottees, post allotment shareholding position, etc., along with a copy of the board/annual general meeting resolution and prospectus/ offer document in the prescribed format.

Further, the Reserve Bank of India (Amalgamation of Private Sector Banks) Directions, 2016 dated April 21, 2016 govern the (i) an amalgamation of two banking companies; and (ii) an amalgamation of a NBFC with a banking company. The Reserve Bank has discretionary powers to approve the voluntary amalgamation of two banking companies under the provisions of Section 44A of the Banking Regulation Act.

The RDDBFI Act as amended by Chapter III of the Enforcement of Security Interest and Recovery of Debts Laws and Miscellaneous Provisions (Amendment) Act, 2016

The RDDBFI Act was enacted for adjudication of disputes pertaining to debts due to banks and financial institutions exceeding ₹1 million. The RDDBFI Act provides for the constitution of debt recovery tribunals, before which banks and financial institutions may file applications for recovery of debts. Further, no court or other authority, except the Supreme Court or a High Court exercising jurisdiction under Articles 226 and 227 of the Constitution of India, shall have, or is entitled to exercise, any jurisdiction, powers or authority in relation to the aforementioned matter. The tribunals may pass orders for directions including *inter- alia* recovery of such dues by the bank as may be deemed fit along with a recovery certificate to such effect from the presiding officer of the respective tribunal; attachment of the secured properties towards the dues to the bank: injunctive orders restraining the debtors from alienating, transferring or disposing of such secured properties; appointment of receivers and/or commissioners for the preparation of an inventory of property of a defendant and the sale of such secured properties towards dues. Pursuant to the recovery certificate being issued, the recovery officer of the respective debt recovery tribunal shall effectuate the final orders of the debt recovery tribunal in the application. Unless such final orders of the debt recovery tribunal have been passed with the consent of the parties to an application, an appeal may be filed against such final orders of the debt recovery tribunal before the debt recovery appellate tribunal, which is the appellate authority constituted under the RDDBFI Act.

SARFAESI, and as amended by the Enforcement of Security Interest and Recovery of Debts Laws and Miscellaneous Provisions (Amendment) Act, 2016

The SARFAESI Act provides for the enforcement of security interest without the intervention of the courts. Under the provisions of the SARFAESI Act, a secured creditor can recover dues from its borrowers by taking any of the measures as provided therein. Rights, with respect to the enforcement of security interest, under the SARFAESI Act cannot be enforced unless the account of the borrower has been classified as an NPA in the books of account of the secured creditor in accordance with the directions or guidelines issued by the RBI or any other applicable regulatory authority. The secured creditors must serve a 60-day notice on the borrower demanding repayment of the amount due and specifying the borrower's secured assets over which the bank proposes to exercise remedies. If the borrower still fails to pay, the secured creditors, on expiry of the 60-day notice period, can:

- (i) take possession of the secured assets;

- (ii) take over the management of the secured assets along with the right to transfer by way of lease, assignment or sale of the secured assets;
- (iii) appoint any person to manage the secured assets; and
- (iv) require any person who has acquired any of the secured assets from the borrower to pay amounts necessary to satisfy the debt.

The security interests covered by the SARFAESI Act are security interests over immovable and movable property, existing or future receivables, certain intangible assets (such as know-how, patents, copyrights, trademarks, licenses, franchises) and any debt or any right to receive payment of money, or any receivable, present or future, and in which security interest has been created. Security interests over vessel and aircraft, any statutory lien, a pledge of movables, any conditional sale, hire purchase or lease or any other contract in which no security interest is created, rights of unpaid sellers, any property not liable to attachment, security interest for securing repayment of less than ₹ 100,000, agricultural land and any case where the amount due is less than 20.00% of the principal amount and interest are not enforceable under the SARFAESI Act. In the event that the secured creditor is unable to recover the entire sum due by exercise of the remedies under the SARFAESI Act in relation to the assets secured, such secured creditor may approach the debt recovery tribunal or the relevant court for the recovery of the balance amounts. A secured creditor may also simultaneously pursue its remedies under the SARFAESI Act as well as the RDDBFI Act.

The SARFAESI Act also provides for sale of financial assets by banks and financial institutions to asset reconstruction companies. The financial assets can be sold to asset reconstruction companies in accordance with the extant guidelines and prudential norms issues by the RBI.

The Insolvency and Bankruptcy Code, 2016 (“IBC”)

The Insolvency and Bankruptcy Code was enacted and notified in the Gazette of India on May 28, 2016. The IBC covers individuals, companies, limited liability partnerships, partnership firms, proprietorship firms and other legal entities. The IBC has established an Insolvency and Bankruptcy Board of India to function as the regulator for all matters pertaining to insolvency and bankruptcy. The IBC prescribes a time limit of 180 days (extendable by up to a maximum of 90 days) for the insolvency resolution process to be completed (“**Moratorium Period**”) during which period the entity shall be revived. The insolvency resolution process shall be mandatorily completed within a period of 180 days (extendable by up to a maximum of 90 days) from the date of commencement of the insolvency resolution process. During the Moratorium Period:

- (i) the management of the debtor vests in favour of the resolution professional appointed by NCLT;
- (ii) no assets of the debtor can be transferred, encumbered;
- (iii) there can no enforcement of security interest; and
- (iv) no fresh proceedings can be initiated against the debtor and the continuation of pending proceedings are prohibited.

The resolution professional shall invite and verify claims of all creditors of the debtor and constitute a committee of creditors comprising of all creditors whose claims are verified and accepted. Thereafter a resolution plan is prepared for the revival of the entity which shall be approved by majority of the committee of creditors which is then sanctioned by the NCLT. In the event no resolution plan is approved by committee of creditor or the NCLT rejects the resolution plan for non-compliance, the NCLT directs the liquidation of the debtor. The Central Government vide notification dated November 20, 2019 has notified the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Personal Guarantors to Corporate Debtors) Regulations, 2019 relating to insolvency proceedings for personal guarantors to corporate debtors, under the IBC. This will enable initiation of insolvency proceedings against the corporate debtor and the personal guarantor simultaneously thus resulting in better recovery for creditors from insolvency proceedings.

The Central Government through its notification dated March 24, 2020 specified that a minimum default of ₹ 1 crore shall be required for the filing of application for corporate insolvency.

The Insolvency and Bankruptcy Code (Second Amendment) Act, 2020 and The Insolvency and Bankruptcy Code (Amendment) Act, 2021

In terms of the Insolvency and Bankruptcy Code (Second Amendment) Act, 2020 (effective June 5, 2020) (the “**2020 Act**”) Section 10A was inserted in the IBC through of which an embargo was imposed on initiation of corporate insolvency resolution proceedings (“**CIRP**”) against corporate debtors for any default arising on or after March 25, 2020 for a period of period of six months or such further period not exceeding one year (“**Embargo Period**”). Further, the Act also provided that initiation of CIRP, for defaults arising during the Embargo Period shall be barred in perpetuity. Subsequently, the Embargo Period was initially extended up till December 24, 2020 and thereafter up till March 24, 2021. Additionally, the 2020 Act also amended Section 66 of the IBC in terms of a resolution professional was authorised to apply to the National Company Law Tribunal against persons who were knowingly party to transactions undertaken to defraud the creditors of a Corporate Debtor or for any fraudulent purposes. In terms of the 2020 Act, Section 66 was amended to restrict resolution professionals from initiating actions under such persons provided the CIRP of the relevant corporate debtor is covered under the Embargo Period. Subsequently, the Insolvency and Bankruptcy Code (Amendment) Act, 2021 was introduced on April 4, 2021 in terms of which, the pre-packaged insolvency framework was introduced.

The Ombudsman Scheme

The Ombudsman Scheme, provides the extent and scope of the authority and functions of the banking ombudsman for redressal of grievances against deficiency in banking services concerning loans and advances and other specified matters, to provide for revised procedures for redressal of grievances by a complainant under the scheme and to broaden the scope of complaints addressed by the banking ombudsman.

Prevention of Money Laundering Act, 2002

In order to prevent money laundering activities the PMLA was enacted which seeks to prevent money laundering and to provide for confiscation of property derived from, or involved in money laundering, and for incidental matters connected therewith. Section 12 of the PMLA casts certain obligations on, inter alia, banking companies in relation to preservation and reporting of customer account information. The RBI has advised all banks to go through the provisions of the PMLA and the rules notified thereunder and to take all steps considered necessary to ensure compliance with the requirements of section 12 of the PMLA.

Regulations relating to KYC and anti-money laundering

RBI issued the Reserve Bank of India (Know Your Customer (KYC)) Directions, 2016 on February 25, 2016 (as amended on May 10, 2021) (“**KYC Directions**”), prescribing the guidelines for KYC and anti-money laundering procedures. Banks are required to formulate a KYC policy which shall include:

- (i) customer acceptance policy;
- (ii) customer identification procedures;
- (iii) monitoring of transactions; and
- (iv) risk management.

In relation to each of the above, the master direction also specifies minimum procedures required to be followed by banks.

Banks are not permitted to make payment of cheques/drafts/pay orders/banker’s cheques, if they are presented beyond the period of three months from the date of such instrument. Banks have been advised to ensure that systems and procedures are in place to control financial frauds, identify money laundering and suspicious activities and monitor high value cash transactions. Such monitoring includes cross border transactions. Further, banks have also been advised to ensure that adequate policies are formulated and adopted in relation to KYC and anti-money laundering.

The KYC Directions require banks and financial institutions regulated by the RBI to periodically carry out money laundering and terrorist financing risk assessments to identify, assess and take effective measures to mitigate its money laundering and terrorist financing risk for clients, countries or geographic areas, products, services, transactions or delivery channels. The banks and financial institutions shall apply a risk-based approach for mitigation and management of the identified risk and should have board approved policies, controls and procedures which take into consideration sector-specific vulnerabilities which are shared by the regulators. The KYC Directions also prescribe detailed instructions in relation to, *inter alia*, the due diligence of

customers, record management and reporting requirements (such as the details of the person designated by the board of directors as a designated director etc.) to the Financial Intelligence Unit – India.

Definition for Group as per Bank's Credit Policy:

The prime guiding principle for identifying a group should be “commonality in management and effective control”. In order to determine whether the borrower concerns are in the same group, tests must be made broadly using the following parameters.

1. Whether Managing Directors/Proprietor/Managing Partner of both the concerns are the same.
2. Whether one body corporate is the subsidiary of the other or one company is the holding company of the other.
3. Whether a significant number of Directors/Partners in both the companies/firms are same (Significant number means atleast 51% or more of the total strength).
4. Whether 1/3rd of the total voting power of the company is held by the same individual or his family members.
5. Whether 1/3rd of the total voting power in two companies is held by the same set of individuals or by a third company. (We can ascertain the position as given in points (4) and (5) by calling for share holding pattern of both the companies.)
6. In case of partnership firms/proprietorship concerns/HUFs, whether the partners/proprietor/HUF members in both the concerns belong to the same family like father and son/daughter/grand daughter, husband and wife, brothers, sisters etc., and do business under one roof (as seen from the Address, Telephone No. Cell Phone No. Telegraphic address, Fax No. etc.,)
7. In all cases of individuals, the spouse, sons and unmarried daughters are construed to be forming part of a group unless there is legal separation in between husband and wife or split/partition between parent and children. In addition to this, if the individual is a member in a joint family all other members in the family like father, mother, brothers and unmarried sisters will also form part of a group, unless there is a split/ partition between them.
8. When a partner in a firm or a Director in a company applies for a loan to meet his family needs such as education, housing or purchase of other assets like vehicles, computers, household articles etc., such loans need not be clubbed with the borrowings of the firm/company for reckoning group exposure either for the individual concerned or for the firm/company in which the former is associated. When however, the source for repayment of the loan is his income from the firm/company by way of share of profit/dividend they should be clubbed together.

 - (c) the Restated Cash Flow Statement for the years ended March 31, 2021, March 31, 2020 and March 31, 2019,
 - (d) the Summary Statement of Significant Accounting Policies
 - (e) the Notes forming part of restated financial statements and other explanatory information
 - (f) the Statement of Adjustments to Audited financial statements

(hereinafter together referred to as the “Restated Financial Information”), prepared by the Management of the Bank in connection with the Proposed Initial Public Offering of Equity Shares of the Bank (the “IPO” or “Issue”) in accordance with the requirements of

- a) Section 26 of Part I of Chapter III of the Companies Act, 2013 (the “Act”);
- b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (“ICDR Regulations”); and
- c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India (“ICAI”), as amended from time to time (the “Guidance Note”).

The said Restated Financial information has been approved by the Board of Directors of the Bank at their meeting held on 03-08-2021 for the purpose of inclusion in the Draft Red Herring Prospectus (“DRHP”).

Management’s Responsibility for the Restated Financial Information

2. The Bank’s Management is responsible for the preparation of the Restated Financial Information for the purpose of inclusion in the DRHP to be filed with Securities and Exchange Board of India, Bombay Stock Exchange and National Stock Exchange of India and Registrar of Companies, Chennai, in connection with the proposed IPO. The Restated Financial Information have been prepared by the Management of the Bank on the basis of preparation stated in Annexure 4 to the Restated Financial Information. The Management’s responsibility includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the Restated Financial

Information. The Management is also responsible for identifying and ensuring that the Bank complies with the Act, ICDR Regulations and the Guidance Note.

Auditors' Responsibilities

3. We have examined such Restated Financial Information taking into consideration:
 - a) The terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter dated 03-08-2021 in connection with the proposed IPO of equity shares of the Bank;
 - b) The Guidance Note. The Guidance Note also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI;
 - c) Concepts of test checks and materiality to obtain reasonable assurance based on verification of evidence supporting the Restated Financial Information; and
 - d) The requirements of Section 26 of the Act and the ICDR Regulations. Our work was performed solely to assist you in meeting your responsibilities in relation to your compliance with the Act, the ICDR Regulations and the Guidance Note in connection with the IPO.
4. These Restated Financial Information have been compiled by the management from the audited financial statements of the Bank as at and for the year ended March 31, 2021, March 31, 2020 and March 31, 2019 prepared in accordance with Accounting Standards notified under Section 133 of the Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and other accounting principles generally accepted in India which have been approved by the Board of Directors at their meeting held on April 27, 2021, June 24, 2020 and May 30, 2019 respectively.
5. For the purpose of our examination, we have relied on Auditors' Report issued by the Previous Auditors dated April 27, 2021, June 24, 2020 and May 30, 2019 on the financial statements of the Bank as at and for the years ended March 31, 2021, March 31, 2020, and March 31, 2019, as referred in Paragraph 4 above.

The audits for the financial years ended March 31, 2021, March 31, 2020, and March 31, 2019 were conducted by the Bank's previous auditors, G Balu Associates LLP (the "Previous Auditors"), and accordingly reliance has been placed on the Restated Financial Information examined by them. The examination report included is based solely on the report submitted by the Previous Auditors. They have also confirmed that the Restated Financial Information:

- a) do not require any adjustments for the changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the financial year ended March 31, 2020 and March 31, 2019 to reflect the same accounting treatment as per the accounting policies and grouping/classifications followed as at and for the year ended March 31, 2021;
 - b) do not require any adjustments for the matters giving rise to modifications mentioned in paragraph 6 below; and
 - c) have been prepared in accordance with the Act, ICDR Regulations and the Guidance Note.
6. The audit reports on the financial statements issued by Previous Auditors were unmodified and included following matters giving rise to emphasis of matter on the financial statements as at and for the years ended March 31, 2021 and March 31, 2020:

- a) For the year ended March 31, 2021

‘Note No.5.J.(xii)(a) of the accompanying financial Statements which describes the uncertainties due to the outbreak of novel coronavirus (COVID 19). In view of these uncertainties, the impact on the Bank’s financial Statements is significantly dependent on future developments’

‘Note No. 5.J.(ii)(b) of the accompanying financial statements where the Bank has accounted during the year, the penalty payable amounting to Rs. 16.99 crores, as per the order of Directorate Of Enforcement, levied for recording share transfers during 2007, 2011 and 2012 in violation of the regulation 4 of Foreign Exchange Management (Transfer or Issue Of security by a person resident outside India) Regulations, 2000. While the Bank’s compounding application, being returned by RBI, the Bank has asked RBI to review their decision and the Bank is yet to pay the penalty but has made necessary provision for the penalty in the current year’

- b) For the year ended March 31, 2020

‘Note No.5.J.(xii) of the accompanying financial Statements which describes the uncertainties due to the outbreak of novel coronavirus (COVID 19). In view of these uncertainties, the impact on the Bank’s financial Statements is significantly dependent on future developments’

7. Based on examination report dated 03-08-2021 provided by the Previous Auditors, the audit reports on the financial statements issued by the Previous Auditors included following other matters:

The items of income and expenditure are taken on accrual basis except where specifically stated and it conforms to the guidelines issued by Reserve Bank of India (RBI) for banks.

Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

B. Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions in the reported amounts of assets and liabilities (including contingent liabilities) as on the date of the financial statement and the reported income and expenses during the reporting period. Management believes that the estimates and assumptions used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Future results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

C. Significant changes in Accounting policies

Proposed dividend:

In terms of Revised Accounting Standard [AS4] Contingencies and events occurring after Balance sheet date as notified by the Ministry of Corporate affairs through amendments to companies (Accounting Standards) amendment rules 2016, dated 30 March 2016, the bank has not accounted for proposed dividend as a liability as at respective year-end. The proposed dividend was however accounted for as a liability upto 31st March 2016 in line with the existing accounting standard applicable at that time.

2. FOREIGN EXCHANGE TRANSACTIONS:

- i. Accounting for transactions involving foreign exchange is done in accordance with accounting standard (AS11) issued by the Institute of Chartered Accountants of India and also as per the RBI Guidance circular no. 395 dated 15th March 2005.
- ii. Foreign currency income and expenditure items of domestic operations are translated at the exchange rates prevailing on the date of transaction.
- iii. Foreign currency liabilities such as FCNR/EEFC/RFC/MC prepaid card balances and Foreign currency assets such as Nostro bank balances , deposits and foreign currency loans availed by constituents, are translated at the Spot rates announced for quarter ends by FEDAI and the resultant profit / loss is shown as income / loss.
- iv. In respect of outstanding forward contracts, the outstanding foreign currencies are translated at the quarter end rates announced by FEDAI discounted to arrive at Present value. The resultant profit / loss is shown as income / loss.
- v. Contingent liabilities on account of acceptances, endorsements and other obligations including guarantees and Letters of Credit denominated in foreign currencies are translated at year-end FEDAI rates.

3. INVESTMENTS:

A) Classification of investments has been made as per the guidelines of Reserve Bank of India.

- i) The entire investment portfolio of the Bank is classified under three categories viz. "Held to Maturity", "Available for sale" and "Held for Trading".

Tamilnad Mercantile Bank Limited

Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT Category. Investments that the bank intends to hold till maturity are classified under the HTM category or as per RBI guidelines. Securities which are not classified in the above categories are classified under the AFS category.

- Transfer between the categories – Reclassification of investments from one category to other, if done, is in accordance with RBI guidelines. Transfer of script from AFS/HFT Category to HTM category is made at book value or market value, whichever is lower.
- In case of transfer of securities from HTM to AFS/HFT category, the investments held under HTM at a discount are transferred to AFS/HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS/HFT at amortized cost.
- Transfer of investments from AFS to HFT or vice versa is done at the book value. Depreciation carried if any on such investments is also transferred from one category to another.

The investments are classified for the purpose of Balance Sheet under five groups viz. (i) Government securities, (ii) Other approved securities, (iii) Shares, (iv) Debentures and Bonds and (v) Others.

Brokerage/commission received on subscriptions is reduced from the cost.

Brokerage, commission, securities transaction tax etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.

Broken period interest paid / received on debt instruments is treated as interest expense / income and is excluded from cost / sale consideration.

B) Valuation of investments is done as follows:

- i) Investments held under “Held to Maturity” are valued at cost price. Wherever the cost price is more than the face value, the premium paid is amortized over the remaining period of maturity and the amortisation expenses is accounted on quarterly basis as per policy. Profit on sale of securities under “Held to Maturity” category is initially taken to Profit & Loss account and then appropriated to Capital Reserve Account. The amount so appropriated would be net of taxes and the amount required to be transferred to statutory reserves. If there is a loss it is charged to Profit & Loss account.
- ii) Investments classified under “Available for Sale” category are marked to market on quarterly basis. Shares held under “Available for sale” are marked to market on weekly basis. Scrip wise appreciation / depreciation is segregated group-wise. The Net Depreciation category wise is charged to Profit & Loss account. The Net Appreciation in any category is ignored.
- iii) Investments classified under “Held for Trading” category except shares are marked to market scrip-wise on daily basis. Shares held under “Held for Trading” are marked to market on weekly basis. The net depreciation group wise is charged to Profit and Loss account and the net appreciation is ignored.
- iv) Investments received in lieu of restructured advances/under SDR scheme are valued in accordance with RBI guidelines.

Tamilnad Mercantile Bank Limited

Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

- v) Investments are valued at year-end as per RBI guidelines as follows:
 - a. Central Government Securities are valued as per price list of RBI, prices declared by Primary Dealers Association of India (PDAI) jointly with FIMMDA published by Fixed Income Money Market and Derivatives Association of India (FIMMDA).
 - b. State Government Securities and Other Approved Securities are valued after appropriate mark up over Yield to Maturity (YTM) rates for Central Government securities declared by FIMMDA.
 - c. Debenture and Bonds have been valued with appropriate mark up over the YTM rates for Central Government Securities declared by FIMMDA.
 - d. Quoted shares are valued at market rates quoted on NSE.
 - e. Unquoted shares are valued at book value ascertained from the latest available Balance Sheet and in case the latest Balance Sheet is not available, the same is valued at Re.1 per company.
 - f. Preference shares are valued at YTM, if dividend is received regularly. Where dividend is in arrears, appropriate depreciation is provided based on the number of years for which dividend is in arrears as per RBI guidelines.
 - g. Mutual Fund units are valued at market rates/NAV/ Repurchase price as applicable.
 - h. Treasury bills, certificate of deposits and commercial papers are valued at carrying cost.
 - i. Provisions for investments are made as per RBI prudential norms.

C) Prudential norms:

Securities guaranteed by the State Government where the principal / interest is due but not paid for a period of more than 90 days are treated as non performing investments and appropriate provision is made and interest in respect of such investments is recognized as income only on cash basis.

- D)** (i) In terms of the instructions of RBI, the excess of acquisition cost over face value of securities kept under “Held to Maturity” category is amortized up to the date of maturity and the amount amortized is reflected as a deduction in Profit & Loss account Annexure 17 – Interest Earned, under item II – Income on Investments.

(ii) Brokerage / Commission / Stamp Duty paid in connection with acquisition of securities are treated as revenue expenses.

E) Accounting for REPO Transactions

Repo and reverse Repo transactions are accounted in accordance with the extant RBI guidelines. Securities purchased/sold under Liquidity Adjustment Facility (LAF) with RBI are debited/credited to Investment account and reversed on maturity of the transaction. Interest expended /earned thereon is accounted for as expenditure/revenue.

Tamilnad Mercantile Bank Limited
Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

4. ADVANCES AND PROVISIONS:

- a) Advances are classified into Standard, Sub-standard, Doubtful and Loss Assets and provisions for possible losses on such advances are made as per prudential norms/directions of the Board of Directors/directions issued by Reserve Bank of India from time to time. With regard to the Standard Advances, Provisions are made as per extant RBI guidelines. In addition to the specific provision made towards identified NPAs, the bank also holds floating provision.
- b) In addition, the bank adopts an approach to provisioning that is based on past experience evaluation of security and other related factors.
- c) Provisioning on categorized assets are made as follows:

Asset Classification	Provisioning
Sub-standard	Secured 15%
	Unsecured 25%
Doubtful 1	Secured 25%
	Unsecured 100%
Doubtful 2	Secured 40%
	Unsecured 100%
Doubtful 3	100% on outstanding
Loss	100% on outstanding
NCLT referred loans	As per RBI instruction

Education loans were provided at 100% irrespective of NPA asset classification.

The Bank in respect of creation of provision for Sub-Standard assets (NPA), hitherto had been creating provision for such assets @ 25%. With effect from October 1, 2020, the bank has changed the said policy as approved by its Board on 8th September 2020, as mentioned above (See Annexure 22 - Part A)

- d) Sufficient incremental provisioning for Unhedged Foreign currency exposure is made as per RBI guidelines.

Reserve Bank of India has given methodology to arrive at UFCE and for introduction of incremental provision and capital requirements.
- e) Advances disclosed are net of provisioning made for non-performing assets and floating provisions, provisioning on diminution in fair value of assets on restructured accounts.
- f) In case of loan accounts classified as NPA, an account may be reclassified as per performing asset if it confirms to the guidelines prescribed by RBI.
- g) Accounts are written off in accordance with bank's policies. Recoveries from bad debts written off are recognized in profit and loss account and included under other income.

5. FIXED ASSETS AND DEPRECIATION

- a) Fixed assets are carried at cost of acquisition less accumulated depreciation. Cost includes freight, applicable duties, taxes and incidental expense related to the acquisition and installation of the asset, except for items on which input credit is availed.

Tamilnad Mercantile Bank Limited

Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

- b) Depreciation on fixed assets is provided in accordance with estimated useful lives as specified in Schedule II to the Companies Act, 2013, and reckoning the residual value at 5% of the original cost of the asset except for the following:

c)

Class of Asset	Rates of depreciation per annum
Computer Hardware & Software	33.33%

Prescribed rate

Class of Asset	Rates of depreciation per annum
Building	1.67%
Office equipment	20%
Computer Hardware & Software	33.33%
Vehicles	12.50%
Furniture and Electrical Fittings	10%

- d) Depreciation on additions is pro rata basis, from the date of capitalization.
- e) Expenditure during construction/capital works pending completion is shown at cost.

6. EMPLOYEE BENEFITS

The bank is following Accounting Standard 15 (Revised 2005) “Employee Benefits” as under:

- (1) In respect of contributory plans viz – Provident Fund and Contributory Pension Scheme, the bank pays fixed contribution at pre-determined rates to a separate entity, which invests in permitted securities. The obligation of the bank is limited to such fixed contribution.
- (2) In respect of Defined Benefit Plans, viz. Gratuity and pension as well as for leave encashment, provision has been made based on actuarial valuation as per the guidelines.
- (3) The summarized position of Post-employment benefits and long term employee benefits have been recognized in the profit and loss account and balance sheet, as required in accordance with the Accounting Standard-15.
- (4) The actuarial gain / loss is recognized in the profit and loss account.

7. TAXES ON INCOME

1. Income tax expense is the aggregate amount of current tax and deferred tax. Current taxes are determined in accordance with the provisions of tax laws prevailing in India. Deferred tax adjustments comprise changes in the deferred tax assets or liabilities during the period and Deferred Tax is determined in terms of Accounting Standard-22 issued by ICAI.
2. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted prior to the balance sheet date. Deferred tax assets and liabilities are recognized on a prudent basis for future tax consequences of timing differences by adoption of Profit and Loss approach with their respective tax bases. The impact of changes in the deferred tax assets and liabilities is recognized in the profit and loss account.

Tamilnad Mercantile Bank Limited

Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

3. Deferred tax assets are recognized at each reporting date, based upon management's judgment as to whether realization is considered reasonably certain. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future profits.
4. No withdrawal is made from the Special Reserve created and maintained under the provisions of Section 36(1)(viii) of the Income Tax Act, 1961.

8. REVENUE RECOGNITION:

Income and expenditure is generally accounted on accrual basis except in the following cases:

- i) In the case of NPAs, S4A and SDR schemes, income is recognized on realization basis, in terms of guidelines of Reserve Bank of India. Where recovery is not adequate to upgrade the NPA accounts by way of regularization, such recovery is being appropriated towards interest in the first instance and towards the principal/book values thereafter, except in the case of suit filed accounts. In case of Non-performing investments (NPIs), the same accounting treatment as above is followed except otherwise agreed.
- ii) Dividend on investments in shares, units of mutual fund, income from sale of mutual fund products, locker rent, insurance claims, commission on LCs, income on auxiliary services and other services, overdue charges on bills, commission on Government business and insurance business are accounted on cash/realization basis.
- iii) Income related to credit card is accounted on the basis of the bills raised.
- iv) In the case of suit filed accounts, legal expenses are charged to the profit and loss account. Similarly, at the time of recovery of legal expenses, in respect of such suit filed accounts, the amount recovered is accounted as income.
- v) Funded Interest on Standard Restructured Advances and Interest on FITL are accounted as per the guidelines of Reserve Bank of India.
- vi) Expenditure is charged on accrual basis.

9. EARNINGS PER SHARE

The bank reports basic and diluted earnings per share in accordance with applicable Accounting Standard-20. For the year under reference, both Basic and diluted earning per share being the same, is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the period.

10. CASH FLOW STATEMENT

The Bank has adopted the respective Accounting Standard prescribed under Companies (Accounting Standard) Rules, 2006 and follows indirect method.

11. SEGMENT REPORTING

As per RBI guidelines on enhancement of disclosures relating to segment reporting under AS-17, the reportable segments have been divided into treasury, corporate / wholesale, retail banking operations.

Tamilnad Mercantile Bank Limited

Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

- (a) The Bank recognizes the Business Segment as the Primary Reporting Segment and Geographical Segment as the Secondary Reporting Segment, in accordance with the RBI guidelines and in compliance with the Accounting Standard 17.
- (b) Business Segment is classified into (i) Treasury (ii) Corporate / Wholesale Banking and (iii) Retail Banking.
- (c) Geographical Segment consists only of the Domestic Segment since the Bank does not have any foreign branches.

12. LEASES

Leases where the lessor effectively retains substantially all risks and benefits of ownership are classified as Operating Leases. Operating Lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term in accordance with AS19 Leases.

13. CONTINGENCIES

Loss, if any from contingencies arising from claims, litigation, assessment, fines, penalties etc are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

14. IMPAIRMENT OF ASSETS

Impairment losses, if any, on fixed assets are recognized in accordance with the Accounting Standard 28 'impairment of assets' and charged to profit and loss account.

15. NET PROFIT

The net profit is arrived at after provisions for:

- i) direct taxes;
- ii) possible losses on standard assets, restructured advances, NPAs and other contingencies;
- iii) depreciation / diminution on investments ;
- iv) employee retirement benefits and
- v) Other usual and necessary provisions.

16. CASH AND CASH EQUIVALENTS:

17. INTANGIBLE ASSETS

In respect of Intangible Assets, the Bank has adopted the respective Accounting Standard (AS26)

Tamilnad Mercantile Bank Limited
Annexure 4 – Basis of preparation and significant accounting policies forming part of the restated financial information

18. ACCOUNTING FOR PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- a) As per the Accounting Standard 29, the bank recognizes provisions only when it has a present obligation as a result of past event, it is probable that an outflow of resources is required to settle the obligation and when a reliable estimate of the amount can be made. The required disclosure for contingent liability is made on possible obligation that arises from past events, the existence of which depends on occurrence or non-occurrence of future event not under control.
- b) Contingent assets are not recognized in the financial statement since this may result in the recognition of income that may never be realized.

*During the year ended March 31, 2021 and March 31, 2020, the bank has sold securities from HTM category exceeding 5 % of the book value of the investments held at the beginning of the year, with due approval. The market value of the HTM securities held as on March 31, 2021 and March 31, 2020 is Rs.84,987.42 millions and Rs.68,520.26 millions, respectively.

SLR securities under 'Held to Maturity' category accounted for 20.82% of Bank's Demand and Time Liabilities as on March 31, 2021 as against the ceiling of 22.00% stipulated by Reserve Bank of India.

SLR securities under 'Held to Maturity' category accounted for 17.84% and 17.19% of Bank's Demand and Time Liabilities as on March 31, 2020 and March 31, 2019 respectively as against the ceiling of 19.50% stipulated by Reserve Bank of India.

(ii) During the year ended March 31, 2021, March 31, 2020 and March 31, 2019, the excess of acquisition cost over face value of securities kept under 'Held to Maturity' category was amortized on quarterly basis up to the date of maturity and the amortized amount for the financial year aggregates to ₹523.05 millions, ₹301.86 millions and ₹293.67 millions respectively. As per Reserve Bank of India guidelines, the said amount has been reflected as a deduction in Annexure 17 – Interest Earned under item II – 'Income on Investments'.

(iii) Interest received on sale of securities for ₹ 4,023.17 millions for March 31, 2021, ₹4,405.46 millions for March 31, 2020 and ₹2,611.41 millions for March 31, 2019 and interest paid on purchase of securities ₹ 3,845.79 millions for March 31, 2021 and ₹4,523.82 millions for March 31, 2020 and ₹2,418.82 millions for March 31, 2019 have been netted and shown under the head 'Income on Investments'.

(iv) There was shifting of securities to the tune of ₹15,688.60 (face value ₹15,369.75 millions), Rs.4,215.57 millions (face value Rs.4,055.49 millions), ₹23,181.65 millions (face value ₹23,225.12 millions) from/to HTM category during the year ended March 31, 2021, March 31, 2020 and March 31, 2019 respectively.

(v) During the year ended March 31, 2021 and March 31, 2020, the bank has sold government securities from Held to Maturity category exceeding 5% of the book value of investments held in HTM category at the beginning of the year. The profit booked out of sale of HTM securities has been transferred to Capital Reserve. As the market value of investment under HTM category as on 31.03.2021 and 31.03.2020 respectively, was higher than the book value, the provision thereof is not required to be made.

During the year ended March 31, 2019, the value of sale of securities from HTM category (excluding one-time transfer of securities permitted to be undertaken by banks at the beginning of the year, sales to RBI under OMO auctions, repurchased of government securities by Government of India and sale/transfer of securities consequent to reduction of ceiling on SLR securities under HTM) did not exceed 5% of the book value of investments held in HTM category at the beginning of the year.

(vi) As per RBI circular Ref.No.RBI/2017-18/147 DBR.No.BP.BL.102 /21.04.048/2017-2018 dated 02.04.2018, the bank has created an Investment Fluctuation Reserve (IFR) for an amount of ₹95.70 millions during the year 2020-21, ₹294.90 millions during the year 2019-20 and ₹291.60 millions during the year 2018-19.

vi. Disclosure on Divergence in the Asset Classification and Provisioning (RBI /DBR. BP.BC.NO.63/21.04.018/ 2016-17 dated 18th April 2017

In terms of RBI circular DBR.BP.BC.NO.32/ 21.04.018/ 2018-19 dated 1st April 2019 banks are required to disclose the divergence in asset classification and provisioning consequent to RBI's Annual Supervisory Review process in the "notes to accounts" to the financial statements if such divergence exceeds the threshold prescribed by RBI. Since, the divergence identified by RBI for the financial year ended March 31, 2019 are less than the prescribed thresholds, there is no disclosure required relating to Asset Classification & Provisioning on NPA. Further, RBI inspection was not carried for the financial year ended March 31, 2020 and March 31, 2021 so far.

vii. Provisioning pertaining to Fraud Accounts

As per RBI circular DBR.No.BP.BC.92/21.04.048/2015-16 dated 18.04.2016, where the bank chooses to provide for the fraud over two to four quarters and this results in the full provisioning being made in more than one financial year, banks should debit "other reserves" [i.e., reserves other than the one created in terms of section 17(2) of the Banking Regulation Act 1949] by the amount remaining un-provided at the end of the financial year by credit to provisions. However banks should proportionately reverse the debits to "other reserves" and complete the provisioning by debiting profit and loss account, in the subsequent quarters of the next financial year.

To comply with the above instructions of Reserve Bank of India, unamortized provision for NPA has been made by debiting the other reserves for the following fraud accounts.

Tamilnad Mercantile Bank Limited

Annexure 21 - Notes forming part of the Restated Financial Information

b) The Directorate of Enforcement vide its order dated 14.08.2020 had levied a penalty of Rs.169.90 millions for recording share transfers, which took place on 13.05.2007, 26.12.2011 and 11.06.2012 in violation of the Regulation 4 of Foreign Exchange Management (Transfer or Issue of security by a person resident outside India) Regulations, 2000. The Bank had made an application for compounding and post facto approval in this regard to RBI vide its letter dated 12.10.2020. The Bank had also requested Directorate of Enforcement vide its letter dated 12.10.2020 and 24.11.2020 to keep in abeyance the order of penalty imposed on bank till the decision of the RBI regarding compounding application.

RBI vide its letter dated 27.01.2021 returned the Bank's compounding application by stating that as the contravention sought to be compounded has been adjudicated by the order of the Special Director, Directorate of Enforcement dated August 14, 2020, the compounding application is not maintainable. On 22.02.2021, the Bank had once again, requested RBI to review their decision regarding its compounding application dated 12.10.2020.

On 05.04.2021, the Bank had received a copy of appeal dated 27.01.2021 filed by the Deputy Legal Adviser, Directorate of Enforcement, Chennai before Appellate Tribunal, Foreign Exchange, New Delhi against the Order of the Special Director of Enforcement dated 14.08.2020.

Further, on 26.07.2021, the Bank had sent another letter to Foreign Exchange Department, Mumbai and Chennai requesting them to consider our compounding application favourably by reviewing your earlier decision to smoothen the IPO process.

The Bank has not paid the penalty amount, but however, necessary provision for the amount has been made in the books of account.

xii. a) COVID -19

Year ended March 31, 2021

The spread of COVID 19 across the globe has resulted in decline in economic activity and increase in volatility in financial markets. WHO had declared COVID 19 as global pandemic. The Government of India had announced a series of lock-down measures from March 24, 2020 onwards which has been extended from time to time upto June 30, 2020. Govt. of India has directed a calibrated and gradual withdrawal of lock down and partial resumption of economic activities in spite of some of the major economic centres still continuing under regional lockdown after the significant increase in COVID 19 cases under the second wave. The situation continues to be uncertain and the bank is evaluating the situation on an ongoing basis. The revival of economic activities largely depends upon the intensity and spread of the disease, Govt. stimulus packages and regulatory measures. Major challenges for the Bank would arise from extended working capital cycle and waning cash flows. The extent to which the COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Bank's results will depend on ongoing as well as future developments, which are highly uncertain, including among things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us. Anyhow, the Bank has satisfactory capital and adequate liquidity to support its business growth, and hence the Bank does not expect any significant impact on the profitability of the Bank.

b) Supreme Court rulings on NPA classification:

The Hon'ble Supreme Court of India (Hon'ble SC), in a public interest litigation (Gajendra Sharma Vs. Union of India & Anr), vide an interim order dated September 03, 2020 ("Interim Order"), had directed banks that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. Accordingly, the Bank did not classify any account which was not NPA as of August 31, 2020 as per the RBI IRAC norms, as NPA after August 31, 2020. Pending disposal of the case, the Bank, as a matter of prudence, had made in respect of these accounts a contingent provision, which was included in 'Provisions (other than tax) and Contingencies'. The interim order granted to not declare accounts as NPA stood vacated on March 23, 2021 vide the judgement of the Hon'ble SC in the matter of Small Scale Industrial Manufacturers Association vs. UOI & Ors. and other connected matters. In accordance with the instructions in paragraph 5 of the RBI circular dated April 07, 2021 issued in this connection, the Bank has continued with the asset classification of borrower accounts as per the extant RBI instructions / IRAC norms.

6.17 Proposed dividend:

a) In terms of Revised Accounting Standard [AS4] Contingencies and events occurring after Balance sheet date as notified by the Ministry of Corporate affairs through Amendments to Companies (Accounting Standards) Amendment Rules 2016, dated 30 March 2016, the bank has not accounted for proposed dividend as a liability as at respective year-end. The proposed dividend was however accounted for as a liability up to 31st March 2016 in line with the accounting standard applicable at that time.

b) In terms of RBI Notification DOR.BP.BC.No.29/21.02.067/2020-21 dated December 4, 2020, read with their earlier Notification dt.17.4.2020, stated that in view of ongoing and heightened uncertainty on account of COVID-19, banks should continue to conserve capital to support the economy and absorb losses. The Notification also said that in order to further strengthen the banks' balance sheets, while at the same time support lending to the real economy, banks shall not make any dividend payment on equity shares from the profits pertaining to the financial year ended 31st March 2020. The Bank also did not declare and dividend for the financial year ended 31st March 2020. Keeping in view the continuing uncertainty caused by the ongoing second wave of COVID-19 in the country, and stating that it is crucial that banks remain resilient and proactively raise and conserve capital as a bulwark against unexpected losses, RBI had reviewed the dividend declaration norms for the year ended 31st March 2021, and had stated that banks may pay dividend on equity shares from the profits for the financial year ended March 31, 2021 vide recent notification DOC.ACC.REC.7/21.02.067/2021-22 dated 22nd April 2021, keeping in mind, subject to the quantum of dividend being not more than fifty percent of the amount determined as per the dividend payout ratio prescribed in paragraph 4 of their earlier circular DBOD.NO.BP.BC.88/ 21.02.067/2004-05 dated May 4, 2005.

c) For the Financial Year 2018-19, the Bank had declared Interim Dividend of 32% (3.20 per equity share of Rs.10 each) amounting to Rs.456.00 million on May 30 2019 and paid dividend distribution tax of Rs.93.70 million on 06.07.2019. The Bank has received a letter dated 11.06.2019 from Reserve Bank of India restricting the Bank from declaring or distributing any interim or final dividend till further order. Hence the Board decided not to distribute the declared dividend till removal of restrictions by RBI. In the current year, RBI vide its letter dt.25th March 2021, had lifted the restriction and the Bank has then distributed the above said undistributed interim dividend, except for the shares, which are under litigation or dispute.

6.18 Liquidity Coverage Ratio

The Liquidity Coverage Ratio (LCR) is one of the Basel Committee's key reforms to develop a more resilient banking sector. The objective of the LCR is to promote the short-term resilience of the liquidity risk profile of banks by ensuring that banks have an adequate stock of unencumbered high-quality liquid assets (HQLA) that can be converted easily and immediately into cash to meet their liquidity needs for a 30 calendar days liquidity stress scenario. The LCR is expected to improve the banking sector's ability to absorb shocks arising from financial and economic stress, whatever the source, thus reducing the risk of spillover from the financial sector to the real economy. The LCR is calculated by dividing a bank's stock of HQLA by its total net cash outflows over a 30-days stress period. HQLA of bank is in the form of Government Securities and highly marketable and liquid securities / bonds. The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements.

The guidelines for LCR were effective January 1, 2015, with the minimum requirement at 60%, which would rise in equal

Date	LCR to be maintained
17.04.2020 to 30.09.2020	80%
01.10.2020 to 31.03.2021	90%
01.04.2021 onwards	100%

The present requirement, as on March 31, 2021 is 90%. Bank prepares daily Liquidity Coverage Ratio statement to assess the liquidity needs of the Bank on an ongoing basis. A number of data points are used in calculating the average figures in the template since January 01, 2017 and a simple average is calculated on daily observations over the previous quarter. Bank has been publishing information on LCR in annual financial statements under Notes to Accounts. LCR related information based on simple averages of daily observations for the year ended March 2021, March 2020 and March 2019 are furnished below:

Notes to adjustments:

1. Audit modifications

There are no audit qualifications in the independent auditors' report issued for the year ended March 31, 2021, March 31, 2020 and March 31, 2019. Refer Part B for emphasis of matter paragraphs included in the independent auditors report for the year ended .March 31, 2021, March 31, 2020 and March 31, 2019 which are non-adjusting in nature.

2. Changes in accounting policies

(a) Provisioning for Non-Performing Assets (NPAs) - Substandard assets

With effect from October 1, 2020, the bank has modified the existing policy of 25% provision on all the Sub-Standard (NPA) assets into 25% on unsecured portion and 15% on secured portion of such assets as approved by its Board on September 8, 2020.

However, on a conservative basis, the Bank continued to provide 25% on all Sub-Standard assets for the year ended March 31, 2021 which is line with provisioning policy followed for Sub-standard (NPA) assets during the year ended March 31, 2020 and March 31, 2019. Therefore, no adjustments have been made to the audited profit / equity for any of the three years.

(b) Accounting policy relating to certain expenses

Expenditure like electricity, water, rent, property taxes, telephone, insurance, annual maintenance contracts, law charges, advertisement & publicity which were accounted not on accrual basis till March 31, 2018. However, with effect from year ended March 31, 2019, the same are accounted on accrual basis. This change has the impact on increasing the operating expenses on "Rent, taxes and lighting", "Printing and stationery", "Postage, telegram, telephone etc" in the year ended March 31, 2019 with consequent increase of "Total Expenditure" and decrease of "Net Profit" for the year ended March 31, 2019.

However, since the amounts involved are not material, no adjustments have been made to the Restated financial statements.

Part B: Non-adjusting items

i. Emphasis of Matter in Independent auditors' report

The following emphasis of matter paragraphs in the independent auditors' report do not require any adjustments in the Restated Financial statements:

(a) Emphasis of Matter Paragraph - Independent auditors' report for the year ended March 31, 2020

We draw attention to Note No.5.J.(xii) of the accompanying financial Statements which describes the uncertainties due to the outbreak of novel coronavirus (COVID 19). In view of these uncertainties, the impact on the Bank's financial Statements is significantly dependent on future developments.

(b) Emphasis of Matter Paragraph - Independent auditors' report for the year ended March 31, 2021

We draw attention to Note No.5.J.(xii)(a) of the accompanying financial Statements which describes the uncertainties due to the outbreak of novel coronavirus (COVID 19). In view of these uncertainties, the impact on the Bank's financial Statements is significantly dependent on future developments.

(c) Emphasis of Matter Paragraph - Independent auditors' report for the year ended March 31, 2021

We draw attention to Note No. 5.J.(ii)(b) of the accompanying financial statements where the Bank has accounted during the year, the penalty payable amounting to Rs. 16.99 crores, as per the order of Directorate Of Enforcement, levied for recording share transfers during 2007, 2011 and 2012 in violation of the regulation 4 of Foreign Exchange Management (Transfer or Issue Of security by a person resident outside India) Regulations, 2000. While the Bank's compounding application, being returned by RBI, the Bank has asked RBI to review their decision and the Bank is yet to pay the penalty but has made necessary provision for the penalty in the current year.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

The following discussion of our financial condition and results of operations should be read in conjunction with our Financial Statements beginning on page 204. The Restated Financial Statements have been derived from audited financial statements prepared in accordance with Indian GAAP and restated as per the SEBI ICDR Regulations.

Indian GAAP differs in certain material respects from Ind AS, U.S. GAAP and IFRS. See "Risk Factors – Banking companies in India, are currently required to report financial statements as per Indian GAAP. However, we may be required to prepare our financial statements in accordance with Ind AS in the future. Differences exist between Ind AS and Indian GAAP, which may be material to investors' assessment of our financial condition. The Ind AS financial information that we may be required to prepare in the future may not be comparable to the Indian GAAP financial information we currently prepare" on page 39.

Some of the information in the following discussion, including information with respect to our plans and strategies, contain forward-looking statements that involve risks and uncertainties. Please read the section "Forward-Looking Statements" on page 18 for a discussion of the risks and uncertainties related to those statements. Our actual results may differ materially from those expressed in or implied by these forward-looking statements. Also read "Risk Factors" and "– Factors affecting our Results of Operations and Financial Condition" beginning on pages 20 and 268, respectively, for a discussion of certain factors that may affect our business, financial condition or results of operations.

OVERVIEW

We are one of the oldest and leading old private sector banks in India with a history of almost 100 years (*Source: CRISIL Report*). We offer a wide range of banking and financial services primarily to micro, small and medium enterprises ("MSME"), agricultural and retail customers ("RAM"). As of June 30, 2021, we have 509 branches, of which 106 branches are in rural, 247 in semi-urban, 80 in urban and 76 in metropolitan centres. Our overall customer base is approximately 4.93 million as of June 30, 2021 and 3.45 million or 69.96% of our customers have been associated with us for a period of more than five years and have contributed to ₹ 275,619 million or 67.02% to our deposits and ₹ 179,638.99 million or 57.56% to our advances portfolios as of June 2021. As per the CRISIL Report, we had the second highest Net Profit for Fiscal 2021 amongst our Peers, and our Return on Assets was also higher at 1.3% compared to a median 0.7% for our Peers for Fiscal 2021.

We were incorporated as 'Nadar Bank Limited' in 1921 and our name was changed to 'Tamilnad Mercantile Bank Limited' in the year 1962. We received our license to carry on banking business from the Reserve Bank of India (the "RBI") in 1962. Since our incorporation, having head quartered at Thoothukudi, Tamil Nadu, India, we have built a strong presence in the state of Tamil Nadu, with 369 branches and 941 automated teller machines ("ATMs") and 238 cash recycler machines ("CRMs") as of June 30, 2021. Tamil Nadu, the fourth largest state of India, is one of the fastest growing states, with continued focus on MSME and textile industry. Tamil Nadu's gross state value added ("GSVA") at current prices grew at a compounded annual growth rate ("CAGR") of 10% between Fiscal 2015 and 2021 against the country wide growth of 7% (*Source: CRISIL Report*). As per the CRISIL Report, Tamil Nadu ranked second in terms of state-wise contribution to GDP and has also grown at a faster rate as compared to the national GDP growth rate. Tamil Nadu is under penetrated which presents an opportunity for further growth in GDP funded by bank loans (*Source: CRISIL Report*). Its bank credit to GDP stood at 53% as compared to 89% in case Maharashtra and 37% for Gujarat during Fiscal 2020 (*Source: CRISIL Report*). Bank's deposits have grown at a healthy pace of 8.0% CAGR (compared to median of its peers: 6.4%), while its advances grew at 8.3% CAGR (compared to median of its peers: 4.4%) as per the CRISIL Report. As of March 31, 2021, our deposits and advances portfolio in the state of Tamil Nadu

has contributed 76.33% to our Total Business. We also focus on diversifying our growth in other high growth regions of India which will help increase our network and client base. Other than Tamil Nadu, we are present in 15 other states and 4 union territories of India. Apart from Tamil Nadu, we have sizable presence in the states of Maharashtra, Gujarat, Karnataka, and Andhra Pradesh with presence across 90 branches and 123 ATMs and 15 CRMs as of June 30, 2021. We have also been consistently growing our customer base from approximately 4.42 million as of March 31, 2019, approximately 4.66 million as of March 31, 2020 to approximately 4.91 million as of March 31, 2021 at the CAGR of 5.38% from Fiscal 2019 to 2021. Our focus on quality of service and nurturing long term relationship with our customers has enabled us to develop a well-recognized and trusted brand in south India, particularly in Tamil Nadu, India.

We have built a strong portfolio of advances and deposits across our customer base.

Advances: Our advances portfolio primarily consists of lending to (a) Retail customers; (b) agricultural customers and (c) MSMEs (“**RAM**”).

MSMEs: We primarily offer various loan products to our MSME customers operating in manufacturing, trading and services sector. During the Fiscals 2019, 2020 and 2021, MSMEs contributed 37.32%, 37.92%, and 39.08% respectively to our total advances with a CAGR of 10.56% from March 31, 2019 to March 31, 2021.

Agricultural customers: We primarily offer loan products to individual farmers, group of farmers and agricultural corporates. During the Fiscals 2019, 2020 and 2021, agricultural customers contributed 22.49%, 24.77%, and 27.41% respectively to our total advances with a CAGR of 19.27% from March 31, 2019 to March 31, 2021.

Retail customers: We primarily offer home loans, personal loans, auto loans, educational loans as well as security backed loans of various types to our retail customers. During the Fiscals 2019, 2020 and 2021, retail customers contributed 16.78%, 19.27%, and 20.60% respectively to our total advances with a CAGR of 19.68% from March 31, 2019 to March 31, 2021.

Corporate customers: We offer various kinds of loans to corporates, in textiles and other industries, with our assortment of banking products and services including working capital, term financial, trade financial, structured finance services, foreign exchange business funding in domestic and foreign currencies. During the Fiscals 2019, 2020 and 2021, corporate customers contributed 23.40%, 18.04%, and 12.92% respectively to our total advances with a CAGR of (19.74%) from March 31, 2019 to March 31, 2021. This is in line with our strategy to move focus away from corporate customers in favour of RAM.

From Fiscal 2019 to Fiscal 2021, our overall advances portfolio has increased at a CAGR of 8.05%.

- *RAM portfolio:* our lending products are primarily focussed on MSME, retail and agri-financing. Our RAM portfolio has increased at a CAGR of 15.21% over the last three Fiscals from ₹ 206,951.77 million in Fiscal 2019 to ₹ 274,673.88 million in Fiscal 2021.
- *Secured and un-secured lending:* with focus on keeping risk relatively lower, in addition to our strong underwriting processes, we have consistently maintained and further increased our secured lending from 98.28% of our overall advances in Fiscal 2019 to 99.31% of our overall advances in Fiscal 2021. Our un-secured lending portfolio’s contribution has steadily declined from 1.72% or ₹ 4,644.97 million of overall advances as on March 31, 2019 to 1.18% or ₹ 3,327.70 million as on March 31, 2020 to 0.69% or ₹ 2,172.40 million as on March 31, 2021.
- *Average ticket size of advances:* with an aim to manage risk of concentration, we have increased our focus on lower ticket size loans. Our average ticket size of loans in our overall advances portfolio has grown in the following manner:

(In ₹ million)

Loan Category	Fiscal 2019	Fiscal 2021	CAGR
Up to ₹ 1 lac	35,831.7	31,240.0	(6.63%)
Above ₹ 1 lac and up to ₹ 5 lacs	19,909.7	51,807.7	61.31%
Above ₹ 5 lacs and up to ₹ 10 lacs	16,699.8	22,919.2	17.15%

Above ₹ 25 lacs	1,61,278.4	1,58,809.6	(0.77%)
-----------------	------------	------------	---------

Deposits: Our deposits portfolio consists of term deposits, recurring deposits, savings bank and current bank accounts amongst others. Total deposits of our Bank have increased at a CAGR of 8% from ₹ 351,362.47 million in Fiscal 2019 to ₹ 409,704.16 million in Fiscal 2021. During the Fiscals 2019 and 2021, our current account savings accounts (“CASA”) contributed ₹ 86,577.10 million or 24.64%, and ₹ 116,852.65 million or 28.52% respectively to our total deposits and have grown with a CAGR of 16.18% from March 31, 2019 to March 31, 2021. Further, during the Fiscals 2019 and 2021, retail term deposits contributed ₹ 223,725.90 million or 84.49%, and ₹ 264,223.41 million or 90.22% respectively to our total deposits and have grown with a CAGR of 8.68% from March 31, 2019 to March 31, 2021. We also have healthy renewal rates across our term deposit categories. Our deposits growth rate has been one of the top five amongst our Peers in the industry with a growth rate of 8.00% for the year ended March 31, 2021 over Fiscal 2020 (*Source: CRISIL Report*).

The renewal rates of our term deposits have changed in the following manner across categories:

Term Deposit Category	Fiscal 2019	Fiscal 2020	Fiscal 2021
Up to ₹ 15 lacs	77.62%	79.86%	78.31%
Above ₹ 15 lacs below ₹ 100 lacs	71.87%	78.26%	79.09%
Above ₹ 100 lacs	34.73%	32.96%	41.40%

Our risk management processes are aimed at maximizing our Bank’s risk adjusted rate of return by maintaining credit exposure within acceptable parameters. Our gross non-performing assets (“GNPA”) have reduced from ₹ 11,681.12 million or 4.32% in Fiscal 2019 to ₹ 10,209.77 million or 3.62% in Fiscal 2020 to ₹ 10,847.78 million or 3.44% in Fiscal 2021. Our Bank has reported a relatively lower GNPA in Fiscal 2021 as compared to our Peers (*Source: CRISIL Report*). Our net non-performing assets (“NNPA”) have reduced from ₹ 6,365.19 million or 2.40% in Fiscal 2019 to ₹ 4,974.66 million or 1.80% in Fiscal 2020 to ₹ 6,138.26 million or 1.98% in Fiscal 2021. In Fiscal 2021, our GNPA as a percentage of overall advances in RAM portfolio was ₹ 7,750.40 million or 2.82% and in corporate portfolio was ₹ 3,097.37 million or 7.60 % respectively. Further, we have maintained a provision coverage ratio (“PCR”) at 73.61%, 80.75% and 79.53% as of March 31, 2019, March 31, 2020 and March 31, 2021, respectively.

As on June 30, 2021, we had a network of 509 branches, 12 administrative offices, 1,131 ATMs, 262 CRMs, and 47 E-lobbies. Out of these 509 branches, 76 branches are in metropolitan areas, 80 branches are in urban areas, 247 branches are in semi-urban areas, and 106 branches are in rural areas. We have wide presence in south India and further diversifying our branches in other states of India, with 90 branches located in the states of Maharashtra, Gujarat, Karnataka and Andhra Pradesh respectively.

We are a professionally managed bank. Our Board of Directors and senior management consist of seasoned professionals with experience in banking, accounting and auditing. Our MD & CEO, K.V. Rama Moorthy, has more than 40 years of experience in the banking industry. Other members of our Board including our Independent Directors also have significant experience including experience in the banking and finance industry. Additionally, two Directors have been nominated to our board by the RBI. The experience of our Board and senior management team has enabled us to develop a strong understanding of industry-specific aspects of our business and operations. For details, see “*Our Management*” on page 160.

FACTORS AFFECTING OUR RESULTS OF OPERATIONS AND FINANCIAL CONDITION

The impact of COVID-19 on our results of operations and financial condition

On March 14, 2020, India declared COVID-19 as a “notified disaster” for the purposes of the Disaster Management Act, 2005 and imposed a nationwide lockdown beginning in March 2020. The initial lockdown lasted until the end of May 2020, and was extended periodically by varying degrees by state governments and local administrations. The lifting of the lockdown across various regions has been regulated with limited and progressive relaxations being granted for movement of goods and people, and calibrated re-opening of businesses and offices, in certain places. Recently, throughout March and April 2021, due to an increase in the number of daily COVID-19 cases, several state governments in India re-imposed lockdowns, curfews and other restrictions to curb the spread of the virus. As a result of the detection of new strains and subsequent waves of COVID-19 infections in several states in India as well as throughout various parts of the world, we may be subject to further reinstatements of lockdown protocols or other restrictions, which may adversely affect our business operations.

As a result, our financial results for Fiscal 2021 reflect the impact of COVID-19 and various regulatory measures in response to COVID-19, including moratorium availed by customers and may continue to affect our business, financial condition, results of operations and cash flows in a number of ways, including, among others, the following:

- it may lead to closure of our branches for unpredictable periods of time or require us to operate with limited personnel, all of which would restrict our ability to engage with existing and new customers to market our product and services offerings, carry out KYC and other customer due diligence processes, conduct loan applications and disbursements and collect loan repayments. Although, banks were declared essential services, some of our branches were temporarily closed during the initial wave of the COVID-19 pandemic, while others operated with reduced working hours and a limited workforce during this time as per instructions received from local authorities. While we were able to gradually resume operations, we have continued to implement and follow safety measures such as regular temperature checks, regular sanitization, and compulsory use of masks and hand sanitization. Following the second wave, although we have been able to keep our branches open, we have adjusted our operations to ensure the safety of our employees in line with the applicable local guidelines;
- it may lead to an overall deterioration in the economy with decreased business activity which could adversely affect our business as a whole, and in particular our revenue from fee based services;
- it may lead to a reduction in the value of collateral provided for our Bank’s loans, leading to higher than anticipated losses on default;

- it may result in a decline in disbursements on account of our target customers' (amongst others, daily wage earners, self-employed individuals and street vendors) operations being disrupted;
- there could be potential increase in our NPA levels due to possible deterioration in the credit quality of our customers;
- there could be uncertainty regarding the conditions that must be satisfied before government authorities completely lift "stay-at-home" orders and further imposition of such orders;
- the potential negative impact on the health and safety of our personnel, particularly because a number of them were and could in future be afflicted by COVID-19, could result in a deterioration in our ability to ensure business continuity during this disruption; and
- we may face increased risks emanating from an increase in number of individuals working from home such as issues relating to productivity, connectivity and oversight challenges.

The extent to which the COVID-19 pandemic impacts our business and results will depend on future developments, which are highly uncertain and cannot be predicted, such as new information which may emerge concerning the severity of the coronavirus, the actions taken globally to contain the coronavirus or treat its impact and vaccine distribution and effectiveness rates, among others. Further, the effect on our business, operations and financial performance may be difficult to predict and may vary significantly from that estimated by our management from time to time, and any action to contain or mitigate such effect, whether government-mandated or opted by us may not have the anticipated impact or may fail to achieve its intended purpose altogether. Existing insurance coverage may not provide protection for all costs that may arise from all such possible events.

Significant dependence on RAM customers

We have traditionally focused on small ticket size loan products to MSME customers, agricultural and retail ("RAM") customers for our growth. Our advances portfolio consists of a wide basket of retail finance and small ticket size MSME finance products. As at March 31, 2021, our advances to the RAM segment represent more than 88.41% of our net advances, with the MSME segment in particular representing 39.08%.

Our RAM Portfolio increased at a CAGR of 15.21% over the last three Fiscals from ₹ 206,951.77 million in Fiscal 2019 to ₹ 274,673.88 million in Fiscal 2021, whereas our total advances increased from ₹ 270,186.6 million in Fiscal 2019 to ₹ 315,410 million in Fiscal 2021 at a CAGR of 8.05%. Accordingly, our RAM customer base, is critical to our business and demand for our banking products from this segment affects our business, results of operations, financial condition and cash flows.

Diversification of product offerings and the success of fee based services

We offer a wide range of traditional banking, financial products and services primarily to retail, agricultural, MSME and corporates covering general banking segments. We also offer micro banking activities, i.e. providing loans of small amounts to low income individuals/groups. For instance, we provide loans of up to ₹ 10,000 under PM Svanidhi scheme that are repayable in monthly instalments. Traditional banking and micro banking activities undertaken by us are exposed to different risks that may impact their operations and performance, including but not limited to regulatory requirements, geographic and industry concentration risks, varied customer demographics and borrower profiles, risks associated with secured and unsecured lending practices, and the ability to offer different types of financial products to attract customers. Our presence in each of the general banking and micro banking sectors uniquely exposes us overall to the risks present in each.

In addition, the primary drivers of our revenue are the fees that we charge for our products and services, and the volume of such fees. The fees we charge our customers can depend upon a number of factors that are, in part, within our control, which can include our overall business strategy, our expenses related to a particular transaction type, the volume of transactions for a product or service (where the greater the number of expected transactions will typically result in us getting a smaller fee, and vice versa), or promotions that we may be

running at any given time. Further, they are also dependent upon a number of external factors, which can include general macro-economic conditions, the supply or demand for a product and service, regulatory instructions (such as in the case of interchange fees), changes in general banking activity and competitive factors. Competitive factors in particular, have and may continue to have an adverse effect on our ability to charge higher fees to improve our margins.

In addition, as our fee charges are primarily on per transaction basis, the volume of transactions that we record is a primary driver of our revenue. The volume of transactions depend upon a number of factors that are, in part, within our control, which can include the number of and availability of customer touchpoints (i.e., ATMs, e-Lobbies, BCs, and POS, Mobile Banking, internet Banking in addition to our 509 branches as on June 30, 2021), the usability of our customer facing technology and the reliability and capacity of such technology to handle large volumes of transactions, our marketing efforts and customer care initiatives, and the extent to which our customer touchpoints represent our brand in a positive manner. Our Bank is continuously upgrading its technology platform to enhance user experience through alternate channel to facilitate to handle large volume of transactions and generate fee income through digital channels. For instance, our Bank has launched a mobile banking application “TMB MConnect” on June 23, 2016 and is in the process of launching our new mobile banking application “TMB MBank”. Further, the volume of transactions also depends upon a number of external factors, which can include general macro-economic conditions, critical technology and power infrastructure, government initiatives regarding financial inclusion, digitization of transactions and payments in India, changes in general banking activity and competition.

Regional concentration in southern India, particularly in Tamil Nadu

As of March 31, 2019, 2020 and 2021, our deposits and advances in the state of Tamil Nadu contributed to 71.62%, 75.93%, and 76.33% of our Total Business. As of March 31, 2021, we had 4.18 million customers in the State of Tamil Nadu comprising 85.07% of our overall customer base. While we have a presence in the states of Gujarat, Maharashtra, Karnataka and Andhra Pradesh, we have an especially strong regional concentration in southern India, and in particular, in Tamil Nadu.

Our concentration in the southern India, and specifically in Tamil Nadu, exposes us to many adverse economic or political circumstances in the region as compared to other public and private sector banks that have a more diversified national presence. Any change in regulatory framework, political unrest, disruption, disturbance, or sustained downturn in the economy of Tamil Nadu and other states in southern India may impact our business, financial condition, and results of operations.

Regulatory Developments

Banks in India, including our Bank, are subject to compliance with various circulars, guidelines and regulations prescribed by the RBI and the Banking Regulation Act. In particular, we are required to comply with prudential norms on income recognition, asset classification and provisioning pertaining to advances, prudential norms for classification, valuation and operation of investment portfolio by banks, regulations governing the opening of new branches, limits for shareholding, digital payment security controls directions and interest rate on deposits directions.

Under the Reserve Bank of India (Cash Reserve Ratio (CRR) and Statutory Liquidity Reserve Ratio (SLR)) Directions, 2021 dated July 20, 2021 and the notifications issued by the RBI, we are subject to a CRR requirement under which we are currently required to keep 4.00% of our net demand and time liabilities in current account with the RBI. We do not earn interest on cash reserves maintained with the RBI. In addition, under the RBI's regulations, our liabilities are subject to a SLR requirement, according to which 18.00% of our net demand and time liabilities need to be invested in government securities, treasury bills and other securities approved by the RBI from time to time. When the interest rate rises, the value of these fixed coupon securities depreciates.

The Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2020 dated September 4, 2020 (“**PSL Regulations**”) sets out the broad policy in relation to priority sector lending. The Priority Sector Lending Regulations apply to all commercial banks licensed to operate in India by the RBI. In terms of the PSL Regulations, the sectors categorised as priority sectors are agriculture, micro, small and medium enterprises (“**MSME**”), export credit, education, housing, social infrastructure, renewable energy and

other sectors. Further, the PSL Regulations stipulate that domestic commercial banks will have to allocate 40.00% of the adjusted net bank credit to PSL or credit equivalent of off-balance sheet exposures, whichever is higher. Further, for agriculture sector, micro enterprises and advance to weaker sections, the targets are 18.00%, 7.50% and 12.00% of the adjusted net bank credit or credit equivalent of off-balance sheet exposures, whichever is higher, respectively. It has also prescribed sub-targets for small and marginal farmers, micro-enterprises and weaker sections.

The RBI has issued guidelines based on the Basel III reforms on capital regulation on May 2, 2012, to the extent applicable to banks operating in India. The Basel III capital regulation was implemented from April 1, 2013 in India in a phased manner and was scheduled to be fully implemented by April 1, 2021. However, the last tranche of such implementation was further deferred until October 1, 2021. As of March 31, 2021, banks are required to maintain a common equity Tier 1 adequacy ratio of 5.50%, minimum Tier-1 capital ratio of 7.00%, minimum total capital ratio of 9.00%. In addition, banks are required to maintain a capital conservation buffer (“CCB”) of 2.5%. However, the RBI through its notification dated January 10, 2019, deferred the implementation of the last tranche of 0.625% of CCB to October 1, 2021. Accordingly, minimum capital conservation ratios as applicable from March 31, 2018 (1.875%) continues to apply until the CCB attains the level of 2.50%.

For further details on the regulatory requirements, see “*Key Regulations and Policies*” on page 137.

Asset quality, NPAs and provisioning requirements

Our management of credit risk involves having appropriate credit policies, underwriting standards, approval processes, loan portfolio monitoring, collection and remedial management and an overall architecture for managing credit risk in our business. The credit quality of our borrowers, the growth of our loan portfolio and the health of our provisioning levels are important factors for our overall business, results of operations, financial condition, cash flows and prospects. Accordingly, we have credit monitoring and risk mitigation policies and procedures in place for our business.

For Fiscals 2019, 2020, and 2021, our net NPAs were ₹ 6,365.19 million, ₹ 4,974.66 million, and ₹ 6,138.26 million, which represented 2.40%, 1.80%, and 1.98% of our net advances respectively. Our gross NPAs represented 4.32%, 3.62%, and 3.44% of our total advances for Fiscals 2019, 2020 and 2021, respectively. Our Bank makes efforts to improve collections and foreclose on existing impaired loans in a timely manner as controlling or reducing impaired loans, controlling increase in impaired loans and the quality of the assets that our Bank holds as security, are critical to our Bank’s future financial performance.

Provisions for NPAs are created by a charge to our profit and loss account and are currently subject to minimum provision requirements set by the RBI and our internal provisioning policies. The determination of an appropriate level of loan losses and provisions involves a degree of subjectivity and requires that we make estimates of current credit risks and future trends, all of which may be subject to material changes. Any incorrect estimation of risks may result in our provisions not being adequate to cover any further increase in the amount of NPAs or any further deterioration in our NPA portfolio.

Stress in certain sectors of the economy could impact our customers and result in higher levels of NPAs and restructured assets in the future. Further, certain assets classified as restructured may subsequently be classified as delinquent or non-performing in case borrowers fail to restore their financial viability and honour their loan servicing obligations. There can be no assurance that the debt restructuring criteria approved by us will be adequate or successful and that borrowers will be able to meet their obligations under restructured advances. Any resulting increase in delinquency levels may adversely impact our business, financial condition, and results of operations.

Interest rate volatility

Our results of operations depend substantially on our Income, which is driven by our interest earned. Interest earned is the largest component of our total income, and represented 84.85%, 86.81% and 88.61% of our total income in Fiscal 2021, 2020 and 2019. Our interest expense, which is largely dependent on our deposits and associated interest rates, represented 48.70%, 53.77% and 54.81%, of our total income in Fiscals 2021, 2020 and 2019, respectively. Accordingly, the magnitude and timing of interest rate changes in the asset and liability

markets as well as the relative gradient of the rate curves, have a significant impact on our margins and our profitability. Movements in short and long-term interest rates affect our interest earned and interest expended.

Competition

The banking industry in India is highly competitive and we face strong competition in all our principal lines of business. Our primary competitors are public sector banks and private sector banks. Many of our competitors have, over time, built extensive branch networks, providing them with the advantage of a low cost deposit base, and enabling them to lend at competitive rates. In addition, the extensive geographic reach of many of these institutions enables product delivery in remote parts of the country. Further, the Indian banking sector has undergone significant reforms over the last few years; there has been a significant increase in competition from the emergence of financial technologies companies and payment banks due to technological advancement and tech-savvy human resources. We seek to compete with these banks through value added services, faster customer service response, quality of service, a growing inter – connected branch network and delivery capabilities based on enhanced technology. Peers in the industry have been identified as all listed old private sector banks with Total Business size of at least ₹ 200 billion. (*Source: CRISIL Report*) Other private sector banks also compete in the corporate banking market on the basis of pricing, efficiency, service delivery and technology. Our competition primarily entails issues of variety, pricing and quality of products and services, convenience of banking facilities, reach of distribution network and brand recognition, as well as information technology capabilities.

Transition to Ind AS and impact on preparation and presentation of our future financial statements

The Ministry of Corporate Affairs, in its press release dated January 18, 2016, issued a roadmap for implementation of Ind AS for scheduled commercial banks, insurance companies and NBFCs, which are applicable to us. Such roadmap provided that these institutions were required to prepare Ind AS financial statements for accounting periods commencing April 1, 2018 (including comparative financial statements for the corresponding periods in the previous year). The RBI, by its circular dated February 11, 2016, required all scheduled commercial banks to comply with Ind AS for financial statements commencing April 1, 2018 and also required such entities to prepare and submit proforma Ind AS financial statements to the RBI since the six months ended September 30, 2016. However, the RBI, through its notification dated March 22, 2019, decided to defer the implementation of Ind AS until further notice for all scheduled commercial banks (except regional rural banks). Under applicable regulations, scheduled commercial banks, are not permitted to undertake early adoption of Ind AS. Accordingly, we continue to prepare and present our financial statements under Indian GAAP.

We have not determined with any degree of certainty the impact that such adoption will have on our financial reporting. Furthermore, the new accounting standards will change, among other things, our methodology for estimating allowances for probable loan losses and for classifying and valuing our investment portfolio and revenue recognition policy. For estimation of probable loan losses, the new accounting standards may require us to calculate the present value of the expected future cash flows realizable from our loans, including the possible liquidation of collateral (discounted at the loan's effective interest rate). This may result in us recognizing allowances for probable loan losses in the future which may be higher or lower than under current Indian GAAP.

Technology efficiency and digital business

We believe that the increased availability of internet access and connectivity across India requires a comprehensive technology-driven strategy to proactively develop new methods of reaching our customers and running our businesses. Our technology-driven strategy is focused on acquiring new customers by enhancing customer experience through our digital interfaces. Our technology focus is also intended to enhance our loan approval capabilities, reduce overall turnaround time, and facilitate maintaining and developing long-term customer relationships by allowing our customers to interact with us and access their accounts from the comfort of their personal space.

We are continuously investing in technology as a means of improving our customers' experience, offering them a range of products tailored to their financial needs and making it easier for them to interact with us. While we have introduced internet and mobile banking to our customers around 10 years ago, we continue to launch better interfaces and platforms for ease of our customers to access and use our varied product portfolio and services. We have approximately 0.23 million customers using our internet banking facilities contributing to 9.45 million transactions, and approximately 0.68 million customers using our mobile banking facilities contributing to 20.16

million transactions, as of March 31, 2021. We constantly aim to upgrading our systems to match our customer demands and satisfy the needs of our diverse customer base.

Our aim is to foster continued investment and innovation towards improved network security technology and architecture by adopting the “phygital” approach to sustainable and scalable growth. Our focus is on the simplicity in product and service design and interface designed for ease of use of customers including in the rural and semi-urban regions, supported by strengthened and automated backend processes.

We currently provide a range of options for customers to access their accounts, including internet banking and mobile banking and we have also launched a mobile application. We offer a convenient and secure application, TMB DigiLobby, for our customers to view all their account balances & transactions on their mobile device for each customer id. Customers may also create a personal ledger using the application and transactions, which can be linked to the personal ledger to view the transactions breakup separately. We also have a comprehensive integrated online fee payment system, TMB Fee Pay, for educational institutions, which enables educational institutions to collect their fees from students through multiple modes. We are exploring investment in technology platforms which provide early warning signals for stressed assets, and in customer relationship management systems, peripheral systems which would integrate our systems with that of our various business partners for origination and other operational functions, and alternate channels such as corporate internet banking, Point of Sale (“POS”) facility, and payment system interfaces. We will continue to focus in creating efficient Management Information Systems (“MIS”) and data analytics practices to monitor our portfolio and get actionable insights to help drive efficient decision making. We are also continuing to invest in our cyber security network and privacy protection systems, in order to supplement our growth and increase the robustness of our data security framework. Our operational initiatives also provide us with insights into our customers, enabling us to cater to their needs in a customised manner.

Risk Management and liquidity management

Given our RAM portfolio focusing particularly on our MSME customers, we focus on selective lending and limit our exposure to certain industries and sectors as a part of our strategy to monitor concentration risk. Further, with an aim to maintain and improve our asset quality, we follow specific processes prior to loan approval and during the tenure of the loans depending on the ticket size of the loans. Our term loans are reviewed annually and higher value loans are reviewed periodically depending on the size of the loan products. This enables to us escalate any defaults at our regional offices in a timely manner. We also have a dedicated credit audit monitoring department which monitors our advances and avoid any downgrading in asset classification. We also have recovery champions at specific branches, regional offices and our head office to enable us to maintain our asset quality. We also have an early warning signals (“EWS”) software to identify weaknesses in advances which is escalated to relevant officers and branches of our Bank. Our lending products are sanctioned basis standard operating procedures. Our advances with exposure of ₹ 250.00 million or more are monitored on a daily basis. These prudent risk management controls, policies, and procedures that we currently have and continuously evaluate to improve, are critical for the long-term sustainable development of our business. We regularly assess and update these policies and procedures to align with statutory changes as well industry standards. We have implemented risk management procedures for our credit exposures, including credit scoring, risk based pricing models, risk monitoring and control mechanisms. As of March 31, 2021, we have 58.00% of our outstanding loan value with less than 12 month tenures including working capital facilities renewable annually, 18.00% of our outstanding loan value with a tenure of 12-60 months and 24.00% with a tenure of more than 60 months. As of March 31, 2021, our average loan outstanding per branch is ₹ 606.53 million.

Operational Risk has been identified as one of the major risks faced by Banks in the wake of increasing complexities of operations. Managing risk effectively is fundamental to the way we manage our business. The RBI guidelines have mandated banks to implement the operational risk management requirements. We have adopted various risk management policies, including operational risk management policy, credit risk management policy, credit risk mitigation techniques and collateral management policy, foreign exchange risk management policy, market risk policy, fraud risk management policy and model risk policy.

Our operational risk management policy has been adopted to reduce the operational losses by adopting various mitigation techniques and enhancing stakeholder value by improving our Bank’s competitive strategies. The objective will be achieved by effectively identifying, assessing, monitoring and mitigating these risks. Our credit risk management policy provides for the effective management of credit risk, necessary for long term success of our Bank. It encompasses identification, measurement, monitoring and mitigating of credit risk exposure.

Our credit risk mitigation techniques and collateral management policy serves as the guideline for management of collaterals accepted/proposed to be accepted by our Bank, against an existing/proposed exposure, so that Bank's interests, rights and capital are protected. It also serves as a guide for addressing and mitigating the various risks including Credit Risk and Residual risks arising out of collaterals accepted by our Bank. Our foreign exchange management risk policy pertains to the risks that our Bank may be exposed to in the conduct of foreign exchange business, such as, (i) operational risk; (ii) exchange rate risk; (iii) credit risk; (iv) country risk; (v) interest rate risk; and (vi) liquidity risk.

Our fraud risk management risk policy aims to protect/mitigate the loss/damage that may be caused to our Bank by an act of fraud. It seeks to strengthen the existing systems and procedures and also create awareness amongst the staff/office members of our Bank. Our Bank has a strong internal control system, by which all employees are made aware of best practices and shall recognize the need to communicate to the appropriate level of management any instances of non-compliance with policy violation or any illegal actions. Our Bank has also constituted a risk management committee to effectively take decisions for handling and mitigating any risks we may face.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Foreign Exchange Transactions

Accounting for transactions involving foreign exchange is done in accordance with accounting standard (AS11) issued by the Institute of Chartered Accountants of India and also as per the RBI Guidance circular no. 395 dated 15th March 2005. Foreign currency income and expenditure items of domestic operations are translated at the exchange rates prevailing on the date of transaction. Foreign currency liabilities such as FCNR/EEFC/RFC/MC prepaid card balances and Foreign currency assets such as Nostro bank balances, deposits and foreign currency loans availed by constituents, are translated at the Spot rates announced for quarter ends by FEDAI and the resultant profit / loss is shown as income / loss. In respect of outstanding forward contracts, the outstanding foreign currencies are translated at the quarter end rates announced by FEDAI discounted to arrive at Present value. The resultant profit / loss is shown as income / loss. Contingent liabilities on account of acceptances, endorsements and other obligations including guarantees and Letters of Credit denominated in foreign currencies are translated at year-end FEDAI rates.

Investments

Classification of investments is made as per the guidelines of Reserve Bank of India. The entire investment portfolio of our Bank is classified under three categories namely "Held to Maturity" ("HTM"); "Available for sale" ("AFS"); and "Held for Trading" ("HFT"). Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT Category. Investments that our Bank intends to hold till maturity are classified under the HTM category or as per RBI guidelines. Securities not classified in the above categories are classified under the AFS category.

Transfer between the categories or reclassification of investments from one category to other, if done, is in accordance with RBI guidelines. Transfer of securities from AFS/HFT Category to HTM category is made at book value or market value, whichever is lower. In case of transfer of securities from HTM to AFS/HFT category, the investments held under HTM at a discount are transferred to AFS/HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS/HFT at amortized cost. Transfer of investments from AFS to HFT or vice versa is done at the book value. Depreciation carried if any on such investments is also transferred from one category to another. The investments are classified for the purpose of the balance sheet under five groups being: (i) government securities, (ii) other approved securities, (iii) shares, (iv) debentures and bonds and (v) others.

Brokerage/commission received on subscriptions is reduced from the cost. Brokerage, commission, securities transaction tax etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost. Broken period interest paid / received on debt instruments is treated as interest expense / income and is excluded from cost / sale consideration.

Valuation of investments is done as follows:

Investments held under "Held to Maturity" are valued at cost price. Wherever the cost price is more than the face value, the premium paid is amortized over the remaining period of maturity and the amortisation expenses

is accounted on quarterly basis as per policy. Profit on sale of securities under “Held to Maturity” category is initially taken to the profit and loss account and then appropriated to Capital Reserve Account. The amount so appropriated would be net of taxes and the amount required to be transferred to statutory reserves. If there is a loss it is charged to the profit and loss account. Investments classified under “Available for Sale” category are marked to market on quarterly basis. Shares held under “Available for sale” are marked to market on weekly basis. Scrip wise appreciation / depreciation is segregated group-wise. The Net Depreciation category wise is charged to the profit and loss account. The Net Appreciation in any category is ignored. Investments classified under “Held for Trading” category except shares are marked to market scrip-wise on daily basis. Shares held under “Held for Trading” are marked to market on weekly basis. The net depreciation group wise is charged to the profit and loss account and the net appreciation is ignored. Investments received in lieu of restructured advances/under SDR scheme are valued in accordance with RBI guidelines.

Investments are valued at year-end as per RBI guidelines as follows: Central Government Securities are valued as per price list of RBI, prices declared by Primary Dealers Association of India (“**PDAI**”) jointly with the Fixed Income Money Market and Derivatives Association of India (“**FIMMDA**”) and published by the FIMMDA. State Government Securities and Other Approved Securities are valued after appropriate mark up over Yield to Maturity (“**YTM**”) rates for Central Government securities declared by FIMMDA. Debenture and Bonds have been valued with appropriate mark up over the YTM rates for Central Government Securities declared by FIMMDA. Quoted shares are valued at market rates quoted on NSE. Unquoted shares are valued at book value ascertained from the latest available Balance Sheet and in case the latest Balance Sheet is not available, the same is valued at Re.1 per company. Preference shares are valued at YTM, if dividend is received regularly. Where dividend is in arrears, appropriate depreciation is provided based on the number of years for which dividend is in arrears as per RBI guidelines. Mutual Fund units are valued at market rates/NAV/repurchase price as applicable. Treasury bills, certificate of deposits and commercial papers are valued at carrying cost. Provisions for investments are made as per RBI prudential norms.

Prudential Norms

Securities guaranteed by the State Government where the principal / interest is due but not paid for a period of more than 90 days are treated as non performing investments and appropriate provision is made and interest in respect of such investments is recognized as income only on cash basis. In terms of the instructions of RBI, the excess of acquisition cost over face value of securities kept under “Held to Maturity” category is amortized up to the date of maturity and the amount amortized is reflected as a deduction in the profit and loss account. Brokerage / commission / stamp duty paid in connection with acquisition of securities are treated as revenue expenses.

Accounting for REPO Transactions

Repo and reverse Repo transactions are accounted in accordance with the extant RBI guidelines. Securities purchased/sold under Liquidity Adjustment Facility with the RBI are debited/credited to Investment account and reversed on maturity of the transaction. Interest expended /earned thereon is accounted for as expenditure/revenue.

Advances and Provisions

Advances are classified into Standard, Sub-standard, Doubtful and Loss Assets and provisions for possible losses on such advances are made as per prudential norms/directions of the Board of Directors/directions issued by Reserve Bank of India from time to time. With regard to the Standard Advances, Provisions are made as per extant RBI guidelines. In addition to the specific provision made towards identified NPAs, our Bank also holds floating provision. In addition, our Bank adopts an approach to provisioning that is based on past experience evaluation of security and other related factors.

Provisioning on categorized assets are made as follows:

Asset Classification	Provisioning
Sub-standard	Secured 15%
	Unsecured 25%
Doubtful 1	Secured 25%
	Unsecured 100%
Doubtful 2	Secured 40%
	Unsecured 100%

Doubtful 3	100% on outstanding
Loss	100% on outstanding
NCLT referred loans	As per RBI instruction

Education loans were provided at 100% irrespective of NPA asset classification.

Our Bank, in respect of creation of provision for sub-standard assets or NPA, had previously been creating provision for such assets at the rate of 25%. With effect from October 1, 2020, our Bank has changed the said policy as approved by its Board on September 8, 2020. However as a matter procedure, our Bank is continuing to provide for sub standard assets or NPA at the rate of 25.00%.

Sufficient incremental provisioning for unhedged foreign currency exposure is made as per RBI guidelines. The RBI methodology to arrive at UFCE and for introduction of incremental provision and capital requirements is followed. Advances disclosed are net of provisioning made for non-performing assets and floating provisions, provisioning on diminution in fair value of assets on restructured accounts. In case of loan accounts classified as NPA, an account may be reclassified as per performing asset if it confirms to the guidelines prescribed by the RBI. Accounts are written off in accordance with bank's policies. Recoveries from bad debts written off are recognized in profit and loss account and included under other income.

Fixed Assets and Depreciation

Fixed assets are carried at cost of acquisition less accumulated depreciation. Cost includes freight, applicable duties, taxes and incidental expense related to the acquisition and installation of the asset, except for items on which input credit is availed. Depreciation on fixed assets is provided in accordance with estimated useful lives as specified in Schedule II to the Companies Act, 2013, and reckoning the residual value at 5% of the original cost of the asset except for the following:

Class of Asset	Rates of depreciation per annum
Building	1.67%
Office equipment	20.00%
Computer Hardware & Software	33.33%
Vehicles	12.50%
Furniture and Electrical Fittings	10.00%

Depreciation on additions is pro rata basis, from the date of capitalization. Expenditure during construction/capital works pending completion is shown at cost.

Employee Benefits

Our Bank follows Accounting Standard 15 (Revised 2005) "Employee Benefits". In respect of contributory plans, namely, provident fund and contributory pension scheme, our Bank pays fixed contribution at pre-determined rates to a separate entity, which invests in permitted securities. The obligation of our Bank is limited to such fixed contribution. In respect of defined benefit plans, namely, gratuity and pension as well as for leave encashment, provision has been made based on actuarial valuation as per the guidelines. The summarized position of post-employment benefits and long term employee benefits have been recognized in the profit and loss account and balance sheet, as required in accordance with the Accounting Standard 15. The actuarial gain / loss is recognized in the profit and loss account.

Taxes on Income

Income tax expense is the aggregate amount of current tax and deferred tax. Current taxes are determined in accordance with the provisions of tax laws prevailing in India. Deferred tax adjustments comprise changes in the deferred tax assets or liabilities during the period and Deferred Tax is determined in terms of Accounting Standard-22 issued by ICAI. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted prior to the balance sheet date. Deferred tax assets and liabilities are recognized on a prudent basis for future tax consequences of timing differences by adoption of Profit and Loss approach with their respective tax bases. The impact of changes in the deferred tax assets and liabilities is recognized in the profit and loss account. Deferred tax assets are recognized at each reporting date, based upon management's judgment as to whether realization is considered reasonably certain. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such

deferred tax assets can be realized against future profits. No withdrawal is made from the Special Reserve created and maintained under the provisions of Section 36(1)(viii) of the Income Tax Act, 1961.

Revenue Recognition

Income and expenditure is generally accounted on accrual basis except in the following cases:

In the case of NPAs, S4A and SDR schemes, income is recognized on realization basis, in terms of guidelines of Reserve Bank of India. Where recovery is not adequate to upgrade the NPA accounts by way of regularization, such recovery is being appropriated towards interest in the first instance and towards the principal/book values thereafter, except in the case of suit filed accounts. In case of non-performing investments (NPIs), the same accounting treatment as above is followed except otherwise agreed. Dividend on investments in shares, units of mutual fund, income from sale of mutual fund products, locker rent, insurance claims, commission on LCs, income on auxiliary services and other services, overdue charges on bills, commission on Government business and insurance business are accounted on cash/realization basis. Income related to credit card is accounted on the basis of the bills raised. In the case of suit filed accounts, legal expenses are charged to the profit and loss account. Similarly, at the time of recovery of legal expenses, in respect of such suit filed accounts, the amount recovered is accounted as income. Funded Interest on Standard Restructured Advances and Interest on FITL are accounted as per the guidelines of Reserve Bank of India. Expenditure is charged on accrual basis.

Earnings per Share

Our Bank reports basic and diluted earnings per share in accordance with applicable Accounting Standard 20. For the year under reference, both basic and diluted earning per share being the same, is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the period.

Cash Flow Statement

Our Bank has adopted the respective Accounting Standard prescribed under Companies (Accounting Standard) Rules, 2006 and follows the indirect method.

Segment Reporting

As per RBI guidelines on enhancement of disclosures relating to segment reporting under Accounting Standard 17, the reportable segments have been divided into treasury, corporate / wholesale, retail banking operations. Our Bank recognizes the business segment as the primary reporting segment and geographical segment as the secondary reporting segment, in accordance with the RBI guidelines and in compliance with the Accounting Standard 17. The business Segment is classified into (i) treasury (ii) corporate / wholesale banking and (iii) retail banking and the geographical segment consists only of the domestic segment since our Bank does not have any foreign branches.

Leases

Leases where the lessor effectively retains substantially all risks and benefits of ownership are classified as operating leases. Operating lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term in accordance with AS19 Leases.

Contingencies

Loss, if any from contingencies arising from claims, litigation, assessment, fines, penalties etc. are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

Impairment of Assets

Impairment losses, if any, on fixed assets are recognized in accordance with the Accounting Standard 28 'impairment of assets' and charged to the profit and loss account.

Net Profit

The net profit is arrived at after provisions for direct taxes, possible losses on standard assets, restructured advances, NPAs and other contingencies, depreciation / diminution on investments, employee retirement benefits and other usual and necessary provisions.

Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, balance with the RBI, balance with other banks and money at call at short notice including cash in ATMs, coin vending machine and cash deposit machines.

Intangible Assets

In respect of Intangible Assets, our Bank has adopted Accounting Standard 26.

Accounting for Provisions, Contingent Liabilities and Contingent Assets

As per the Accounting Standard 29, our Bank recognizes provisions only when it has a present obligation as a result of past event, it is probable that an outflow of resources is required to settle the obligation and when a reliable estimate of the amount can be made. The required disclosure for contingent liability is made on possible obligation that arises from past events, the existence of which depends on occurrence or non-occurrence of future event not under control. Contingent assets are not recognized in the financial statement since this may result in the recognition of income that may never be realized.

CHANGES IN ACCOUNTING POLICIES

With effect from October 1, 2020, our Bank modified the existing policy of 25.00% provision on all Sub-Standard (NPA) assets into 25.00% on unsecured portion and 15.00% on secured portion of such assets as approved by the Board on September 8, 2020. However, on a conservative basis, our Bank continued to provide 25.00% on all Sub-Standard assets for the year ended March 31, 2021 which is line with provisioning policy followed for Sub-standard (NPA) assets during the year ended March 31, 2020 and March 31, 2019. Therefore, no adjustments were made to the audited profit / equity for any of the three Fiscals.

Except as disclosed above, there have been no changes in our accounting policies during Fiscal 2019, 2020 and 2021.

In view of these uncertainties, the impact on the Bank's financial Statements is significantly dependent on future developments.

(c) Emphasis of Matter Paragraph - Independent auditors' report for the year ended March 31, 2021

We draw attention to Note No. 5.J.(ii)(b) of the accompanying financial statements where the Bank has accounted during the year, the penalty payable amounting to ₹ 16.99 crores, as per the order of Directorate Of Enforcement, levied for recording share transfers during 2007, 2011 and 2012 in violation of the regulation 4 of Foreign Exchange Management (Transfer or Issue Of security by a person resident outside India) Regulations, 2000. While the Bank's compounding application, being returned by RBI, the Bank has asked RBI to review their decision and the Bank is yet to pay the penalty but has made necessary provision for the penalty in the current year.

For further information, see “*Financial Statements*” on page 204.

QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are exposed to various types of market risks during the normal course of business such as liquidity risk, market and interest rate risk, Forex Fluctuation Risk.

Liquidity Risk

Liquidity risk arises out of maturity mismatch between its assets and liabilities. Our treasury operations focus on the management of our funds, maintenance of statutory reserves (cash reserve ratio and statutory liquidity ratio), asset liability gaps, interest rate risks, liquidity positions, investments and trading activities. They also manage trades in equity and forex instruments, utilize arbitrage opportunities available across markets and also provide crucial market related inputs in our asset liability management. We invest in various instruments such as treasury bills, commercial papers, certificate of deposits, mutual funds, debentures and other products. As a part of due diligence exercise, we review our investments based on disclosures to regulators and assess the internal rating. The external rating of these investment targets are also reviewed on a quarterly basis and migration in the rating are reported to Investment Committee of our Bank. A minimum external and internal rating of “A” (adequate safety) and “BBB” (medium risk) have been approved as entry level for investment in non-statutory liquidity ratio (SLR) bonds and debentures of public sector undertakings and private sector.

Under the SLR requirement, as of March 31, 2021, we are required to maintain 18.00% of our demand and time liabilities in approved securities such as GoI and state government securities and other approved securities as compared to 18.25% as of March 31, 2020.

Market and Interest Rate Risk

Market risk is the risk that earnings or capital will be adversely affected by adverse changes in market factors such as interest rates, volatilities, credit spreads, and equity prices. We are exposed mainly to interest rate risk and liquidity risk. While we do not have any exposure to equity or equity related instruments, any significant impact on the global capital markets can affect us through other markets. Interest rate risk is the exposure of our financial conditions to adverse movements in interest rates. Interest rate risk can pose a significant threat to earnings and capital base. Interest rate risk arises from mismatches in re-pricing of interest rate sensitive assets, rate sensitive liabilities and rate sensitive off-balance sheet items.

Forex Fluctuation Risk

Forex fluctuation risk is the risk that arises from turbulence in foreign exchange rates. Our foreign exchange management risk policy pertains to the risks that our Bank may be exposed to in the conduct of foreign exchange business, such as, (i) operational risk; (ii) exchange rate risk; (iii) credit risk; (iv) country risk; (v) interest rate risk; and (vi) liquidity risk.

SECTION VI: LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

Except as disclosed in this section, there is no outstanding (i) criminal proceedings, (ii) action taken by regulatory or statutory authorities, (iii) claim related to direct and indirect taxes, and (iv) other pending litigation as determined to be material pursuant to the Materiality Policy in each case involving our Bank and our Directors (“**Relevant Parties**”).

In relation to (ii) above, any actions or notices or penalties from the RBI in the last ten years shall be disclosed separately. Also see, “Risk Factors - Some of our corporate records are not traceable and we have limited knowledge and records of documents relating to corporate actions undertaken by our Bank. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect” on page 41.

For the purpose of identification of material litigation in (iv) above, the Board in its meeting held on August 3, 2021 has considered and adopted the following policy for identification of material litigation involving the Relevant Parties to be disclosed by our Bank in this Draft Red Herring Prospectus (“**Materiality Policy**”):

All pending litigation involving the Relevant Parties, other than criminal proceedings, actions by regulatory authorities and statutory authorities, and direct and indirect tax matters, would be considered “material” and shall be disclosed if:

- (a) the monetary amount of claim by or against the entity or person in any such pending proceeding is individually in excess of 1% of the net profit of our Bank which for Fiscal 2021 is ₹ 60.33 million as per the Restated Financial Statements (“**Materiality Amount**”); or
- (b) where the decision in one case is likely to affect the decision in similar cases, even though the amount involved in an individual litigation may not exceed Materiality Amount; or
- (c) where monetary liability is not quantifiable or any other outstanding litigation, the outcome of which may have a material bearing on the business, operations, performance, financial position, prospects, reputation of our Bank.

The following matters have been disclosed in a consolidated manner: (i) outstanding claims involving the Relevant Parties related to direct and indirect taxes; (ii) all outstanding litigation under the SARFAESI Act, the IBC and pending suits for recovery before the Debt Recovery Tribunals/civil courts involving our Bank; (iii) criminal proceedings initiated by the Bank that do not exceed the Materiality Amount and that have been reported as frauds to the RBI; and (iv) proceedings initiated by the Bank under Section 138 of the Negotiable Instruments Act.

All disputes relating to Equity Shares of our Bank, whether or not exceeding the Materiality Amount, have, pursuant to (c) above, been disclosed

It is clarified that for the above purposes, pre-litigation notices received by the Relevant Parties from third parties (excluding notices from statutory, regulatory or tax authorities or notices threatening criminal action) shall not be evaluated for materiality until the Relevant Parties are impleaded as defendants in proceedings before any judicial forum.

Our Board has pursuant to the Board resolution dated August 3, 2021 considered and adopted a policy of materiality for identification of material outstanding dues to creditors. In terms of this materiality policy, all creditors to our Bank to whom the amount due by our Bank exceeds 5.00% of the total outstanding dues to creditors as on the date of the latest Restated Financial Statements, shall be considered material.

I. Litigation involving Equity Shares of our Bank

1. On March 30, 2007, the Foreign Exchange Department, RBI had granted permission for the transfer of 53,611 Equity Shares of our Bank from three persons resident in India to certain specified NRIs and persons resident outside India. However, out of such 53,611 Equity Shares, 46,862 Equity Shares (such Equity Shares, the “**Unacknowledged Shares**”) were transferred on May 13, 2007 to a different set of seven persons resident outside India (“**Disputed Non-Resident Shareholders**”). Such transfers were

approved and taken on record by our Bank. Our Bank also approved further transfers of 27,289 Equity Shares out of the Unacknowledged Shares to two other non-resident entities on December 26, 2011 and June 11, 2012.

Further to such transfers, a show cause notice dated December 17, 2014 was issued by the Directorate of Enforcement to, among others, our Bank and certain of our erstwhile KMPs and Directors (including our Director, Balakrishnan Prabakaran) The Directorate of Enforcement investigated the matter and, by its order dated August 14, 2020, levied a penalty of ₹ 113.32 million in respect of the transfer dated May 13, 2007 and ₹ 56.66 million in respect of the transfers dated December 26, 2011 and June 11, 2012 on our Bank, for such transfers being violations of Section 6(3)(b) of FEMA 1999, read with Regulation 4 of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 (“**TISPRO 2000**”). Penalties were also imposed on other noticees in the matter, including a penalty of ₹ 5 million on our Director, Balakrishnan Prabakaran. Our Bank is yet to pay such penalty. Through its letter dated October 12, 2020, our Bank filed an application for compounding such violations of the FEMA 1999 to the Foreign Exchange Department, RBI, and through its letters dated October 12, 2020 and November 24, 2020, our Bank requested the Directorate of Enforcement to keep its order of penalty in abeyance until such time RBI takes a decision regarding our Bank’s application for compounding. Through its letter dated January 27, 2021, such application was returned by the RBI stating that such violations could not be compounded since the matter had been adjudicated by the Directorate of Enforcement. Through its letter dated July 26, 2021, our Bank has requested the RBI to reconsider our Bank’s compounding application. The Deputy Legal Advisor, Directorate of Enforcement preferred an appeal against the order dated August 14, 2020 before the Appellate Tribunal for Foreign Exchange, which is currently pending.

2. On May 13, 2007, our Bank had taken on record transfers of cumulatively 95,418 Equity Shares to several persons including the Disputed Non-Resident Shareholders and 209 other Indian residents. Further to such transfers, Kanagaraj, filed a writ petition before the High Court of Bombay challenging the transfer of 90,488 Equity Shares out of such 95,418 Equity Shares on the ground that such transfers were in violation of the Guidelines for Acknowledgement of Transfer/Allotment of Shares in Private Sector Banks dated February 3, 2004 (“**2004 Bank Ownership Guidelines**”). Disposing off such writ petition, the High Court of Bombay directed Kanagaraj to make representations to the RBI. Further to such representations, the RBI, by its order dated October 12, 2009 directed our Bank to provide details on such transfers of Equity Shares to the Disputed Non-Resident Shareholders and 11 Indian residents, and called upon our Bank to explain why such persons should not be considered a ‘group’ which had acquired more than 5.00% of the total paid-up share capital of our Bank without prior approval of the RBI in violation of the 2004 Bank Ownership Guidelines. Through an order dated March 31, 2011, the RBI found such transfers to be in violation of the 2004 Bank Ownership Guidelines and consequently: (i) declined to acknowledge the holding of more than 5.00% of our Bank’s share capital by such group; and (ii) directed that such group’s aggregate shareholding in our Bank should be less than 5.00%.
3. Our Shareholders, at our Bank’s 93rd Annual General Meeting held on January 29, 2016, and our Board, by way of its resolution dated May 26, 2016, approved a bonus issuance of Equity Shares in the ratio of 1:500. For details of such bonus issuance, see “*Capital Structure – Share Capital History of our Bank – History of Equity Share capital of our Bank*” on page 71. In connection with such bonus issue, the RBI issued a show cause notice dated January 25, 2018 to our Bank stating that our Bank had contravened Section 5 of the RBI Master Directions on Issue and Pricing of Shares by Private Sector Banks, 2016 by issuing bonus Equity Shares to six non-resident entities holding the Unacknowledged Shares which had been the subject matter of the RBI Order as described above. Thereafter, by an order dated June 19, 2018, the RBI also imposed a penalty of ₹ 60.00 million on our Bank on the ground of violations of Section 46(4)(i) of the Banking Regulation Act, 1949. Such penalty has been paid by our Bank.
4. The Directorate of Enforcement has also issued a show cause notice dated November 9, 2017 to our Bank and certain other persons including our Directors, Asok Kumar P.C.G., Nagarajan K and Vijayadurai B.in relation to the issue of bonus shares on May 26, 2016 to shareholders holding: (i) the Unacknowledged Shares; (ii) 10,589 Equity Shares that are alleged to have been transferred on January 4, 2017 in violation of the FEMA 1999 read with Regulation 3 and 10(A)(b)(i) of the TISPRO 2000; and (iii) an additional 54,700 Equity Shares held in an escrow account that has been alleged to have been opened and maintained in violation of the FEMA 1999 The show cause notice has alleged contraventions of the FEMA 1999 read

with Regulation 4 and Regulation 6A of the TISPRO 2000 by our Bank and has asked our Bank to show cause as to why adjudication proceedings should not be held against our Bank including for: (a) levy of a penalty of ₹ 5,314,217,500 for the issue of bonus shares to (i) and (ii) above; and (b) levy of a penalty of ₹ 5,059,750,000 for the issue of bonus shares to (iii) above. The show cause of notice also states that our Directors, Asok Kumar P.C.G., Nagarajan K and Vijayadurai B. shall also be liable to pay a penalty. We were originally to reply within 30 days, however, we sought an extension of 60 more days, following which we submitted our reply by letter dated March 7, 2018, which was accepted by the RBI notwithstanding the delay. The matter is currently pending. For further details in respect of other matters involving the bonus issuance on May 26, 2016 by our Bank, please see “– *Actions by regulatory and statutory authorities against our Directors*” below on page 302.

5. The below cases from paragraphs (a) – (f) have been combined as per the January 27, 2016 order of the Supreme Court and/ or have been listed together/ requested to be listed together due to similar facts before the High Court of Madras and are currently pending.
- a) The Nadar Mahajana Sangam and the Nadar Mahajana Share Investors Forum filed a civil suit dated May 25, 2007 before the High Court of Madras challenging the cumulative transfers of 95,418 Equity Shares made on May 13, 2007 seeking to declare the transfers null and void. The plaintiffs argued that they had entered into a memorandum of understanding dated April 24, 1999 with the Sterling Group to purchase the Sterling Group’s entire shareholding in our Bank. The plaintiffs alleged that while certain amounts owed under the memorandum had been paid to the Sterling Group, certain amounts continued to remain outstanding, and pending settlement of such matter, such 95,418 Equity Shares were disposed off. Accordingly, the plaintiff sought the court to: (i) declare the transfers null and void; (ii) grant a decree of permanent injunction restraining transferors from transferring their Equity Shares to any third parties; and (iii) grant a decree of permanent injunction restraining the transferees from exercising any rights under the Equity Shares transferred to them. While the High Court of Madras, by an order dated December 6, 2007, granted a temporary injunction restraining the transferees from exercising any voting rights under the Equity Shares that were transferred to them, the division bench of the High Court of Madras on appeal, pursuant to its order dated January 10, 2018, granted an interim stay of the temporary injunction on the condition that the Equity Shares could not be transferred or alienated without leave of the court. Further, pursuant to a memorandum of compromise dated February 4, 2008, the plaintiffs agreed to withdraw their claims against certain of the defendants (holding 70,906 Equity Shares out of the 95,418 Equity Shares) by stating that a consideration of ₹ 1,860.00 million was paid by such defendants. The remaining 24,512 Equity Shares are still under dispute following the compromise. Thereafter, by a Supreme Court order dated January 27, 2016, this matter was clubbed with other cases regarding the convening of AGMs and the shareholding of our Bank. The matter is currently pending.
- b) M. Sundararaj, one of the shareholders of our Bank, filed a writ petition dated April 23, 2011 before High Court of Madras praying for directions to be issued to the RBI to amend its order dated March 31, 2011 by which the RBI had considered certain shareholders of our Bank as being a ‘group’ and declined to acknowledge the holding of said group as being in excess of 5% of the paid-up share capital of our Bank (the “**RBI Order**”). The petition sought the inclusion of former director B. Ramachandra Adityan and other persons as forming part of the “group” identified in the RBI Order and also sought an injunction restraining the convening of the Bank’s 88th and 89th Annual General Meetings. The High Court by its order dated April 28, 2011 passed an interim injunction restraining our Bank from convening Annual General Meetings. In addition, M. Sundararaj was directed to implead all persons who could be affected by the petition, consisting of about 201 additional respondents, which was systematically undertaken from 2012 to 2015. By a November 26, 2015 common order, the High Court vacated the earlier interim injunction, dismissed M. Sundararaj’s petition and granted permission to our Bank to convene an Annual General Meeting. The court appointed retired Justice R. Balasubramaniam to act as chairman and convene the Annual General Meetings and accepted the memo submitted by the RBI dated October 27, 2015 which stated that the shareholders forming a “group” could exercise voting rights up to 4.99% only, thus the court held that ongoing proceedings cannot be grounds to deny shareholders their voting rights.

M. Sundararaj filed an appeal in December 2015 to the division bench of the High Court of Madras seeking to set aside the order of dismissal. This matter was clubbed with other cases regarding the convening of AGMs and the shareholding of our Bank pursuant to a Supreme Court order dated January 27, 2016. The matter is currently pending.

M. Sundararaj also filed a writ petition before the High Court of Madras dated November 21, 2016 seeking issuance of directions to the RBI and the Directorate of Enforcement to consider his representations to

them requesting them to further investigate transfers of 5090 Equity Shares that were approved by the Board on June 15, 2016 and the issue of bonus shares to the shareholders holding such Equity Shares. Our Bank has requested for the matter to be clubbed with other cases regarding the convening of AGMs and the shareholding of our Bank pursuant to a Supreme Court order dated January 27, 2016. This matter is currently pending.

- c) P.S.P.K. Maragatharajaapandian filed a writ petition dated July 12, 2013 before the Madurai Bench of the High Court of Madras seeking to restrain voting rights over the Equity Shares that were the subject of the RBI Order, which was granted as an interim injunction by an order dated July 29, 2013. This matter was also clubbed with the other matters as per the Supreme Court order dated January 27, 2016. As mentioned above, the High Court of Madras passed a common order dated November 26, 2015 and issued instructions to our Bank to convene an Annual General Meeting and permitted shareholders to exercise voting rights at such meeting in accordance with the terms of such order. This matter currently pending.
 - d) Thoothukudi Nadargal Mahamai filed a writ petition dated August 19, 2013 before the High Court of Delhi seeking issuance of directions to the Directorate of Enforcement to conduct a detailed investigation into the alleged violations under Foreign Exchange Management Act 1999, and the Prevention of Money Laundering Act 2002 with respect to the share transfers undertaken in 2007, to seize 119,041 Equity Shares kept in escrow with Standard Chartered Bank, to restrain the transfer of such Equity Shares, to restrain any voting/dividend rights on such Equity Shares, and to impose a penalty on Standard Chartered Bank. Pursuant to Supreme Court order dated January 27, 2016 this case was clubbed with other matters, and is currently pending.
 - e) K. Kumaran filed a civil suit before the High Court of Madras against our Bank and Standard Chartered Bank claiming ownership over 1,180 Equity Shares, seeking issuance of a mandatory injunction directing Standard Chartered Bank to release such Equity Shares from escrow, directing our Bank to allot bonus Equity Shares against these Equity Shares in the ratio of 1:500 and directing our Bank to account for dividends on such Equity Shares and to pay such dividends to him. The High Court of Madras by its order dated August 23, 2017, passed an interim order, directing Standard Chartered Bank to deposit the related share certificates with the Registrar General of the High Court of Madras.
 - f) T. Rajakumar filed a writ petition dated August 2, 2019 before the High Court of Madras seeking to quash the RBI letter dated March 15, 2019 regarding voting patterns and to grant interim injunction restraining convening of the 94th and 96th Annual General Meetings of our Bank until disputes relating voting rights are resolved.
6. Vector Program Private Limited filed a civil suit dated March 22, 2011 before the Bombay High Court against Standard Chartered Bank (Mauritius) Ltd., Corsair Investments LLC, Starship Equity Holding Limited and our Bank seeking: (i) issuance of directions to Standard Chartered Bank to transfer 13,455 Equity Shares to Vector Program Private Limited; (ii) a decree against the defendants to jointly pay ₹ 20.00 million in damages along with interest; (iii) an interim order restricting the transfer of such 13,455 Equity Shares and directing the deposit the share certificates with the High Court. Initially, through an order dated June 17, 2011, the High Court declined to grant ad-interim reliefs sought by the Plaintiff. On appeal to the division bench of the High Court of Bombay, by way of order dated August 11, 2011, the High Court directed that the 13,455 Equity Shares remain in escrow with Standard Chartered Bank but restricted the transfer of such Equity Shares by Standard Chartered Bank without the leave of the court. Thereafter, Vector Program Private Limited filed a notice of motion before the High Court seeking that the disputed shares be released from escrow. Through an order dated July 31, 2015, such notice of motion was dismissed by the High Court. On appeal to the division bench of the High Court, a common order dated January 15, 2016 was passed by the High Court: (i) restricting the exercise of voting rights under the disputed shares; and (ii) directing our Bank to deposit the bonus shares and dividends declared in respect of the disputed shares with the court. Subsequently, the appeal was, in its entirety dismissed by the High Court along with a direction vacating all interim orders passed. An appeal against such order of dismissal to the Supreme Court was dismissed on April 28, 2017. However, by a subsequent order dated December 18, 2017, the single judge bench of the High Court of Bombay directed the bonus shares and dividends declared on the disputed Equity Shares to be deposited with the Bombay High Court. The matter is currently pending.

7. Gokul Patnaik filed a civil suit dated March 12, 2011 before the Bombay High Court against our Bank, Standard Chartered Bank, East River Holdings Limited, Corsair Investments LLC and other persons for delivery of 14,301 shares, for damages of ₹ 20 million and interim relief restraining the transfer of such shares pending the dispute. Initially, through an order dated March 24, 2011, the High Court declined to grant ad-interim reliefs sought by the Plaintiff. On appeal to the division bench of the High Court of Bombay, by way of order dated December 21, 2011, the High Court restricted the transfer of such Equity Shares by Standard Chartered Bank without the leave of the court. The interim order restraining the transfer of shares in the name of East River Holdings was vacated by the Bombay High Court by its order dated December 9, 2016. In view of dismissal of the appeal, 10,589 shares were transferred from Gokul Patnaik to East River Holdings Limited on January 4, 2017. However, the main suit for the relief stated above is still pending.
8. R.Kannan Adityan and others filed a civil suit dated June 11, 2014 before the High Court of Madras against our Bank Standard Chartered Bank and another third party claiming ownership over 13,042 Equity Shares(part of the 95,418 Equity Shares transferred on May 13, 2007), seeking issuance of a mandatory injunction directing Standard Chartered Bank to transfer such Equity Shares to the plaintiffs and directing our Bank to account for dividends on such Equity Shares and to pay such dividends to him. The High Court of Madras by its order dated February 06, 2015, passed an interim order, directing Standard Chartered Bank to deposit the related share certificates with the Registrar General of the High Court of Madras. Out of the 13,042 Equity Shares, 10,800 Equity Shares were standing in the name of (late) B.Ramachandra Adityan (father of R.Kannan Adityan). Upon the plaintiff's request, the court by its order dated October 6, 2015 ordered for effecting transmission of the said Equity Shares in the name of R.Kannan Adityan. Subsequently, through an application dated August 30, 2016, the plaintiff requested the High Court to direct our Bank to allot bonus Equity Shares against these Equity Shares in the ratio of 1:500. Further, the court is yet to ascertain its jurisdiction with respect to whether the matter is a commercial suit. The matter is still pending at this stage.
9. Maddhumathi Kannan Adityan filed an application during December 2017 before the NCLT, Chennai for direction against our Bank to transfer 300 shares Equity Shares from A. Narayanan in her favour; (ii) allot bonus shares on such 300 Equity Shares in the ration 1:500; (iii) pay dividends on such equity shares from July 16, 2014. The NCLT, Chennai by its order dated November 22, 2019 allowed the application and our Bank filed an appeal against the said order before the NCLAT, Delhi. On January 8, 2020, the NCLAT passed an interim stay against the NCLT order. The matter is currently pending.
10. K. Nethaji filed a suit in June 2011 against our Bank and certain other persons before the District Munsif Court, Ponneri for a relief of permanent injunction restraining the defendants, from transferring two Equity Shares over which the plaintiff claimed ownership to any third party. Through an amendment to such plaint dated March 1, 2018, the plaintiff has also prayed for the deposit the bonus shares and dividends accrued with respect to such Equity Shares. Our Bank has filed a written statement dated September 15, 2011 and counter affidavit dated March 7, 2018 praying for the case to be dismissed. The matter is currently pending.
11. Laxmidevi Premnarayanan Kabra filed a complaint dated December 2, 2016 before the Consumer Dispute Redressal Forum, Mumbai against our Bank and the Nadar Mahajana Bank Share Investor Forum for direction to issue: (a) the original share certificate for 8 Equity Shares without insisting on any further documents and (b) pay damages at the rate of ₹ 15,840 per annum along with interest from 2001. The matter is currently pending.
12. Samuel Gnanaraj filed a suit in 2018 before the Additional District Munsif Court, Thoothukudi against I.G. II. Litigation involving our Bank

- a. *Material civil litigation against our Bank*
 1. Our former director T. Rajakumar, was disqualified from our Board by its resolution dated August 30, 2011 for not meeting the fit and proper criteria for directors of banks prescribed under Section 35A of the

Banking Regulation Act, 1949. While he was successful in challenging the disqualification before the District Court, Thoothukudi our Bank appealed against the order before the High Court of Madras and obtained an interim stay. However, the High Court additionally prohibited further meetings of the Board from being conducted without the presence of T. Rajakumar. Subsequently, a joint memo was filed dated September 12, 2013, recording a compromise reached between the parties, wherein T. Rajakumar was reinstated for the rest of his term and our Bank recommenced holding meetings of the Board upon the period of the stay order expiring. Thereafter, T. Rajakumar vacated his office on January 29, 2016, however, our Bank's appeal is currently pending.

2. Additionally, T. Rajakumar, our former director, alleging mismanagement in our Bank, and citing ongoing proceedings against our Bank by the Directorate of Enforcement and violations of banking regulations and the FEMA 1999, also filed a writ petition dated June 30, 2021 before the High Court of Madras, and sought directions to be issued to the SEBI to stop the initial public offer of our Bank until these proceedings are concluded. Rajakumar has also alleged inter alia that: (i) the persons who are allegedly in control of our Bank have not been disclosed as such in our Bank's annual report; (ii) there was a spurt in our Bank's business in Fiscal 2021; and (iii) there is no requirement for our Bank to undertake an initial public offering considering that it has sufficient capital adequacy. While the matter concerning the petition is currently pending, our Bank has filed a counter affidavit dated August 6, 2021 before the High Court of Madras denying all the allegations, alluding to other ongoing proceedings involving T. Rajakumar and seeking dismissal of the petition. The matter is currently pending.
3. IVRCL Limited filed a civil suit before the Bombay High Court on August 24, 2018 seeking issuance of directions to our Bank and other parties. IVRCL has *inter alia* sought the following relief: (i) declare such invocation of bank guarantees as illegal and void; (ii) restrain the other parties to the petition from further invoking bank guarantees for ₹ 84.26 million issued by our Bank; (iii) injunctions against the other parties restraining encashment of such bank guarantees; and (iv) an injunction against our Bank restraining us from making any payments to the other parties pursuant to the bank guarantees issued by us. However, our Bank has paid the amounts under the bank guarantees. This matter is currently pending.
4. Thriveni Earth Movers Private Limited filed a writ petition dated July 20, 2020 against our Bank before the High Court of Madras, seeking the release of a fixed deposit of ₹ 300 million which was deposited with our Bank as margin money for a guarantee given by our Bank upon expiry of the period of certain bank guarantee. The High Court by an order dated September 21, 2020 directed our Bank to release the margin money and obtain an undertaking or any kind of indemnity, in a manner acceptable to our Bank, from Thriveni. Our Bank filed a letter patent appeal against the order dated September 21, 2020 pursuant to which it has been stayed by an order dated January 5, 2021 passed by the High Court. This matter is currently pending.
5. Our Bank has issued 996 notices in relation to recovery of amount from various borrowers under the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 ("SARFAESI Act") against such defaulting borrowers, involving an aggregate amount, to the extent quantifiable, of ₹ 7,597.10 million. Further, 101 petitions under Section 14 of the SARFAESI Act involving an aggregate amount of ₹ 2,309.66 million, arising from such notices, have been filed by our Bank, pursuant to which, 219 appeals have also been filed under Section 17 of the SARFAESI Act against our Bank involving an aggregate amount of ₹ 6,856.80 million. Our Bank has also initiated 3,527 recovery proceedings before Debt Recovery Tribunals and civil courts, involving an aggregate amount, to the extent quantifiable, of approximately ₹ 33,539.59 million. Certain IBC/ NCLT proceedings have been instituted against 26 borrowers of our Bank aggregating to a financial claim of ₹ 20,571.00 million. Our Bank has submitted its claims in respect of the corporate insolvency resolution processes initiated against our borrowers in our capacity as financial creditors. In certain instances, we may have initiated one or more of the above-mentioned proceedings against a single defaulting borrower.

b. *Material civil proceedings by our Bank*

1. On September 18, 2019, T. Rajakumar, a former Director of our Bank, held a press meet in Chennai which was broadcasted on Sathyam TV and published in certain newspapers on September 19, 2021. At the press meet. T. Rajakumar allegedly made defamatory statements about our Bank including that the Enforcement Directorate had levied ₹ 5,000.00 million and ₹ 5,370.00 million penalties on our Bank. Accordingly, our Bank has filed a civil suit seeking damages and a permanent injunction before the High Court of Madras and instituted criminal proceedings before the Judicial Magistrate, Thoothukudi. An interim injunction has been granted on July 7, 2021 by the High Court of Madras, restraining T. Rajakumar and the news channel

involved from any public dissemination of information relating to matters of our Bank which are sub judice. We have also filed a criminal complaint against T. Rajakumar. For further details, see “– *Criminal litigation by our Bank*” below on page 301. Both proceedings are currently pending.

c. *Actions by regulatory and statutory authorities*

1. Our Bank has received show cause notices dated November 4, 2019 and November 28, 2019 issued by Ministry of Corporate Affairs for the failure to (i) conduct annual general meetings within the prescribed timelines and (ii) submit the secretarial audit report as an annexure to the board report in accordance with Sections 96(1) and 204 of the Companies Act, 2013, respectively. Through letters dated November 14, 2019, November 30, 2019 and December 7, 2019, our Bank has replied to such show cause notices stating that our Bank’s failure to conduct annual general meetings was on account of disputes before the High Court of Madras, and that our Bank had duly submitted the secretarial audit report as required. Our Bank has filed a writ petition dated December 5, 2019 before the High Court of Madras seeking to quash the show cause notice dated November 4, 2019. An interim stay was granted by the High Court pursuant to an order dated December 18, 2019 which is still in force. This matter is currently pending.

The Equity Shares proposed to be offered by the Selling Shareholders in the Offer for Sale are fully paid-up and free from any lien, encumbrance, transfer restrictions or third-party rights.

Our Board and the Stakeholders' Relationship & Capital Planning Committee have approved this Draft Red Herring Prospectus pursuant to resolutions dated August 18, 2021 and September 3, 2021 respectively.

Our Bank has received in-principle approvals from the BSE and the NSE for the listing of the Equity Shares pursuant to letters dated [•] and [•], respectively.

Prohibition by the SEBI or Other Governmental Authorities

Our Bank, the Selling Shareholders and our Directors are not prohibited from accessing the capital market or debarred from buying, selling or dealing in securities under any order or direction passed by the SEBI or any securities market regulator in any other jurisdiction or any other authority/court.

None of the companies with which our Directors are promoters, directors or persons in control have been debarred from accessing capital markets under any order or direction passed by SEBI or any other authorities.

Our Bank or Directors have not been declared as wilful defaulters by any bank or financial institution (as defined under the Companies Act, 2013) or consortium thereof in accordance with the guidelines on wilful defaulters issued by the RBI.

Our Directors have not been declared as fugitive economic offenders under Section 12 of the Fugitive Economic Offenders Act, 2018.

None of our directors are associated with the securities market any manner and no outstanding action has been initiated against our Directors by SEBI in the five years preceding the date of this Draft Red Herring Prospectus

Confirmation under Companies (Significant Beneficial Owners) Rules, 2018

Our Bank confirms that it is in compliance with the Companies (Significant Beneficial Owners) Rules, 2018, to the extent applicable, as of the date of this Draft Red Herring Prospectus.

Eligibility for the Offer

Our Bank is eligible for the Offer in accordance with the Regulation 6(2) of the SEBI ICDR Regulations, which

states as follows:

“An issuer not satisfying the condition stipulated in sub-regulation (1) shall be eligible to make an initial public offer only if the issue is made through the book-building process and the issuer undertakes to allot at least seventy five per cent. of the net offer to qualified institutional buyers and to refund the full subscription money if it fails to do so.”

We are an unlisted company, not satisfying the conditions specified under Regulation 6(1) of the SEBI ICDR Regulations and are therefore required to allot at least 75% of the Offer to QIBs to meet the conditions as detailed under Regulation 6(2) of the SEBI ICDR Regulations. In the event we fail to do so, the full application monies shall be refunded to the Bidders, in accordance with the SEBI ICDR Regulations.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations, our Bank and each of the Selling Shareholders shall ensure that the number of prospective Allottees to whom the Equity Shares will be Allotted shall not be less than 1,000, failing which the entire application monies shall be refunded forthwith. In case of delay, if any, in refund within such timeline as prescribed under applicable laws, our Bank shall be liable to pay interest on the application money in accordance with applicable laws. None of the Selling Shareholders shall be liable to reimburse our Bank for any interest paid by it on behalf of the Selling Shareholders on account of any delay with respect to Allotment of the respective portion of the respective Equity Shares offered by such Selling Shareholder in the Offer for Sale, or otherwise, unless such delay is solely accountable to such Selling Shareholder.

Our Bank is in compliance with conditions specified in Regulations 5 and 7(1) of the SEBI ICDR Regulations to the extent applicable and will ensure compliance with Regulation 7(2) of the SEBI ICDR Regulations.

Caution - Disclaimer from our Bank, our Directors and the BRLMs

Our Bank, our Directors and the BRLMs accept no responsibility for statements made otherwise than in this Draft Red Herring Prospectus or in the advertisements or any other material issued by or at our Bank's instance. Anyone placing reliance on any other source of information, including our Bank's website, www.tmbank.in or any website of any affiliates of our Bank would be doing so at his or her own risk.

The BRLMs accept no responsibility, save to the limited extent as provided in the Offer Agreement and the Underwriting Agreement.

All information, to the extent required in relation to the Offer, shall be made available by our Bank, the Selling Shareholders and the BRLMs to the public and investors at large and no selective or additional information would be made available by our Bank, the Selling Shareholders and the BRLMs for a section of the investors in any manner whatsoever including at road show presentations, in research or sales reports, at Bidding Centers or elsewhere.

Bidders will be required to confirm and will be deemed to have represented to our Bank, the Underwriters and their respective directors, officers, agents, affiliates and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not issue, sell, pledge or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares. Our Bank, the Underwriters and their respective directors, officers, agents, affiliates and representatives accept no responsibility or liability for advising any investor on whether such investor is eligible to acquire the Equity Shares.

The BRLMs and their respective associates and affiliates in their capacity as principals or agents may engage in transactions with, and perform services for, our Bank, the Selling Shareholders and their respective directors and officers, affiliates, associates or third parties in the ordinary course of business and have engaged, or may in the future engage, in commercial banking and investment banking transactions with our Bank, the Selling Shareholders and their respective directors and officers, affiliates, associates or third parties, for which they have received, and may in the future receive, compensation.

Disclaimer from the Selling Shareholders

The Selling Shareholders accept no responsibility for statements made otherwise than in this Draft Red Herring Prospectus or in the advertisements or any other material issued by or at our Bank's instance and anyone placing reliance on any other source of information, including our Bank's website [https:// www.tmb.in](https://www.tmb.in), or the respective websites of any affiliate of our Bank or the Selling Shareholders would be doing so at his or her own risk. Each Selling Shareholder, its directors, affiliates, associates, and officers accept no responsibility for any statements made in this Draft Red Herring Prospectus other than those specifically made or confirmed by such Selling Shareholder in relation to itself as a Selling Shareholder or its Offered Shares.

Bidders will be required to confirm and will be deemed to have represented to each Selling Shareholder and its respective directors, officers, agents, affiliates, and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not sell, pledge, or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares. The Selling Shareholders and its respective directors, officers, agents, affiliates, and representatives accept no responsibility or liability for advising any investor on whether such investor is eligible to acquire the Equity Shares.

Disclaimer in respect of Jurisdiction

This Offer is being made in India to persons resident in India (who are competent to contract under the Indian Contract Act, 1872), including Indian nationals resident in India, HUFs, companies, other corporate bodies and societies registered under the applicable laws in India and authorised to invest in shares, domestic Mutual Funds, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to RBI permission), or trusts under applicable trust law and who are authorised under their constitution to hold and invest in equity shares, state industrial development corporations, insurance companies registered with IRDAI,

provident funds (subject to applicable law) and pension funds, National Investment Fund, insurance funds set up and managed by army, navy or air force of Union of India, insurance funds set up and managed by the Department of Posts, GoI, Systemically Important NBFCs registered with the RBI and permitted Non-Residents including FPIs and Eligible NRIs and AIFs that they are eligible under all applicable laws and regulations to purchase the Equity Shares. This Draft Red Herring Prospectus does not constitute an offer to sell or an invitation to subscribe to Equity Shares offered hereby, in any jurisdiction to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Draft Red Herring Prospectus comes is required to inform him or herself about, and to observe, any such restrictions. Any dispute arising out of this Offer will be subject to the jurisdiction of appropriate court(s) in Chennai only.

Neither the delivery of this Draft Red Herring Prospectus nor the Offer of the Offered Shares shall, under any circumstances, create any implication that there has been no change in the affairs of our Bank or any of the Selling Shareholder since the date of this Draft Red Herring Prospectus or that the information contained herein is correct as of any time subsequent to this date.

The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in 'offshore transactions' in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Bidders are advised to ensure that any Bid from them does not exceed investment limits or the maximum number of Equity Shares that can be held by them under applicable law. Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any off-shore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than in accordance with applicable laws.

Stock Market Data of Equity Shares

This being an initial public offer of our Bank, the Equity Shares are not listed on any stock exchange as of the date of this Draft Red Herring Prospectus, and accordingly, no stock market data is available for the Equity Shares.

Mechanism for Redressal of Investor Grievances

The Registrar Agreement provides for the retention of records with the Registrar to the Offer for a period of at least eight years from the date of listing and commencement of trading of the Equity Shares on the Stock Exchanges, to enable the investors to approach the Registrar to the Offer for redressal of their grievances.

In terms of SEBI circular SEBI/HO/CFD/DIL2/CIR/P/2018/22 dated February 15, 2018, SEBI circular SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, read with the SEBI circular SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 and subject to applicable law, any ASBA Bidder whose Bid has not been considered for Allotment, due to failure on the part of any SCSB, shall have the option to seek redressal of the same by the concerned SCSB within three months of the date of listing of the Equity Shares. SCSBs are required to resolve these complaints within 15 days, failing which the concerned SCSB would have to pay interest at the rate of 15% per annum for any delay beyond this period of 15 days. Further, the investors shall be compensated by the SCSBs in accordance with SEBI circular SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 in the events of delayed unblock for cancelled/withdrawn/deleted applications, blocking of multiple amounts for the same UPI application, blocking of more amount than the application amount, delayed unblocking of amounts for non-allotted/partially-allotted applications, for the stipulated period. In an event there is a delay in redressal of the investor grievance in relation to unblocking of amounts, the BRLMs shall compensate the investors at the rate higher of ₹ 100 per day or 15% per annum of the application amount for the period of such delay.

All Offer-related grievances may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or first Bidder, Bid cum Application Form number, Bidder DP ID, Client ID, UPI ID, PAN, date of the submission of Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for and the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder and the ASBA Account number (for Bidders other than RIBs using the UPI Mechanism) in which the amount equivalent to the Bid Amount was blocked or the UPI ID in case of RIBs using the UPI Mechanism.

Further, Bidders shall also enclose a copy of the Acknowledgment Slip or specify the application number duly received from the Designated Intermediaries in addition to the documents/information mentioned hereinabove.

All grievances relating to Bids submitted with Registered Brokers may be addressed to the Stock Exchanges with a copy to the Registrar to the Offer. The Registrar to the Offer shall obtain the required information from the SCSBs and the Sponsor Bank for addressing any clarifications or grievances of ASBA Bidders. Our Bank, the Selling Shareholders, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs or the Sponsor Bank including any defaults in complying with its obligations under applicable SEBI ICDR Regulations.

Investors can contact our Company Secretary and Compliance Officer or the BRLMs or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of Allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode.

Anchor Investors are required to address all grievances in relation to the Offer to the BRLMs.

Disposal of Investor Grievances by Our Bank

Our Bank has obtained authentication on the SEBI Complaints Redress System (“SCORES”) and is in compliance with the circular no. (CIR/OIAE/1/2014) dated December 18, 2014 issued by the SEBI in relation to redressal of investor grievances through SCORES.

Our Bank estimates that the average time required by our Bank or the Registrar to the Offer or the relevant Designated Intermediary for the redressal of routine investor grievances shall be ten Working Days from the date of receipt of the complaint. In case of non-routine complaints and complaints where external agencies are involved, our Bank will seek to redress these complaints as expeditiously as possible.

Our Bank has not received any investor grievances during the three years preceding the date of this Draft Red Herring Prospectus and there are no investor complaints pending as of the date of this Draft Red Herring Prospectus.

Our Bank has constituted a Stakeholders’ Relationship and Capital Planning Committee comprising, Nirranjan Sankar A. (Chairperson),

Vijayadurai B., Asok Kumar P.C.G., S. R. Ashok, Nirranjan Kani D.N., K.V. Rama Moorthy as members to review and redress shareholder and investor grievances. See “*Our Management – Committees of the Board – Stakeholders’ Relationship and Capital Planning Committee*” on page 170.

Our Bank has also appointed Prakash Chandra Panda, Company Secretary and Compliance Officer for the Offer. See “*General Information*” beginning on page 62.

SECTION VII: OFFER INFORMATION

TERMS OF THE OFFER

The Equity Shares being issued, transferred and Allotted pursuant to the Offer shall be subject to the provisions of the Companies Act, 2013, the SEBI ICDR Regulations, the SCRA, the SCRR, Banking Regulation Act, our Memorandum of Association and our Articles of Association, the Listing Regulations, the terms of the Red Herring Prospectus, the Prospectus, the abridged prospectus, the Bid cum Application Form, the Revision Form, the CAN/Allotment Advice and other terms and conditions as may be incorporated in the Allotment Advice and other documents/certificates that may be executed in respect of the Offer. The Equity Shares shall also be subject to laws as applicable, guidelines, rules, notifications and regulations relating to the issue of capital and listing and trading of securities issued from time to time by the SEBI, the Government of India, the Stock Exchanges, the RBI, the RoC and/or any other authorities, as in force on the date of the Offer and to the extent applicable or such other conditions as may be prescribed by the SEBI, the RBI, the Government of India, the Stock Exchanges, the RoC and/or any other authorities while granting its approval for the Offer.

The Offer

The Offer comprises a Fresh Issue by our Bank and an Offer for Sale by the Selling Shareholders. Expenses for the Offer shall be shared amongst our Bank and the Selling Shareholders in the manner specified in “*Objects of the Offer – Offer Expenses*” on page 79.

Ranking of the Equity Shares

The Equity Shares being issued, transferred and Allotted pursuant to the Offer shall be subject to the provisions of the Companies Act, 2013, our Memorandum of Association and our Articles of Association and shall rank *pari passu* in all respects with the existing Equity Shares, including in respect of the right to receive dividend and voting. The Allottees, upon Allotment of Equity Shares under the Offer, will be entitled to dividend and other corporate benefits, if any, declared by our Bank after the date of Allotment. See “*Description of Equity Shares and Terms of the Articles of Association*” beginning on page 345.

Mode of Payment of Dividend

Our Bank shall pay dividends, if declared, to our Shareholders in accordance with the provisions of Companies Act, 2013, our Memorandum of Association and our Articles of Association and provisions of the Listing Regulations and other applicable laws including guidelines or directives that may be issued by the GoI in this respect. Dividends, if any, declared by our Bank after the date of Allotment (pursuant to the transfer of Equity Shares from the Offer for Sale), will be payable to the Bidders who have been Allotted Equity Shares in the Offer, for the entire year, in accordance with applicable law. For further details in relation to dividends, see “*Dividend Policy*” and “*Description of Equity Shares and Terms of the Articles of Association*” beginning on pages 178 and 345, respectively.

Face Value, Offer Price, Floor Price and Price Band

The face value of each Equity Share is ₹ 10 and the Offer Price at the lower end of the Price Band is ₹ [•] per Equity Share (“**Floor Price**”) and at the higher end of the Price Band is ₹ [•] per Equity Share (“**Cap Price**”). The Anchor Investor Offer Price is ₹ [•] per Equity Share.

The Price Band and the minimum Bid Lot will be decided by our Bank in consultation with the BRLMs and advertised in all editions [•], an English national daily newspaper and [•] editions of [•], a widely circulated Hindi national daily newspaper and [•] editions of [•], a widely circulated Tamil daily newspaper (Tamil being the regional language of Thoothukudi, Tamil Nadu, where our Registered and Corporate Office is located), each with wide circulation, at least two Working Days prior to the Bid/Offer Opening Date and shall be made available to the Stock Exchanges for the purpose of uploading on their websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price, shall be pre-filled in the Bid cum Application Forms available on the websites of the Stock Exchanges. The Offer Price shall be determined by our Bank, in consultation with the BRLMs, after the Bid/Offer Closing Date, on the basis of assessment of market demand for the Equity Shares offered by way of Book Building Process.

At any given point of time, there shall be only one denomination of Equity Shares.

Compliance with Disclosure and Accounting Norms

Our Bank shall comply with all disclosure and accounting norms as specified by the SEBI from time to time.

Rights of Shareholders

Subject to applicable laws, rules, regulations and guidelines and our Articles of Association, our Shareholders shall have the following rights:

- right to receive dividends, if declared;
- right to attend general meetings and exercise voting rights, unless prohibited by law;
- right to vote on a poll either in person or by proxy and e-voting, in accordance with the provisions of the Companies Act, 2013 and the Banking Regulation Act;
- right to receive offers for rights Equity Shares and be allotted bonus Equity Shares, if announced;
- right to receive surplus on liquidation, subject to any statutory and preferential claim being satisfied;
- right of free transferability of the Equity Shares, subject to applicable laws including any rules and regulations prescribed by the RBI; and
- such other rights, as may be available to a shareholder of a listed public company under the Companies Act, 2013 the Listing Regulations, our Articles of Association and other applicable laws.

For a detailed description of the main provisions of our Articles of Association relating to voting rights, dividend, forfeiture and lien, transfer, transmission and/or consolidation/splitting, see “*Description of Equity Shares and Terms of the Articles of Association*” beginning on page 345.

Allotment only in Dematerialized Form

Pursuant to Section 29 of the Companies Act, 2013 and the SEBI ICDR Regulations, the Equity Shares shall be allotted only in dematerialized form. The trading of the Equity Shares shall only be in the dematerialized segment of the Stock Exchanges. In this context, the following agreements have been signed among our Bank, the respective Depositories and the Registrar to the Offer:

- Tripartite agreement dated March 14, 2016 among our Bank, NSDL and the Registrar to the Offer; and
- Tripartite agreement April 11, 2016 among our Bank, CDSL and the Registrar to the Offer.

Market Lot and Trading Lot

Since trading of the Equity Shares is in dematerialized form, the tradable lot is one Equity Share. Allotment in the Offer will be only in electronic form in multiples of one Equity Share subject to a minimum Allotment of [•] Equity Shares. For details of basis of allotment, see “*Offer Procedure*” on page 327.

Joint Holders

Subject to the provisions contained in our Articles of Association, where two or more persons are registered as the holders of the Equity Shares, they shall be deemed to hold the same as joint tenants with benefits of survivorship.

Jurisdiction

Exclusive jurisdiction for the purpose of the Offer is with the competent courts/authorities in Chennai, Tamil Nadu, India.

The Equity Shares offered in the Offer have not been and will not be registered under the Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in ‘offshore transactions’ in reliance on Regulation S under the Securities Act and the applicable laws of the

jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Nomination Facility to Bidders

In accordance with Section 72 of the Companies Act, 2013, read with the Companies (Share Capital and Debentures) Rules, 2014, the sole Bidder, or the First Bidder along with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale/transfer/alienation of Equity Share(s) by the person nominating. A nomination may be cancelled or varied by nominating any other person in place of the present nominee by the holder of the Equity Shares who has made the nomination by giving a notice of such cancellation. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered and Corporate Office or to the registrar and transfer agents of our Bank.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013 shall upon the production of such evidence as may be required by our Board, elect either:

- a) to register himself or herself as the holder of the Equity Shares; or
- b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, our Board may thereafter withhold payment of all dividends, interests, bonuses or other moneys payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialized mode there is no need to make a separate nomination with our Bank. Nominations registered with the respective Depository Participant of the Bidder would prevail. If the Bidders wish to change the nomination, they are requested to inform their respective Depository Participant.

For the avoidance of doubt, the provisions of the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, as amended pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, shall be deemed to be incorporated in the deemed agreement of the Company with the SCSBs to the extent applicable.

The above timetable, other than the Bid/Offer Closing Date, is indicative and does not constitute any obligation on our Bank, the Selling Shareholders or the BRLMs.

While our Bank shall ensure that all steps for the completion of the necessary formalities for the listing and commencement of trading of the Equity Shares on the Stock Exchanges are taken within six Working Days of the Bid/Offer Closing Date or such other period as may be prescribed by the SEBI, the timetable may be extended due to various factors, such as extension of the Bid/Offer Period by our Bank, in consultation with the BRLMs, revision of the Price Band or any delay in receiving the final listing and trading approval from the Stock Exchanges. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. Each of the Selling Shareholders confirms that they shall extend all reasonable support and co-operation required by our Bank and the BRLMs for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchanges within six Working Days from the Bid/Offer Closing Date or such other period as may be prescribed by the SEBI.

The SEBI is in the process of streamlining and reducing the post issue timeline for initial public offerings. Any circulars or notifications from the SEBI after the date of the Draft Red Herring Prospectus may result in changes to the above-mentioned timelines. Further, the offer procedure is subject to change to any revised circulars issued by the SEBI to this effect.

The BRLMs will be required to submit reports of compliance with listing timelines and activities, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

In terms of the UPI Circulars, in relation to the Offer, the BRLMs will submit reports of compliance with T+6 listing timelines and activities, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

Submission of Bids (Other than Bids from Anchor Investors)

Bid/Offer Period (except the Bid/Offer Closing Date)	
Submission and Revision in Bids	Only between 10.00 a.m. and 5.00 p.m. Indian Standard Time (“IST”)
Bid/Offer Closing Date	
Submission and Revision in Bids	Only between 10.00 a.m. and 3.00 p.m. IST

On the Bid/Offer Closing Date, the Bids shall be uploaded until:

- (i) 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders, and
- (ii) until 5.00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by Retail Individual Bidders.

On the Bid/Offer Closing Date, extension of time will be granted by the Stock Exchanges only for uploading Bids received from Retail Individual Bidders after taking into account the total number of Bids received and as reported by the BRLMs to the Stock Exchanges.

The Registrar to the Offer shall submit the details of cancelled/ withdrawn/ deleted applications to the SCSBs on a daily basis within 60 minutes of the Bid closure time from the Bid/ Offer Opening Date till the Bid/ Offer Closing Date by obtaining the same from the Stock Exchanges. The SCSBs shall unblock such applications by the closing hours of the Working Day and submit the confirmation to the BRLMs and the RTA on a daily basis.

It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.

Due to limitation of time available for uploading the Bids on the Bid/Offer Closing Date, Bidders are advised to submit their Bids one day prior to the Bid/Offer Closing Date. Any time mentioned in this Draft Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bids are received on the Bid/Offer Closing Date, as is typically experienced in public offerings, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under the Offer. Bids will be accepted only during Monday to Friday (excluding any public holiday).

In case of any discrepancy in the data entered in the electronic book *vis-a-vis* data contained in the physical Bid cum Application Form, for a particular Bidder, the details of the Bid file received from the Stock Exchanges may be taken as the final data for the purpose of Allotment.

Our Bank, in consultation with the BRLMs, reserve the right to revise the Price Band during the Bid/Offer Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in the Price Band shall not exceed 20% on either side, *i.e.* the Floor Price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly. The Floor Price shall not be less than the face value of the Equity Shares.

In case of any revision to the Price Band, the Bid/Offer Period will be extended by at least three additional Working Days following such revision of the Price Band, subject to the Bid/Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar circumstances, our Bank may, in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid/Offer Period for a minimum of three Working Days, subject to the Bid/ Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/Offer Period, if applicable, will be widely disseminated by notification to the Stock Exchanges, by issuing a public notice, and also by indicating the change on the respective websites of the BRLMs and the terminals of the Syndicate Members and by intimation to SCSBs, other Designated Intermediaries and the Sponsor Bank, as applicable. In case of revision of Price Band, the Bid Lot shall remain the same.

Minimum Subscription

If our Bank does not receive (i) the minimum subscription of 90% of the Fresh Issue on the Bid/Offer Closing Date; (ii) listing or trading permissions; or (iii) minimum subscription in the Offer as specified under Rule 19(2)(b) of the SCRR, including through devolvement of Underwriters, if any, within 60 days from the Bid/Offer Closing Date, our Bank and the Selling Shareholders, to the extent applicable shall forthwith refund the entire subscription amount received, no later than fifteen days from the closure of the issue. If there is a delay beyond the prescribed time, our Bank and its Directors who are officers in default, and the Selling Shareholders shall pay interest prescribed under the Companies Act, 2013, the SEBI ICDR Regulations and other applicable law.

The requirement for minimum subscription is not applicable to the Offer for Sale. In case of under-subscription in the Offer, the Equity Shares in the Fresh Issue will be issued prior to the sale of Equity Shares in the Offer for Sale.

After achieving the above minimum subscription, if however, there is under-subscription in achieving the total Offer size, the Equity Shares will be allotted in the following order:

- (i) such number of Equity Shares will first be Allotted by our Bank such that 90% of the Fresh Issue portion is subscribed;
- (ii) upon (i), all the Equity Shares held by the Selling Shareholders and offered for sale in the Offer for Sale will be Allotted (in proportion to the Offered Shares being offered by each Selling Shareholder); and
- (iii) once Equity Shares have been Allotted as per (i) and (ii) above, such number of Equity Shares will be Allotted by our Bank towards the balance 10% of the Fresh Issue portion.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations, our Bank shall ensure that the number of prospective Allottees to whom the Equity Shares will be Allotted shall be not less than 1,000 failing which the entire application money shall be unblocked in the respective ASBA Accounts of the Bidders.

Arrangements for Disposal of Odd Lots

Since our Equity Shares will be traded in dematerialized form only and the market lot for our Equity Shares will be one Equity Share, no arrangements for disposal of odd lots are required.

New Financial Instruments

Our Bank is not issuing any new financial instruments through this Offer.

Restrictions on Transfer and Transmission of Equity Shares

Except for the lock-in of the pre-Offer Equity Share capital of our Bank and the Anchor Investor lock-in as provided in “*Capital Structure*” beginning on page 70 and except as provided in our Articles of Association, there are no restrictions on transfer of Equity Shares. Further, there are no restrictions on the transmission of Equity Shares and on their consolidation/splitting, except as provided in our Articles of Association. See “*Description of Equity Shares and Terms of the Articles of Association*” beginning on page 345.

In accordance with Section 12B of the Banking Regulation Act read with Reserve Bank of India (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015, no person (along with his relatives, associate enterprises or persons acting in concert with such person) can acquire or hold 5% or more of the total paid-up share capital of our Bank, or be entitled to exercise 5% or more of the total voting rights of our Bank, without prior approval of the RBI. For further details, see “*Key Regulations and Policies*” and “*Offer Procedure*” on pages 137 and 327, respectively.

In terms of the Banking Regulation Act read with Reserve Bank of India (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015, every person who intends to make an acquisition /make an agreement for acquisition which will/is likely to take the aggregate holding of such person together with shares/voting rights/compulsorily convertible debentures/bonds held by him, his relatives, associate enterprises and persons acting in concert with him, to five per cent or more of the paid-up share capital of a bank or entitles him to exercise five per cent or more of the total voting rights of a bank, shall seek prior approval of RBI. Accordingly, it is the responsibility of each Bidder to seek RBI approval, if the Bids submitted by such Bidder for such number of Equity Shares as may result in the shareholding of a Bidder (along with his relatives, associate enterprises or persons acting in concert with such Bidder) (“**Other Persons**”) aggregate to five per cent or more of the post-Offer paid-up share capital of our Bank. It may be noted that in the event an approval from RBI is not obtained by any Bidder, it shall not be allotted five per cent or more of the post-Offer paid-up share capital of our Bank. For details, see “*Key Regulations and Policies*” beginning on page 137.

Our Bank, the BRLMs and the Registrar to the Offer will rely strictly and solely on the RBI approvals received from Bidders for making any Allotment of Equity Shares to such Bidders and to the Other Persons, if any, that results in such Bidder, either individually or on an aggregate basis with the Other Persons associated with such Bidder, holding Equity Shares equal to or in excess of five per cent of the post-Offer paid-up share capital of our Bank thereafter, after considering their existing aggregate shareholding in our Bank, if any. Our Bank, the Registrar to the Offer and the BRLMs will not be responsible for identifying the Other Persons associated with any Bidder, or for the consequences of any Bidder and the Other Persons holding Equity Shares, which together with their existing shareholding amount to five per cent or more of the post-Offer paid-up share capital of our Bank pursuant to the Allotment made without a valid and subsisting RBI approval.

A clear legible copy of the RBI approval in the name(s) of the Bidders together with the application submitted for obtaining such RBI approval must be submitted by the Bidders with the Bid cum Application Form as well

as to the Registrar to the Offer at any time prior to the date falling one day before the date for finalisation of the Basis of Allotment. Such RBI approval should clearly mention the name(s) of the entities, which propose to Bid in the Offer, the aggregate shareholding of the Bidder and the Other Persons in the pre-Offer paid-up share capital of our Bank and the maximum permitted holding of Equity Shares by the Other Persons. All allotments to such Bidders and the Other Persons, shall be in accordance with and subject to the conditions contained in such RBI approval.

An 'associate enterprise' has the same meaning assigned to it in explanation 1(a) to Section 12B of Banking Regulation Act. A 'person acting in concert' has the same meaning as stated in explanation 1(c) to Section 12B of Banking Regulation Act. A 'relative' has the same meaning as defined in Section 2(77) of the Companies Act, 2013 and rules made thereunder.

OFFER PROCEDURE

The General Information Document is available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer, including in relation to the process for Bids by Retail Individual Bidders through the UPI Mechanism.

Additionally, all Bidders may refer to the General Information Document for information in relation to (i) Category of investors eligible to participate in the Offer; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) Payment Instructions for ASBA Bidders; (v) Issuance of CAN and allotment in the Offer; (vi) General instructions (limited to instructions for completing the Bid cum Application Form); (vii) Submission of Bid cum Application Form; (viii) Other Instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (ix) applicable provisions of the Companies Act, 2013 relating to punishment for fictitious applications; (x) mode of making refunds; (xi) Designated Date; (xii) disposal of applications; and (xiii) interest in case of delay in allotment or refund.

The SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018 read with its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, has introduced an alternate payment mechanism using Unified Payments Interface (“UPI”) and consequent reduction in timelines for listing in a phased manner. From January 1, 2019, the UPI Mechanism for RIBs applying through Designated Intermediaries was made effective along with the existing process and existing timeline of T+6 days. (“UPI Phase I”). The UPI Phase I was effective till June 30, 2019.

With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by RIBs through Designated Intermediaries (other than SCSBs), the existing process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism for such Bids with existing timeline of T+6 days was mandated for a period of three months or launch of five main board public issues, whichever is later (“UPI Phase II”), with effect from July 1, 2019, by SEBI circular (SEBI/HO/CFD/DIL2/CIR/P/2019/76) dated June 28, 2019, read with circular (SEBI/HO/CFD/DIL2/CIR/P/2019/85) dated July 26, 2019. Subsequently, however, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II till further notice. The final reduced timeline of T+3 days will be made effective using the UPI Mechanism for applications by RIBs (“UPI Phase III”), as may be prescribed by the SEBI. The Offer will be undertaken pursuant to the processes and procedures under UPI Phase II, subject to any circulars, clarification or notification issued by the SEBI from time to time. Further, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 (“UPI Streamlining Circular”) read with SEBI circular no. SEBI/HO/CFD/DIL1/CIR/P/2021/47 dated March 31, 2021 and SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 has introduced certain additional measures for streamlining the process of initial public offers and redressing investor grievances. This circular shall come into force for initial public offers opening on or after May 1, 2021, except as amended pursuant to SEBI circular SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, and the provisions of this circular are deemed to form part of this Draft Red Herring Prospectus. Additionally, SEBI vide its circular no. SEBI/HO/CFD/DIL1/CIR/P/2021/47 dated March 31, 2021 has reduced the time period for refund of application monies from 15 days to four days.

Our Bank, the Selling Shareholders and the BRLMs do not accept any responsibility for the completeness and accuracy of the information stated in this section and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of the Equity Shares that can be held by them under applicable law or as specified in this Draft Red Herring Prospectus.

Further, our Bank, Selling Shareholders and the Members of Syndicate are not liable for any adverse occurrences consequent to the implementation of the UPI Mechanism for application in this Offer.

Book Building Procedure

The Offer is being made in terms of Rule 19(2)(b) of the SCRR, through the Book Building Process in accordance with Regulation 6(2) of the SEBI ICDR Regulations wherein not less than 75% of the Offer shall be allotted on a proportionate basis to QIBs, provided that our Bank may, in consultation with the BRLMs, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription, or non-allotment in the Anchor Investor Portion, the balance Equity Shares shall be added to the Net QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis only to Mutual Funds, and spill-over from the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not more than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not more than 10% of the Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

Under-subscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill over from any other category or combination of categories of Bidders at the discretion of our Bank, in consultation with the BRLMs and the Designated Stock Exchange subject to receipt of valid Bids received at or above the Offer Price. Under-subscription, if any, in the QIB Portion, would not be allowed to be met with spill-over from any other category or a combination of categories.

The Equity Shares, on Allotment, shall be traded only in the dematerialized segment of the Stock Exchanges.

Investors should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including DP ID, Client ID, the PAN and UPI ID, for RIBs Bidding in the Retail Portion using the UPI Mechanism, shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form. However, they may get their Equity Shares rematerialized subsequent to Allotment of the Equity Shares in the Offer, subject to applicable laws.

Investors must ensure that their PAN is linked with Aadhar are in compliance with the notification issued by the Central Board of Taxation dated February 13, 2020 and the press release dated June 25, 2021.

In accordance with Section 12B of the Banking Regulation Act read with the Reserve Bank of India (Prior Approval for Acquisition of Shares or Voting Rights in Private Sector Banks) Directions, 2015, dated November 19, 2015, as amended, no person either by himself or acting in concert with any other person can acquire, directly or indirectly, or hold 5% or more of the total paid-up share capital of our Bank, or be entitled to exercise 5% or more of the total voting rights of our Bank, without prior approval of the RBI. Accordingly, in case of Bids for such number of Equity Shares, as may result in the shareholding of a Bidder (along with his relatives, associate enterprises or persons acting in concert with such person) 5% or more of the total paid-up share capital of our Bank, such Bidder is required to submit the approval obtained from the RBI with the Registrar to the Offer, at least one Working Day prior to the finalisation of the Basis of Allotment. In case of failure by such Bidder to submit the approval obtained from the RBI within the above time period, our Bank may Allot maximum number of Equity Shares, as adjusted for the Bid Lot (and in case of oversubscription in the Offer, after making applicable proportionate allocation for the Equity Shares Bid for), that will limit the aggregate shareholding of the Bidder (along with his relatives, associate enterprises or persons acting in concert with such person and including existing shareholding, if any) to less than 5% of the post-Offer paid-up share capital of our Bank. For further details, see "*Key Regulations and Policies*" beginning on page 137.

A clear legible copy of the approval obtained from the RBI together with the application submitted by such Bidder with the RBI for obtaining such approval must be submitted by the Bidders along with a copy of the Bid cum Application Form, with the Registrar at any time prior to the date falling one Working Day before the date for finalisation of the Basis of Allotment as stated above. The approval obtained from the RBI should clearly mention the name(s) of the entities which propose to Bid in the Offer, the aggregate shareholding of the Bidder in the pre-Offer paid-up share capital of our Bank and the maximum permitted holding of Equity Shares by such Bidder, in accordance with the above requirements.

Phased implementation of Unified Payments Interface

SEBI has issued the UPI Circulars in relation to streamlining the process of public issue of *inter alia*, equity shares. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by RIBs through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced the UPI Mechanism in three phases in the following manner:

Phase I: This phase was applicable from January 1, 2019 until March 31, 2019 or floating of five main board public issues, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, an RIB had the option to submit the ASBA Form with any of the Designated Intermediary and use his/ her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing continued to be six Working Days.

Phase II: This phase has become applicable from July 1, 2019 and was to initially continue for a period of three months or floating of five main board public issues, whichever is later. SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 has decided to extend the timeline for implementation of UPI Phase II until March 31, 2020. Under this phase, submission of the ASBA Form by RIBs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds has been discontinued and replaced by the UPI Mechanism. However, the time duration from public issue closure to listing continues to be six Working Days during this phase. Subsequently, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II till further notice.

Phase III: The commencement period of Phase III is yet to be notified. In this phase, the time duration from public issue closure to listing would be reduced to three Working Days. Accordingly, upon commencement of Phase III, the reduced time duration shall be applicable for the Offer.

The Offer will be made under UPI Phase II of the UPI Circular, unless UPI Phase III of the UPI Circular becomes effective and applicable on or prior to the Bid/Offer Opening Date. If the Offer is made under UPI Phase III of the UPI Circular, the same will be advertised in shall be advertised in [•] editions of the English national daily newspaper [•], [•] editions of the Hindi national daily newspaper [•] and [•] editions of the widely circulated Tamil daily newspaper [•] (Tamil being the regional language of Thoothukudi, Tamil Nadu, where our Registered and Corporate Office is located), each with wide circulation on or prior to the Bid/Offer Opening Date and such advertisement shall also be made available to the Stock Exchanges for the purpose of uploading on their websites.

All SCSBs offering the facility of making applications in public issues shall also provide the facility to make application using UPI. Our Bank will be required to appoint one of the SCSBs as a Sponsor Bank to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and/ or payment instructions of the Retail Individual Bidders using the UPI.

For further details, refer to the “*General Information Document*” available on the websites of the Stock Exchanges and the BRLMs.

Bid cum Application Form

Copies of the Bid cum Application Form (other than for Anchor Investors) and the abridged prospectus will be available with the Designated Intermediaries at the Bidding Centres, and our Registered and Corporate Office. An electronic copy of the Bid cum Application Form will also be available for download on the websites of NSE (www.nseindia.com) and BSE (www.bseindia.com) at least one day prior to the Bid/Offer Opening Date.

Copies of the Anchor Investor Application Form will be available at the offices of the BRLMs.

All Bidders (other than Anchor Investors) shall mandatorily participate in the Offer only through the ASBA process. Anchor Investors are not permitted to participate in the Offer through the ASBA process. The RIBs Bidding in the Retail Portion can additionally Bid through the UPI Mechanism.

RIBs Bidding in the Retail Portion using the UPI Mechanism must provide the valid UPI ID in the relevant space provided in the Bid cum Application Form and the Bid cum Application Form that does not contain the UPI ID are liable to be rejected.

ASBA Bidders (other than RIBs using UPI Mechanism) must provide bank account details and authorization to block funds in their respective ASBA Accounts in the relevant space provided in the ASBA Form and the ASBA Forms that do not contain such details are liable to be rejected.

ASBA Bidders shall ensure that the Bids are made on ASBA Forms bearing the stamp of the Designated Intermediary, submitted at the Bidding Centres only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp are liable to be rejected. RIBs Bidding in the Retail Portion using UPI Mechanism, may submit their ASBA Forms, including details of their UPI IDs, with the Syndicate, Sub-Syndicate members, Registered Brokers, RTAs or CDPs. RIBs authorizing an SCSB to block the Bid Amount in the ASBA Account may submit their ASBA Forms with the SCSBs. ASBA Bidders must ensure that the ASBA Account has sufficient credit balance such that an amount equivalent to the full Bid Amount can be blocked by the SCSB or the Sponsor Bank, as applicable at the time of submitting the Bid.

The prescribed color of the Bid cum Application Form for the various categories is as disclosed below.

* Excluding electronic Bid cum Application Form

Notes:

(1) Electronic Bid Cum Application Forms will also be available for download on the website of the NSE (www.nseindia.com) and the BSE (www.bseindia.com).

(2) Bid cum Application Forms for Anchor Investors will be made available at the office of the BRLMs.

In case of ASBA forms, the relevant Designated Intermediaries shall upload the relevant bid details in the electronic bidding system of the Stock Exchanges. For RIBs using UPI Mechanism, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds. For ASBA Forms (other than UPI Mechanism) Designated Intermediaries (other than SCSBs) shall submit/ deliver the ASBA Forms to the respective SCSB where the Bidder has an ASBA bank account and shall not submit it to any non-SCSB bank or any Escrow Collection Bank.

For RIBs using UPI Mechanism, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds. The Sponsor Bank shall initiate request for blocking of funds through NPCI to RIBs, who shall accept the UPI Mandate Request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. For all pending UPI Mandate Requests, the Sponsor Bank shall initiate requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 12:00 pm on the first Working Day after the Bid/ Issue Closing Date (“**Cut-Off Time**”). Accordingly, RIBs should accept UPI Mandate Requests for blocking off funds prior to the Cut- Off Time and all pending UPI Mandate Requests at the Cut-Off Time shall lapse. The NPCI shall maintain an audit trail for every bid entered in the Stock Exchanges bidding platform, and the liability to compensate RIBs (using the UPI Mechanism) in case of failed transactions shall be with the concerned entity (i.e. the Sponsor Bank, NPCI or the bankers to an issue) at whose end the lifecycle of the transaction has come to a halt. The NPCI shall share the audit trail of all disputed transactions/ investor complaints to the Sponsor Banks and the bankers to an issue. The BRLMs shall also be required to obtain the audit trail from the Sponsor Banks and the Bankers to the Offer for analysing the same and fixing liability.

Electronic registration of Bids

- a) The Designated Intermediary may register the Bids using the on-line facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the on-line facilities for Book Building on a regular basis before the closure of the Offer.
- b) On the Bid/Offer Closing Date, the Designated Intermediaries may upload the Bids till such time as may be permitted by the Stock Exchanges and as disclosed in the Red Herring Prospectus.
- c) Only Bids that are uploaded on the Stock Exchanges Platform are considered for allocation/Allotment.

The Designated Intermediaries are given till 1:00 pm on the next Working Day following the Bid/Offer Closing Date to modify select fields uploaded in the Stock Exchange Platform during the Bid/Offer Period after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing.

Participation by the BRLMs, the Syndicate Members, associates, and affiliates of the BRLMs and the Syndicate Members

The BRLMs and the Syndicate Members shall not be allowed to subscribe to or purchase the Equity Shares in the Offer in any manner, except towards fulfilling their underwriting obligations. However, the associates and affiliates of the BRLMs and the Syndicate Members may Bid for Equity Shares in the Offer, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders, where the allocation is on a proportionate basis and such subscription or purchase may be on their own account or on behalf of their clients. All categories of investors, including associates or affiliates of the BRLMs and Syndicate Members, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

Neither the BRLMs or any associates of the BRLMs (except Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associate of BRLMs or AIFs sponsored by the entities which are associate of the BRLMs or FPIs other than individuals, corporate bodies and family offices sponsored by the entities which are associates of the BRLMs) shall apply in the Offer under the Anchor Investor Portion.

Further, an Anchor Investor shall be deemed to be an associate of the BRLMs, if: (a) either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or (b) either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or (c) there is a common director, excluding a nominee director, amongst the Anchor Investor and the BRLMs.

Bids by HUFs

Bids by Hindu Undivided Families or HUFs, should be made in the individual name of the Karta. The Bidder should specify that the Bid is being made in the name of the HUF in the Bid cum Application Form/Application Form as follows: "Name of sole or first Bidder: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the *Karta*". Bids/Applications by HUFs will be considered at par with Bids/Applications from individuals.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged along with the Bid cum Application Form. Failing this, our Bank, reserves the right to reject any Bid without assigning any reason thereof.

Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made.

In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made. No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific schemes.

No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights. Further, the Banking Regulation Act requires any person to seek prior approval of the RBI to acquire or agree to acquire, directly or indirectly, shares or voting rights of a bank, by itself or with persons acting in concert, wherein such acquisition (taken together with shares or voting rights held by such person or associate enterprise or persons acting in concert with the concerned person) results in aggregate shareholding of such person to be five per cent or more of the paid-up capital of a bank or entitles him to exercise five per cent or more of the voting rights in a bank. For details, see "*Key Regulations and Policies*" beginning on page 137.

Bids by Eligible NRIs

Eligible NRIs may obtain copies of Bid cum Application Form from the Designated Intermediaries. Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRI Bidders bidding on a repatriation basis by using the Non-Resident Forms should authorize their SCSB (if they are Bidding directly through the SCSB) or confirm or accept the UPI Mandate Request (in case of Bidding through the UPI Mechanism) to block their Non-Resident External (“NRE”) accounts, or Foreign Currency Non-Resident (“FCNR”) Accounts, and eligible NRI Bidders bidding on a non-repatriation basis by using Resident Forms should authorize their SCSB (if they are Bidding directly through SCSB) or confirm or accept the UPI Mandate Request (in case of Bidding through the UPI Mechanism) to block their Non-Resident Ordinary (“NRO”) accounts for the full Bid Amount, at the time of the submission of the Bid cum Application Form. Participation of Eligible NRIs in the Offer shall be subject to the FEMA Rules.

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents ([•] in color). Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents ([•] in color).

NRIs will be permitted to apply in the Offer through Channel I or Channel II (as specified in the UPI Circular). Further, subject to applicable law, NRIs may use Channel IV (as specified in the UPI Circular) to apply in the Offer, provided the UPI facility is enabled for their NRE/ NRO accounts.

NRIs applying in the Offer using UPI Mechanism are advised to enquire with the relevant bank whether their bank account is UPI linked prior to making such application. For details of investment by NRIs, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 344. Participation of eligible NRIs shall be subject to FEMA Non-debt Instruments Rules.

Bids by FPIs

In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same multiple entities having common ownership directly or indirectly of more than 50% or common control) must be below 10% of our post-Offer Equity Share capital. Further, in terms of the FEMA Non-debt Instruments Rules, with effect from April 1, 2020, the aggregate FPI investment limit is the sectoral cap applicable to an Indian company as prescribed in the FEMA Non-debt Instruments Rules with respect to its paid-up equity capital on a fully diluted basis. Currently, the sectoral cap for private sector banks is 49% under the automatic route and 49% to 74% under the government route. We have not applied for such regulatory approvals to increase the sectoral cap applicable to our Bank. Accordingly, the applicable limit with respect to our Bank is 49%.

FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time. In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Bank reserves the right to reject any Bid without assigning any reason. FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for Non-Residents ([•] in colour).

In terms of the FEMA, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included.

The FEMA NDI Rules were enacted on October 17, 2019 in supersession of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2017, except as respects things done or omitted to be done before such supersession. FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI, may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only by persons registered as Category I FPIs; (ii) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs; (iii) such offshore derivative instruments are issued after compliance with ‘know your client’ norms; and (iv) such other conditions as may be specified by SEBI from time to time.

An FPI issuing offshore derivative instruments is also required to ensure that any transfer of offshore derivative

instruments issued by, or on behalf of it subject to, *inter alia*, the following conditions:

- (i) such offshore derivative instruments are transferred to persons subject to fulfilment of SEBI FPI Regulations; and
- (ii) prior consent of the FPI is obtained for such transfer, except when the persons to whom the offshore derivative instruments are to be transferred are pre-approved by the FPI.

Bids by FPIs which utilise the multi investment manager structure in accordance with the Operational Guidelines for Foreign Portfolio Investors and Designated Depository Participants issued to facilitate implementation of the SEBI FPI Regulations (the “**Operational FPI Guidelines**”), submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs shall not be treated as multiple Bids (“**MIM Bids**”). As specified in 4.1.4.2 (b)(i) and 4.1.4.2 (c)(iv) of the General Information Document, it hereby clarified that FPIs bearing the same PAN may be treated as multiple Bids by a Bidder and may be rejected, except for Bids from FPIs that utilise the multi investment manager structure in accordance with the Operational FPI Guidelines (such structure referred to as “**MIM Structure**”). In order to ensure valid Bids, FPIs making MIM Bids using the same PAN and with different beneficiary account numbers, Client IDs and DP IDs, are required to submit a confirmation that their Bids are under the MIM Structure and indicate the name of their investment managers in such confirmation which shall be submitted along with each of their Bid cum Application Forms. In the absence of such confirmation from the relevant FPIs, such MIM Bids shall be rejected.

Bids by SEBI-registered AIFs, VCFs and FVCIs

The SEBI FVCI Regulations, SEBI VCF Regulations and the SEBI AIF Regulations prescribe, *inter alia*, the investment restrictions on the FVCIs, VCFs and AIFs registered with SEBI respectively. FVCIs can invest only up to 33.33% of the investible funds by way of subscription to an initial public offering. Category I AIF and Category II AIF cannot invest more than 25% of the investible funds in one investee company directly or through investment in the units of other AIFs. A Category III AIF cannot invest more than 10% of the investible funds in one investee company directly or through investment in the units of other AIFs. AIFs which are authorized under the fund documents to invest in units of AIFs are prohibited from offering their units for subscription to other AIFs. A VCF registered as a Category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/3rd of its investible funds by way of subscription to an initial public offering of a venture capital undertaking. Additionally, a VCF that has not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations (and accordingly shall not be allowed to participate in the Offer) until the existing fund or scheme managed by the fund is wound up and such funds shall not launch any new scheme after the notification of the SEBI AIF Regulations.

There is no reservation for Eligible NRIs, FPIs and FVCIs and all Bidders will be treated on the same basis with other categories for the purpose of allocation.

Further, the shareholding of VCFs, category I AIFs or category II AIFs and FVCIs holding Equity Shares prior to Offer, shall be locked-in for a period of at least one year from the date of purchase of such Equity Shares.

All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.

The Company, the Selling Shareholders or the BRLMs will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Bids by Limited Liability Partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Bank, in consultation with the BRLMs, reserve the right to reject any Bid without assigning any reason thereof.

Bids by Banking Companies

In case of Bids made by banking companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, and (ii) the approval of such banking company’s investment committee are required to be attached to the Bid cum Application Form. Failing this, our Bank, in consultation with the BRLMs,

reserves the right to reject any Bid without assigning any reason thereof. The investment limit for banking companies in non-financial services companies as per the Banking Regulation Act, the Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended and Master Circular on Basel III Capital Regulations dated July 1, 2014, as amended, is 10% of the paid up share capital of the investee company, not being its subsidiary engaged in non-financial services, or 10% of the bank's own paid-up share capital and reserves, whichever is lower.

However, a banking company would be permitted to invest in excess of 10% but not exceeding 30% of the paid up share capital of such investee company, subject to prior approval of the RBI if (i) the investee company is engaged in non-financial activities permitted for banking companies in terms of Section 6(1) of the Banking Regulation Act; or (ii) the additional acquisition is through restructuring of debt, or to protect the banking company's interest on loans/investments made to a company. The bank is required to submit a time bound action plan to the RBI for the disposal of such shares within a specified period. The aggregate investment by a banking company along with its subsidiaries, associates or joint ventures or entities directly or indirectly controlled by the bank; and mutual funds managed by asset management companies controlled by the bank, more than 20% of the investee company's paid up share capital engaged in non-financial services. However, this cap doesn't apply to the cases mentioned in (i) and (ii) above. The aggregate equity investments made by a banking company in all subsidiaries and other entities engaged in financial services and non-financial services, including overseas investments shall not exceed 20% of the bank's paid-up share capital and reserves.

In terms of the Master Circular on Basel III Capital Regulations dated July 1, 2014, as amended (i) a bank's investment in the capital instruments issued by banking, financial and insurance entities should not exceed 10% of its capital funds; (ii) banks should not acquire any fresh stake in a bank's equity shares, if by such acquisition, the investing bank's holding exceeds 5% of the investee bank's equity capital; (iii) equity investment by a bank in a subsidiary company, financial services company, financial institution, stock and other exchanges should not exceed 10% of the bank's paid-up share capital and reserves; (iv) equity investment by a bank in companies engaged in non-financial services activities would be subject to a limit of 10% of the investee company's paid-up share capital or 10% of the bank's paid-up share capital and reserves, whichever is less; and (v) a banking company is restricted from holding shares in any company, whether as pledgee, mortgagee or absolute owner, of an amount exceeding 30% of the paid-up share capital of that company or 30% of its own paid-up share capital and reserves, whichever is less. For details in relation to the investment limits under Master Direction – Ownership in Private Sector Banks, Directions, 2016, see “*Key Regulations and Policies*” beginning on page 137.

Bids by SCSBs

SCSBs participating in the Offer are required to comply with the terms of the circulars issued by the SEBI dated September 13, 2012 and January 2, 2013. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such applications.

Bids by Systemically Important NBFCs

In case of Bids made by Systemically Important NBFCs registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, (ii) the last audited financial statements on a standalone basis, (iii) a net worth certificate from its statutory auditors, and (iv) such other approval as may be required by the Systemically Important NBFCs are required to be attached to the Bid cum Application Form. Failing this, our Bank, in consultation with the BRLMs, reserves the right to reject any Bid without assigning any reason thereof.

Systemically Important NBFCs participating in the Offer shall comply with all applicable regulations, directions, guidelines and circulars issued by the RBI from time to time.

The investment limit for Systemically Important NBFCs shall be as prescribed by RBI from time to time.

Bids by Insurance Companies

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, our Bank, in consultation with the BRLMs, reserves the right to reject any Bid without assigning any reason thereof.

The exposure norms for insurers are prescribed under the IRDAI Investment Regulations, based on investments

in equity shares of the investee company, the entire group of the investee company and the industry sector in which the investee company operates. Insurance companies participating in the Offer are advised to refer to the IRDAI Investment Regulations for specific investment limits applicable to them and comply with all applicable regulations, guidelines and circulars issued by the IRDAI from time to time.

Bids by Provident Funds/Pension Funds

In case of Bids made by provident funds/pension funds, subject to applicable laws, with minimum corpus of ₹ 250 million, a certified copy of a certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be attached to the Bid cum Application Form. Failing this, our Bank, in consultation with the BRLMs, reserves the right to reject any Bid without assigning any reason thereof.

Bids under Power of Attorney

In case of Bids made pursuant to a power of attorney or by limited companies, corporate bodies, registered societies, Eligible FPIs, Mutual Funds, Systemically Important NBFCs, insurance companies, insurance funds set up by the army, navy or air force of the Union of India, insurance funds set up by the Department of Posts, India, or the National Investment Fund and provident funds with a minimum corpus of ₹ 250 million (subject to applicable law) and pension funds with a minimum corpus of ₹ 250 million, a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws must be lodged along with the Bid cum Application Form. Failing this, our, in consultation with the BRLMs, reserves the right to accept or reject any Bid in whole or in part, in either case without assigning any reason therefor.

Our Bank, in consultation with the BRLMs, in their absolute discretion, reserves the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form subject to the terms and conditions that our Bank, in consultation with the BRLMs may deem fit.

In accordance with existing regulations issued by the RBI, OCBs cannot participate in this Offer.

Names of entities responsible for finalising the basis of allotment in a fair and proper manner

The authorized employees of the Designated Stock Exchange, along with the BRLMs and the Registrar, shall ensure that the Basis of Allotment is finalised in a fair and proper manner in accordance with the procedure specified in SEBI ICDR Regulations.

Method of allotment as may be prescribed by SEBI from time to time

Our Bank will not make any allotment in excess of the Equity Shares through the Red Herring Prospectus and the Prospectus except in case of oversubscription for the purpose of rounding off to make allotment, in consultation with the Designated Stock Exchange. Further, upon oversubscription, an allotment of not more than one per cent of the Offer may be made for the purpose of making allotment in minimum lots.

The allotment of Equity Shares to Bidders other than to the Retail Individual Bidders and Anchor Investors shall be on a proportionate basis within the respective investor categories and the number of securities allotted shall be rounded off to the nearest integer, subject to minimum allotment being equal to the minimum application size as determined and disclosed.

The allotment of Equity Shares to each Retail Individual Bidder shall not be less than the minimum bid lot, subject to the availability of shares in Retail Individual Bidders Portion, and the remaining available shares, if any, shall be allotted on a proportionate basis.

Payment into Escrow Account(s) for Anchor Investors

Our Bank, in consultation with the BRLMs, in its absolute discretion, will decide the list of Anchor Investors to whom the CAN will be sent, pursuant to which the details of the Equity Shares allocated to them in their respective names will be notified to such Anchor Investors. For Anchor Investors, the payment instruments for payment into the Escrow Account(s) should be drawn in favor of:

- (a) In case of resident Anchor Investors: “[•]”; and
- (b) In case of Non-Resident Anchor Investors: “[•]”.

Anchor Investors should note that the escrow mechanism is not prescribed by the SEBI and has been established as an arrangement between our Bank, the Selling Shareholders and the Syndicate, the Escrow Collection Bank and the Registrar to the Offer to facilitate collections of Bid amounts from Anchor Investors.

Pre-Offer Advertisement

Subject to Section 30 of the Companies Act, 2013, our Bank shall, after filing the Red Herring Prospectus with the RoC, publish a pre-Offer advertisement, in the form prescribed by the SEBI ICDR Regulations, in: all editions of [•], an English national daily newspaper, all editions of [•], a Hindi national daily newspaper and [•] edition of [•], a widely circulated Tamil daily newspaper (Tamil being the regional language of Thoothukudi, Tamil Nadu, where our Registered and Corporate Office is located), each with wide circulation.

In the pre-Offer advertisement, we shall state the Bid/Offer Opening Date and the Bid/Offer Closing Date. The advertisement, subject to the provisions of Section 30 of the Companies Act, 2013, shall be in the format prescribed in Part A of Schedule X of the SEBI ICDR Regulations.

Signing of the Underwriting Agreement and the RoC Filing

- (a) Our Bank, the Selling Shareholders and the Underwriters intend to enter into an Underwriting Agreement on or immediately after the finalization of the Offer Price but prior to the filing of Prospectus.
- (b) After signing the Underwriting Agreement, an updated Red Herring Prospectus will be filed with the RoC in accordance with applicable law, which then would be termed as the 'Prospectus'. The Prospectus will contain details of the Offer Price, the Anchor Investor Offer Price, Offer size, and underwriting arrangements and will be complete in all material respects.

Impersonation

Attention of the applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who:

- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
- (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name,*

shall be liable for action under Section 447.”

The liability prescribed under Section 447 of the Companies Act, 2013, for fraud involving an amount of at least ₹ 1 million or 1% of the turnover of the Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years and fine of an amount not less than the amount involved in the fraud, extending up to three times such amount (provided that where the fraud involves public interest, such term shall not be less than three years.) Further, where the fraud involves an amount less than ₹ 1 million or one per cent of the turnover of the company, whichever is lower, and does not involve public interest, any person guilty of such fraud shall be punishable with imprisonment for a term which may extend to five years or with fine which may extend to ₹ 5 million or with both.

Undertakings by Our Bank

Our Bank undertakes the following:

- adequate arrangements shall be made to collect all Bid cum Application Forms submitted by Bidders;
- the complaints received in respect of the Offer shall be attended to by our Bank expeditiously and satisfactorily;
- all steps for completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges where the Equity Shares are proposed to be listed shall be taken within six Working Days of the Bid/Offer Closing Date or such other time as may be prescribed by the SEBI or under any applicable law;

- if Allotment is not made within the prescribed time period under applicable law, the entire Bid amount received will be refunded/unblocked within the time prescribed under applicable law, failing which interest will be due to be paid to the Bidders at the rate prescribed under applicable law for the delayed period;
- the funds required for making refunds (to the extent applicable) to unsuccessful Bidders as per the mode(s) disclosed shall be made available to the Registrar to the Offer by our Bank;
- where refunds (to the extent applicable) are made through electronic transfer of funds, a suitable communication shall be sent to the Bidder within the time prescribed under applicable law, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;
- no further issue of the Equity Shares shall be made until the Equity Shares issued through the Red Herring Prospectus are listed or until the Bid monies are unblocked in ASBA Account/refunded on account of non-listing, under-subscription, etc.
- our Bank, in consultation with the BRLMs, reserves the right not to proceed with the Fresh Issue, in whole or in part thereof, to the extent of the Offered Shares, after the Bid/ Offer Opening Date but before the Allotment. In such an event, our Bank would issue a public notice in the newspapers in which the pre-Offer advertisements were published, within two days of the Bid/ Offer Closing Date or such other time as may be prescribed by the SEBI, providing reasons for not proceeding with the Offer and inform the Stock Exchanges promptly on which the Equity Shares are proposed to be listed; and
- if our Bank, in consultation with the BRLMs withdraws the Offer after the Bid/ Offer Closing Date and thereafter determines that it will proceed with an issue of the Equity Shares, our Bank shall file a fresh draft red herring prospectus with the SEBI.

Undertakings by the Selling Shareholders

The Selling Shareholders, severally and not jointly, undertake the following:

- they are the legal and beneficial owners of the respective portion of Offered Shares;
- The respective Equity Shares offered by them in the Offer for Sale are free and clear of any encumbrances and shall be transferred to the successful Bidders within the time specified under applicable law.
- they have authorized our Bank to take such necessary steps in relation to the completion of Allotment and dispatch of the Allotment Advice and CAN, if required, and refund orders to the extent of Equity Shares offered by them in the Offer for Sale; and
- they shall not have any recourse to the proceeds of the Offer for Sale until final listing and trading approvals have been received from the Stock Exchanges;

Utilization of Offer Proceeds

Our Board certifies that:

- all monies received out of the Fresh Issue shall be credited/transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 40 of the Companies Act, 2013;
- details of all monies utilized out of the Fresh Issue shall be disclosed, and continue to be disclosed till the time any part of the Offer proceeds remains unutilized, under an appropriate head in the balance sheet of our Bank indicating the purpose for which such monies have been utilized; and
- details of all unutilized monies out of the Fresh Issue, if any shall be disclosed under an appropriate separate head in the balance sheet indicating the form in which such unutilized monies have been invested.

RESTRICTION ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The RBI and the concerned ministries/departments are responsible for granting approval for foreign investment.

The Government has from time to time made policy pronouncements on foreign direct investment (“FDI”) through press notes and press releases. The DPIIT, issued the FDI Policy, which is effective from October 15, 2020, which subsumes and supersedes all previous press notes, press releases and clarifications on FDI issued by the DPIIT that were in force and effect prior to October 15, 2020. The FDI Policy will be valid until the DPIIT issues an updated circular. FDI in companies engaged in sectors/ activities which are not listed in the FDI Policy is permitted up to 100% of the paid up share capital of such company under the automatic route, subject to compliance with certain prescribed conditions. For details, see “*Key Regulations and Policies*” on page 137.

Under the current FDI Policy, 49% foreign direct investment is permitted in private sector banks, under the automatic route, subject to compliance with certain prescribed conditions. Further, FDI above 49% up to 74% is permitted in private sector banks under the government route.

The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the RBI, provided that (i) the activities of the investee company are under the automatic route under the FDI policy and transfer does not attract the provisions of the Takeover Regulations; (ii) the non-resident shareholding is within the sectoral limits under the FDI policy; and (iii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI.

As per the existing policy of the Government of India, OCBs cannot participate in this Offer. For details, see “*Offer Procedure*” on page 327.

Further, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the FEMA Non-Debt Instruments Rules, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, will require prior approval of the Government of India, as prescribed in the FDI Policy and the FEMA Non-Debt Instruments Rules. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government of India. Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required, and such approval has been obtained, the Bidder shall intimate our Bank and the Registrar in writing about such approval along with a copy thereof within the Offer Period.

The Equity Shares offered in the Offer have not been and will not be registered under the Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in ‘offshore transactions’ in reliance on Regulation S under the Securities Act and the applicable laws of the jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Bidders. Our Bank, the Selling Shareholders and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or regulations.

SECTION VIII: DESCRIPTION OF EQUITY SHARES AND TERMS OF ARTICLES OF ASSOCIATION

This description reflects amendments to our Articles of Association that were approved by our Board on August 3, 2021. Such amendments are pending approval of our shareholders. Capitalized terms used in this section shall have the meaning that has been given to such terms in the Articles of Association. Pursuant to the SEBI ICDR Regulations, the main provisions of the Articles of Association are set out below.

Authorised share capital

The Authorised Share Capital of the Bank shall be such amount and be divided into such shares as may, from time to time, be provided in Clause 5 of the Memorandum of Association of the Bank. The Bank will have the power to subdivide, consolidate and increase or decrease and with power, from time to time, to issue any shares of the original capital with and subject to any preferential, qualified or special rights, privileges or conditions as may be thought fit and upon the subdivision of shares, to apportion the right to participate in profits in any manner as between the shares resulting from subdivision.

Increase and Reduction of Capital

The Bank may from time to time by ordinary resolution, increase the share capital by such sum to be divided into shares of such amount as the resolution shall prescribe. The new shares may be issued upon such terms and conditions and with such rights and privileges annexed thereto as the General Meeting resolving upon the creation thereof shall direct, and if no direction be given, as the Board shall determine.

Except so far as otherwise provided by the conditions of the issue, any Capital raised by the creation of new shares shall be considered as part of the original capital and shall be subject to the same provisions in all respects as if it has been the original capital. Subject to the provisions of the Companies Act, 2013 (the “Act”), the Bank may by special resolution reduce its Share Capital or any share premium account in such manner as may be deemed necessary.

Power to sub-divide and consolidate

The Bank may from time to time by ordinary resolution.

- (a) Consolidate and divide all or any of its share capital into shares of larger amount than its existing shares, or
- (b) Sub-divide its shares or any of them into shares of smaller amount than is fixed by the Memorandum of Association subject, nevertheless, to the provisions of Paragraph (d) of sub-section (1) of Section 61 of the Companies Act, 2013 or
- (c) cancel any shares which at the date of passing of the resolution have not been taken or agreed to be taken by any person.

Shares at the disposal of the Board

Subject to the provisions of the Companies Act, 2013 and the Articles and any other law for the time being in force, the shares in the capital of the Bank shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit and with the sanction of the Bank in the General Meeting to give to any person or persons the option or right to call for any shares either at par or premium during such time and for such consideration as the directors thinks fit, and may issue and allot shares in the capital of the Bank on payment in full or part of any property sold and transferred or for any services rendered to the Bank in the conduct of its business and any shares which may so be allotted may be issued as fully paid up shares and if so issued, shall be deemed to be fully paid shares Provided that the option or right to call of shares shall not be given to any person without the sanction of the Bank in the General Meeting.

Forfeiture of Shares

If a shareholder fails to pay any call or installment on or before the day appointed for payment thereof, the Board may at any time thereafter during such time as any part of such call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest

and expenses which may have accrued. The notice shall name a day (not less than 15 days and not more than two months from the date of notice) and a place at which such amounts aforesaid are to be paid. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given, may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect, without any further notice to, or communication with, such shareholder. Such forfeiture shall include all dividends declared in respect of the forfeited shares. Any share so forfeited shall be deemed to be the property of the Bank and the Board may sell, re-allot or otherwise dispose of the same on such terms and in such manner as they think fit, but at any time before such disposition the forfeiture may be annulled on such terms as the Board thinks fit.

Lien

The Bank shall have a first and paramount lien on every share/debentures (not being fully paid-up shares/debentures) registered in the name of each member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such share/ debentures and no equitable interest in the any share shall be created except upon the footing and condition that this Article will have full effect.

The Bank's lien on a share shall extend to all dividends payable thereon and bonuses declared from time to time in respect of such shares/ debentures.

Unless otherwise agreed the registration of a transfer of shares/ debentures shall operate as a waiver of the Bank's lien if any, on such shares/debentures.

The board may at any time declare any shares/ debentures wholly or in part to be exempt from the provisions of this clause.

The fully paid up Shares shall be free from all lien and in the case of partly paid up Shares the bank's lien shall be restricted to moneys called or payable at a fixed time in respect of such Shares.

Share Certificates

Subject to the provisions of the Articles, every person whose name is entered in the Register of Members except for those shareholders holding shares in dematerialized form, shall without payment, be entitled to a Certificate or Certificates under the Common Seal of the Bank, specifying the share or shares held by him, and the amount paid-up thereon. It shall be signed by two of the Directors of the Bank and countersigned by the Whole Time Chairman or by the Company Secretary or by any person or persons appointed for the purpose by the Directors. In respect of any shares held jointly by several persons, the Bank shall not be bound to issue more than one certificate and delivery of a certificate for a share or shares to one or several joint holders shall be sufficient delivery to all. The Bank shall complete and have ready for delivery such certificates within three months from the date of allotment, unless the conditions of issue thereof otherwise provide, or within two months of the receipt of application of registration of transfer, transmission, sub-division, consolidation or renewal of any of its shares as the case may be.

Every person whose name is entered as a member in the Register of members shall be entitled to receive.

- a) One certificate for all his shares without payment, or
- b) several certificates, each for one or more of his shares, upon payment of a sum of twenty rupees for every certificate after the first.

If any such certificate be worn-out, defaced, mutilated, torn, damaged or lost, or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the Bank, it may be renewed or replaced. Every certificate under this Article shall be issued without payment of fees, or on payment of such fees (not exceeding ₹ 2 for each certificate) for each certificate as the Board shall prescribe and on such terms as to evidence and indemnity and the payment of out of pocket expenses of the Bank in investigating evidence as the Board thinks fit.

Provided that no fee shall be charged for issue of new certificates in replacement of those which are old, defaced or worn out or where there is no further space on the back thereof for endorsement of transfer. Provided that

notwithstanding what is stated above the Board shall comply with such rules or regulations or requirements of any stock exchange or the rules made under the Act or rules made under Securities Contracts (Regulation) Act, 1956 or any other act or rules applicable thereof in this behalf.

The provisions of this Article shall mutatis mutandis apply to the debentures of the Bank.

Transfer and Transmission of Shares

- (i) The instrument of transfer of any share in the Bank shall be executed both by the transferor and transferee and the transferor shall be deemed to remain holder of the share until the name of the transferee is entered in the Register of Members in respect thereof.
- (ii) Every holder of shares or securities of the Bank, who intends to transfer such shares or securities on or after October 2, 2018, shall get such securities dematerialised before the transfer and such transfer of shares or securities shall be made only in dematerialised form.
- (iii) The instrument of transfer shall be in writing and all provisions of the Companies Act, 2013 and statutory modifications thereof for the time being shall be duly complied with in respect of all transfer of shares and registration thereof.

Notwithstanding anything contained in any other Article contained herein, every person who intends to make an acquisition / make an agreement for acquisition which will / is likely to take the aggregate holding of such person together with shares / voting rights / compulsorily convertible debentures / bonds held by him, his relatives, associate enterprises and persons acting in concert with him, to 5 per cent or more of the paid-up share capital of the Bank or entitles him to exercise 5 per cent or more of the total voting rights of the bank, shall seek prior approval of the Reserve Bank in the manner specified in Chapter III and IV of Reserve Bank of India (Prior Approval for Acquisition of Shares or Voting Rights in Private Sector Banks) Directions, 2015 issued in pursuance of Section 12B of the Banking Regulation Act, 1949, or any statutory amendment thereof.

Consequent to the introduction of Rule 9A of Companies (Prospectus and Allotment of Securities) Rules, 2014, The transfer of shares or securities of the Bank effected before 2nd October, 2018, shall be made in the form prescribed under Section 56(1) of the Companies Act, 2013 and the rules made thereunder.

Subject to the provisions of the Companies Act, 2013 and Section 22A of the Securities Contracts (Regulation) Act, 1956, the Board may, at their own absolute discretion and by giving reasons, subject to the right of appeal conferred by Section 58 of the Companies Act, 2013 decline to register any transfer of share not being fully paid, to a person of whom they do not approve and may also decline to register any transfer of share on which the Bank has a lien, and the right of refusal, shall not be affected by the circumstances that the proposed transferee is already a member of the Bank, but in such cases, the Board shall within fifteen days from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Bank, send notice of the refusal to the transferee and the transferor or to the person giving intimation of such transmission, as the case may be, giving reasons for the refusal to register such transfer provided that the registration of such transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Bank on any account whatsoever except when the Bank has lien on the shares.

Transfer of shares and debentures in whatever lots shall not be refused.

The registration of transfers may be suspended at such time and for such periods as the Board may from time to time determine. Provided that such registration shall not be suspended for a period exceeding thirty days at a time or for more than forty-five days in the year.

Every share holder or depositor of the Bank, may at any time, nominate a person to whom his shares or deposits shall vest in the event of his death in such manner as may be prescribed under the Act.

Buy-back

Notwithstanding anything contained in the Articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Companies Act, 2013 or any other law for the time being in force, the bank may purchase its own shares or other specified securities.

Power to Borrow

To raise or borrow money from time to time by bonds, debentures or promissory notes, or by opening current accounts or by receiving advances with or without security or by mortgaging any lands, buildings, machinery, goods or other property of the Bank or by such other means as the Board may deem expedient.

Capitalization of Profits

The Bank in General Meeting may, upon the recommendation of the Board, resolve to capitalise any part of the amount for the time being standing to the credit of any of the Bank's reserve accounts, or to the credit of the Profit and Loss Account or otherwise available for distribution.

Board of Directors

The number of Directors shall not be less than seven and not more than eleven.

Not less than fifty-one percent of the total number of Directors for the time being shall consist of persons who, a) shall have special knowledge or practical experience in respect of one or more of the following matters, namely; i) accountancy; ii) agriculture and rural economy; iii) banking; iv) co-operation; v) economics; vi) finance; vii) law; viii) small-scale industry; ix) any other matter, the special knowledge of, and practical experience in, which would, in the opinion of the Reserve Bank, be useful to the Bank. Provided that out of the aforesaid number of Directors, not less than two shall be persons having special knowledge or practical experience in respect of agriculture and rural economy, co-operation or small scale industry and; b) shall not have substantial interest in, or be connected with whether as employee, Manager or Managing Agent in any company, not being a company registered under section 25 of the Companies Act 1956, or any firm, which carries on trade, commerce or industry and which in either case is not a small scale industrial concern, or be proprietors of any trading, commercial or industrial concern not being a small scale industrial concern.

The Management of the business of the Bank shall vest in the Board of Directors who may exercise all such powers of the Board as are not, by the Companies Act, 2013 or any statutory modification thereof for the time being in force or by the Articles, required to be done by the Bank in General Meeting, subject nevertheless to the provisions of the said Act or any other act or the Memorandum and Articles of Association of the Bank or any regulations not inconsistent therewith and duly made there under including regulations made by the Bank in General Meeting; but no regulation made by the Bank in General Meeting shall invalidate any prior act of the Board which would have been valid if that regulation had not been made.

The amount of sitting fees payable to a Director other than the Whole-time Chairman / Managing Director for attending a Board Meeting or Committee thereof shall be decided by the Board of Directors from time to time within the limits as may be permissible under the provisions of the Act and the rules framed thereunder. Every Director who is not resident in the place where a meeting of the Board or Committee thereof is held and who proceeds to such place for attending such meeting shall, in addition to the fees for attending such meeting or meetings be entitled to reimbursement of all travelling and staying expenses actually incurred by him subject to such maximum amount as may be determined by the Board of Directors from time to time.

Meetings of Board of Directors

The Board may meet together for the disposal and dispatch of business, adjourn and otherwise regulate their meetings as they think fit, provided that a meeting of the Board of Directors shall be held at least once in every three calendar months and not less than four meetings shall be held in each year.

A meeting of the Board at which a quorum is present shall be competent to exercise all or any of the authorities, powers and discretions for the time being vested or exercisable by the Board generally by or under the Regulations of the Bank.

The quorum for the meeting of any committee will be one-third of its total strength (any fraction contained in the one-third being rounded off as one) or two directors, whichever is higher:

Provided that where at any time the number of interested directors exceeds or is equal to two-third of the total strength, the number of the remaining directors, that is to say, the number of directors who are not interested present at the meeting being not less than two, shall be the quorum for the meeting.

All acts done at any meeting of the Board or of a Committee of Directors or by any person acting as a Director shall, notwithstanding that it shall afterwards be discovered that there was some defect in the appointment of the Directors or persons acting as aforesaid, or that they or any of them were disqualified, be valid as if every such person had been duly appointed and was qualified to be a Director.

General Meeting

All General Meetings whether Annual or Extra-Ordinary shall be held at the Registered Office of the Bank at Thoothukudi or at such convenient place in Thoothukudi as the Board may think fit.

Voting at Meetings of Board and Shareholders

Subject to any rights or restrictions for the time being attached to any class or classes of shares, on a show of hands, every member present in person shall have one vote; and on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the company.

A member may exercise his vote at a meeting by electronic means in accordance with section 108 of the Act and shall vote only once. No member shall be entitled to vote at any General Meeting unless all calls, interest and expenses on or in connection with every share held by him in respect of which but for this Article, he would have been entitled to vote, shall have been paid. Subject as above, every shareholder present in person shall, on a show of hands, have the right to vote on every resolution placed before the meeting. On a show of hands, every member present in person shall have one vote and his voting right, on a poll, shall be in proportion to his share of the paid up equity capital of the Bank, but not in excess of ten (instead of one) percent of the total voting rights of all the shareholders of the Bank or such percentage as may be prescribed in the Banking Regulation Act, 1949 from time to time.

On a poll votes may be given either personally or by proxy. The instrument appointing a proxy shall be in writing and be signed by the appointer, or if the appointer is a body corporate, be under its seal or be signed by an officer or an attorney duly authorised by it. A person holding a general power of attorney from a shareholder shall be entitled to attend and vote in respect of the shares of his principal to the same extent and in the same manner as his principal could vote and provided that such general power of attorney be duly registered and a true copy thereof be left with the Bank.

Dividend

The Bank in General Meeting may declare dividends to be paid to the shareholders in proportion to the amount for the time being called and paid up in respect of their shares but no dividends shall exceed the amount recommended by the Board.

Subject to provisions of Section 123 of the Companies Act, 2013, no dividend shall be paid otherwise than out of the profits of the year or any other undistributed profits.

The Board may, from time to time, pay to the members such interim dividends as appear to them to be justified by the profits of the Bank.

Unpaid or Unclaimed Dividend

Where the Bank has declared a dividend but which has not been paid or the dividend warrant in respect thereof has not been posted within 30 days from the date of declaration to any shareholder entitled to the payment of the dividend, the Bank shall within 7 days of the date of the expiry of the 30 days, open a special account in that behalf in any scheduled bank, to be called "Unpaid Dividend of Tamilnad Mercantile Bank Limited".

Any money transferred by the Bank to the unpaid dividend account pursuant to Section 124 of the Companies Act, 2013 and which remains unpaid or unclaimed for a period of seven years from the date of such transfer shall be transferred by the Bank to the fund established by the Central Government under Section 125 of the Companies Act, 2013. Further, there will be no forfeiture of unclaimed or unpaid dividends unless the claim becomes barred by law and such forfeiture, if effected, shall be annulled in appropriate cases.

Winding Up

Subject to the provisions of the Act, the Banking Regulation Act, 1949 and the Insolvency and Bankruptcy Code, 2016 (to the extent applicable), if the Bank shall be wound up and the surplus assets shall be insufficient to repay the whole of the paid up capital, such surplus assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up, or which ought to have been paid up on the shares held by them respectively at the commencement of the winding up. But this clause is without prejudice to the rights of the holders of shares issued upon special conditions.

Indemnity

1. Subject to the applicable provisions of the Companies Act, 2013, every Director, Secretary, Key Managerial Persons, Agent, Auditor and other officer or servant of the Bank shall be indemnified by the Bank from all losses and expenses incurred by him respectively in or about the discharge of his respective duties except those arising out of his wilful acts or defaults.
2. Subject to the applicable provisions of the Companies Act, 2013, no Director or officer shall be held liable for joining in any receipt or other act for conformity's sake or for any loss or expense happening to the Bank by the insufficiency or deficiency of title to any property acquired by other of the Directors for, or on behalf of the Bank or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Bank shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortuous act of any person with whom any moneys, securities or effects shall be deposited or for any other loss, damage or misfortune whatsoever which shall happen in the execution of his respective office or in relation thereto unless the same shall happen through his own wilful act or default. The Bank may also take insurance cover for protecting its directors and officers.
